<https://trollpatrolblog.wordpress.com/2015/01/08/will-the-real-janette-scharenborg-please-stand-up/>

Just like all the core group trolls **JANETTE SCHARENBERG** blogs behind various fake online identities. I am aware of five of them – JS2, Schar53, Misty53, JS2@juststanding2 and JS2@juststanding3. Read on for the proof of that. There are probably more pen names. That in itself is very revealing; why would anyone feel the need to blog behind even *one* pseudonym? Ok, some people may argue that they are too scared to reveal their identity, but that doesn't wash with Scharenborg because she writes using her real name too. So, clearly, the reason for blogging behind various false personas is pure deception.

Janette Scharenborg first came to my attention on 26/11/2013 when she emailed me to tell me: "Royden James Jones aka @theoutlawjimmy was arrested last week, he has been released on bail until 30 Jan. 14." After a very brief email exchange I thought nothing more of her until JJ's sock Jane Russell showed up, all guns blazing, after Tom Cahill had narrated my Chris Spivey arrest debunkathon in Sept 2014
<https://www.youtube.com/watch?v=3H3UyuMdzEs>

I copy/paste below some of the comments that are under Tom's video, for ease of reference. You will see that it was because of these comments that I was prompted to look a little deeper into Spivey's troll team. It is now May 2015. I have come a long way in the past few months; so the comments that I now add in red are a swift update.

"**Sharon Zaki:** Janette Scharenborg revealed information to me which she asked me to keep confidential. All I can say is that Jimmy Jones/Jane Russell are connected. I have mailed Janette and asked her if she is able to comment here to set the record straight.

I do not know whether or not Gojam is genuine." **I know now he isn't!**

Tom Cahill:

+Jane Russell Who is Janette Scharenborg?

Sharon Zaki: Well all indicators are that Jane Russell and Janette Scharenborg are 'Outlaw' Jimmy Jones' sock puppets. **I now realise that**

Scharenborg is not his sock, but a troll in her own right. Whatever this Janette said to me in previous emails can now be taken with a pinch of salt. I'll now quote the email exchange I had with 'her' yesterday:

Me: Do you think you could comment here re Jimmy Shill - Chris Spivey's "arrest" debunkathon - Sharon Kilby, narrated by me. I really hope you can set the record straight.

Janette: done, would you please remove that comment on your blog about me being responsible for the KEV GREEN BLOG, I did not set it up, nor have I put things on it. He calls it a hate site, all of it is the truth, and things he and his team have said.

Me: **You say done, but I don't see your comment** on Chris Spivey's "arrest" debunkathon - Sharon Kilby, narrated by me. Re a comment you want me to remove, is it one that is on my site? Can you be more specific.

Janette: after many horrible comments from the said Jane Russell I had to remove it, my kids were going mental! here is that comment from Jones
http://sharonkilby.co.uk/site/Response_from_Jimmy_Jones_8th_September_2013.php

Me: Anything on my site is being said on here Chris Spivey's "arrest" debunkathon - Sharon Kilby, narrated by me, by this 'Jane Russell'.
Why are you not defending yourself on there? No point just telling me.

Janette: I do not want to waste my time or energy on Jane Russell or what ever name Helen is using, people who matter to me know the truth, those that dont know me, dont matter. These people are pure evil, **I am involved with many on going cases at the moment** **there is no evidence of that though** I do not want innocent peoples court cases brought into jeopardy by these evil people. **I myself have an ongoing case against Jones**, **no evidence to support that claim either** I must not put that in jeopardy either. God Bless you my friend, remember that truth always destroys evil xx

Now, this Jane Russell refers to this Janette Scharenborg as my friend. Where does she get that idea? I said that Janette revealed information to me which she wanted to remain confidential. Actually there was no real information. 'She' contacted me on 26/11/13. Three days later 'she' sent me a long rambling email which was just hearsay and not

something I paid much attention to. It was the type of stuff I'd seen on the blogs I refer to below. I can publish it now though, here, if anyone is interested. Anyway at the time I had no reason to believe that 'Janette' was not genuine. I certainly didn't think I was actually talking to Jimmy Shill. **It didn't matter if I was talking to JJ [or his sock puppet] or Scharenborg, they're both puppets** I thought nothing more about it ... until now.

There may well be a genuine Janette Scharenborg, but the person writing to me under that name is not genuine. **Turns out I was right about that. She may be a real person, but she is not genuine.**

When this 'Jane Russell' popped up on here, I remembered the name from the Kev Green site and from the Scharenborg email. Jane Russell's link to the Daily Post article on Michael Jackson got my alarm bells ringing.

Perhaps I'll dig a little deeper into Jimmy's socks [oh God what a thought] when I get some time. Right now I'm too busy with other stuff, which includes working full time earning an honest living, unlike the trolls who work full time lying for a living. In the meantime see adeybob's comments here

Jane Russell: Dear oh lore! So you are not Janettes friend **but you promote her website and call Jimmy a shill which is off it's head for starters & continue to spread around Scharenborgs lies?** Absolutely bonkers & I think people can see that it is very wise to steer well clear of you too.

Then you pay us the biggest insult by saying Scharenborg is one of us!!! Then you carry on linking your 'facts' to the Kev Green website, **which is Janette Scharenborg and her gang of fruit loops creation??** **This confirms that there is more than one creator and manager of that site.**

See my 'DIGGING INTO JIMMY'S SOCKS' PDF. Do you not see how ridiculous you are making yourself look?? Obviously not, but I'm sure everyone else can.

If Tom had read **your lies about Jimmy** **what lies?** on any other of his clips about anyone else, I would be replying under those instead, so Chris Spivey is irrelevant to why I spoke up.

I'm not sure how many times I have to say these things, clearly some people are far too thick to understand - I am not Jimmys wife, nor any relative of him or any of his family. Nor am I a woman named **Susan Melrose** See my 'SHEVA BURTON' PDF http://sharonkilby.co.uk/site/SHEVA_BURTON.php **Nor am I Jimmy himself** **yes you are** or any other person they have come up with in their clearly off their head insane ramblings.

Nor am I MI5, C/O, or any other mental minded tag you or any of the other lunatics have tried to label me with. Absolute craziness like I've never seen!

I think it must be quite clear to anyone who is talking absolute insane rubbish & it certainly isn't me or Jimmy Jones, who has quite eloquently said his piece about these raving lunatics that have plagued him for 2 years.

Perhaps you should forward those emails to the North Wales Police that you received from Janette, Sharon, they know all about her, including her penchant for trying to force vulnerable women to watch her paedo clip collection, as it is further proof of that woman's continual campaign to spread lies and hatred about this man and his family and to constantly spread her insane ramblings around the www for her sick kicks. They have quite a collection of her lies about Jimmy and his family, myself and others, but you have just provided more proof that she continues her tirade. Thanks for that.

