

Before reading on, please read my 'DIGGING INTO JIMMY'S SOCKS' PDF

http://sharonkilby.co.uk/site/DIGGING_INTO_JIMMYS SOCKS.php

At the time of writing this pdf [August 2015] **Tom Pride** has well over 5 million hits on his '**Pride's Purge**' blog <https://tompride.wordpress.com/about-2/> but we know sod all about him. We don't even know his real name. WTF?

Why is this proud man not proud enough to blog behind his real name? What is he ashamed/afraid of?

I copy/paste, and, as always, comment in red.

Take a look at this article, dated 11/11/12

<http://tompride.co.uk/2012/11/11/child-abuse-scandal-can-of-worms-just-who-is-daily-mail-reporter-david-rose/> I'll just quote and comment on the first bit:

*"**Oh what a tangled web we weave when first we practice to deceive**" - Sir Walter Scott*

Today the Mail on Sunday **did a hatchet job on the child abuse victim Steven Messham** in an attempt to discredit him as a witness after he **mistakenly identified** Lord McAlpine as his attacker - a mistake which it now seems was a direct result of misleading information given to him by North Wales Police.

See this previous article for more information about that:

[It was the police – not the BBC – who wrongly named Lord McAlpine in abuse allegations](#)

I make no apology for telling you **my heart went out to Mr Messham** when I read the Mail on Sunday piece attacking him. It seemed to me **he was being abused all over again**.

The article in the Mail on Sunday is **clearly an attempt on the part of sections of the British establishment to strike back at allegations which potentially could bring down some of its most powerful members**, and Mr Messham is probably just collateral damage in their eyes.

But what's most interesting for me about the disgusting article is its author - a man called David Rose.

Who is he?"

So Tom Pride's heart went out to Steve Messham. No it didn't. He's lying. If he cared one jot about Steve Messham and all the other CSA victims he would be making the points and asking the questions that I do. See my pdfs: 'AN ELITE PAEDOPHILE RING'

http://sharonkilby.co.uk/site/AN_ELITE_PAEDO_RING_AND_THE_ABUSE_OF_CHILDREN_IN_THE_NORTH_WALES_CARE_SYSTEM.php and 'FIONA OF THE FORGED LETTER'

http://sharonkilby.co.uk/site/FIONA_OF_THE_FORGED_LETTER.php

Tom Pride, just like all the other nonce protecting Spiveyite super trolls has plumbed new depths in dishonesty, mendacity, hypocrisy and all-round moral depravity.

What side on the fence does he sit regarding the Hollie Greig story? Well, just like all the other great pretenders, he too doesn't give a fig about the injustice to so many wrongly accused of raping Hollie, and those wrongly named as victims; neither does he care one iota about the scandalous rape of the public purse.

This was my mass mail out in March 2013

http://sharonkilby.co.uk/site/Email_sent_to_the_Truthers_of_the_alternative_media_re_controlled_opposition..php The arrogant prick replied: "What's the NWO?" So much for his help in trying to stop it! What more needs to be said really?

Now take a look at this article dated 14/11/12

<https://tompride.wordpress.com/2012/11/14/steven-messham-is-not-just-a-child-abuse-victim-hes-a-hero/>

"There is a war going on.

It's a war played out in the media, on our televisions and on the internet – a war between information and disinformation, between truth and lies, between powerful establishment 'fixers' and ordinary citizens – **but the casualties are real.**

People have been hurt, people have even died, but some – bruised, tortured, battered to an unbelievable degree – have amazingly managed to survive.

Child abuse victim, Steven Messham is one of those who is still standing.

Just.

Because, as part of this war, last week, the Mail on Sunday did a hatchet job on Steven in an attempt to discredit him as a witness. Yes it did. But you Tom Pride pushed the knife in deeper and gave it a good twist, because you failed utterly, abysmally and deliberately to do anything about it.

Just below, you give us a link to your article – who is David Rose? And the answer to that is ... “So will the real David Rose please stand up? Come out come out David, whoever you are.” Tom Pride, you are a piss taking child abusing smug bastard. You, the one who claims the moral high ground and says “it seems he was being abused all over again” are every bit as guilty of the re-abuse of Steve as Rose the rat. And everyone who protects paedophiles with their cowardly silence are just as guilty of abusing children as the perpetrators of the crime.

To ignore evil is to encourage it, and to keep quiet about it is to help promote it. Failure to speak out against and oppose evil is a failure to obey God. Believers are to expose the works of darkness. We are to confront sin with intolerance. “Do not participate in the unfruitful deeds of darkness, but instead even expose them” (Ephesians 5:11).”

You are a pathetic shameful disgrace, Tom Pride. No wonder you hide behind that silly pseudonym.

I don't know David Rose from Adam, but that didn't stop me taking the time to painstakingly scrutinise, analyse and comment on his lengthy propaganda piece. I should imagine you are a highly educated, highly qualified and well connected man. Spooks usually are. I, on the other hand, am just an ordinary hardworking mum, with a regular job, struggling to make ends meet; who *sincerely* and passionately cares about injustice.

You didn't even attempt to comment on any of Rose's hit piece. All you can say is:

The article was almost entirely made up of spin, half-truths and downright lies. Yes it was. But what did you do about it? NOTHING. It was also written by a well-known establishment 'fixer' – David Rose – who was so confident that his attempt to discredit Steven would succeed he didn't even bother to write under a pseudonym – despite the fact he must have known some of us would recognise his name. You're making yourself look like a right gutless twerp Tom. What does it matter if anyone recognises his name? He's a mainstream media journalist; that's all that matters. None of them need to hide behind pseudonyms. [In my opinion anyone serious about exposing the corrupt people who protect prominent paedophiles doesn't hide behind anything. There is nowhere to hide. Our protection is God.] Anyone who works for the mainstream media has the full weight and protection of the Masonic machine behind them. That article was written by Rose and his co-collaborator and fellow nonce protector Bob the wolf Woffinden; and I suspect one or two other unidentified Masonic entities were behind that piece too. That's because it was a *carefully constructed Masonic masterpiece*. It had to be; it was intended for a massive audience. Of course it would succeed.

See this previous article for more information about Rose:

[Child abuse scandal can of worms – just who is Daily Mail reporter David Rose?](#)

The Mail is powerful. Actually people who trust in God completely are *more* powerful. The members of the establishment who are paying people like David Rose to 'fix' things for them are also powerful. They only *seem* to be at this moment in time; because Satan is strong on earth right now. But that isn't going to last.

In fact, for centuries these people have been so powerful they have always managed to cover-up their own wrongdoings, because the means of information and disinformation has always been in their hands – the television, the newspapers, the politicians, the courts. So they always won.

Until now.

The power of the internet has changed everything and for once there is a real opportunity that truth can overcome the spin, the lies and the cover-ups, because for once – maybe for the first time ever – **ordinary people now have the tools to fight back**. Hallelujah.

That's why we have to show the 'fixers' they no longer have a free hand to spread disinformation at will. We have to show them that the world has changed by making sure the truth about Steven Messham is known. Yes we do; and we do that by exposing the 'alternative media' fixers – the filthy fake Tom Pride and his filthy fellow Spiveyite super trolls.

