

If **Duncan Sims** hadn't contacted me I would not have suspected his site was dodgy. It was only when I was doing some digging on Digger [http://sharonkilby.co.uk/site/DIGGER\\_IS\\_A\\_SHILL.php](http://sharonkilby.co.uk/site/DIGGER_IS_A_SHILL.php) that I wondered if Sims was promoting the same Jew lies. And sure enough ... Jeesh, all these agents being sent out to befriend me! I must be doing something right.

So who is Duncan Sims? He runs a blog called **Icenirising**, and tells us he's a bricklayer and plasterer <https://icenirising.wordpress.com/page/2/> Apart from that there is no information at all on him. For all we know Sims could be a pseudonym or somebody's sock. On LinkedIn we see [Duncan: Sims...](#) is a faceless 'Bricklayer of 20+years, Plasterer, Activist, blogger, bowyer and Archer'. <https://uk.linkedin.com/pub/dir/Duncan/Sims>

The name he chose for his site is **very revealing**. The Iceni were a tribe involved in an **uprising** against the Romans <https://en.wikipedia.org/wiki/Iceni> Sims is promoting the '*revolution is the solution*' message. That is a big clue he is a shill. A revolution is NOT the answer. It will lead us very quickly into complete slavery [or death]. Revolutions NEVER deal with the people who are really calling the shots.

Throughout this pdf I comment in red as always.

Duncan wrote to me on 27/10/14:

"Hey Sharon,

In researching spiveys latest arrest farce i came across your pdf, and hence, your site. I had a quick read through some and will return, but it was your: 'God i feel so alone" that made me contact you, you are not. I have had my home and later my car taken by the ptb, i have been directly involved with the likes of gerrish, we are change, the british constitution group etc etc over the years and know first hand of the spooks in said groups and their masonic jewish handlers, though not to say, as i used to, that all masons are bad, the darker side certainly do have the upper hand at present. I will avoid turning this into an essay, and i'm sure we will have differing opinions, but i felt the need to say hi, i know how lonely a road it can be at times.

Kindest regards.

Duncan”

Notice he gets me to trust him by saying he’s had his home and car taken *by the ptb*. If that was true he would have detailed it on his site, and *shown some evidence* of the corruption. Instead he posts vague and unimpressive *smug* comments. For example take a look here <https://icenirising.wordpress.com/2013/09/26/norwich-council-court-perjury/> He says: “This is video taken in 2010/11 when the council took my home. But he has removed that video. Wonder why! Just to let them know it isn’t forgotten and all safely stored. But not published! Since then I have the tax man in acquiescence [no evidence of that either] and I’m busy on my Right to Travel at present, but soon I can return my attention to it, I gave you my word after all Norma. For the record: I stand under different methods from three years ago, they couldn’t let me win whatever, but it did expose their lies.” Where has Sims exposed ‘their’ lies?

This is his tax boast: “I am Me, Myself, without the State of England, I removed my consent to be governed [prove it] in 2010, I will not pay income tax, road tax or council tax [prove it. Prove that for the 5 years from 2010 to 2015 you have not paid said taxes; for example show us the letters [and reminder letters] requesting payment; **show how you managed to avoid payment**] to fund traitors inside the gates, illegal wars, state sponsored false flags, war crimes, genocide and crimes against humanity ...” <https://icenirising.wordpress.com/2015/05/03/hellstorm-exposing-the-real-genocide-of-nazi-germany/>

Course this ‘consent’ nonsense is the FOTL **scam**. Duncan calls himself a ‘freeman’. Ha ha, what a joker. Any kind of freedom he enjoys is because *he works for and is protected by the **Masonic** machine*. In actuality such people are the most enslaved of all; but the fools just don’t realise it. And judging from what he says he must be living off the taxpayer, claiming benefits; after all if he was working he’d sure as hell be letting us know. Have a look at my pdf on Digger [http://sharonkilby.co.uk/site/DIGGER\\_IS\\_A\\_SHILL.php](http://sharonkilby.co.uk/site/DIGGER_IS_A_SHILL.php) for more on the ‘Freeman on the Land’ **woo**.

Here’s another post whereby the clown is proclaiming to be a ‘lawful rebel’ bravely standing his ground and standing up to the masons. [https://www.youtube.com/watch?v=l9TS\\_L-IsyM](https://www.youtube.com/watch?v=l9TS_L-IsyM) “I am in full Lawful rebellion and a Freeman/Sovereign. **do not fear the organic robots in Masonic** costumes, for our children’s sake report

treason.” Yeah ok. Dream on Duncan. You can’t challenge anyone; let alone the masons. You *do* fear them. You do exactly what they tell you to do. You’re that timid you couldn’t rebel against your own shadow. You’re nothing but a cowardly bullshitting LIAR. And it really wouldn’t surprise me if you are a fairly high up mason yourself.

And have a look at this post

<https://icenirising.wordpress.com/2011/08/02/the-great-british-lawful-rebellion-has-begun/>

“To this end, **Lawful Rebellion in Great Britain has now finally begun** (as poor old Judge Peake in Birkenhead discovered to his surprise and embarrassment when he was suddenly confronted in his court by **over 500** law abiding citizens [they were duped individuals or cointelpro agents] demanding his arrest for treason) and **nothing, absolutely nothing, can stop its momentum from building.** People like me, who are the *real* truth soldiers can - *and will* - stop it. Ordinary decent and peace loving people have finally had enough and are now waking up in ever increasing numbers to the unlawful harm that is actually being done to them and their families. **A grassroots movement of non-compliance on a scale never before imagined is organising itself [Is it? Where?]** to lawfully expose and bring down this appalling system of global corporate control and enslavement.....including the lawful shutting down of the debt creating financial nerve centre of the world, the so-called Square Mile that makes up the ‘City of London’ – what many analysts believe is the beating heart of this global conspiracy beast.”

And <https://icenirising.wordpress.com/2011/10/19/occupy-norwich-britain-and-the-laughing-1/>

“How do they fight this 1% if they don’t know how they’re controlled by them?, **None we spoke to are aware of their Legal Fiction, their Strawman ...**” No freeman arguments have **ever** succeeded in court; worse, the FOTL arguments **gets people into more trouble, such that people end up being subject to fines, asset seizures, contempt convictions, criminal records, and sometimes imprisonment.** That of course is the ‘PTB’ plan. They want to criminalise us; as criminals are easy to control.

Duncan is a **dirty dangerous subversive**. What he is advocating, if successful, will ultimately lead to a **quickening** of the **NWO slavery agenda**. He and his ilk are **agents provocateurs**; paid to galvanise mobs of people into descending on the courts, being disorderly and confrontational. Their aim is to create the circumstances whereby it will be necessary to ‘up’ the security in the courts; which will mean the

deployment of extra security guards and police; most probably *armed* police. Taxes will have to rise to pay for it all. This will **ultimately lead to a complete ban on members of the public attending courts to witness cases**, as they will be deemed a possible 'terrorist threat'. When that happens we will have lost all semblance of justice that still exists in the courts. And *freedom* will be a dim and distant pipe dream.

Have a look at Sims' video entitled 'Blow up Parliament: Stop paying tax' <https://www.youtube.com/watch?v=C8PHFOIm6WE> Wow, what does our great warrior Duncan do for the fight for freedom? He harasses *innocent employees* at the Inland Revenue. He goes in all guns blazing, ranting and talking over the poor employees, who can't get a word in, and who wonder what the fuck the idiot with the camera was playing at. What did you achieve Duncan? Nowt. Wanker.

I really am despairing now. Look what the lying twat says here: <https://icenirising.wordpress.com/2015/06/15/treason-800-years-of-magna-carta/>

**"Treason, 800 Years of Magna Carta.**

Today, 15th June 2015, 800 years since the signing of the Great Charter I, me, myself submitted allegations of Treason, Misprision of Treason, Misconduct in a Public Office and Serious Neglect of Duty to every High Sheriff in England and Wales, against every Government from Harold Wilson's to Cameron, and members of Norfolk Police from constable to chief constable." No you didn't Duncan. You just say that you did. Carry on playing your stupid pathetic **games**. No-one's listening to you. People despise cowardly **fakes** - traitorous scumbags - like you.

In this post <https://icenirising.wordpress.com/2015/10/05/the-land-of-nod/> he says "I was homeless for almost 18 months, after losing a house thanks to a **poison dwarf of an ex wife**, and **won my battles to get housed** [yeah, that's right, blame the ex. Bet she could show us the documentation – **and the truth**. Who housed you Duncan? Did you get housing benefit?] after all and sundry said I couldn't get a flat ...."