I believe Janettes partner in crime **Darren Lavatory** [see my pdf on him http://sharonkilby.co.uk/site/DARREN_LAVERTY.php See also my pdf – 'Digging into Jimmy's socks'] was hauled in by the Police again in the last couple of days & warned yet again not to continue to spread his vile lies and abuse about Jimmy and his family- not content with being recently convicted of an offence against Jimmy and his family, Janettes friend decided it was a good idea to continue his venomous and vicious attacks on Twitter against this man & was told in no uncertain terms that

he would be arrested every time he did.

Somehow, I'm sure that will make little difference to a man who feels he is untouchable and above the law. A spell in prison would be a better resolution I feel.

I will not be entering any further communication with you Sharon, and should you start **spouting lies and vile untrue things around the www about me or Jimmy & his family, they'll be going straight off to NWP too, along with your connection to Scharenborg** i.e. touting her nonsense and lies on your blog, here and anywhere else you decide to spout off on, because I am sick to death of you idiots & it's **high time you were stopped.** Jimmy Jones is publishing libellous comments in his accusations and attempts to make connections between me and Janette Scharenborg. This could potentially put me at risk if people believe that I am a friend of hers, as I too will be classed as a narcissistic, machiavellian, psychopathic, and sadistic troll; and will be dealt with as such.

So just wind your neck in eh Sharon, or you could find yourself next to get a knock from the Police & I know they are pretty sick of the constant lies from liars like you and your friend Janette and co & having to waste their precious time dealing with people who continually plague others and try to make others lives a misery, just like theirs must be." This troll team are playing games when they verbally attack and threaten each other. When they do it to genuine bloggers, like me, it is not pretence; it is for real.

If you have a look at the other comments under the video, you see that Jimmy Troll sent a threatening email directly to me. I copy/pasted it to the open forum. Trolls try to head-fuck and intimidate genuine strivers of truth and justice, and they work to isolate you – divide and conquer.

Notice the reference to NWP. That is more intimidatory tactics. Jimmy Troll [hiding under Jane's skirt] is trying to scare me to get me to STFU. He knows full well that police do target the people who are real opposition. Shills know that the real power - freemasonry [which controls and protects them] also controls the police. Real victims know that the police protect the Establishment. Some of us know that it is actually freemasonry that is protecting their members and their agents. Consequently when a victim challenges authority s/he suffers further victimisation. Shills engage with the authorities to make themselves look authentic. They'll even get themselves arrested and imprisoned. It's all

fun and games to them; it's victimisation and psychological operations for us - the general public and the real victims.

If Scharenborg was genuine she would have joined in the group discussion and commented under Tom's video. 'Jane Russell' was royally slagging her off – **publically** - so why didn't she publically defend herself? What was the point in replying to me only? And why did she say "done" when she hadn't 'done' anything? She was obviously playing games with me.

Take a look at this Needle bullshit article <https://theneedleblog.wordpress.com/2013/03/31/farewell-madlands/> for an example of how these skills operate.

Incidentally of all the follow on comments, it is highly unlikely that any will be from a genuine commentator. In fact there will probably be only a handful or so cointelpro agents [Janette, Sabine, Adey, Gojam, Kaz] commenting behind the various personas.

Janette publishes a response from NWP and her bullshit email to police:

"Janette

You have been advised previously by DS Morgan to 'block' Jimmy Jones on your Twitter account and not correspond with him any further. It is obviously a matter for you to decide as to whether you choose to do this or not, but if you don't, then the likelihood is that you will have further similar issues, which we will not be able to assist you with any further, and you would need to seek advice from a solicitor.

If you feel there are other issues which may require police action, then re-contact us once you are back at home following your discharge from hospital, and we will arrange for an officer to contact you then.

Regards North Wales Police."

my email today to the police

Dear Sirs,

with ref. P011148

The abuse continues, see attachment of his Mr Jones's tweets this morning, this has been going on continually since January, not once have I reacted to one of his tweets, but my children are reading him and are getting very upset.

I have blocked him on twitter, but he continues searching topsy.com for my tweets, and using playing his very dangerous but nevertheless childish game.

He is also telling everyone, that I reported him to you as being a Paedophile and running a so called paedophile ring. Also I am supposed to have told you he was concealing evidence in an on going case of his with you.

None of this is true. My creditianls you have, you can check me out. I dont know who I am dealing with who is this James Jones, he professes to be a survivor of childhood sexual abuse.

Please do something about this person, I and others have already reported him to twitter. Maybe you can look in his computer to see who, if anyone is sending him threats to his children.

Please let me know the outcome,

sincerely yours

Janette Scharenborg"

Who knows whether or not Janette actually sent such an email to the police and whether or not the mail she publishes from NWP is even from them - no officer has attached his/her name to it. Either way it serves its purpose - the unsuspecting reader of these comments would believe that Scharenborg is genuinely the victim of twitter troll abuse. This is how cleverly these agents hoodwink the people who visit the 'alternative media' in search of answers.

The people who get targeted and abused/threatened by trolls are the ones who are a *real* threat to the PTB i.e. the *real* victims [not just CSA victims] i.e. anyone who *genuinely* strives for truth and justice. Such people do not complain to the police about troll abuse. That's just

laughable. That goes with the territory. Only shills play such **games**. Real victims do not complain to the very authority who failed them/actively conspired against them in the first place; they go about exposing the corruption within the police and other authorities and 'justice' system.

We might ask why Janette Scharenborg goes to the trouble of publishing 'evidence' of her suffering at the hands of Jimmy Troll and yet doesn't produce a scrap of evidence to support her *story* of being a victim herself of child abuse. Why's that Janette? Cos it's a pack of lies?

I have been all over her blogs and have read numerous comments that she has made on various 'truther' [pro-paedophile cointelpro] sites and cannot find any such publications. Read on.

On this page <http://timetostartcaring.com/for-a-child-sexual-abuse-is-a-life-sentance-why-not-for-the-abuser/> she gives a **very brief** overview of her own story; however she does not make it clear that the article is about her as it is just lobbed in amongst all the other articles. **You would not know that it was her story until you read the comments below where she responds under 'Misty53'**. And if you didn't know who Misty53 was you would be non the wiser. In fact she doesn't even let her readers know that this blog is hers! Why is that Janette? Are you ashamed? Why the secrecy?

This is what she says: "I was 6 years old when the abuse started, and it went on until I was 10, was not a family member but someone whom my family trusted. When this came out my father couldn't live with the shame so he committed suicide, my mother never recovered and spent the rest of her life in and out of psychiatric hospitals. I didn't receive any help as it wasn't around in those days, and only got help about 15 years ago when I came to a crossroads in my life. The person who abused me, was never brought to justice. Talking about the abuse in my family was a big NO NO, so I felt that I was not wanted, not loved and not accepted. This feeling I carried with me all my life I never spoke about my abuse to anyone until I reached out after a failed attempt to end my life."

She then goes on to speak in *general terms* about the consequences of child abuse.

As with all these charlatans, there are no details, no names and no evidence whatsoever that anything Janette Scharenborg says is true. She could have just made it all up ... she probably did! We might ask: Who was the abuser? Was this person male or female? Where was the abuse taking place? When and how did it 'come out'? Where's the evidence your father committed suicide and that your mother spent the rest of her life in and out of psychiatric hospitals? You say the person who abused you was never brought to justice, so what steps did you take to obtain justice? Where is the evidence that you tried to commit suicide?