There is absolutely no doubt that Steven Messham was abused and raped as a child. Two of the leaders of the children's home he was in were convicted and jailed for abusing the children under their care there. The convicted abusers also happened to be fellow golf club members and friends of a cousin of Lord McAlpine – Jimmie McAlpine – who lived nearby and is most likely one of the 'rich' men Steven remembers abusing him.

Not surprisingly, Steven's abuser didn't introduce himself formally and give him his exact name while he was raping him. Tom Pride you are a thoroughly loathsome **lying** puffed up patronising *little* man. Steve knew who his abusers were. He makes that clear in his TV testimony. **He said one of them was "THE PROMINENT TORY MEMBER FOR ONE"**. That was NOT Jimmie McAlpine. When asked how he knew who the man was, he says **"HE TOLD ME WHO HE WAS for a start and number two that he would have me killed if I spoke out"**
https://www.youtube.com/watch?v=gJJ2_HGodi4

See this Mirror piece <http://www.mirror.co.uk/news/uk-news/north-wales-paedophile-scandal-photographic-1426356>:

"Mr Messham says photos captured lots of men raping boys, including a prominent Conservative figure he accuses of abusing him.

He says he could see men's faces clearly, but the police said they could not identify them from the pictures. More on that in my 'Elite Paedo Ring' pdf.

Ms Griffiths who worked for Clwyd Council in the inquiry office on the 1994 Jillings and on the Waterhouse inquiry was asked: "Messham talked about photos that he had of abuse taking place. Do you know what happened to them?"

"We were supplied with copies of court documents...there was an order made for the book of photos to be destroyed.

"So Messham's photos of alleged abuse...were destroyed?"

“They were. Well that’s what’s in court papers – official documents.”

The McAlpine family tree is fiendishly complicated and it was the police who wrongly gave Steven the name of Lord McAlpine in the abuse allegations. See my ‘Elite paedo ring’ about that.

See [here](#) for how similar the two men are.

But Steven’s suffering unfortunately didn’t even stop when he left the care home. He was also later wrongly accused of fraud – another obvious attempt by the establishment to shut him up – but he was completely cleared of all charges. Indeed, if Steven had enough money of his own – I’m sure he would now be suing the Mail on Sunday and David Rose for libel for suggesting otherwise. What’s stopping you, Mr proud man, arranging some fundraising for Steve to sue? You apparently have a large following, if all your readers donated a quid, you’d soon have the reddiees.

In any case, Steven and all the other CSA victims will get justice. It’s not a matter of *if*, it’s when. God will decide.

The truth is that Steven Messham is a remarkable man – a survivor who has taken on the might of the establishment and is still standing. That’s God’s doing. Steve tried to commit suicide several times; but God had other ideas.

I take my hat off to him. He’s a stronger man than I am you can say that again. Tom, you cannot even call yourself a man. You are an utterly reprehensible sub-human – and a better man than all those seeking to blacken his name in order to preserve their comfortable status quo. The proud man Tom is a hypocrite of the highest degree.

So if you have a blog, write about it – reblog this article if you don’t want to write it yourself – and if you’re on Twitter or Facebook or Google+ or whatever – share share share. Oh don’t you worry, Tom Pride; the whole world is gonna know the whole truth about you and your evil little gang. And your *real* name will be in the hall of shame.

This time, let’s make sure we don’t allow the lies and the spin and the disinformation to win. God will make sure of that. God will also deal with all you traitorous CointelPro Spiveyite monkeys. Make no mistake.

Please help to counter the disinformation campaign against child abuse victims by sharing this with as many people as possible. Thanks.”

Have a look at Pride's post dated 13/5/13. I'll just comment on the first half.

<https://tompride.wordpress.com/2013/05/13/how-i-got-caught-up-in-a-cyberwar-over-victims-of-child-sexual-abuse/>

“A lot of people have been somewhat mystified by the extreme reaction I received after writing a blog post about what happened when I asked a journalist how she managed to ‘trace’ the personal phone numbers and home addresses of Twitter users. **He's talking about the proven liar and distinguished disinformation agent and fellow Spiveyite super troll Sonia Poulton.**

In short, I was subjected to days of insults, aggressive trolling and even threats of violence by a small group of the journalist's supporters as well as a very specific threat of libel from the journalist herself. **Tom Pride is describing a Masonic engineered and executed play act that he and his team of trolls have been engaging in.**

Well, it seems I had unwittingly walked right into the middle of a **vicious on-line cyberwar between supporters and detractors of Steven Messham** – the victim of child abuse who was **wrongly given the name of Lord McAlpine** as one of his abusers by North Wales Police. **Tom is talking about a pretend cyberwar - between his fellow conspirators. See my comments on the ‘Back to Black’ article in my pdf on Will Black http://sharonkilby.co.uk/site/WILL_BLACK.php It is not pretence though when genuine victims/whistleblowers inadvertently [deliberately on the part of the trolls] get caught up in their game. Real victims/whistleblowers cop real bullying and threats.**

The personal phone numbers and home addresses the journalist in question had managed to trace were of Twitter users who had actively supported Steven Messham during the difficult time after he had **wrongly identified** Lord McAlpine. Note the sly reinforcing of the message that Steve had got the *wrong* name; that Lord McAlpine is innocent. See my pdf on Adeybob [p16] <http://sharonkilby.co.uk/site/ADEYBOB.php>

As for Steve, *none* of these twitter twats supported him. Some only *pretended* to do so; just as Tom Pride only *pretends*. All of these trolls answer to their Masonic overseer, who writes the ongoing script.

The **journalist Spiveyite super troll Sonia Poulton** seems to have aligned herself with a faction of activists **other Spiveyite super trolls [in reality socks] who regard Messham as a liability – or worse – to the cause of rooting out historical child sexual abuse in care homes**. The powerful propagandising smart suits have painted a grossly false picture of Messham. He's portrayed as Messham the embellisher; a fame hungry, money grabbing fantasist. In short a non-credible witness.

This is what Spiv, his pal Icke and their pal Jimmy say about Steve Messham on Spiv's 6/12/12 post:

"David Icke on the other hand has suggested that Messham could well be not who he claims to be, as has the Renegades Blog:

I have it on excellent authority that there are real and serious problems with Steve Messham's story...and I'm talking about from people who were in the home with him...I suspect that he was used to discredit other victim testimonies and that is looking increasingly likely.

DECEMBER 6, 2012 @ 12:53 PM

Hi Chris, good post and thanks for the link. David Icke and myself are on the same page as this, and Messham? God only knows what his motives are. Keep on keeping on my friend..." <http://chrisspivey.org/they-can-run-but-they-certainly-cant-hide/>

The PTB [high ranking unidentified masons] have created 'Team Outlaw'. The purpose of this is to prevent *genuine* voices of opposition sussing out the real enemy. As readers of the 'alternative media' know, all political parties serve the same master. We have a similar scenario here – people who are seemingly at odds with each other [such that Jimmy Jones – who's sock puppet 'Jane Russell' is, according to Spiv

Sonia Poulton {more on that coming up} has his own gang, and a blog called 'Kevin Green' has been set up to counterattack] are in fact serving the same master – the same one that Chris Spivey serves.

You have to marvel at how brilliant the psy-op specialists are at keeping us in the dark, confused and **contained**.

Now take a look at this Outlaw article dated 26/4/14

<http://outlawjimmy.com/current/no-pride/> I won't quote all of it though.

Jimmy Jones says:

"It appears that the **mysterious** Tom Pride, he of the 'Prides Purge' blog has made an appearance on Facebook again.