Also in that post he says: "... I'd be on epidurals and pain relief for years to come if not for ever; to throw out the tablets and stop spinal injections ... apart from recovering from a back injury and 5 years off work." **That sounds like another sly little weasel Stan Richardson** [http://sharonkilby.co.uk/site/STAN\\_RICHARDSON.php](http://sharonkilby.co.uk/site/STAN_RICHARDSON.php) Sims could be Stan for all we know.

Take a look at what he says here

<https://icenirising.wordpress.com/2015/08/23/4979/>

“I’ve been homeless 4 times in my life through various reasons, I’ve been in prison twice, [the masons get a lot of ex convicts to shill for them. That’s because lags are easy to control - they’re hardly likely to challenge the Masonic powers; they know what’s coming if they try] well it would come out at some point, yes I was a very naughty boy in my youth, 15 months youth custody when I was 20, I engineered a successful escape and have the scar to prove it too....honest, he he, then 3 months in 1991.” Successful escape my arse. Fukkin dreamer. At least this is a partial admission that he hadn’t had his home stolen because *he’s some kind of threat to the Masonic hierarchy.*

In any case if he had genuinely been up against some insidious manipulations he’d know that the ‘PTB’ were the freemasons, and would have acknowledged as such. Instead he *makes a point* of saying that not all masons are bad; that it’s only the ‘darker’ side. They’re ALL bloody bad. NONE of them can possibly be on the side of freedom as *their allegiance is to a truly evil organisation.* And they **all get rewarded and protected**, to the detriment of other – **law-abiding**- citizens. Notice also he calls Spiv’s handlers **Jewish**.

Now at the time I had not researched the **Jew propaganda**, and so Sims did not present as an obvious shill. Neither did I look at his site, apart from his write up on Spiv. So taking that email on face value I replied:

“Hi Duncan,

Good to see others such as yourself are exposing Spiv. I’m keeping an eye on him and will be updating my site re his recent arrest and a number of other things in due course. Right now I’m trying to find the time to research his trolls - JJ, Darren Lavatory and a few others [problem is I’m always so busy with work and family that when I do get the time I’m often too tired to think!] Anyway will plod on. Spiv can wait for now.

It’s unfortunate some of Tom’s videos have been removed. Then again it wouldn’t have taken long for the trolls to push the genuine commenters off the page. Hopefully he’ll get it sorted soon and will be back to give Spiv the last flush he needs down that loo..”

Duncan then responded:

"I'm planning on going to see spivey, kind of a surprise interview to iron out a few wrinkles and **expose him properly**, I'll keep you updated but no details as we all know who's listening in.

Take care."

My reply was:

"Good idea. The following are my comments that were under Tom's video re the second arrest. Make use of them if they are any good to you. I'll be using them when I get round to updating the site."

He then said:

"Thanks Sharon, very helpful, and yep, dogs don't lie, the whole thing is a joke and i think that's the best way to deal with him, we'll go and really take the piss out of him. hard man my arse. i'll have a proper look through and use some of your's and Toms words but like you, i have a few things to finish that have been going on for a few years now, once done, spiv **the div et al are our new project**. **It will draw the attention of the whole uk 'truth' movement** so a battle is at foot and the odds are against, just how I like it, but the truth is our ally and their desperation and stupidity is their downfall.  
Kindest regards."

So does Sims expose Spiv 'properly'? Not on your nelly. And **what happened to the surprise interview?** Well that was just pretence too.

When it comes to exposing the lower profile gatekeepers, Duncan, just like all the other shills does not do it convincingly. *He's not allowed to*. He'll use mockery and innuendo, and he'll point out small errors i.e. lies but he does not venture **out of the Masonic matrix** i.e. he does not ask the real questions/raise the important issues that I do. In other words he offers no *real proof that Spiv or anyone else is a shill*. This is how the **game is played**. This is how you know someone is not genuine.

When the 'exposing' of someone is done unconvincingly, **it isn't done at all**, because it leaves open the question that said person *might* be genuine. Consequently said shill remains unchallenged to continue to wreak poison on the WWW; and the **NWO slavery takeover looms steadily closer**.

Since the HG story was thoroughly debunked, and with that the revealing of obvious shills, the **masonic controllers** have had to be more careful. Their tactic has been to allow *some* of their agents to *sort of* 'expose' some of the lower profile cointelpros. This has the desired *neutralizing* effect, since a half-hearted unmasking is no unmasking [in other words it is a half-truth i.e. a whole lie.] Consequently we are none the wiser; thus we are kept *contained* in the masonic matrix i.e. prison. Notice how the shills all came out at around the same time to 'expose' some of their co-horts - Spiv, Gerrish and the HDJ gang. Take for example Tom Secker, he decides to 'expose' Spiv on Aug 6<sup>th</sup> 2015 i.e. not long after Jimmy Jones did his about turn which was around the same time Gojam decided to 'expose' the 'Mckenzie friends'. And take note of *how* shills 'expose' each other - their criticism is *masonic approved* i.e. not genuine – none of them come out with anything that is 'out of the masonic matrix' like I do; none of them expose their comrades as **NWO gatekeepers**; they just say it's about egotism, fame, donations ... or that these people are just harmless crackpots ... None of them talk about the real role of these utterly despicable people – that they are being paid to protect their paedophile paymasters, and to crush *genuine* CSA victims and *genuine* whistleblowers. See my Hammy Hoax pdf [http://sharonkilby.co.uk/site/media/THE\\_HAMPSTEAD\\_HOAX\\_PSY-OP.pdf](http://sharonkilby.co.uk/site/media/THE_HAMPSTEAD_HOAX_PSY-OP.pdf) for more. None of them will ever let on that the world is already enslaved in a **masonic matrix**; **that is of course the biggest secret which must be protected**. Of course the reality is no shill can actually expose another shill because **liars cannot expose other liars**. If a shill did want to expose another shill s/he would have to grow balls of steel and *come clean*; and that would mean a direct challenge to his/her **masonic handler**. That is never going to happen.

Let's look at how Sims 'exposes' Spiv. First of all, isn't it strange that Sims would *all of a sudden* come out with his videos 'attacking' other shills [notice he does it in a light hearted, deliberately ineffectual way i.e. it is only *pretence*.] How come he wasn't 'exposing' them beforehand? For example why didn't he expose the HG story as fake back in 2012? He writes monthly posts yet there's not a murmur from him about it. And when he does bring it up all he says is: "I backed Farrell when he first emerged and was as guilty as most others, he appealed to the hope we all feel inside and showed the chivalry, bravery and honour I thought had died in our Land, but just like the BCGroup, UK Column, the 'freeman' movement, We Are Change etc, and i've been down all their warrens, once you start to dig...well, you decide, I see the same faeces in a different receptacle. Notice he contradicts himself there – he's criticising

the 'freeman' movement whilst also promoting it! That's more proof he's not genuine.

Farrell is also 'good friends' with Belinda McKenzie, more recently of Hollie Greig fame though you should check out her coloured past, links to MI5 and much wonga."

<https://icenirising.wordpress.com/2013/03/07/tony-farrell-another-prominent-voice/> So he's only pointing out Belinda McKenzie's 'coloured past' [without giving anything away about that.] And take note, he lets you know her links are to **MI5**. All skills do this as it gets you off the scent that the *real* power which oversees everything worldwide is **FREEMASONRY**. They'll blame MI5, other intelligence agencies, security services, police ... **ANYTHING to prevent you realising that an all powerful secret corrupting insidious untouchable unaccountable freemasonic force controls everything.**

Course, not that his *insipid* criticism of the HGJ fakes; or the fact he fails to mention the other scumbags in connection, and those who defended the HDJ 'campaign' – MP John Hemming, Sabine McNeill, Butlincat, Maggie Tuttle, Ian McFerran, Matt Quinn, Bill Baloney, Richard D Hall, Icke, Crane etc is enough to hang him; but it adds to all the other pointers which collectively *prove* he is just another pretender/fake 'victim' **disinfo peddler** i.e. proponent of the NWO i.e **enemy agent**.

Take a look at this video <https://www.youtube.com/watch?v=14m8U-0U6mY> published 29 Aug 2015 entitled 'Oi Vey **Spi** Vey In Plain Sight' [**Sims doesn't expose Spiv as a spy though**] whereby Sims talks '**freeman**' pseudo-legalese. He asks: "Why did he have no idea of the **LAW**, Subject Matter Jurisdiction, the **constables Oath, the judges oath, the twat even accepted their 'INVITATION'** (SUMMONS).....consensus facit legem.....simple.