Also in the comments section is the following response:

"It doesnt have to be sexual abuse, any form of childhood abuse causes plenty of physical and mental problems, please read my story here <http://timetostartcaring.com/for-a-child-sexual-abuse-is-a-life-sentance-why-not-for-the-abuser/> Im sure you can find yourself in this, also, that you now have the help you need to support you through your life x"

She calls herself a 'Sex Abuse Activist'. That title alone is enough to raise the red flag. What genuine victim of CSA calls him/her self that? She makes an appearance on HUFFPOST LIVE.

<http://live.huffingtonpost.com/r/segment/people-prosecuted-crimes/50f038e478c90a056d000024> I'd say the reason she was

allowed that was to make her appear credible. Remember high level freemasons decide who gets on TV and the radio and in the newspapers ... The audio is that bad, it is very difficult to follow what she says. Perhaps that's a blessing cos we know she talks a load of bollox. Huff

Post writer and fellow core group disinfo agent Will Black comments: “Fascinating discussion.” If he cared one iota about the victims of paedophiles, he would be exposing the vile lying fraud Janette Scharenborg, for starters. Why didn't the Huff check out Scharenborg's credentials? This seems to confirm what Darren Lavery says; that the media do indeed take alleged victims at face value [see my pdf on him.] The truth is the media only do so when it suits their agenda; for example when they are playing along with some bullshit masonic charade. An example of this is Mark W-T interviewing fake Savile victim Fiona for the ITV documentary – ‘Exposure’. See my ‘FIONA OF THE FORGED LETTER’ pdf

http://sharonkilby.co.uk/site/FIONA_OF_THE_FORGED_LETTER.php

When shills do expose other shills it is always done in an unconvincing, unevidenced way. It's all theatre. This core group of Spiveyites are very well paid, very entertaining – often very funny - **actors**. They slag each other off and even point out each other's inconsistencies. But they don't provide compelling reasons why anyone else is a shill. It is obvious they are all highly intelligent, highly educated and very articulate bloggers. Yet NONE of them raise the issues/ask the important questions that I do.

For example, take a look here

<https://kevingreen1950.wordpress.com/2014/10/19/521/> Scharenborg says: **“FOR THOSE WHO ARE UNAWARE I AND MANY OTHERS HAVE BEEN TROLLED BY A GROUP OF MISFITS ON SOCIAL NETWORK SITES FOR THE PAST 3 YEARS.**

What did we all have in common? **we spoke out against sexual abuse of children (CSA childhood sexual abuse)** which has been going on for decades in institutions throughout the UK and in other countries across the world. **That's all they do – talk. More accurately they talk a load of bullshit and lies.** Many of us are/were survivors of CSA **well there is no evidence that Scharenborg is a CSA survivor** but **this group of trolls, groomed us one by one, gained our trust so that we told them things we would maybe not freely tell others.** **Trolls did no such thing to Scharenborg and the other Spiveyite shills. That's what she and they do to genuine vulnerable victims, hoping to head-fuck them into taking a stroll over the nearest cliff. That's what they did to Messham. After they had gained our trust, they would turn on us, using some of the information they had from ourselves, if it wasn't juicy enough they would make it juicy, sites would appear all over the net with our names, addresses and photos of us. That's what they do to genuine victims and genuine strivers of truth and justice.**

For example I am very proud that I am a missionary to Asia, where we educate parents so they do not have to put their children in sexual tourism, we have set up many schools where these very vulnerable people can learn a trade, we have saved hundreds of children from the hands of those that would have exploited them in the sex industry. **Why doesn't she show some real evidence of this?** I am on a missionary site, with photos of the work I and others have carried out in the Philippines over the last 10 years, one of these misfits infiltrated the site and stole photos and put his own caption to them! **Perhaps those captions reflect more of the truth!**

This is me with another missionary who I travelled with in 2010 in a small Cebu city where sex tourism is at its worst, it is so unsafe there, missionaries had been kidnapped and murdered, **that's why we had to have guards to protect us**, they stayed with us the whole time we were there. Yet you can see what this group of trolls did to that photo. **This is all hearsay from a proven liar. Where's the evidence those Filipinos are guards???** Methinks Scharenborg is doing a bit of spinning. For all we know the photo published could be a tourist piccy.

A photo of myself with my husband of many many years yet see what filthy remarks they made:

Yet another change of appearance for Janette. This is how she presented herself for her Skype chat on Huffington post in her fictitious role as a 'Child Abuse Campaigner.' Now known to be offering abuse victims Skype Counselling Sessions for Cash. Can you believe the nerve of this woman? Her homage to paedophilia blog 'No More Shame' should be renamed 'No Bloody Shame'..

#Rapist #Paedophile #Abuser #Holland #CSA #Janette #Evil

this is a blog which shows much more of what this group of trolls did to myself and others <http://timetostartcaring.com/?s=make+up+your+own+mind&x=9&y=9> **read the comments see my comments in response to some of those comments below!** this blog is about **someone that did close their accounts because of this troll group** <http://theneedleblog.wordpress.com/?s=farewell+madlands> also read the comments **course if Scharenborg was genuine she would not be**

playing along with this 'Madlands' and 'Paedobritain' shill shite – she'd be exposing it instead [see my 'Digging into Jimmy's socks' pdf.]

<http://timetostartcaring.com/2013/01/21/make-up-your-own-mind/#comments> I quote some of the comments - which are actually penned by the Spiveyite pretenders. It wouldn't surprise me if Scharenborg herself wrote all of them! None of them are written by a genuine commenter.

"this looks to me like someone is trying to STOP good people exposing the underbelly of our society. I suppose it is to be expected considering the powerful who commit these horrific crimes on children and the cover ups. Misinformation is another tactic employed to discredit people and their testimony, as you are aware. Word is getting out, people are beginning to realise the depths these elite child rapists will go to protect themselves. Is this another attempt to discredit, divide the group?? Interesting you were personally attacked recently through twitter and now this? A set up? I hope this does not deter you from continuing the good work you do."

"I did read the blog posted about you but could not understand what I was supposed to think, other than you were a lady who is trusting of her god, helps small children in Asia by donating laptops and saw some very private emails which made me uncomfortable to read. I do not know why this attack has been launched at you other than to discredit you and make people not trust you. I saw a snowstorm of tweets directed at you in some sort of an argument to which there was only one side. The whole thing has been terribly worrying and I can only draw a conclusion that I have only ever seen you being kind and supportive to people. Your tweets prove this on a daily basis."

Scharenborg and her Spiveyite team attack divide and discredit *genuine* CSA victims and truth soldiers, from the safety of their various sock identities.