It may be wholly a coincidence that he has crawled out from whatever dank hole he has been hiding in, **to champion his internet buddies from being exposed for what they really are**. That's rich coming from troll **extraordinaire Jimmy!**

So what is that we really know about 'Man of the people' Thomas Pride?

Not a great deal as it goes.

He is a **shadowy**, apparently enigmatic figure, that leaves **barely a trace on the internet as to his identity**.

Nothing suspicious there, as **many people, especially in the political or media arena frequently scrub their internet histories, and re-write history lest any past misdemeanors or nefarious activity happens to rear it's ugly head**. Indeed they do; don't they Jimmy.

But **Tom has not been as scrupulously clean and saintlike as the online image he desperately tries to portray**. That is absolutely true. Not that Jimmy is the best candidate to form a judgement on saintliness!

What is clear though, is **Toms affinity for and gushing praise for his beloved Labour Party**. So how does Jimmy know so much about the proud man? Why doesn't Jimmy show us some evidence of Pride's links to Labour? If it's true, then that would be more proof he's a phoney; as *no* politician is independent. They're *all* answerable to a higher power – freemasonry.

In fact he goes strangely quiet when asked about his feelings about the alleged Paedophiles among the left-leaning side of the political spectrum. Where is his evidence of that?

Still, no political party are entirely squeaky clean are they?

What is more worrying however, is his open support for online trolls, bullies, abusers and stalkers. Jimmy's in a league of his own for hypocrisy. He, Pride and the rest of the degenerate Spiveyites troll, bully, abuse, stalk, threaten ... for a living.

He hasn't libelled me in any way, as I do not give a damn about what he spouts about me, but the accusation that the Journalist Sonia Poulton was sacked by the Daily Mail after his inference that she was a phone hacker, has quite obvious legal implications even to my tired old eyes.

Even after I told him numerous times on Twitter that it was in fact me, that supplied the phone number of the troll to Ms Poulton, Pride repeatedly refused to acknowledge it.

No, what Tom Pride did was to continue to lie and attempt to whip up support among his 'supporters' who were only too eager to attack any Journalist as it occurred immediately following the Leveson enquiry.

This is more of the same masonic 'pulling the wool over the public's eyes'. I'll explain at the end of this article.

More hits for the blog Tom? That is how all shills play down their evil roles – it's just egotism. These people are not harmless egotists. They're the absolute dregs of society. They're all narcissistic, machiavellian, **psychopathic**, and sadistic. **And they're out to destroy us and everything we hold dear.**

A far more disturbing side of Tom's character came out in a later piece on his blog, 'The Trolling of Tom Pride' where he quite eloquently made an impassioned plea to be seen as a victim after receiving what he maintained were 'Death Threats'. No shill ever suffers any threat; let alone a death threat. They just pretend that they do. Only genuine truth warriors suffer hardship and threats.

They were, (and I would have to agree) pretty vile in their content and appear to carry an obvious threat.

But, the person who wrote them, is none other than the same specimen who has been stalking both myself and my family for more than a year. Why the mystery? Why doesn't Jimmy name this

person? It is Janette Scharenborg. See my pdf on her http://sharonkilby.co.uk/site/JANETTE_SCHARENORG.php

Tom Pride knows only too well who it is, (*although he removed the identity of the Tweeter*) but what is rather odd about it, is that this **abusive tweeter (my current stalker) and Tom Pride are now the best of friends...** on Twitter at least. Well according to the *masonic charade* they're on the same team. Of course, who knows in real life if skills - who are supposedly friends with each other - actually are. Who cares? It doesn't matter; what matters is that they're all serving the same masonic master; which means they're all serving Satan ultimately.

Exchanging daily pleasantries and promoting each others blogs etc.

So either Tom Pride is one of the most forgiving and fair-minded people it is possible to be, or it was a **complete fraud** to make Tom Pride appear to be a 'victim'. Both these 'men' [I'm reluctant to call them that] are complete frauds.

After all, he did pitifully write that **he was one of the most "Trolled People Online."** The only people who get trolled online are the *real* opposition i.e. those people who *genuinely* strive for truth and justice; such as the *genuine* CSA victims.

So which is it Tom?"

Now take a look at Spivey's 7/8/15 post <http://chrisspivey.org/i-am-i-said/#more-28725> whereby we see he's now saying that Jimmy's sock 'Jane Russell' is Sonia Poulton. Before I comment on that I'm just going to explain again who is really pulling the strings. I've said it many times - I can't stress it enough - you have to remember that **high level freemasonry controls all agents for the NWO**. So Spivey and his support network are also controlled by high up masons. I would wager a bet that Spiv's mods – Gallows, Wolfie, Dogman and 'Fuck The State' are high ranking masons and are the people who actually write his articles. We will never know their identities. [Notice in the email Spiv shows us 'RE Who's Who?' in his 7/8/15 article Dogman's name is

 is Dogman who is running the forum. He is also moderating the comments on the site but signing in with the needlz username meaning when he replies to comments he comes up as needlz and then has to explain hes not me. Can we sort him out with his own user name to sign in with, whilst I obv still want to keep needlz.

 /Dogman yourself and me of course, are the only ones I want having passwords to the site.

I dont know how forum moderators moderate but I assume they must access the forum somehow.

The real Jimmy Jones AKA Outlaw was a moderator and is keen to stay as one, I havent a clue who else was because Carl was running the forum but whoever Dogman wants is fine.

ha ha sorry but it was a long night yesterday and not a lot of sleep.

Incidentally re that email, Spiv says “Jimmy had put Gary forward as the new tech-guy in order for Gary to destroy it” and “Course, when it became obvious that Gary was doing more harm than good I sacked him which ended up in an **argument on Twitter a few months down the line**. Notice the sly bastard doesn't let us know what Gary has to say for himself. And it was during the course of this argument that out of the blue, Gary **suddenly totally changed tact** by admitting what we here on the site had **already come to suspect**, namely that Jones is a wrong un:” So tell us Spiv, at what point exactly did Gary ‘suddenly change tack’, and at what point exactly did you decide that Jones was a wrong un?

I'm wondering if Gary was not sacked but left on his own accord. He might have been a genuine and decent guy and, on the realisation Spiv was in cahoots with traitor Jimmy, and thus himself a lying piece of shill shit, decided *he* didn't want to have anything to do with Spiv. Notice we're not privy to the date that Gary sent that email.]

Take a look at the date on the following email – **6/10/13**. So Gary was **new** on the scene then. Now take a look at my 'Digging into Jimmy's

Back to Spiv's moderators; I would not be surprised if they also write or contribute to the articles that we see on Outlaw's blog and on the blogs of the other support sites - Laverty's, the Colman Experience, the Raccoon, the Needle, Pride's Purge, the Slog, Kevin Green ... Also, these mods, in collaboration with other high up unidentified masons and the Spiveyite trolls themselves, will be the people making almost all of the follow on comments – on all the Spivey support sites - whilst hiding behind inventive pseudonyms masquerading as ordinary members of the public.