I see a pawn with a dirty secret, and a liable one at that, wil." Sims asks why Spiv isn't "**placing them under oath**". He comments "Spiv has his **arms out waiting for the cuffs**; what a warrior, for someone with a '**common law**' tab on his website, he **Stood Under** them. That is to say **gave them jurisdiction very quickly indeed.**" Dunc continues: "Scene 3, Spiv now has his 'boots' on; not a murmur on jurisdiction or oaths!?" And: "Spiv is being **played like a fiddle**. He is naive, nescient and **ignorant.**" Chris Spivey is not being played; nor is he naive or ignorant. Spiv is involved in a **Masonic conspiracy** to convince the public that he is the real deal. Sims won't tell you that though. The only bit of truth is when he says "**The flustered, inarticulate man is not the same person behind his website**, and the lies ..." He then goes on to point out

correctly that Lisa [Spiv's FB admin] says "[six police felt the need to search his flat](#)" [\[that changed to four\]](#) and that this was on the **29/7/14**. [The first arrest was on 30/7/14](#).

Sims' focussing on Spiv's 'failure' to use the 'freeman' argument to defend himself is an 'in the masonic matrix' clever diversionary tactic – to stop us thinking in terms of a psy-op [**Masonic plot**], with Spiv as the main character. It also serves to convince us that the freeman woo is a proven successful way of fighting the State 'thugs'.

Yes, Sims points out small errors i.e. lies; he'll even point out Spiv's links to known skills, such as David Icke, but he **steers completely clear of proving Spiv is a shill, and stating what his job is and who his henchmen and women are.**

Sims ends that video with a recording from the deceased John Harris. From beyond the grave John says: "I spent a long time looking at the 'PTB'; I decided to start looking at the people who were against the 'PTB' and I **found out some very alarming things about certain individuals** who are expressing views about or collecting, how can I say, **people up to do their deeds**. I found out some very very alarming things and I suddenly realised that I was probably **surrounded more by what I was against** within the very movement I was part of than actually what the movement was against." More on John Harris in a min.

Take a look at this article Sims did on Spiv

<https://icenirising.wordpress.com/2014/08/06/chris-spivey-yawn/> I quote: "Spivey has 'common law' info on his page yet he must have given his N A ME say it ( EN A ME....EN A MY) **your name is your enemy, it is linked to your person via your birth/berth certificate**, without your name NO constable has any jurisdiction unless you have broken the LAW, NOT suspicion of harrassment?! **Here he is promoting the 'strawman' con** <https://www.youtube.com/watch?v=ME7K6P7hlko> **This from a man who wants the council to house him** <https://icenirising.wordpress.com/2016/09/30/all-clear/> **So, um, aren't you glad Duncan that you actually have a birth certificate to enable you to apply for housing benefit? And weren't you glad that you had a birth certificate to enable you to register with a GP who referred you to cancer specialists who could treat you – all on the NHS? And now that you are too ill to work, aren't you glad that you have a birth certificate to enable you to claim benefits? Do you still think your birth certificate is your enemy?**

I'll tell you something, the high level masons behind this clever chicanery, and all their little puppets who promote it, will almost certainly ALL have passports to enable them to take their foreign holidays. How did they obtain their passports? WITH A BIRTH CERTIFICATE. And I wonder how many of them have refused to register their new born babies. NONE.

Spiveys arrest is a scam, to **boost his ratings, promote the jewish agenda**. It is for neither of those things. That is pure disinfo. Spiv boasts he has a readership of between 4-7 million, so why would he want to boost his ratings? And there is no *Jewish* agenda; it is a **NWO** agenda. As said Spiv's arrest was an effort to make him look genuine and prevent him from being exposed as a fully paid up paedophile protecting **NWO shill**. Methinks that move backfired somewhat. **That he is a shill is the dirty little secret that his fellow gatekeepers such as Duncan Sims must protect.**

**I've had my home and car taken**, [as said, he hasn't shown the evidence of that, and if it is true there is no evidence there was any underhandedness in connection] **i've been to court and told i didn't show**, [there is no evidence of that either] i've reported Treason to every plod and MP i can, [he hasn't; that's just more pretence; he just wants you to think he has in the hope that you too will do the same] i've written about Woolwich, in fact before Spivey if my memory serves me right **i've had my pc hacked more times than i can remember** [that is just another lie; the masons – the real enemy – don't work that way; I should know!] and they ain't kicked my door in, but then i ain't got millions of hits.....funny that dontcha fuckin think mate cor blimey guvnor.

... then to top it off **did a classic and predicted call for donations**....oh how i laughed. This is another *playing it down* tactic. Masonic lackey Sims wants you to believe this is just a case of one egotistical man asking for money. Sims is not allowed to expose the fact Spiv is a very important cointelpro agent who, together with his troll team, is paid to protect 'V.I.P' paedophiles, and suppress the voices of the CSA victims. You won't find Sims or any other controlled opposition agent revealing that. Have a read of my pdf on Tom Pride [http://sharonkilby.co.uk/site/media/TOM\\_PRIDE.pdf](http://sharonkilby.co.uk/site/media/TOM_PRIDE.pdf)

Poor old spiv is having to pay, for some reason, an icelandic server to stop his mates, sorry, **the security services** [notice he calls the enemy agents 'security services'. You'll never hear a shill saying the real power is **freemasonry**] from shutting him down. Deja vue? Course he doesn't

have to use an Icelandic server; since he is a shill his site will never be taken down [even though he tries to kid you otherwise]; neither does he need to pay anything like the amount he quotes.

... when he gave them **subject matter jurisdiction AND signed his NAME**, bit of a div our Spiv, considering he has massive knowledge of **common law**. He means the 'freeman' woo. See how Sims is portraying Spiv as just a div. He wants you to think Spiv is too thick to be a NWO agent. Sims and other enemy agents will portray Spiv as *anything but* what he really is - to convince you he's harmless; they'll do whatever it takes to prevent you knowing that he works for the enemy he pretends to be 'at war' with. Course the same applies to other shills they're *pretending* to expose.

Have a read of Tom Secker's *pretend* attack [i.e. his 'in the masonic matrix' criticism] on Spiv whereby he labels Spiv as just an idiot and a deluded toss pot. Scroll down to page 29 of my Hammy Hoax pdf [http://sharonkilby.co.uk/site/media/THE\\_HAMPSTEAD\\_HOAX\\_PSY-OP.pdf](http://sharonkilby.co.uk/site/media/THE_HAMPSTEAD_HOAX_PSY-OP.pdf)

**I and several other bloggers** [actually there was only me and Tom Cahill; and I have since exposed Cahill as cointelpro too] have been watching Spiv the div carefully, I've had the arrest footage for sometime and with his story, it stinks..after speaking to a friend of mine, an engineer and very clued up on all things computery, **he confirmed my beliefs, decent encryption takes weeks to get past, not hours, so how did plod plant images of little boys on his hard drive in the time he claims**, or are we supposed to believe he had no encryption, bearing in mind the magnitude of 'his' work? **Shills obviously do not need encryption.**

This again is an 'in the masonic matrix' point as it is ignoring the fact that the Spiv arrests are a **psy-op**. If Spiv wants to prove me wrong he must publish all the court paperwork, all social services' reports and the recordings of both his police interviews – in full and uncensored.

Has anyone ever proven that the police have planted anything on anyone's computer?

**When one is aware that one fine day, policey/spooky/drone types will frequent ones abode, one takes precautions doesn't one?** Spiv also now claims plod 'missed' a laptop, a hard drive and some USB sticks....in their...."90 minute search".... The best precaution is to avoid having all of one's eggs in one basket, so to speak. I should imagine

other genuine whistleblowers do what I do – save their important stuff on memory sticks/files and hand them to trusted friends/family.

See how Sims repeatedly uses the *diversion/playing down* tactics i.e. he **completely avoids** any ‘out of the masonic matrix’ points/questions i.e. the hard evidence that the arrests are a psy-op and that Spiv is therefore a masonic skill.