Then he turned, just because I asked him who this MFOkate was, we all know now that she and this Nancyheart are one and the same, why the personal attack on my self, I have no idea, when as you say we should be fighting together arm in arm. I do not like Jimmy's tactics putting up texts ect. which were obviously received before I contacted Sue yesterday evening, about her so called email being on nancyheart blog, her response very clear here above. She gave no permission for it to be put there, nor had she been in anyway detrimental to me in it. Someone had changed the text. Thats not how I work, I am a God fearing women, dedicated my life serving Him, I dont believe in religion, thats Man made, I believe in true faith, and to help those worse off than ourselves. God Bless you also, I pray that light will shine on all our paths leading us all to a better place x"

Janette Scharenborg is the complete opposite of how she describes herself. She, just like all the others in Spiv's gang, is pure evil.

“Hello Nancy,

for someone who claims not to know @realjimmyjones its amazing that you have an email supposedly sent to him by @anothersurvivor on your blog

“Thank you for the email but I’m no longer on Twitter, no one left to trust and it’s set me back 20 years. Jeanette really badly betrayed my confidentiality, broke my heart and so embarrassed they told ppl things I said in complete confidence. No doubt u will do the same and spread this email. I’m just concentrating on my lovely little family, living at my Mums now and no Internet there, just trying to get thru each day. I wish you well Jim.”

or is your name also JIM, so this email was sent to you?

Funny that, as Sue says she doesnt know you, and is very annoyed her private messages are on your blog.”

Scharenborg and the Spiv shill team are the ones shattering genuine victims'/genuine 'truth' bloggers' trust in other people. That's what they're paid to do. Scumbags.

JENNIEJENJEN3

JANUARY 22, 2013 AT 10:16 AM

“Morning Jan,

I don't know what games are being played. I arrived on twitter as support for Steven Messham, but got distracted by Darren's bullying of him. My mistake was not leaving the boys to slog it out. All that happened is, tweeps saw me as bullying Dareen because they were not aware of the back story.

It riled me that Darren who abuses Steven has set up an anti abuse campaign!

I was named as “their” personal troll. My issue was with Darren, but, like 3 musketeers, **Jimmy and Kate decided they wanted me as their troll too.** Which lead to Darren's blog.

And now this.

I am surprised that neither **NancyHeart26** nor **KateMFO** (Miss Fuckity Off) have revealed their connection with each other? Though I do see KateMFO did mention her psychiatrist friend on her twitter yesterday (NancyHeart26). I found that strange. Something is not right.

The only person I have ever had Direct Email contact with on Twitter is CoaCoaBelle (She's a by-stander **sock** in all of this) and NancyHeart26, who answered on my blog and we exchanged a few emails. In these emails she tells me Kate and she trained together, and that Kate asked her to get involved on my blog as Kate realises that I am just another abuse survivor who got overly involved.

And that's the truth of it.

I've backed out. There are **too many snakes in the grass to get to the truth of this**. It is not my fight. I came to support and got too involved and was told to fuck off. And that's exactly what I intend to do.

I hope you all sort this out and find the peace you all deserve.

(I'm going to post this to Jimmy's blog and mine too)."

This bunch of comedians are so eager to stir the confusion pot that they drop a fair few clangers. They must've forgotten that Jennie [**according to Janette** – read on; see also my 'Digging into Jimmy's socks' pdf] is another of Jimmy's socks! Janette has obviously forgotten; that is evident in her reply:

I appreciate your post very much, and I am very sorry to hear of all be abuse you received from the 3 musketeers **by the way mfokate and nancyheart are one and the same person!**

when you join the dots you will see this. I have not nor will I enter into a twitter war, where many CSA survivors come for support, and receive this treatment. **Remember one thing, the things we throw out in life, we get back 10 fold!** Dont let the fools force you away, as they are no better than abusers themselves, the ones they say they protect. there are so many good people on twitter, and not that hard to find. God Bless you my friend."

Yes Janette, remember, karma's a bitch.

Jimmy – hiding behind the Jenniejenjen persona - says he's going to post his post to 'Jimmy's' blog i.e. his own! Of course he isn't really going to do that. He's just saying it, for the benefit of anyone who visits the 'alternative' media in search of answers.

In their eagerness to fuck with our heads, Spivey's henchmen and women are fucking with their own heads. I can't imagine how hard it must be to live a double life like they do; especially when you have to be the voice of *several* puppets. It's enough to drive anyone insane.

But these arrogant smug bastards are so cocksure that no-one is going to suss them out and expose them that they don't care about dropping clangers or contradicting themselves [as all liars do]. A good example of this is provided by the ring leader himself - super prick Spiv - re his, ahem, 'illegal' arrests, whereby he constantly contradicts himself.

As for snakes in the grass, Jimmy, alongside Lavatory, is the very epitome of a snake. They're almost in the same league as super snake Spivey.

"Janette, or sherlock Holmes, I will make myself clear here. I have already told you **she is my friend**. Big deal we both have a the same IP address, used my laptop when she was here. She is here just now. She is allowed to access her emails and blog's from my laptop or is that against the law for you as well. She has asked me to put her details up for you to prove who she is as she is being challenged and so am I. I wont. you are are a waste of space and so is your supersonic equipment that traces your IP addresses, you have shouted about it being in Halifax. I am in Glasgow, so is my laptop and so is my friend. She lives 5 doors away from me. She is always here. No more time being wasted on your games. Said it before and will say it again. Fuck off."

Fuck me; I really am losing the will to live.

Darren Laverty has also **written a lot about this troll team**, he, just like Janette and all the rest of the Spivey troll team write what their Masonic handlers tell them to and he should know, **he used to be one of them**, he

still is was groomed just like the rest of us, none of the Spiveyites were groomed, *genuine* CSA survivors get groomed - by Scharenborg and the Spiv gang and **believed the lies he was told**, *genuine* victims believe the lies, until they wisen up to the sick game these bastards are playing until he began to ask questions. This is a brilliant video of his which says it as it is.

Chris Spivey a well known alternative **major disinfo** news blog has also been attacked by this same group of trolls.” **Those trolls are Spiv’s little helpers. He is evil incarnate.**

Now take a look at this post

<http://timetostartcaring.com/2015/01/27/why-is-sonia-poulton-and-her-gang-attacking-me/> Scharenborg says:

“I have been continually attacked by Poulton and her gang of bullies for the last 2 years, why? because I have something she does not have and probably never will its called CREDIBILITY and LOVE for OTHER HUMAN BEINGS

She and her friends have set up a blog to try and humiliate myself and others, well you had better try a lot lot harder Ms Poulton because it just shows what a horrible person you really are.

You say things but you are unable to prove the lies you are saying. I am supposed to have said bad things about you, attacked you on forums, sent vicious SMS’s to you, PROVE IT LIKE I CAN PROVE WHAT YOU HAVE DONE TO ME. Everything you have said about me is lies which you heard from your mate Royden James Jones, a known Troll and bully.”

Not very convincing is she. She says she can prove what Sonia has done to her, but she doesn’t prove anything.