I do not know who the genuine people are [apart from Messham] who innocently got caught up with the 'twitter' gang. Jimmy Jones tried to portray me as being involved – and taking the side of Janette Scharenborg [see my pdf on her]. I am aware, however, that currently Tom Cahill has been ensnared by Jimmy. That was a deliberate plan, orchestrated by the Masonic hand, and began the minute Tom had narrated my Spivey arrest debunkathon

<https://www.youtube.com/watch?v=3H3UyuMdzEs> in Sept 2014. Tom

was the main person the masons had to neutralize, as he was starting to make waves. According to Spivey, Tom is now best mates with Jimmy, and if you take a look at the Outlaw blog you will see that Tom is under the impression that Jimmy is the real deal

<http://outlawjimmy.com/charlatans/here-there-be-monsters/> No-one could blame Tom for being taken in by Jimmy; after all JJ is *seemingly* Spiv's number one enemy. This is how cleverly high level masons manipulate and control the genuine opposition. This manoeuvre serves two purposes 1] By association with Tom, Jimmy Jones gains credibility and 2] By the same association Tom is neutralized – people who suspect Jimmy start wondering if Tom is on the level. By the same token, Tom would have had even greater impact if he knew Jimmy [Spiv's right hand man, despite them trying to kid us otherwise] was a shill and was exposing him as one. This is exactly what happened to me when I allowed Charlie Foulkes to worm her way into my affairs. She gained credibility by association with me - a genuine opposition voice; and at the same time my voice lost its impetus.

Tom doesn't realise it, but by teaming up with Jimmy, his forthright and powerful *honest* voice has now been temporarily neutralised. This is because, now that Jimmy is [deliberately] being *seemingly* convincingly discredited, anyone who supports him will naturally be tarred with the same brush. Spivey himself says that **given all the proof** “*anyone now siding with Jones HAS to be a wrong-un.*” This is why it is imperative that genuine opposition voices at all times guard against being outfoxed by these shrewd operators. That said the discrediting of someone by a proven liar actually carries no weight in real terms.

The silencing - by neutralisation or some other way - of the real opposition is necessary for the NWO malevolent psychopaths to progress their evil plans. In order for them to succeed, **they must protect their agents**. Spivey looked in danger of going under; but somehow he's still hanging on. Jimmy Jones is in no immediate danger of being thoroughly exposed - all thanks to the neutralising of Tom Cahill.

Incidentally it is not surprising that Spivey is back online so soon after he announced his retirement. He really could not be seen to be admitting defeat. It could never really be 'THE END' as he so spectacularly announced on 31/7/15, as that would just validate everything the genuine opposition such as me and Tom have been saying. The masons are never going to allow that. Not that everything on his site has been reinstated; a lot of his articles are no longer accessible; for

example all but 3 of his 2014 articles have been deleted – on the pretext of the trial Judge’s orders. I hardly think virtually the whole of 2014 contains ‘all offending material’. Notice he doesn’t show us any court documentation specifying the offensive posts. In actual fact, the ‘Transcript of the harassment trial’ that he publishes isn’t a transcript of proceedings at all; it is a summary written by someone who has no doubt put an enormous amount of Spivey spin on. More on that in my Spivey update [July – November 2015] http://sharonkilby.co.uk/site/UPDATES_ON_SPIVEYS_ILLEGAL_ARRESTS.php So, from that, we can conclude that sad bastard Spiv, despite his army of helpers [most of whom are unidentified and have the backing of the all powerful Masonic machine] is now reduced to censoring his own writing!

That aside, does Spivey come back and answer his critics in any way? Does he *prove* anything he says is true? Does he address any of the points Tom and I have made or answer any questions? Hell no. With all his puff and bluster all he can manage is name calling. And even that is not directed primarily against the *real* opposition. All he can do is up the ante in the pretend war he has going on with his pretend arch rival Jimmy. Just like all skills, all Spivey has in his armoury is *pretend* fighting with his *friends*, and an increasing pile of pathetic lies, a whole load of obfuscation, lots of intentional vagueness and masses of confusion.

The freemasons are getting pretty desperate now, as more and more people are cottoning on to what is really going on; and are not accepting it. There is a real drive now for full disclosure of truth, for justice and ultimately for liberty. Increasing numbers of us are boldly taking the no-nonsense approach and finding clever and effective ways of challenging the corrupt and evil ones. This shifting balance of power is very evident in the way the cointelpro agents are being forced to rethink their chess moves. For example re the Hollie Greig story, see my ‘Hampstead psy-op’ pdf http://sharonkilby.co.uk/site/THE_HAMPSTEAD_HOAX_PSY-OP.php and my ‘Digging into Jimmy’s socks’ doc for my comments on Jimmy’s ‘Bats out of Hell’ article [more on that coming up]; see also my pdf on ‘Gojam’ <http://sharonkilby.co.uk/site/GOJAM.php> [re McKenzies, Hemming, Elm Guest House ...] The masons’ latest desperate move is re Spivey’s nonsense about Sonia Poulton; which I will come to.

The masons cannot let their main man Chris Spivey fall. They’re desperate to convince us that he’s kosher. So Jimmy is now being portrayed as the ‘wrong un’. The masons have made him look like a

complete tool - a devious snidey scum of the earth paedoprotecting psychopathic troll. When you sell out to the masons you HAVE to go along with whatever they want from you – and if that makes you look like a complete imbecile or a pathological and compulsive liar, so be it. A few months back Spivey's attacks on him were insipid compared to what they have become. Jimmy is now *overtly* being portrayed as a prolific delusional malignant narcissistic fame-seeking self aggrandizing nonce protecting NWO sell out. He's all those things anyway [as Spivey and all NWO gatekeepers are] but such characteristics are usually hidden, courtesy of Masonic influence. The masons can just as swiftly reveal their agents for what they actually are though; when they feel the need. And so it is with Royden James Jones.

But there's a twist; because the masons are not *genuinely* sacrificing agent Jones. It is a discrediting *game*.

So let's look at how the Spivey **puppet** discredits the Jimmy Jones **puppet**. Remember agents **never** genuinely discredit each other. If any of them ever decided to do that, they would have to grow balls of steel, and truly find Jesus - to give them the strength to carry through. From what I know of these cointelpros they're all far too cowardly to grass on each other. Spivey is no different. He isn't *genuinely* exposing Jimmy. If he was to do that he would have to make a direct challenge to his Masonic master. That aint gonna happen. This is a long running Masonic *charade*, with the script being written daily. Like everything else, it's just an *illusion*, for the unsuspecting public. It is a very clever ruse; and to anyone who is not familiar with Masonic machinations, it's very believable. And it'll be enough to get Spivey off the hook ... for now! Put it this way, if someone like Tom Cahill can be fooled by Jimmy [and JennieJenJen – more on 'her' coming up], you can see why Spivey is still standing ... just.

Ha ha, talking of standing, this is what Spivey said during one of his rants [10/10/14]: *“Tom Catpoo, the government paid, feces obsessed jungle junkie who is incapable of processing the most basic of facts, Sharon Zeki, the god obsessed stupid slag who can't stand rejection and writes needy shite poetry in adoration of the paedophile Michael Jackson, Charlie Fucks, the pathetic wannabe who never will be, but does a nice line in bullshit & thinks the world owes her a living and Jane Russell, the acid tongued, hypocritical ice bitch who never did anything for anyone except slag them off - I am going to expose you all for the lying shite scumbags that you really are... Moreover, I am not going to do it*

with guesses, lies or distorted facts. Lies and distortions are all you know Spiv. I am going to do it with **printed proof** show us it then and I am going to be scathing... Oh, and I'm not finished with you yet JJ, ya fucking two faced, back stabbing, paedophile protecting cowboy. Notice how me and Tom, the only *genuine* opposition are mixed in with the cointelpro agents - and one of those names - Jane Russell isn't even a real person, but Jimmy's sock. And notice Spivey [under instruction from his Masonic handler] brings Charlie Foulkes into the mix. The only reason they did that is because they know that I know she is an agent; also they know that Tom is not aware of who she is. In fact it would not surprise me if Charlie has been working her poison on him; something he will have been totally oblivious to. As for 'Jane', the masons know that Tom doesn't yet realise 'she' is Jimmy. This is evident by the exchanges 'Jane' has been having with Tom in the comments section under his videos.