See my comments under Tom Cahill’s video re Spiv’s second arrest  
[http://sharonkilby.co.uk/site/media/THE\\_COMMENTS\\_UNDERNEATH\\_TOM\\_CAHILLS\\_VIDEO\\_ON\\_SPIVS\\_SECOND\\_ILLEGAL\\_ARREST.pdf](http://sharonkilby.co.uk/site/media/THE_COMMENTS_UNDERNEATH_TOM_CAHILLS_VIDEO_ON_SPIVS_SECOND_ILLEGAL_ARREST.pdf)

He expects us to be satisfied that the judge (at a magistrates hearing) wouldn’t let his (legal team) **have the forensic report on the hard drive**...so get it yourself div...and **prove images were planted** and when....simple...**if Spiv does a Subject Access Request** he will receive EVERYTHING, including audio traffic of all his arrests, failing to supply it would breach data protection and plod would be in serious trouble and £20.000 worse off. **Once again Sims is making only masonic approved points; he’s pretending this is not a masonic psy-op. Spiv doesn’t need to request anything; he already has everything. Spiv is pretending he’s a victim.**

Sims manages to *discredit himself* by making errors of his own. For example he writes:

After deleting the page where he says 4 came; He now says 3... This was after correctly pointing out that the story had changed from 6 police ‘thugs’ visiting Spiv on 30/7/14 to 4 police ‘thugs’. The reference to *three* police officers was re the *second arrest* i.e. the one that was recorded. Remember, in the footage Spiv shows us, we only hear **2** officers outside his door; Spiv *tells us* there were **3** officers. So is Sims [and his Masonic handler[s]] just getting lazy? It wouldn’t surprise me if that was a **deliberate tactic to muddy the waters some more, so that we give up trying to follow it all, and will just accept that Spiv genuinely was illegally arrested etc, and therefore he must be genuine.**

Maybe I’m missing something...but since I/we have been watching spivey, **the very popular aangirfan has stopped linking to Icenirising**...funny that... If Sims was not a skill he would not want any skills linking to him. He would not want any association with any skill. Period. He should be exposing the fact that the *anonymously* penned aangirfan is a **masonic written** Spiv support site.

Likewise Sims goes along with the pretence that Coleman is a genuine site.

Another admirer of Spivey in blogdom is Coleman experience, look how fast he blogged the event. Sims is supposed to be exposing the fact the *unidentified blogger* [there could be more than one person] behind the Coleman Spiv support site is just another filthy lying Masonic puppet.

And guess who was doing the filming outside the court? Only one of Gerrish's foot soldiers... **pushing the Hollie Greig BS**....I have been deep into that warren; I met Hollie and her mother, Maloney, Gerrish and others at the RCJ and **I managed to film in court, both there and in other courts.**” Course that is just another filthy lie. If it was true Sims would have shown us the evidence.

And what of Spiv's little helpers – Jimmy Jones, Daz Lavatory, Adeybob, Gojam, Scharenborg, Anna Raccoon, Margaret Jervis, Tom Pride, Will Black, Zoompad, Sheva Burton, John Ward, Sonia Poulton ... ? Well they're **off limits**. Sims has to stay schtum on them. He, like all these pretenders is only *allowed* to go *so far* in the *game* of unmasking skills. Notice he, just like all the other gatekeepers [Steve Budge of 'The Big Picture' included – more on him in a min], doesn't mention the likes of Maurice Kirk, Caul Grant, Nigel Cooper, Mel Ve, Ben Emlyn-Jones, Charlie Foulkes, Kellie Cottam, Andrea Davison, Andy Peacher, Maggie Tuttle ... Nor [despite saying that he found what I'd written about Spiv “very helpful”] did he even comment on any of my pdfs – ‘The Hampstead Hoax psy-op’, ‘Fiona of the Forged letter’, ‘An elite paedo ring’, ‘Digging into Jimmy's socks’ ... Why? Because I am a *genuine* internet sleuth i.e. I do **‘out of the Masonic matrix’** research. Sims of course must keep everything *in* the matrix at all times. **The masonic matrix is the biggest secret that must be protected.**

**The only way we are to have any hope of freedom is when we expose the fact that there is a shadow authority in the form of freemasonry and other secret societies running through EVERY body of authority world-wide. Of course what is really needed is for people to FIND GOD; GROW A BACKBONE, AND SPEAK TRUTH.**

Here's another example of Sims' lame and unpersuasive 'exposing' of an enemy agent. Look at what he has to say about Keelan Balderson <https://icenirising.wordpress.com/2015/09/17/keelan-balderson-77th-brigadegchq/> I quote:

“Balderson has appeared several times on the Corbett Report, Corbett is on record as saying his **website is his full time job...his career**. So what if he’s making money out of his website. I disagree with it – truth should be free; however it doesn’t prove he’s a shill. Notice Sims pretends Corbett is kosher. He should be exposing Corbett as a shill too.

Balderson now claims false flags such as Sandy Hook and Boston Marathon bombings were not False Flags, and that crisis actors are not real. The disinfo being put out by Sims and other shills is that the marathon bombing was a hoax [where crisis actors were used] – a false flag operation. I can tell you the Boston marathon bombing was not a hoax; that **it was a false flag attack** since the two young men blamed are completely innocent and were clearly set up as patsies, and there is overwhelming evidence of corruption within the FBI and police, and of a much wider conspiracy which involves people who occupy the highest echelons of power – in the U.S.A, Russia, and in any country whose mainstream media propagate the ‘official story’. As for crisis actors, there are such things – used during times of training; they played no part in the Boston bombings. See my pdf on the BOSTON BOMBING PSY-OP [http://sharonkilby.co.uk/site/THE\\_BOSTON\\_BOMBING\\_PSY-OP.php](http://sharonkilby.co.uk/site/THE_BOSTON_BOMBING_PSY-OP.php) See also my pdf on the work of the COINTELPRO in connection [http://sharonkilby.co.uk/site/THE\\_BB\\_PSY-OP - a closer look at the work of the COINTELPRO who are geared towards the savvier truth seekers.php](http://sharonkilby.co.uk/site/THE_BB_PSY-OP_-_a_closer_look_at_the_work_of_the_COINTELPRO_who_are_geared_towards_the_savvier_truth_seekers.php) for my comments on Baldy the masonic myrmidon.

He claims he is the only one in the world who is on the ball, and everyone else is on a wild goose chase. The wild goose chase is in reference to the conspiracy theories, such as the drill. Sims and Balderson will never let on that all the conspiracy theories that ‘arose’ from the Boston bombings are **masonic generated red herrings**. The above picture is from a video of himself being interviewed ... by himself. And that proves he’s a shill?

“Crisis actors are a baaad conspiracy theory” All conspiracy *theories* are bad. They are masonic concoctions; designed to deceive and confuse you, thus keeping you trapped in the masonic prison. You will never hear that from a shill.

Balderson is **very likely jewish**, [this Jew blaming is disinformation spread by the gatekeepers to prevent you figuring out who the real enemy is – FREEMASONRY] although he dodges the question, he is a crypto jew or at the very least: Sayanim.

The Boston bombings were real according to Balderson, even the blood, as for the now infamous 'wheelchair shot'.....yep...real too. **All that is true; the fact Sims skits at it is more proof he is a shill.**

In a recent podcast with Brooks, they both claim the holocaust was real.....What do you see? **It is real. Back in my naive days I was taken in by the dirty brigade [masons in high places] and persuaded that the Hitler story was the greatest story never told, as their arguments were so convincing. I have since wised up to how controlled opposition works; I also realise just *how* powerful propaganda is, and I now know that you can't trust anything said in the so-called 'alternative media'; you have to research everything yourself.**

... his paymasters will not be happy....**nor will the good men and women of Britain when they see his ilk.....and that time is nigh...his ego and bank balance will pale in comparison....Brooks....you are a fool over your head."** **You are all fools – Brooks, Balderson, Sims, and all the rest of you stupid shills. As for your paymasters; they too are fools. ALL of you conscienceless scum are going to deeply regret serving your Satanic master.**

So you see how everything Sims says is strictly within the masonic boundaries. In other words nothing Sims or any shill says will in any way threaten the unravelling of the official story. Not that Sims wants to 'expose' it as a False Flag attack as his handler has told him to say it's a hoax.

In this video

<https://icenirising.wordpress.com/2015/05/16/boston-pysop-kiss-4-panorama-youtube/> Sims reiterates his 'belief' that the marathon bombing was a hoax – "fake blood, fake injuries, fake people" and that Jeff Bauman is Nick Vogt. **That alone** tells you Duncan Sims is fake.

How has Sims proved that the Boston bombings were *not* real? How has he proved crisis actors were used? The evidence is that those bombs were very real. If Sims was genuine he'd be doing some real research into the Boston bombings. He would then have been able to point out the many *real* [not masonic] anomalies, contradictions and unanswered questions that I do. He would also have been able to expose the fact that there is clear evidence of complicity and cover up on the part of the American authorities.