She goes on to speak of herself as a missionary to the Philippines, but, as said she doesn’t show any real evidence of her work there i.e that she “set up many schools where these very vulnerable people can learn a trade” etc. There may be *some* truth in what she says though. In one of the photos that she publishes we see a ‘welcome’ banner for her and Jeroen Veenstra which is from ‘Assembly of God church’ and is dated April 22nd 2008. It looks to me that what has actually happened is that Janette Scharenborg *used to be* a decent ‘God fearing’ person. However sometime after 2008 she has switched sides and is now in service to Satan. It would not surprise me if she got romantically

involved with the wrong man who had something to do with that. [According to her troll team mates – who must know her quite well – she’s had a few husbands. If that’s true, one of them has probably persuaded her to join team Spiv.]

She then publishes a letter from solicitor Chris Saltrese. It does not surprise me at all that he would be defending Janette’s rapist brother. See my ‘ELITE PAEDO RING’ for more on the thoroughly despicable character Saltrese.

Moving on down the page she shows us photos which she uses as ‘proof’ - they are all blurred and unreadable! The medical documentation that is readable is no good to us English speaking folk; it is written in Dutch!

Now, have a look at this post

<http://timetostartcaring.com/2015/01/06/why-is-sonia-poulton-mixed-up-with-royden-james-jones/> Scharenborg says: “SONIA POULTON PROTECTOR OF ROYDEN JAMES JONES CANNOT SEEM TO GET MY HEAD AROUND THIS, WHY WOULD A SO CALLED JOURNALIST BE CLOSE FRIENDS TO A KNOWN BULLY AND LIAR AS ROYDEN JAMES JONES AKA @BLOGOUTLAW ? SHE OBVIOUSLY KNOWS OF HIS NEW FRIEND A KNOWN PAEDOPHILE YET SHE STILL CONTINUES TO SUPPORT HIM.” **That’s a bit insipid. Can she not find anything else about Sonia Poulton that deserves criticism?**

As with all cointelpros, there are numerous ways you can crush their credibility. Just who they support and who their friends and associates are is enough to hang them in the credibility arena. Sonia Poulton is a strong supporter of the Hollie Greig fantasy and the bloody loathsome characters involved in that – Robert Green et al. Just that fact alone tells you all you need to know about this so-called ‘alternative’ voice. Poulton’s friends include Ian Puddick and Michael Doherty https://www.youtube.com/watch?v=uFM_icHQOMc and Bill Baloney <https://www.youtube.com/watch?v=rJC-vvx7ItY> She promotes Andrea Davison <https://www.youtube.com/watch?v=r5oqrMMuCHA> [see my pdf on her.] She promotes The Peter Hofschoer ‘Grandma B’ story https://www.youtube.com/watch?v=PER_Kx-EPs She supports Maggie Tuttle <http://www.childrenscreamingtobeheard.com/http://researchingreform.net/2014/06/23/conference-children-screaming-to-be-heard-attend-attend-attend/> And promotes Nigel Cooper <https://www.youtube.com/watch?v=mtskwnRmc3A> She supports Charlie Foulkes

<https://twitter.com/soniapoulton/status/289069889367461889> and is friends with Duckshoot's Dave Knight
<https://twitter.com/soniapoulton/status/429976048994746368> ... On and on it goes.

She promotes the 'Paedobritain' nonsense
<https://twitter.com/soniapoulton/status/317205083207127040> and says: "Let's STOP abuse NOW!" whilst assisting the abusers!

Poulton promotes the filthy 'forced adoption' NWO propaganda
<https://www.youtube.com/watch?v=Wg4mzWDZ-QQ> Incidentally, **Yvonne Stewart-Taylor**, Poulton's interviewee, recommends viewers read Jack Frost's "Gulag of the Family Courts" book
<http://www.barnesandnoble.com/sample/read/9781447535249> **Jack Frost** is yet another 'all talk, no substance' speaker, making money out of mugs <https://www.youtube.com/watch?v=sXWAKSEeEYY> He is a 'McKenzie friend', he endorses John Hemming and Ian Joseph and gets promoted by UK Column. That's enough for me to know whose side he's on ... and it's NOT freedom. His *story* is that social workers from Essex County Council instigated care proceedings to take his daughter Heidi into care with plans for her adoption. **Why should we believe him? Where is the evidence that what he says is true?** He says he wishes to provide all related family court documentation for publication, but that it isn't allowed. Well he's exposed himself as an outright LIAR right there. You can publish whatever you like - all types of official documentation [unless it's subject to the 'Official Secrets Act'] and you can name and shame anyone; as long as what you say is the truth. So what Jack Frost [is that even his real name?!] says is obviously NOT TRUE.

Sorry, went off on a bit of a tangent there. Back to Janette Scharenborg. Why doesn't she expose Sonia Poulton properly, like Jon Stevenson does? <http://victimsagainsthoxes.co.uk/sonia-poulton-accusations-and-allegations/> <http://victimsagainsthoxes.co.uk/sonia-poulton-jon-stevenson-our-facebook-conversation/> <http://victimsagainsthoxes.co.uk/sonia-poulton-arriving-on-platform-1-4-years-too-late/> Apart from the fact that she and Poulton are both Spiveyite trolls, the simple answer to that is that she, effectively, *supports* the Hollie Greig story. She re-blogs an article from Chris O'Neil here <http://timetostartcaring.com/is-there-a-masonic-paedophile-ring-terrorising-scotlands-children/> That article ends:

"The truth here will probably never emerge, which is deeply unsatisfying for everyone involved and will only continue to make the case one giant cluster of

headfucks. But so long as **stories** surface about light entertainers molesting hundreds of girls while spending Christmas with the Prime Minister and receiving honours from royalty, the embers of the **conspiracy theory** bonfire will carry on burning, ready to be poked into life any time something new transpires.

by Chris O'Neil."

O'Neil is clearly just another paedophile protecting disinfo agent; the truth *has* emerged. And look at the picture he paints of Jimmy Savile - it's just *stories* which belong in the *conspiracy theory bonfire*.

Not surprisingly, Sabine McNeill thinks highly of Scharenborg <http://victims-unite.net/advice/> She blogs:

"There is a great survivor on Twitter called Janette Scharenborg @schar53. For victims become SURVIVORS of emotional and sexual abuse and STARFIGHTERS and CAMPAIGNERS when they stand their ground in courts after having suffered other white collar crimes.

Yes, it's a terrible world. BUT we have one another online where we can find likeminded folk more easily than in the streets. GO FOR IT!"

Nauseating.

Now, could Scharenborg be a spokeswoman for HGJ? Take a look here <https://holliekreigetc.wordpress.com/2013/12/23/a-guest-post-collating-much-of-the-hollie-greig-fantasyscam/> It would not surprise me if the troll commenting under Js42uk is Janette Scharenborg since she has a few JS blahdy blah blah handles [JS being the initials of her name.]

She re-blogs articles from Spivey supports sites: The Needleblog, The Lavatory, The Slog, Alternative News Network, and also mainstream 'news' stories <http://holliekreigjustice.blogspot.co.uk/2014/12/gravity-1-nonce-0.html>

<http://holliekreigjustice.blogspot.co.uk/2014/11/top-tory-wines-and-dines-peadowtf-is.html>]

She is close mates with Darren Lavatory. She even "had the pleasure of spending a whole week" with him and his family. See her comment under JS2 <http://chrisspivey.org/laverty-a-clarification/#more-23306> That alone is enough to hang her in the credibility department. But she's also pally with agent Adeybob and agent Gojam. This is evident in an email [published just below] that she sent on 30/4/13 to someone called Sue Perry - who, until I'm persuaded otherwise, is just another sock

puppet. In that email [which was forwarded to me by Jimmy Jones in his threatening email on 13/9/14] Scharenborg says she is starting a blog about 'JJ and his gang.'