Phew, what a carry on.

None of you have done fuck all except slag others off and foster mistrust in the Alternative Media. So let's see who is still standing tall at the end shall we?"

http://darrenlaverty.blogspot.co.uk/2014/10/spiv_11.html

One thing's for sure, *he* certainly won't be standing at the end.

Talking of the 'Alternative Media' this is what he says in his 7/8/15 article: "Indeed, there is no doubt whatsoever in my mind that **Poulton has a mandate to destroy the Alternative Media.**" So why doesn't he expose Sonia Poulton properly, for example by providing a link to Jon Stevenson's brilliant expose of her? Why doesn't he make the points that I do re Sonia on my 'Scharenborg' pdf? The answer to that is: for the same reason he doesn't grass his mate JJ up. Spiv is only *playing* remember. He can't *really* expose his team of little helpers; he's paid to keep Sonia's dirty little *shill* secret.

The A/M – if we ever had such a thing - has long been destroyed; courtesy of infiltrated enemy agents like him and his super troll team; of which Sonia is a member.

When I read the Masons' latest shite – about Sonia Poulton - my jaw just hit the floor and stayed there for several minutes. I am staggered that Spivey is able to unblushingly spew such garbage. Then again he has no choice in what he puts his name to. Just like Jimmy, Spivey too is

bending over and allowing the masons to fuck him up the arse. This is what he says: “And then it suddenly dawned on me. **Lying git. No it didn't.** *The Outlaw starring Jane Russell*, as opposed to the *Outlaw starring Jimmy Jones*. Or put another way, Jane Russell AKA Sonia Poulton does all of Turdstools writing, being as the funny looking fucker can't write for shite... **That bit's probably true. As said I believe very high up masons write all Jimmy's articles; as they do Spiv's and the articles on all the other Spiv support sites** It is **Jane Russell's site**, hence why Jones always refers to himself in the 3rd person – the Outlaw – when giving his point of view over... For instance: “*Here at the Outlaw we believe that...*” rather than him writing “*I believe that...*”.”

And: “– even though Sonia Poulton writes your shite, of which I will admit that it did take me a while to figure that last fact out. Sonia Poulton is in fact Jane Russell, and as such, I am sure that I do not need to give you an insight as to how vile the acid tongued fake is.”

Now this is interesting, and it takes the ‘water muddying’/brain pudding tactics to whole new levels. This Masonic ‘dawning’ is an attempt to sew more confusion as to who is who in the smoke and mirrors world of the shill and his socks; to especially confuse and thus neutralise the likes of me and Tom Cahill, **to get people off the ‘Team Spivey’ scent** and get them believing that the *Masonic contrived* ‘Team Outlaw’ is genuine. The bottom line is the masons are hoping the pesky real opposition are going to give up trying to make sense of it all; and get off their case.

It was this bit that really caught my eye and got me wondering what the connection was with Tom Pride: “Nevertheless, the proof that Poulton is Russell came the other week when she did a Jism Jones by forgetting who she is – as in **she forgot that she was playing Jane Russell and instead spoke as herself.**”

You see, Jones the wannabee with no chance published an article – written by Poulton – **predictably slagging** someone off; who in this instance was **Tom Pride.**

You can find the article [HERE](#) but basically it consists of a **long comment written by Sonia Poulton, slagging off Tom Pride** – which Jones claims was left on an article of his (Poulton's) in November 2014. **That link takes us to an Outlaw article where it is stated:** “On November 25th 2014, at 11:30, the following comment was published on the Outlaw.

Coincidentally, this site was hacked shortly afterwards.

This comment, along with other **damning information** on **Julien Gilbert**, AKA Thomas Pride, AKA Dexter Spanial and undoubtedly other online fake identities – was **subsequently deleted**.” So Tom Pride’s real name is **Julien Gilbert**? We can’t be sure of that though, as the info has only come from proven liar Jimmy Jones.

This is what Jimmy Outlaw says on 14/3/15: “During the evening of the 15th of February, **a number of articles and their associated comments were suddenly deleted**, the reasons for which, have denied any attempt at a definitive explanation.”

<http://outlawjimmy.com/charlatans/polska-moze-go-zatrzymac/>

The point being made here is that the Outlaw had written some articles exposing TP. This is consistent with the above Outlaw article entitled ‘No Pride’, whereby Jimmy is having a pop at TP.

Jones (Poulton) goes on to say that the article was later deleted when the site was “*hacked*”. No shill site gets hacked ... Ever. The question then is why the *masons* felt the need to delete some of the Outlaw articles. Course, who would feel the need to hack **Poulton’s Outlaw blog** when there is fuck all original or even controversial on there?

Indeed, it doesn’t take too much brain power to work out that **Jones had a clear out of all the articles which would now expose him as a hypocrite** and did so under the guise of being hacked. Ha ha, the *masons* want us to believe that Jones deleted articles to prevent being exposed as a hypocrite. They should’ve deleted his ‘No Pride’ article too then! More accurately they should’ve deleted everything on the internet with his name on [and everything with the names of his various sock puppets on.] The reason the Jones puppet had to delete them was to **prevent Sonia being exposed as an obvious shill**. They could maybe convince us that Sonia had done one ‘Jism Jones’, but to do numerous ones? Nah no-one is going to buy that. Think about it, some of those Outlaw articles containing ‘damning information’ on Tom Pride were supposedly written by Sonia under the guise of ‘Jane Russell’ aka Jimmy Jones. [I wonder if Jimmy is aware he’s lost one of his socks!] The following on comments under those articles included comments by Sonia Poulton herself as Sonia. Oops; can’t let readers get curious about that!

Which begs the question as to how, if the article was deleted when the website was “hacked”, can Jones now reproduce the comment?” How indeed. I reckon the cocky bastard masons are so sure that any *genuine* readers who still read Spivey’s shite [not a typo] will be thrown into such confusion that no-one will even notice the cryptic clues, let alone try to solve them; that they don’t even bother trying to come up with an explanation.

The reason the masons let that comment survive was to let us know Sonia and Jimmy are in league with each other. This then makes it plausible that Sonia could be ‘Jane’.

Now if we are to believe that Sonia is ‘Jane’, that takes away the suspicion that Jimmy has a sock puppet called ‘Jane’. It seems the masons have come up with this to head fuck Tom and any other genuine observer. Tom wouldn’t believe that Sonia is ‘Jane’ cos he knows Spiv is an incessant liar. On the other hand the masons don’t want Tom getting suspicious about Jimmy having a sock puppet. Tom has no reason not to trust Jimmy at his word, and would believe ‘Jane’ is his friend.