If Duncan Sims was genuine he would be condemning Chris Spivey in the strongest possible manner for his suggestion that no-one was murdered/maimed or injured in some other way. Jeesh Spiv even suggests the Richard family are 'manufactured' <http://chrisspivey.org/boston-bollocks-part-2-the-victims/> How I wish the victims would sue Spiv's sorry arse; and all the other scumbag shills who are spreading filthy lies about fake bombs.

I defy Sims or any cointelpro agent to read through my research on the Boston marathon bombings [http://sharonkilby.co.uk/site/THE\\_BOSTON\\_BOMBING\\_PSY-OP - a closer look at the work of the COINTELPRO.php](http://sharonkilby.co.uk/site/THE_BOSTON_BOMBING_PSY-OP_-_a_closer_look_at_the_work_of_the_COINTELPRO.php) and tell me that no-one got killed or injured by those explosions.

As for the holocaust, more on Sims' spouting of the Jew World Order, and all the blogs he endorses coming up. But first, John Harris, founder of TPUC.

Sims, along with many other shills, says John Harris was murdered because he was a threat to the ruling elite. See <https://www.youtube.com/watch?v=nu2NylLPLJo> entitled 'John Harris Suicide Be Lie Vable'.

John's family believe he committed suicide: "I can categorically state this as a true fact as I knew him better than anyone having been his much loved partner for the past 16 years. Our family & I are absolutely devastated and would kindly ask that you please be respectful as this is an extremely difficult time for us all. There is no conspiracy regarding his passing." <http://www.tpuc.org/goodbye/>

He doesn't look suicidal in the following note: "If I had my time over I would never have got on that stage in Stoke and done 'it's an illusion' as it turned me into a self obsessed monster and not only did I nearly destroy the love of my life, I nearly destroyed my family with my selfishness, delusions of grandeur and thinking I am something special.

I have now been offered a lifeline and a chance to rebuild all I have destroyed and I am so humbled by the fact this has been offered to me, considering what I have done. I consider myself to be the luckiest man on the planet to be given this chance and I turn my back on TPUC and everything that took me away from my family. I now have become what I should have been all along a loving family man, husband to be and a hard working plumber who pays his tax.

I strongly suggest to anyone who reads this that if you too are about to forsake your family the way that I did, then please re-think, as I promise you there is nothing more important than your family, nothing!

So all that is left to say is goodbye and I wish you all the happiness, good health and all the love in the world, as I now am so privileged and lucky to have back and never will I forsake it again...

John Harris”

Harris was certainly *becoming* a threat to the ‘PTB’ as he was coming out with real truth, for example he admitted he **couldn’t prove any aspect of the freeman stuff he spoke about**. He said it created ‘freeloaders on the land’; that the FOTL movement **created monsters**; that **some of these ‘freemen’ did some awful things, such that some people died** <https://www.youtube.com/watch?v=foW8qYdLuXU> He probably got told to STFU after that interview! Incidentally notice that the **shill** interviewing him – Graham Hart - defends the ‘freeman’ shite, saying he can’t fault it, and telling Harris not to blame himself. If the interviewer was a genuine and honest guy he would be admiring Harris for finally revealing the truth about FOTL, and would be condemning it himself.

Of course the fact that John Harris had also “**found out some very alarming things about certain individuals**” such that he was able to **conclusively** reveal them for the slimeball **shills** that they are would also have made him a thorn in the masons’ side. I find it very hard to believe that he wasn’t aware he was surrounded by shills two years prior. He was one of the suspect shills I contacted, together with Richy of ‘Lawful Rebellion’, and Roger Hayes, and a number of others in March 2013 re the Hollie Greig ‘shill’ test. See my W-O-S. It was obvious then that UK Column, BCG and Lawful Rebellion were COINTELPRO. Did he have his head in the sand or something?

Duncan Sims says in the comments section of his vid: “**I believe John was sincere initially, then groomed from July 7th website into the spook run ukcolumn et al, then doomed when he revealed he’d sussed his ‘comrades’.**” Notice Sims, nor any of the other shills, point out that Harris was starting to **come clean about the FOTL movement**. That revelation is what would have angered the ‘PTB’.

Notice the filthy shills out in force commenting under sleazeball extraordinaire Brian Gerrish's 'R.I.P' video <https://www.youtube.com/watch?v=ff2TsEweZh8> saying he was killed *because of his* TPUC work - his 'wonderful' research and 'courageous' campaigning as a *prominent 'freeman'* ...

Course of all the snakes who surrounded John Harris, Gerrish is the biggest one of all.

We'll never know why John took his own life [there doesn't seem to be any evidence that he was 'suicided']. John was in a difficult position, that's for sure. His conscience was obviously getting to him, and he wanted to put right that which he'd done wrong. His dilemma was - should he continue to spill the beans, and risk the wrath of the **Masonic heavyweights**; or should he kowtow to them, shut the fuck up about what he knew and face being publicly ridiculed and shamed as a cowardly sell-out.

If he had decided to continue listening to his conscience he would have had to boldly challenge the 'all powerful' Masonic hierarchy. He would have known the consequences of that. He had probably already been threatened. He'd probably been told that *his family* would be punished too. Perhaps knowing what was in store – for him and his loved ones – was too much of a burden to bear; and maybe that is why he killed himself. If that is the case, it is a shame because if he had put his **full faith in God**, he would have been able to withstand whatever punishment was coming his way.

I guess it goes to show that once you sell yourself to the Masonic suits, there's no escaping ... unless of course you have strong faith in God.

Course the comments sections of sites is very revealing. You'll find that the majority of comments following articles written by shills are made anonymously, or they are made by other known or obvious shills; that is another dead giveaway that the author of a site is a shill. Take, for example, the comments on Sims' 'about' page <https://icenirising.wordpress.com/about/> Whoever is posing as 'David Brown' **david brown** operates an obvious **pseudo** site. Sims himself could be the fake fucker behind 'Brown'. That it is a bogus blog i.e. *masonic* controlled is very evident by the fact there is nothing at all to identify this 'person', despite the sheer volume of articles 'David' has written, dating back to 2010.

Another example of a masonic sham site from Duncan's 'about' page is [The Fog Horn](#). You'll find the 'Fog Horn' is a masonic written **God hating** site <http://ohmyvolcano.blogspot.co.uk/>. There are a lot of these anonymously penned masonic **anti Christian** sites flooding the internet. This is necessary for the 'PTB' to progress their Satanic One World Religion plans. Have a look at the links from 'volcano'. All bar one link to the same 'volcano' site. Laugh out fukking loud. Sick bastard masons. I'd love to know what evil git in the lodge cobbled it together. I wouldn't be surprised if it was sly Sims himself. Whoever it is, the piss takin' dirty brigade [masons in high places] are getting really bloody lazy; they're not even attempting to make these blogs look genuine. Here are the links:

You'll notice there are innumerable **masonic** penned pseudo sites. Just look at the anti-Jew propagandists, and who they link to. I'll give some examples in a minute. This gives you an idea of the lengths the freemasons have to go to in order to nullify the truth which is seeping out courtesy of nuisance bloggers like me. The devil promotes a lie to counteract every truth.

**"Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour. Peter 5:8**

Satan is an adversary, who is clever, crafty, deceptive and dangerous. Satan knows our weakness and exploits them to great advantage against us. The Bible does not speak so much about the power of Satan as of his **extreme subtlety, trickery and deceptiveness**. He uses clever wiles, deceptive devices, wily stratagems and deceitful designs. Paul wrote about the **evil powers of darkness against which we struggle** (Eph. 6:12). And it is in the darkness that we are easily attacked and deceived. Therefore, Paul said in 2 Corinthians 2:11, “*Lest Satan should get an advantage of us; for we are not ignorant of his devices.*” Ignorance is not bliss, especially when it comes to knowing our enemy! One of the cardinal rules of military warfare is to **know your enemy**. The better we know what we are up against, the more likely we are to recognize how and when the enemy attacks and the more likely we will be able to resist the fiery darts of the evil one in the strength of the Lord.”