Hello Sue,

I have heard about all the recent attacks again upon you and your daughter, this upsets me so much, how dare they pick on vulnerable people!

James sent me your email address so you know its me and Ive put our buisness stamp on it.

Im in contact with Adeybob and with Gojam whos lives have been turned upside down by these monsters, but tides are turning and we both know that goodness always wins over evil.

I was sent a photo, which is supposed to be Royden James Jones can you or your contacts confirm this?

I think it is far too young to be him, but it could be him when he was younger, he must be around 50 by now, this photo is of someone much younger.

Today I am starting a blog about JJ and his gang, once its up and running I will let everyone who has been affected by his evil ways know the inlog codes, emailaddress and password so that everyone can add his/hers own story, this unfortunately is the only way forward.

title of the blog THE MAN BEHIND THE MASK or maybe you have another one, Im open to suggestions.

remember that even though your account is locked they can still see who you follow, and who follows you.

sending you love, light and strength

Take a look at the following

SUE PERRY

This one has had a complete job done on her. Janette got to her early and has got those false memories in that head of hers. The clues? She struggles with the geography of the place in which she claims to live. She announces on Twitter that she is being stalked and her children photographed, yet the crime number she posts, relates to a garden shed fire in Criccieth? She constantly refers to her ever-increasing list of illnesses, even listing the medications, which incidentally do not match the illnesses she claims to suffer from. She claims to have photographic evidence which relates to Jimmy Savile abusing children in North Wales, and further claims that she was systematically abused at a Fire Station in Colwyn Bay. She has also added that Gordon Anglesea, a police officer from North Wales who was cleared, not once, but twice of being a child abuser had offered to 'sell' boys from the Bryn Estyn Care Home to her uncle, now conveniently deceased. In any event she is going to be crucified by this group as she is very confused and damaged and keeps returning to the manipulative Janette time after time. She constantly whines about people of 'Picking on her' yet always manages to cleverly steer the listener away from the awful things she has written on her own blog, and said about others. The perfect 'victim' in many respects. Almost too perfect in fact. That is the only reason why she was selected for her role. May well be a 'real' person but more than likely is now damaged beyond repair.

This write up is more of the same shill shit. The subliminal messaging coming from it is that *Jimmy Savile was not systematically abusing kids* as is the allegation, and, likewise, *in the case of Gordon Anglesea - he is innocent too.*

Scharenborg respects Sir Spiv: "Chris Spivey a well known **alternative news**??? blog has also been attacked by this same group of trolls" <https://kevingreen1950.wordpress.com/2014/10/19/521/> See her comments [under JS2] here <http://chrisspivey.org/scandal-2/#more-23186> Anyone who supports the devil incarnate himself Christopher Spiv has killed his/her own credibility stone dead. The lying witch even says:

"the so called Jane Russell is in fact his wife H*** ***** you have my email address, send me an email, which I can reply to with proof of who Jane Russell is, from someone Chris trusts and respects."**

The lying wanker Gallows responds: "Iv edited out the name JS2, i don't want to give them an excuse to cause anymore trouble. But what you say just confirms what we believed, thanks for getting in contact."

Is there such a thing as a gong for best actor/actress in the alternative media? If there is, Spivey and his troll team sure stand a good chance of winning it. Seriously, how can these fucking disgusting sad pathetic excuses for human beings keep up this vile pretence? What rewards do they reap? Or what skeletons are lurking in their cupboards?

Here's more. Here 'jenniejenjen' accuses Scharenborg and others of labelling her another of Jimmy's socks: "I could believe any excuse you gave me were it not for the fact that you, paulrogers002, adeybob (monadtime) and Darren have been claiming I am a Jimmy Jones sock when you all know/knew I was most certainly am not!
<http://chrisspivey.org/laverty-a-clarification/#more-23306>

Scharenborg endorses fellow chain yankers Bill Baloney, John Hemming, Leah McGrath Goodman. Birds of a feather ...

She publishes articles, such as this <http://timetostartcaring.com/the-bent-cops-list/> but there is NO SOURCE for this information!!! Other articles, such as this <http://timetostartcaring.com/here-is-a-list-of-100-paedophile-councillors-or-uk-political-party-affiliated-membersthey-are-among-the-people-who-help-run-our-country-they-are-in-no-particulour-order-this-list-does-not-contain-a/> have links to no-where! Or the link is to another paedo protecting pretender – another of Spivey's vile mates Chris Wittwer. See my 'Digging into Jimmy's socks' pdf.

On her 'bent cops list' she writes: "THIS IS MERELY A SAMPLE LISTING REPRESENTING UNDER A TENTH OF WHAT WE HAVE ON FILE, AND THE WHOLE FILE WITH UPDATING WOULD BE TOO LONG TO FEATURE ON THIS WEBSITE AS IT IS A 'CURRENT WORKING LIST' WITH NEW ADDITIONS EVERY MONTH AND WEEKLY.

This is a very separate list to the featured cops and is in addition to those."

Following on is a ginormous list of cops and their crimes. But how do we know how many [if any] of those allegations are true? This is what I wrote in one of my comments under Tom's 'Spivey's second "arrest" video – analysis': "Let's take a look at his sources of information. He starts by providing a link to the Daily Mail. You gotta laugh at that. He

rightly slags off the 'Daily Chimp' on a regular basis for its propagandizing, unproven stories and plain lies, so how can he use them as a reliable source of information about anything, least of all corruption? We all know that the mainstream cannot be trusted to bring us the truth and yet Spiv links to various mainstream news articles as his sources of info. He also links to various sites which are almost certainly shill sites. Some research is necessary to determine if any of his links to sources are written by independent and honest researchers. It is highly unlikely. In fact I'd be most surprised if Spiv knows anyone who has an honest bone in them. It is therefore impossible to know which stories are true and which are completely fabricated. I'll give a couple of examples.

Spiv says: "At least 944 serving officers and police community support officers (PCSOs) have a conviction. Most are for traffic offences such as speeding and drink-driving, but there are also offences of dishonesty and fraud." And he links to <http://www.exposedpolice.com/1000-officers-with-convictions-from-drug-dealing-to-perverting-justice-are-still-in-the-police/> That claim could have been plucked out of thin air. There is no link to the source of that information. A lot of articles on the 'exposed police' site have links to the MSM as the source. There is no information on the author of the site. Under 'Our friends' are links to Sabine McNeill's 'Victims Unite' and to Ian Puddick and Michael Doherty <http://www.cityoflondonpolicecorruption.co.uk/> Nuff said already.