It’s fine for cointel agents to accuse each other of having sock identities, cos they’re just acting. But the masons don’t want *genuine* spook observers realising someone operates under a sock identity and exposing it. The last thing the masons want is for the dominoes to start falling. Hence why they’re desperate to prevent *genuine* spook busters uniting.

Why did the masons choose Sonia to be ‘Jane’? Because she fits the bill. She’s a strong supporter of Jimmy. The pair of them are firm enemies of Tom Pride. Take a look at the following links to see a snippet of Spiv’s super trolls engaged in their phoney cyber war. Bear in mind that these comments are all made by the Masonic puppeteer. Here <http://outlawjimmy.com/current/a-safe-pair-of-hands/> we find ‘Jane’ and ‘Jennie’ [more on ‘her’ coming up] in the comments section slagging Janette Scharenborg off.

Take a look here whereby I quote some of the comments <https://tompride.wordpress.com/2013/05/12/this-is-what-you-get-when-you-dare-to-question-a-tabloid-journalist-in-the-uk/>

Notice the nauseating hypocrisy from Outlaw [12/5/13]:

"If anyone cares to answer my question why Tom Pride associates with people who target victims of CSA, Jimmy Troll and all Spiv super trolls target victims of CSA who also protect and cover up the activities of known Paedophiles which is exactly what haughty Jimmy Shill does I will listen... Until then learn some facts before you all leap onto the people who do... :-)"

Not Sonia Poulton said [17/8/13]:

"Not satisfied with pushing janette to the brink, yesterday they started on her husband here with a fake twitter account in his name <https://twitter.com/scabbydick>"

Tom Pride said [17/8/13]:

"Disgusting trolling. Hope the Express drop her Sonia like the Mail did."

Sirqay said [17/8/13]:

"These are the disgraceful mobile phone texts sent to the "woman in holland" by Sonia Poulton Super Troll."

Ivanovich said [19/8/13]:

"MZ. SONIA POULTON SHOULD NOW BE INVESTIGATED BY THE DUTCH AND UK POLICE. THE TEXT MESSAGES TO THE WOMAN IN HOLLAND ABOVE, COMBINED WITH THE NASTY TWEETS ABOUT THE WOMAN FROM HOLLAND ARE MALICIOUS PUBLICATIONS, MALICIOUS COMMUNICATIONS UNDER THE 1997 AND 1998 MALICIOUS COMMUNICATIONS ACT AND PROTECTION FROM HARASSMENT ACT."

Babooshka said [19/8/13]:

"SEE THIS HYPOCRITICAL DIATRIBE FROM SONIA POULTON"
<http://www.express.co.uk/comment/expresscomment/327164/A-blow-to-cyber-bullies>:

"PEOPLE who lead full and productive lives do not become trolls but those who are dissatisfied, and who have mental health issues, often do. That'll be Sonia then. Last week, critics expressed their fears about Ms Brookes's partial victory. They worry that the power to name and shame trolls, including the possibility of prosecution, will lead to censorship and damage free speech.

I disagree. Freedom of speech should not include the freedom to bully and spread lies. That includes you too Sonia. Perhaps by exposing trolls it will serve as a warning that our society is no longer prepared to tolerate abuse.” You’re absolutely right about that Sonia. Our society is especially not prepared to tolerate Spiv’s super trolls - such as you - anymore.

See also <http://www.express.co.uk/news/uk/420369/How-I-unmasked-my-vile-Twitter-trolls> Sonia Poulton says:

“Child Protection experts assured me that smearing was a known tactic to detract from the real perpetrators but it still unnerved me. I worried that people might think there was no smoke without fire.

That afternoon an email was sent to my website. It said: “We know where you are and we're coming for you.”

I tried to respond but the email address didn't exist. I fretted all night and didn't sleep. I considered stopping my investigations, L.O.L worried that my family may be harmed because of my work.

The next day a post appeared on another blog saying I worked for MI5 (not true) as a “disinformation agent” protecting “paedo MPs” by “issuing misleading information”.

Enough was enough. I contacted my local police but the sergeant, although sympathetic, was helpless.

He said it was “difficult” that the law was “struggling with the internet” and that abusive blogs were the responsibility of the internet companies that hosted them.

He advised me to trace the Internet Service Provider (ISP) which could lead to the identity of who was writing about me.

Several computer technicians I work with set to work tracing my attackers.

The results revealed a woman based in Holland claiming to be an anti-child abuse campaigner. Scharenborg

Within 30 minutes of discovering her identity, she left a message on my mobile asking me to call her. She knew I was on to her and she tried to head me off at the pass.

I called her and she didn't answer so I texted telling her I was aware she was smearing me. She denied it.”

That is a very small sample of the Masonic play act being played out - for a number of years now - to convince us of opposing teams of 'activists' at war. It is a very effective contrivance to stop us figuring out what is actually happening. I'll admit for a while I was fooled by appearances.

'Team Outlaw' is led by Jimmy Jones, and consists of Sonia Poulton, Sheva Burton and Jimmy's various sock puppets. The latest addition to his team would appear to be Tom Cahill. On the opposing team is Janette Scharenborg, who, we're told, set up the 'Kevin Green hate site'. Her team members are:- Tom Pride, Daz Lavatory, Gojam, Adeybob, Will Black.

Back in November 2013 Janette Scharenborg sent me a couple of friendly emails purporting to be a victim of Jimmy and his 'pure evil' [her words] gang. I'm glad I didn't get involved with her as it seems she would have tried to get me to join her team. According to Jimmy [see my pdf on Scharenborg] I have joined it! Darren Laverty also approached me in a friendly complimentary manner; but, suspecting he was a bad un, I didn't reply. I'm glad I didn't. I'm pretty sure he too would have tried to get me on board their team.

You can see what the game is; these vile people try to ensnare unsuspecting *genuine* victims/whistleblowers, earn their trust and then manipulate them. This is exactly what happened to Steve Messham, and it is exactly what is happening to Tom Cahill now.

I'm curious as to why so many of Spiv's articles have disappeared. I wonder if some of those deleted articles contain stuff that would blow Spiv's 'new realisation' about 'Jane Russell' out of the water. Obviously, the more the masons lie and fabricate, the more often they have to rewrite history. Their agents constantly have to hastily delete and amend their articles. Have you noticed that a lot of their links are obsolete now. The masons frequently have to engage in damage limitation; without which their agents would have long been outed.

The way I see it the whole house of cards is about to come tumbling down; the masons know it; and they're going for broke now. There's nothing else they can do. They'll just keep coming out with all sorts of crap [and they'll continue to restructure their websites] and they'll

continue to screw us over, in the hope that they can find a way to limit our free speech and keep us contained long enough for the NWO to be so advanced that there is absolutely nothing we plebs can do about it.

Incredibly the smug masons actually believe they can pull it off. The arrogant fools are so cocksure they have it all wrapped up, that they're being very 'in your face'. They think that by the time we've figured it all out, it'll be too late to put a stop to our total destruction. If I didn't have such faith in God, I would agree with them. After all they hold all the power cards. What they fail to understand is that we hold the trump card. **God** is on our side.