<sup>4</sup> **The god<sup>l</sup> of this age<sup>m</sup> has blinded<sup>n</sup> the minds of unbelievers**, so that they cannot see the light of the gospel that displays the glory of Christ,<sup>o</sup> who is the image of God.<sup>p</sup>

<sup>5</sup> For what we preach is not ourselves,<sup>q</sup> but Jesus Christ as Lord,<sup>r</sup> and ourselves as your servants<sup>s</sup> for Jesus’ sake. <sup>6</sup> For God, who said, “Let light shine out of darkness,”<sup>a t</sup> made his light shine in our hearts<sup>u</sup> to give us the light of the knowledge of God’s glory displayed in the face of Christ.<sup>v</sup>

<sup>7</sup> But **we have this treasure in jars of clay<sup>w</sup> to show that this all-surpassing power is from God<sup>x</sup> and not from us.** <sup>8</sup> **We are hard pressed on every side,<sup>y</sup> but not crushed; perplexed,<sup>z</sup> but not in despair; <sup>9</sup> persecuted,<sup>a</sup> but not abandoned;<sup>b</sup> struck down, but not destroyed.<sup>c</sup>** <sup>10</sup> We always carry around in our body the death of Jesus,<sup>d</sup> so that the life of Jesus may also be revealed in our body.<sup>e</sup> <sup>11</sup> For we who are alive are always being given over to death for Jesus’ sake,<sup>f</sup> so that his life may also be revealed in our mortal body. <sup>12</sup> So then, death is at work in us, but life is at work in you.<sup>g</sup>

<sup>13</sup> It is written: “I believed; therefore I have spoken.”<sup>b h</sup> **Since we have that same spirit of<sup>c</sup> faith,<sup>i</sup> we also believe and therefore speak,** <sup>14</sup> because we know that the one who raised the Lord Jesus from the dead<sup>i</sup> will also raise us with Jesus<sup>k</sup> and present us with you to himself.<sup>l</sup> <sup>15</sup> All this is for your benefit, so that **the grace that is reaching more and more people may cause thanksgiving<sup>m</sup> to overflow to the glory of God.**

<sup>16</sup> Therefore we do not lose heart.<sup>n</sup> Though outwardly we are wasting away, yet inwardly<sup>o</sup> we are being renewed<sup>p</sup> day by day. <sup>17</sup> For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all.<sup>q</sup> <sup>18</sup> So we fix our eyes not on what is seen, but on what is unseen,<sup>r</sup> **since what is seen is temporary, but what is unseen is eternal.**

Jesus spoke to the crowds in parables; he did not say anything to them without using a parable.<sup>t</sup> <sup>35</sup> So was fulfilled<sup>u</sup> what was spoken through the prophet:

“I will open my mouth in parables,

I will utter things hidden since the creation of the world.”<sup>c</sup> <sup>v</sup>

### **The Parable of the Weeds Explained**

<sup>36</sup> Then he left the crowd and went into the house. His disciples came to him and said, “Explain to us the parable<sup>w</sup> of the weeds in the field.”

<sup>37</sup> He answered, “The one who sowed the good seed is the Son of Man.<sup>x</sup> <sup>38</sup> The field is the world, and the good seed stands for the people of the kingdom. The weeds are the people of the evil one,<sup>y</sup> <sup>39</sup> and the enemy who sows them is the devil. The harvest<sup>z</sup> is the end of the age,<sup>a</sup> and the harvesters are angels.<sup>b</sup>

<sup>40</sup> “As the weeds are pulled up and burned in the fire, so it will be at the end of the age.<sup>41</sup> The Son of Man<sup>c</sup> will send out his angels,<sup>d</sup> and they will weed out of his kingdom everything that causes sin and all who do evil.<sup>42</sup> They will throw them into the blazing furnace, where there will be weeping and gnashing of teeth.<sup>e</sup> <sup>43</sup> Then the righteous will shine like the sun<sup>f</sup> in the kingdom of their Father. **Whoever has ears, let them hear.**<sup>g</sup>”

<https://www.jashow.org/articles/guests-and-authors/dr-steven-c-riser/deception-discerning-the-devils-most-dangerous-device/>

Satan’s servants seek to fully enslave us in the masonic matrix.

**“How to wipe out the masonic new world order?”**

Everyone knows they are satanic and pure evil, the problem is simple as is the solution. There is the new world order and the common people **what stops the common people from removing satan from power?**

Let's look at the book of Revelation, a time will come and is **virtually here** when the Antichrist will rule the world, chp 6,13 tells us HOW the Antichrist rises to and maintains power. The white horse rider goes conquering, **he obviously doesn't do that on his own, he has armies and a force**, that is the real issue to everything about ruling, having an army behind you a force or power that can destroy the enemy. When you have the power behind you, you can wipe out any enemy and nothing can stop you.

Nearly every nation that has come in to existence has been a result of war and a force of power that destroys. Satan doesn't go out and fight any battles **he gets other people to do his dirty work less he get harmed**. Manipulation deception persuasion those are the tools to get people to do things even kill. 9/11 showed how the satanic clerics brainwashed terrorists to kill 3000+ innocent people, yet **is that the real story? Or was it a layer over that? Was it a false flag event** designed to allow an attack on Iraq and the middle-east, layer upon layer of deception. The truth is irrelevant the events happened who manipulated who is irrelevant it happened one way or the other.

And therein lies the answer to all war and attacking and conquest. Hitler being a good example, history is full of people who have manipulated armies to go and kill **perceived enemies**. So there is the core that do all the persuasion and brainwashing and the force or army or force that do the dirty work. Those who do the "dirty work" of killing and the like what about them? **They are persuadable able to be deceived and enslaved and kill on command for a perceived authority.**

The truth is by looking at the history of the demons who have conquered lands and killed innocent people is they have taught ALL their methods indirectly through action. Take the builderburgs for example or the illuminati or freemasons or any of a hundred similar groups, they all exhibit the **same qualities, secrecy, deception, hidden agenda**. Knowing they are being hunted they "open up" and **present a false image to the world of who they are, they claim to be nice and charitable, free spirited and other things that attract people, it is all a deception as are so many things**. The problem is the deceptions have created tens of the thousands of nuclear weapons, millions of people starving to death in poor nations, a super rich untouchable elite and most of the world slaves to money, that is the "fruit" of the deception.

There was the pure earth without war sickness or suffering, Satan and his network of demons have brought about reality as it is now ( **much like the Matrix movie** ) yet even being told and shown the deception the amazing thing is most people don't "get it" for all they know is the deception ( 2 Thess 2 ) they can't perceive a paradise as it was, that is one of the biggest lessons to learn, **most people aren't bothered to try to break free from the satanic demons who rule the world**, they just "get on with it" and suffer best as they can. Where is their "faith" their "hope"? Well Satan and his demons have destroyed their faith and hope in a better world, they just accept life as it is, they accept the concept of nations and money and suffering and masters and slaves. They accept the brainwashing and deceptions of the media and governments, **they THINK there is nothing they can DO about it.**

Many people by what they do hold up the deception and satanic demons running this world, they work in governments they work in the system, they THINK the system supports them but **they EMPOWER the beast** call it the system or 666 or pure evil, they the workers **ensure the survival of the satanic world order**. I have found this to be so true; people will **fight me to stay enslaved**. They can't walk away or **try to change it**, they are frustrated at the bureaucracy and laws and the system, yet they take their wages and "live" as the beast feeds them. Their thinking is "better the devil you know than the devil you don't" truth be told "the devil you don't" could be "the Jesus you don't" there is a far better way to live than the way things are now. **A world without borders or suffering or sickness or money or slavery**. The ironic thing is **most people think they are free**, but **their freedom is limited** by the satanic demons running the world, **just enough freedom to think they are free** and then when the slaves look like they are making progress **time for a recession or war some place to ensure the slaves remain slaves, some false flag event to keep those in power in power.**

Truth be told those who rule are all being deceived by satan, and they in turn deceive others. In Matthew 4 Satan boasted to Jesus "All the kingdoms of the world are mine" and he wanted Jesus to bow down and worship him. It was yet another deception Satan had nothing to offer Jesus but his **knowledge of how to enslave and deceive mankind.**"

[http://antimatrix.org/Convert/Articles\\_Conspiracy/Conspiracy/Conspiracy-Selected-Articles-100423194002.html](http://antimatrix.org/Convert/Articles_Conspiracy/Conspiracy/Conspiracy-Selected-Articles-100423194002.html)

I urge all freemasons and anyone else who belongs to a secret society to read this 'OPEN LETTER TO ALL FREEMASONS BUT ESPECIALLY TO THOSE WHO CONSIDER THEMSELVES CHRISTIAN'. Here's a flavour:

**“Subtitle: The Bible is very specific about most types of human behaviors, in order that God may protect us against both ourselves and against wicked and evil in this world. Scripture gives very clear commands that would prevent anyone from ever joining a secret society like Freemasonry. Once reading these Biblical commands, you will realize that no one can be a member of Freemasonry and be obedient to Jesus Christ.**

### **BIBLICAL COMMANDS FORBIDDING SECRET SOCIETY MEMBERSHIP**

John 18:20 -- "I spake openly to the world; I ever taught in the synagogue, and in the temple, whither the Jews always resort; and in secret have I said nothing." Throughout Scripture, we are told to imitate Jesus Christ, and let Him serve as our example. Thus, since Jesus Christ never, ever did anything in secret, **we are not to do anything in secret, either. The true Christian walk is to be the utmost in transparency possible.**

But, in Masonry, initiates are forced to take the most terrible oaths of secrecy, which we shall get to in a minute. First, let us examine Jesus' commands against taking any kind of oath. Notice that **Jesus Christ personally forbade taking any kind of oath**, based upon anything on earth, or in the heavens.