Here's another one Spiv likes to link to http://www.bentlawyersandcops.com/featured_cops.htm Again there is nothing about the author. For all we know this site – 'Bent Lawyers and Cops' and all the anonymous shill sites Spiv links to could have been written by Spiv himself or one of his trolls – Woolfie, Dogman, Jimmy Jones ... It is written in association with Wikileaks, which is very telling. There is a fantastic amount of police corruption claims on this one page. It is impossible to say which stories, if any, are true, which are only partially true i.e spun and which are complete fabrications, as no supporting evidence is provided and there are no links to sources, except for two stories which have links, one of which is to the shill site Indymedia – nuff said. The ruling elite can only control the populace if they can control information. They have complete control over the mainstream media and are using increasingly sophisticated ways to control information via the internet. Cyberspace is now saturated with a variety of NWO gatekeepers [shills, trolls, fake 'victims'], many claiming to expose corruption, spouting a mixture of truth, spin, lies and fabrications; that it becomes increasingly difficult to discern fact from

fiction and truth from lies.”

<https://www.youtube.com/watch?v=9JRFhbbKawI>

Remember the game plan. The PTB want revolution. They want kids rebelling against parents and teachers, and adults rebelling against the establishment. In order for the NWO slavery agenda to materialise, present social structures have to collapse. The insidious disinfo agents are inciting the lumpenproletariat to rebel and commit crimes against prominent people, officials and others in positions of authority; which will lead to families breaking down and ultimately the required breakdown of societies.

Revolution is never the answer. Sure it gets rid of the people in government, but it doesn't deal with the people who are *really* in control.

Back to the Scharenborg shill and her articles. Not many people comment on them. Those who do are predominately, if not all, gatekeepers and socks – HGJ, Simian, Cigpapers, Zen, 'Grandma B'
<https://grandmabarbara.wordpress.com/>

I did notice a couple of comments from Colin Peters, written November and December 2014 <http://colinpetersbd40jh.tripod.com/truth/>
<http://timetostartcaring.com/a-rotten-judiciary/>
<http://timetostartcaring.com/2014/12/18/minister-82-cleared-of-historical-child-sex-abuse-charge/comment-page-1/#comment-1288> That roused my curiosity. I remember Colin from way back when we were contributors to James Todd's 'VOMIT' newsletters. Not long after I outed Sabine I noticed that he'd commented on a video that Sabine was promoting on V/U re Amy Lillian
<https://www.youtube.com/watch?v=IXXkNWt8Ys4> [See my 'Sheva Burton' pdf re Amy Lillian.] I wrote to him on 4/3/2013 asking why he still supported Sabine. See our email exchange [note, at that stage I still believed Charlie Foulkes was my friend!]:

Subject: I noticed you commented on V/U. WHY?

“Hi Colin,

Your last email to me as part of a group was entitled "It's time for unity". Well I totally agree with that. But we genuine folk must be united against the shills.

In case you are unaware I am trying to expose the controlled opposition. I've just revealed that Sabine is a shill. See: [http://sharonkilby.co.uk/site/PROVEN_SHILLS -
_SABINE K MCNEILL AND BELINDA MCKENZIE.php](http://sharonkilby.co.uk/site/PROVEN_SHILLS_-_SABINE_K_MCNEILL_AND_BELINDA_MCKENZIE.php)

Please don't have anything more to do with Sabine or 'Victims Unite'. She is a traitor and innocent people are suffering because of her and Belinda and others who she is closely associated with. Please get this message to everyone you know too.

Thanks,

Best wishes,

Sharon.

Hello there Sharon and thank you for your email.

You are not the first to express to me their misgivings about Sabine.

I've been around with different pro justice groups for over 25 years now and it's always the same story. Infiltrators and spreaders of misinformation etcetera. People who one day I have looked up to only to look down on them the next when facts have been revealed about them.

I have found that it can be very hard knowing who to trust. Sabine has brought some cases/causes to our attentions, and I've got to confess that when I watched and listened to Amy Lillians story I found it very upsetting and felt for her.

If you revisit my posting with an open mind you will see that my comment concerned this lady only with no mention of Sabine at all.

Yes, the time is long overdue for unity but to unite we have got to be absolutely certain of each other.

Take Care Sharon.

Hi Colin,

Thanks for replying. My point is that when it is proven that someone is a shill, as in Sabine, genuine 'truthers' [as yourself] must not continue to give her credibility i.e. don't comment on her site and, even better, get all reference to yourself removed from 'Victims Unite'. I know you genuinely care for victims such as Amy Lillian [as do I], but it is quite possible that she is a fake 'victim' {have you seen the evidence she is genuine?}

Your last sentence says it all. Genuine victims and sincere 'truthers' are put off uniting and helping each other because we don't know who is 'real' anymore. That is why we genuine folk need to do our best to expose the shills and the fake 'victims'. They are more dangerous than corrupt judges and authorities.

Please give it some serious thought and really research the HG hoax and the implications.

Thanks,

Sharon.

Hello again Sharon.

Very briefly, I will not remove any reference to myself from the VU website because even though the information about my case is more limited than I would have liked it to be, the old adage rings true that any publicity is good publicity.

Re. Amy Lillian Being a possible 'fake victim', if this is so, then she is one hell of a convincing actress, and for anyone who has the time, - which I don't - it might be a simple enough job to ascertain through the internet. Regarding your own feelings about Sabine and similar sentiments from a very good friend and fellow victim, I know that the same goal can be reached by treading different paths. It might be possible that one persons way of doing things, because it is different to another persons way of doing things, might lead to false impressions and misunderstandings.

Even regarding yourself, I have got to sit on the fence because I don't really know you, and you don't really know me.

I could be misrepresenting myself to you and vice versa. What I do know is that, over the course of time, the truth will out.

What an evil horrible system we have discovered!!

Hi Colin,

Charlie Foulkes <http://www.charlifoulkes.co.uk/truth/index.html> is happy to publish on behalf of others and will do so for you too. You don't need Sabine for that.

It is not about opinions, the evidence is that Sabine is a shill. If you have a good read of all the stuff on my site on http://www.sharonkilby.co.uk/site/WAR_ON_SHILLS.php you will come to the same conclusion.

If you really care about truth and justice and doing your bit to stop the NWO then you will expose Sabine. And you will encourage your friend to do also. If you were a true NWO warrior you would write in your next comment on V/U that you now believe Sabine is working for the other side and you no longer want anything to do with her site. [Of course if you don't believe that then carry on as normal.]

Yes I agree everyone has their methods of exposing corruption and doing their bit to fight the NWO but one easy way to do it is to expose the shills when it becomes EVIDENT that these people are controlled opposition. [It does take courage though!] You certainly do not participate on sites which you know are not genuine. My conscience would not allow me to continue such a pretence. A lot of the people who comment there are not genuine anyway.

As for fake 'victims', yes they are extremely good actors. [These 'people' are on the illuminati payroll and are protected by freemasonry. They are NWO gatekeepers.] And I am doing all I can to find out and expose the shills and fake 'victims'; I suspect there are more of them than us, and they keep popping up all the time; I need help! I have very little time for this stuff [I work full time and I have family to look after; my 16 year old son is borderline anorexic and causing us all a lot of worry.]