<https://www.youtube.com/watch?v=pW3dBCFEXWI>

Here are the lyrics:

GOD IS ON OUR SIDE

**WE LIVE IN TROUBLED TIMES
SEEMS LIKE THE SUN WON'T SHINE
WHEN WILL WE REALIZE
GOD IS ON OUR SIDE
HE HIDES US IN HIS ARMS
PROTECTING US FROM HARM
IT'S GOOD TO REALIZE
GOD IS ON OUR SIDE
NOTHING CAN SEPARATE
HE GIVES US STRENGTH TO TAKE
ALL THAT THIS WORLD MAY BRING
GOD IS ON OUR SIDE
GOD IS ON OUR SIDE
GOD IS ON OUR SIDE**

Back to Spiv's fake discrediting of Jimmy Outlaw. Spiv says:

"Tell me again Jones, how you were the first to expose Peter Morrison?"

He then copy/pastes this

We see from Lavatory's article that Jimmy made these comments in January 2015 <http://darrenlaverty.blogspot.co.uk/2015/01/a-serious-question-for-channel-4-news.html> If we are to believe that Jimmy is 'James' - the interviewee on C4 who says he "saw Morrison 5 times maybe" - then Spivey has indeed pointed out a contradiction. There is no reliable evidence though that Jimmy is 'James'. Notwithstanding Spivey of course goes along with the *Masonic* wheeze of discrediting C4 as presented by Darren Laverty. [I cover this in detail on p 26 of my Lavatory pdf http://sharonkilby.co.uk/site/DARREN_LAVERTY.php] If Spivey was genuinely discrediting Jones he would have pointed out that Jimmy tells us he is a survivor of CSA and yet C4 point out that 'James' does not claim to be a victim, he says he is an *eyewitness*. As for the reference to Gordon Anglesea, again if Spivey was seriously exposing Jimmy, he would have pointed out that Jimmy contradicts himself when he says he had never heard of Anglesea "until recently", because he wrote an article back in November 2013 about Anglesea. Spivey would also have pointed out that Jimmy contradicts himself re Anglesea over which side of the fence he sits on Anglesea's guilt or innocence. [See my pdf on 'Digging into Jimmy's socks' p 45.] Spiv could also have pointed out that Jimmy had stated [11/10/13] that Darren Laverty was a defence witness in Anglesea's libel trial. [See my pdf on Lav.] In any case why didn't Spiv simply mock Jimmy about not knowing who Anglesea was, and yet he runs a blog such as the Outlaw - which purports to be a voice for CSA victims. If you have a good read of my 'Digging into J's socks' pdf you will see there are umpteen areas whereby Spivey could discredit Jones – one very obvious one would be in proving the person behind the 'Jane Russell' persona is Jimmy himself, not Sonia. But he can't do that; he's not allowed to do any *real* discrediting; he's merely a *Masonic puppet*.

He's not allowed to *really* discredit his fellow co-conspirator in crime Jimmy Jones, any more than he's allowed to discredit Sonia, or any of his other helpers.

Moving on, Spivey then gloats: "Ohhhh, right. So you were bullshitting then? Next you will be telling us that you have never met Jimmy Savile and want fuck all to do with him, although I seem to recall you quite publicly sticking up for him last year... A very strange thing to do.

So, have you ever met Jimmy Savile, Boyo?"

And: "Are you sure Jones? I mean, it has been proven beyond doubt that your tiny sick mind gets befuddled... So I will ask again. Have you ever met Jimmy Savile?"

He then goes on to say: "Nevertheless, it is also now abundantly obvious that being Poulton's puppet is how the ugly fuck got the interview on Channel Four a few years back, **in which Jones pretended to be a Welsh Care Home survivor...** And even then they made him record it in the dark in order to stop people taking the piss out of his wonky features. Prick Spiv. They darkened the room to protect the identity of 'James'.

Sonia Poulton wasn't responsible for getting 'James' that interview. She has no power; she's a puppet. High level masons within Channel 4, working in tandem with the 'A/M' disinformation agents, decide who gets on TV.

Notice Spiv can't even be accurate about the interview that 'James' did. Spiv says that Jones pretended to be a care home survivor. But C4

make it clear that 'James' [who Spiv says is Jones] is an *eyewitness*, not a victim. I mean, just think about it logically for a moment. Why the fuck would Channel 4 approach Jones to give an interview about life in the Welsh Care Homes when he has never been there? But C4 were able to confirm that 'James' had been at Bryn Estyn. See my Lavatory pdf.

How in the name of fuck would Channel 4 even know to approach the fraudster unless there was someone in the media who was in a position to put him forward... Sonia Poulton for instance." It would be easy for any researcher to find ex care home residents. How did C4 and the BBC find Messham? I suppose those interviews were arranged through Poulton too!

The masons are trying to play down Spiv's role. They're making out he's *not* a big shill fish. This is evident from the comments their agents make. For example Keith Zero, in his comment to me says: "I strongly doubt Spiv is at the helm of anything other than; scamming people for paypal donations; with his fruity ghost stories. I just don't get the impression that Spiv is intelligence enough; for such a role, anyhow." <https://www.youtube.com/watch?v=9JRFhbbKawl> On 'Outlaw' the agents [or rather the NWO Masonic voices behind a raft of fake identities] are stressing the point that Spiv has only reinstated his site to try and claim donations for his chain-smoking habit. They make out he's just in it for the money/to boost his overinflated ego. Many make the point that Spivey is small fry. Even Tom Cahill agrees with that.

The masons want us to believe that this is just a spat between a couple of 'trutherland' chancers with over inflated egos; both vying for adoration, fame and money. The malignant narcissist Spiv skits that Jimmy is a wannabe, and says things like: "I feel that I should put the little turd in his place. Jones, you do know that the police are investigating you don't you? And I am not winding you up. Is it worth it? After all, you will never ever be in the big boys league." Jimmy is well up there in spiv's league - he's spiv's right hand man. Backed up by his army of socks [and Sonia], he counterattacks with his own discrediting of Sir Spiv; which he does in a very professional 'voice of reason' type manner; as opposed to using personal insults which we see in abundance coming from the Spivey camp. I should imagine the purpose of that is for the benefit of Tom - the last thing the masons want is Tom getting suspicious about new pal Jim. Of course Jimmy is not *genuinely* discrediting his boss Spivey either ... obviously. Jim's job is to keep Tom in check.

Notice that the Masonic twats who run Outlaw's site put a lot of messages up, such as "comment deleted by admin" after Carl's name [and after other names which are fake personas.] They're trying to convince Tom and other genuine readers/participants [although I'm not convinced there are any other *genuine* people commenting, I hasten to add] that 'Outlaw' is a kosher opposition site.

Ever since agent Jones muscled his way into Tom's affairs, the masons have been carefully and cleverly manipulating him. They're that clever he hasn't even realised he's talking to at least one unidentified *mason*. Just take a look at the pseudonyms used here

<http://outlawjimmy.com/charlatans/here-there-be-monsters/>

For example: '**Nobody You Prats Will Ever Identify**', '**Nobody They'll Ever Identify**', '**Never Gonna Identify Me, Losers**'. Tom has also been talking to Jimmy's socks 'Jane Russell' and 'JennieJenJen', who now calls 'herself' 'Not a Spiv Fan'

<http://outlawjimmy.com/charlatans/get-thee-behind-me-satan/#comment-area> <http://inaboxtotheleft.com/chris-spivey-sentence-update-2/>

Remember they may be Jimmy's socks, but that doesn't mean it is Jimmy who is doing all the talking. He almost certainly gets a lot of assistance. I'm pretty sure some unknown identities will be operating the socks ... and sometimes the Jimmy puppet too. More on 'Jennie' coming up. Tom will be horrified when it dawns on him. Notice he hasn't done any more videos since December 2014. I believe that is because the masons have dug their claws too deep into him, and got him distracted with some bullshit or other.