Matthew 5:34-46 -- "Again, ye have heard that it hath been said by them of old time, Thou shalt not forswear thyself, but shalt perform unto the Lord thine oaths: But I say unto you, Swear not at all; neither by heaven; for it is God's throne: Nor by the earth; for it is his footstool: neither by Jerusalem; for it is the city of the great King. Neither shalt thou swear by thy head, because thou canst not make one hair white or black. But let your communication be, Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil."

This Divine command, if followed by the "Christian" Mason, would absolutely prevent any Christian from ever, ever becoming a Mason. Jesus makes it quite plain He is speaking of "oaths" in this passage, and for very good reason. Secret Societies had sprung up in ancient Babylon and Egypt, more than 1,000 years before Jesus Christ was born. These societies had developed the same type of elaborate secrecy, protected by the same oaths and secret handshakes that Freemasonry employs today, and for the same reason: **if the average person in**

any society knew what these secret societies were **really worshipping, and what they were really planning**, they would have erupted into demands for public suppression of the secret societies. Focus in now on Jesus' last words, above: "... let your communication be, Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil." Therefore, **these secret oaths "come from evil"!** At the end of this article, we shall see **how deep of an "evil" Freemasonry truly is.**" <http://www.cuttingedge.org/free10.html>

And look who else is commenting on Sims' articles – shill queen Sabine. There is also a 'Welsh lass' who is probably Sims' sock puppet. In fact I bet all the other 'commenters' [fake personas] are being operated by just these two evil subversives – Sims and Sabine.

Just look at the comments these phonies make to each other. The lying twat Sims replies to 'Fog Horn': **"You are a drama queen, your permission?** it's in the public domain, is it copyrighted? private or personal? do you not want this information shared?; and against your repeated requests is a total lie, the comments prove that for all to see, and as for google, **i couldn't give the vapour from my urine [fukkin prick]** about what google thinks, says or does; lastly, I am not a journalist, I'm a Bricklayer and plasterer, **I blog and act because myself and my country are under attack,** [LIAR. **Duncan Sims blogs bullshit and lies because he is a despicable Masonic poodle who chooses ungodly Masonic rewards and protection over morals]** **I have lost my home and a car fighting the treasonous bastards,** [PROVE IT] **I am again bullshitting when I say I have reported treason, misprision of treason and misconduct in a public office more than i can add up at present; I have/am risking prison** in my fight, [I **have** risking prison?! **If you are facing prison it will be because you committed a crime and not because you are some kind of hero who is being gagged]** and **more than likely worse by exposing the pederast/paedo networks and related cover ups [you Duncan the despicable are protected and rewarded by those powerful paedos that you pretend to be fighting]** so forgive me if i don't submit to your orders; I never have liked being told what to do. I will look into this 'red mark' thingymajig and make a decision then about an intro, as for a link: I already did if you look." **Carry on pretending arsehole. Hope you know you are shackled to Satan forever. Well, you are unless you come clean. But you won't cos you're a pathetic coward.**

This is what 'David' [who is probably Duncan] says: **"Re Cliff Richard is there any solid evidence to demonstrate that he ever visited Elm House . Or is this just conspiracy stuff . We could construct an anti-Jewish web site featuring some prominent Jews thought to be abusers and others**

who were not. Or one claiming the Roswell aliens assassinated Kennedy and Diana.

Come on you must have some sort of evidence. Not enough for a court conviction but something to show that he ever once visited Elm house. Otherwise we might just claim as equally rubbish the people making this claim are secret Satanists out to damage the reputation of a well known Christian.” There is evidence **Cliff Richard** [Kitty] visited Elm House. See my pdf on Gojam <http://sharonkilby.co.uk/site/media/GOJAM.pdf> Duncan doesn't tell you that though. Instead the toady pleases his masonic bosses and talks conspiracy theories:

“Solid evidence? as in the 19 hijackers that dropped 3 towers with 2 planes? never mind the Pentagon and the \$2.3 trillion, We happily genocided back to the stone age the Iraqi's cos the papers said so! or the other 'muslims' who attacked us on 7/7? I could go on. The victims and' or witnesses have mysteriously died in relation to many of the abusers, just like the bankers topping themselves, Gareth Williams holdall suicide, the world knows Diana was no accident, and LHO couldn't of shot JFK, all conspiracy theories of course.

Is there evidence as you put it for Savile's crimes? it's a jigsaw, put enough of the pieces together and a picture starts to appear, unfortunately some cannot see it, some will not see it but the majority just don't care, as long as their tv's are getting bigger and their cars shinier. **Britain is under attack from many angles**, mass immigration, **Treason, Sedition, paedophilia, mass dumbing down, sexualization of our children**, [I'll add another one - dirty disinformationists like Duncan] do you need 'evidence' for what is clear in front of your eyes? or do you not c?”

Ok, now the Jews. The fact that Duncan Sims spreads the 'Jew World Order/Hitler is the most lied about person' propaganda is even more proof that he is a disinfo agent. Hitler was NOT one of the good guys, who believed in freedom and served his people, he was serving the NWO agenda. Have a read of my 'DIGGER' pdf [http://sharonkilby.co.uk/site/DIGGER\\_IS\\_A\\_SHILL.php](http://sharonkilby.co.uk/site/DIGGER_IS_A_SHILL.php) for more.

Holocaust denialism is easily debunked by the searing judgement against the Historical revisionist Holocaust denier and **thoroughly discredited David Irving**. During the course of his unsuccessful libel case which he had filed against historian Deborah Lipstadt and Penguin Books he was **shown to have deliberately and persistently misrepresented and manipulated historical evidence in order to**

**promote Holocaust denial.** Irving was also found in court to have distorted the history of Hitler's role in the Holocaust in order to depict him in a favourable light. **Duncan Sims of course promotes David Irving and other Nazi apologists.**

Have a read of Sims' re-blog of 'censorship by **Jewish** entities as they seek to bring about tyranny'

<https://icenirising.wordpress.com/2013/05/09/under-threats-from-jewish-groups-talkstreamlive-drops-inside-the-eye-live-from-saturday-line-up/>

"Under threats from **Jewish media censors** monitoring TalkStreamLive, TalkStreamLive has removed without any notification the popular **political talk show**, Inside the Eye. **All political talk shows are masonic controlled opposition.** 'Inside the Eye' is just another masonic disinfo site. It is still online. If any part of it has been removed, it will be to *make it look as if it's been censored.* It is just **pretence.**

Sources note that **Jewish groups have been active in monitoring online media sites in an effort to put a total blanket on the information flowing out to the American people and larger global community** and that Inside the Eye – Live! was specifically targeted for deletion from **TalkStreamLive's aggregation Saturday morning line-up.** The only sites being monitored are the ones written by *genuine* opposition voices. And the people doing the monitoring are not the Jews; they are the **freemasons.**

**Unseen and Unaccountable Jewish Censors in the Alternative News Media Market.** The unseen and unaccountable people in power are the freemasons. There is only the *pretence* of an alternative media. It is all controlled by freemasonry. All we have are lone voices struggling to get real truth out.

And it is precisely this effort to keep reality "under the blanket" and out of sight and earshot that has de-facto **Jewish censors working tirelessly to bully and threaten website owners and aggregators.** Traditional **American and Western values of free speech are being ground down in favor of an Orwellian Jewish Bolshevik construction.**" The people being bullied and threatened are the *genuine* armchair sleuths; NOT the fake 'alternative media' [which is made up of so-called 'alternative' news sources and fake online 'sleuths'.] Our free speech is under threat because of dirty disinformationists like Sims and the sly NWO shills who control 'Inside the Eye'.

If the Jews controlled the media they would not allow the likes of lying frauds **David Irving** and **David Duke** any publicity, let alone the substantial publicity they get. Both these scumbags are fully paid up rat shills, working for the masonic mafia, furthering the Satanic NWO slavery agenda. *Real* opposition to a totalitarian world government do not get on TV or in newspapers or glossy magazines.