As for you and me, there is no evidence to suggest that either of us are not genuine.

Yes the truth will out, but it will take so much longer if genuine people like us, who know things, keep quiet. The longer people 'sit on the fence' the longer injustice continues. When I realised that Sabine is a traitor, I toyed with the option of staying quiet; knowing it'd be easier to do so. But my conscience told me to do what is right. What happens when x months/years down the road, when more people are speaking out about Sabine [and Belinda and Hemming and others closely associated with Sabine and V/U] and you are asked why you stayed

quiet when you *knew* who she really works for; how are you going to feel then? You will look a fool and a coward, especially when there are almost no genuine people left participating on V/U because genuine people have chosen to have nothing to do with her and have exposed her instead.

You have to think about the people who Sabine and Belinda Mckenzie and their ilk are causing injustice to. Look at the Hollie Greig story and how they both vehemently support it, despite that story being without foundation. In the doing 22 people are wrongly accused of paedophilia and have suffered other related injustice. See the links I sent.

Please think deeper about this and the role of the controlled opposition. Apathy is a wonderful weapon for the ruling elite.

Best,

Sharon.

I thank you for your detailed answer to my email Sharon.

I take on board much of what you say including your references to the NWO.

It's a long long story, but, like many others who have suffered at the hands of this evil 'system', and having a little knowledge of the truth as revealed through the Bible, I have come to believe that ALL of what we are experiencing is so complex and absolutely evil as to be of a power far greater than what man can devise.

Jesus made it clear that, until his return, Satan is the ruler of this world. If you care to take a look at Mathew 24 where Jesus is asked by his disciples when would he return, and what would be the signs, you will see how close we are to Armageddon.

Everything is in place.

Kingdoms at war with kingdoms.

Increasing worldwide volcanic activities.

Increasing crime.

Disobedience to parents.

There is not long to go and the NWO is just a satanic attempt to take control of the world, through man, before Armageddon.

I hope that I don't sound like a religious nut to you. Far from it, but I cannot escape the things that I have seen and experienced.

I attach a letter from judge John Bullimore which I received from him after visiting him in a church and asking for his help against the legal system which I believed to be 'Of the devil'.

His wife is the vicar of a church and he has been ordained as an official of the church.

As you will see from his letter to me, although I had pointed out to him the injustice caused to myself by a barrister and a judge, he was concerned only with covering up for them!!!

The barrister who he was covering up for, I later discovered was, and still is, the chancellor to the Anglican church, here in my home town of Bradford.

If we can't trust these hypocritical bastards, who the hell can we trust? Perhaps you now see why I m so cautious in who I trust and who I don't. ATB.

Colin, you can trust in God to give you the strength to do what's right.

I too have a strong spiritual belief. Take a look at: http://www.sharonkilby.co.uk/site/SPIRITUAL_MESSAGES.php

The bible says that we should correct, rebuke and be bold to those who are sinning. It is to be done in an act of caring for them in the hope that they will believe. That way we could contribute to the saving of a soul. If we don't, we could be responsible for suppressing the truth which could mean eternal death instead of eternal life for that person. *"James 5:20 Let him know, that he which converteth the sinner from the error of his way shall save a soul from death, and shall hide a multitude of sins."*

There are passages in the New Testament where confronting sin is expected. In James we read, "My brothers and sisters, if anyone among you wanders from the truth and is brought back by another, you should know that whoever brings back a sinner from wandering will save the sinner's soul from death and will cover a multitude of sins" (James 5.19-20). Clearly this indicates sin is to be confronted, acknowledged, and dealt with.

Those who sin are to be rebuked publicly, so that the others may take warning ...1 Timothy 5:20

SON OF MAN, I HAVE MADE YOU A WATCHMAN FOR THE HOUSE OF ISRAEL: SO HEAR THE WORD I SPEAK AND GIVE THEM WARNING FROM ME. WHEN I SAY TO THE WICKED, 'O WICKED MAN, YOU WILL SURELY DIE,' AND YOU DO NOT SPEAK OUT TO DISUADE HIM FROM HIS WAYS, THAT WICKED MAN WILL DIE FOR HIS SIN, AND I WILL HOLD YOU ACCOUNTABLE FOR HIS BLOOD. BUT IF YOU DO WARN THE WICKED MAN TO TURN

FROM HIS WAYS AND HE DOES NOT DO SO, HE WILL DIE FOR HIS SIN, BUT YOU WILL HAVE SAVED YOURSELFAS SURELY AS I LIVE, " DECLARES THE SOVEREIGN LORD, "I TAKE NO PLEASURE IN THE DEATH OF THE WICKED, BUT RATHER THAT THEY TURN FROM THEIR WAYS AND LIVE. TURN! TURN FROM YOUR EVIL WAYS! WHY WILL YOU DIE, O HOUSE OF ISRAEL?".....Ezekiel 33: 7-9, 11.

The Lord can't make it any clearer than that! If ever we had any doubts that God wants us to take a stand and speak up against evil, these passages should remove them. The Lord tells us that we sin when we remain silent about wrongdoing. God tells us that we are doing an offender a favour by rebuking her. Offenders themselves may not see it that way, but quite frankly, their opinion doesn't matter.

Rebuke is not condemnation, rebuke is correction. It is teaching, pointing someone in the right direction, showing her, by our disapproval of her behaviour what is appropriate and acceptable. When we rebuke, we are warning a wicked person. We are giving her a chance to change her ways and save her soul. God wants her to turn from evil and be saved. He does not want anyone to continue sinning and be condemned to hell. Therefore, he assigns us a divine mandate to rebuke when we see evil being committed.

I have already told Sabine that she needs to find Jesus, as only HE can save her. She is steadfastly clinging to the flaky evil force of freemasonry for her protection. It is just a matter of time before she [and all the other 'gatekeepers'] are fully exposed and they will all have to face the wrath of the people; however if Sabine can fess up now and ask for forgiveness she can still be saved - from the people and from hell. People like us need to tell her that.

Hopefully you will make the right decision soon. You should give Sabine a private warning first, as I did; see http://sharonkilby.co.uk/site/war_on_shills_post_for_VU.php and if she fails to do what's right [as she did with me] then go public.

Re Judge Bullimore, it does not surprise me at all that he covered up for his pals; he's only in his high powered/highly paid job because he [and ALL judges/lawyers] have sold their souls to the devil; his loyalty is to his brethren; he will NEVER side with truth and justice; to do so would bring him great discomfort. However you can but *try* to get him and his masonic pals to atone [good luck with that!]

Best wishes,

Sharon.

Thank You Sharon.
Take Care.”

Scharenborg did not try to kill herself. This is troll speak. These evil bastards intend for real victims to top themselves. See my 'DIGGING INTO JIMMY'S SOCKS' PDF.

As for Janette Scharenborg's brother, take a look at the following links.

David Meachen is a *convicted sex offender* who viciously and intentionally maimed a woman with blunt objects which were shoved into her body cavities resulting in her having to wear a colostomy bag – such were the horrific extent of her injuries!