Just look at the filthy disinfo Duke spews on the Boston marathon bombings

<http://davidduke.com/boston-bomber-we-did-it-to-avenge-wars-in-iraq-and-afghanistan/>

“Although the establishment media continues to feign ignorance at the motivation of the Chechen Muslim Boston marathon bombers, [has Duke done any investigating to see for himself if the Tsarnaev brothers are guilty? No, of course not] a statement given to the FBI by the surviving terrorist has confirmed what informed observers knew all along: that the bombing was retaliation for American wars against Muslim nations on behalf of the **Jewish** lobby. We don’t know what Jahar Tsarnaev told the FBI since they will not publish the interviews they did with him. See my ‘EXHIBIT CHART’ pdf

[http://sharonkilby.co.uk/site/EXHIBIT\\_CHART - my observations.php](http://sharonkilby.co.uk/site/EXHIBIT_CHART_-_my_observations.php)

As for the political scribble inside the boat, has it been proven that Jahar wrote that? NO. The real marathon bombers are the people who pay Duke’s wages and pull his strings. See also my ‘BOSTON BOMBING PSY-OP’ pdf

[http://sharonkilby.co.uk/site/THE\\_BOSTON\\_BOMBING\\_PSY-OP.php](http://sharonkilby.co.uk/site/THE_BOSTON_BOMBING_PSY-OP.php)

The likes of Duke are promoting racial hatred and war. The men in their secret societies [I say Masons for ease of reference; in actuality the real power is much higher up the secret society network] are pushing us into a Muslim v West [Christian] war [WW3]. This is necessary in order for them to achieve their ultimate goal - their Luciferian NWO hell on earth. See this video entitled ‘Top Illuminati Grand Wizard: “We Control Islam and We’ll Use It to Destroy the West.” (WW3)’

<https://www.youtube.com/watch?v=0dXD2H0m74g>

According to **media reports**, the 19-year-old Dzhokhar Tsarnaev said in notes made from his hospital bed that he and his brother Tamerlan were motivated by the Iraq and Afghanistan wars and their belief that they represented an assault on their faith. Why is a so-called ‘alternative’ voice referencing reports which have come from the marathon bombers themselves via their media lackeys?

Both those conflicts arose after the attacks of September 11, 2001. The Jewish lobby in the US was instrumental in creating the war party which took America into Afghanistan and Iraq, in the completely false belief that this would “solve” the Islamist terrorist problem.

Thus Americans carry on paying the price for letting the Jewish lobby continue to dominate their national politics and their foreign affairs. As long as Americans stand by and let Jewish Supremacists formulate U.S. policy, so terrorism and attacks on Americans are likely to continue. How many more people must die before this tragic situation is corrected?”

The people spouting the ‘Jew World Order’/‘the greatest story never told’ **disinfo** are attempting to rewrite history. They and the rest of the cointelpro disinformation network are so successfully blurring the lines between what is fact and what is fiction, what is truth and what are lies that people are put off trying to make head or tail of it all ... And the NWO looms steadily closer.

And here is Sims promoting another lying anti-semitic holocaust denier **Satan serving Pastor Steven Anderson.**

<https://icenirising.wordpress.com/2015/06/01/the-holocaust-hoax-exposed/>

Duncan Sims promotes this story

<https://icenirising.wordpress.com/2015/11/15/ursula-haverbeck-87-year-old-grandmother-jailed-for-denying-holocaust/> and links to all the Pro Nazi propaganda to back up his support for the hate speech gran, who spews “hair-raising nonsense”.

He endorses this humungous **masonic engineered** LIE – the greatest story never told <http://thegreateststorynevertold.tv/> **Incidentally take a look at the The Greatest Story Never Told TV YouTube channel and notice the ‘featured’ and ‘related’ channels – Alex Jones and anonymous channels; all of whom have links to other anonymous or known shill channels; such as RT, Red Ice TV.**

And it is no surprise to see Sims promoting this video [Auschwitz—The Surprising Hidden Truth – YouTube.](#)

<https://icenirising.wordpress.com/2015/03/29/auschwitz-the-surprising-hidden-truth-youtube/>

There are a lot more Jew bashing/holocaust denial articles from Sims. Here’s another:

<https://icenirising.wordpress.com/2015/01/28/holocaust-deprogramming-course/>

“The truth does not fear investigation; Last one to get their blog shut down is a loser, (don’t forget your back up folks).” Well Sims need never fear his blog being shut down.

And just look at all the masonic penned **Jew** World Order/White Genocide and other shill sites Sims promotes on his blogroll.

Need any more proof Duncan Sims is a dirty NWO disinfo agent? He promotes the anonymously penned **Spivey support** disinfo site Coleman experience:

<https://icenirising.wordpress.com/2014/01/09/derek-laud-big-brother-77-david-cameron-cash-for-questions-diana-sas-leon-brittan-michael-colvin-eton-bear-grylls-gay-lords-dolphin-square-and-the-boy-scout-connection/>

Sims also links to **Spiv’s** vile mate and fellow nonce protector **Chris Wittwer** <https://icenirising.wordpress.com/2015/02/23/ian-kidd-norwich-database-of-uk-and-eire-paedophileschild-abusers/>

Wittwer is the one who boasts multi millions of blog views. At the time I started to pen this pdf in January 2016, his views had gone up from 32 ½ million [when I was writing my Will Black pdf in Aug/Sept 2015] to nearly **35 MILLION** blog views. Laugh out fucking loud. Fucking piss taking masons. Please note, this pdf was not completed until over a year later, as other things happened in my life during 2016 which took priority; so on checking Wittwer’s blog *ukpaedos-exposed.wordpress.com* in February 2017 I now find it “doesn’t exist”; which is quite surprising. Is the trickling of truth beginning to bother the masons? I have noticed that they have been busy in recent months closing down a number of their stooges’ blogs.

And since I’m on the subject of disappearing blogs, what has happened to **Steve Budge’s** site ‘The Big Picture’? Here’s Steve on LNM radio discussing his ‘truther’ guide:

<http://www.blogtalkradio.com/lnmrn/2013/01/03/steve-budge-the-big-picture-on-lnm#>

I started to strongly suspect that he too is not the real deal during my research on ‘Digger’ [also in January 2016] as I started *looking a little closer* at what he was promoting, and found a few red flags. Steve came to my attention in March 2013, not long after I started my War on Shills when he let me know he had exposed Sabine McNeill as a super troll. We exchanged views on who else we believed were chain

yankers, and he asked me to let him know if I found evidence of others being shills, whereby he'd update his 'Truther Guide', so I was quite surprised when, after my *thorough debunking* of Spiv's troll team:- Jimmy Jones, Daz Lavatory, Tom Pride, Anna Raccoon, Gojam, Will Black et al, he didn't voice an opinion on any of them. I was also surprised when he didn't give an opinion on my hit piece on Nigel Cooper [in fact he didn't even reply to my email in Feb 2014 when I brought it to his attention before publication; neither incidentally did Tom Cahill who I also included in that email, as I believed he too was genuine.] It seems the exposing of certain shills is off limits. Anyway all that aside it was Steve's list of obvious shills, such as [Muad'Did](#), [David Irving](#), [Judy Wood](#) that he classed as the 'best researchers', his advocacy of the likes of Deanna Spingola, and his promotion of the 'Jew world Order' and 'holocaust denial' that really gives the game away.

In any case since he seems to have gone to ground I guess I can take him off my hit list ... for now.

Incidentally in some of my Spiveyite pdfs I reference evangelist **Anita Fuentes**. However it appears that she too is pulling a fast one, and is in fact also shilling for the Illuminati. Check it out for yourself.

And here's Sims referencing the masonic penned anonymous **Spivey support** site aangirfan  
<https://icenirising.wordpress.com/2012/05/29/corrupt-incompetent-and-mad-rulers/> **Genuine resisters of the NWO do not link to shill sites; they expose them instead.**

And he endorses a very well known cointelpro outfit - Red Ice radio  
<https://icenirising.wordpress.com/2015/01/31/red-ice-radio-dennis-fetcho-hour-1-secrets-of-the-hidden-kosher-mark-the-rabbinical-tax/>

He also links to another disgusting disinformation blog, the cathy fox blog <https://icenirising.wordpress.com/2015/06/> **'Cathy Fox' is almost certainly just a pen name cloaking the unidentified masonic author[s] of the blog.**