If you look at the comments sections of other Spiv support sites you see the Masonic piss take brigade shoving it in our face there too. They're so sure we haven't got a cat in hell's chance of sussing it all out and putting up a serious challenge that they don't mind telling us. They're letting us know that they [in their sock guises - given to their most important agents, such as Jimmy Outlaw] are the voices in the comments sections of all Spivey support sites. Take a look at the pseudonyms for example used in the comments sections under some articles in Pride's Purge; we have 'Not Sonia Poulton', 'What Jane Russell Does Not Say', 'Not AdeyBob', 'Not Janette Scharenborg', 'My Two Pennies worth', 'Contributor', 'veryconcerned', 'VeryWorrying', 'DestroyTheTwitterTrollsUnited', 'IvanTheTerrible' ... on and on it goes. <https://tompride.wordpress.com/2013/05/12/this-is-what-you-get-when-you-dare-to-question-a-tabloid-journalist-in-the-uk/>
<https://tompride.wordpress.com/2013/08/09/on-line-trolling-is-being-tamed-but-the-tabloid-trolls-are-still-rampant/>

I'm not dissing Tom. He is one of the few people I have a lot of respect for. He's honest, his heart is in the right place, he's doing what's needed and he has the balls to do it. I'm making the point that this is how extremely cleverly the masons can hoodwink and control even the more intelligent, smart and clued up folk.

I do have to chuckle at those pseudonyms though. The masons can only get away with this obscenely massive deception precisely because they operate incognito. They'll have a shock to find though – in the not too distant future – that **God will shine a light** onto their faces. And **the whole world will know their names and their dirty deeds**.

'HALL OF **SHAME** – AND THE WORLD'S GONNA KNOW YOUR NAME' <https://www.youtube.com/watch?v=jukv9Q1eR2g>

Here are a few more things Spiv says about his mate the dwarf in his 7/8/15 post:

"Course, Jones cares nothing for anyone but his own selfish needs. He is a psychopath so are you Spiv; and your disgusting little gang who has no guilt whatsoever about befriending care home abuse survivors just so as he can later discredit them **HYPOCRITE** and stop them repeating their allegations to the police. Spivey, you prize prat, are you not aware that it is pointless any victim complaining to police, as the police are the problem? If the police had done their job in the first place the victims would not now need to seek redress some other way."

"I would never ever gloat over you or anyone else I couldn't stand the sight of, being fitted up by the police, especially when they are prepared to scar a little baby for life to achieve their aims... And no matter how much I wanted them to get their just deserts." **Fukkin hypocrite Chris Spivey ... you low down devious and dangerous sub human. You do worse than gloat. You lie and deceive, you protect dirty disgusting high society paedophiles, you destroy victims and you promote the suffering and slavery of all humankind.**

You were never fitted up by police. Social services have never tried to 'snatch' Clayton.

"Indeed, the fact that you do just goes to prove what a shallow stinking scumbag low-life you really are." **You're describing your lapdog Jimmy and yourself.**

<http://chrisspivey.org/i-am-i-said/#more-28725>

I don't normally pay much attention to the Outlaw articles, but as I'm currently browsing the comments sections of recent postings I thought I'd copy/paste this for some **off the scale** Jimmy Jones hypocrisy <http://outlawjimmy.com/politics/right-teds-dead/>:

“As has been shown above, the agencies and agents, of which he is a big gun that are actively working towards ensuring that the political right hold onto the reins of power, actually he means the masons are more than capable of setting up any number of groups online – including a number of those who purportedly operate within the ‘Alternative Media’ and by infiltrating social media, and who’s sole purpose is to spread rumour and disinformation in order to influence public opinion.

This has been shown to be a very successful method of planting stories that have been allowed to freely circulate both online, and in the mainstream media, to the point where it is now almost impossible to separate fact from fiction.

And once again, it's the genuine victims of childhood abuse, (*I am loathe to use the term survivor*), who are once again being overlooked in the meleé.

And that is the real scandal, and one that will not be addressed any time soon.” Well actually Jimmy Judas Jones, yes it is being addressed; because more and more good folk are cottoning on to what is really going on ... and the massive part you and your ultra foul fellow Spiveyite filth play in the great deception.

Rot in hell you evil bastard. And take your evil godfather Chris Spivey with you.

Take a look at this point Jones gloatingly makes on his ‘monsters’ article: “His selfish actions have metaphorically, not only cut the throats of the very people he claimed to represent, but has provided all the evidence needed for the establishment to implement what could amount to be, a draconian level of Internet restrictions, especially geared towards the further suppression of free speech as it currently exists.” That of course is the main aim; and these snakes - Jones and his pal Spiv

deserve a medal for the job they're doing speeding up internet censorship.

Note the irony of these words, spoken by 'Ash' [who will be just another fake profile]: "hope selling your soul was worth it, remember these wise words, you're only as free as the leash you're on, tug it too hard and your pay masters will hang you by it." That is exactly what will happen to all these cowardly cointelpro agents. They're too brainwashed, haughty, stupid and weak to realise it. They think they'll have Masonic rewards and protection forever. They have no idea what's coming. The Devil's servants are weak and will desert each other when the going gets tough. God's servants don't abandon and run away. They stand by each other. They stand up for what's right – for the truth – for as long as it takes; and they take whatever shit comes their way for doing so.

From my Spiritual Messages:

We live in a cursed age, with rampant deception, sin and injustice. **The world is the Devil's turf.** Satan is Prince of this world. He hates us here. We disturb him.

Don't bother with materialism. Stand firm in the will of God. He helps us.

Be alert in the full knowledge of the enemy in these last days of deceit and unlimited wickedness. Stay self-controlled. Be diligent as a guard on duty who sees that **the enemy cannot harm God's troops.** We need to stand together and pray a hedge around each other and praise God for whose glory we stand. This life is not home. We are strangers in the world. We live our lives as strangers here in reverent fear. **We are merely passing through this life.**

Corrupt men created religions that suppressed spiritual knowledge that will set humanity free from its mental and emotional prisons. The leaders of the secret societies don't want us to read the bible and worship God. They don't want us to behave like true Christians. We must break down Satan's deceit and blindness. Then we must learn to "hear their pain." Jesus said: "Father, forgive them, for they know not what they do."

Humanists are capable of being deceived by Satan. Jesus said: "Men's hearts failing them for fear." Satan beats up the sheep. Most people are destroyed for lack of knowledge because they reject knowledge. Those

who live well now are on their way to the lake of fire where they will be tormented forever. Weak men don't realise that they are used of Satan to fight against God's kingdom. Hear their pain. We must love them [the greedy and corrupt, the world leaders, the big business directors and the **men who are bound by the oath of their secret societies.**] We must love them enough to stand against their blindness, their Satanic deception and their malice towards us for teaching truth. And when they persecute us [as they surely will] we must love them enough to forgive them. Evangelize the sinners. Jesus is the only way to salvation. **Freemasons claim to know God, yet they walk in darkness. God is light. He does not lie. He is not mocked. He knows and sees everything. Don't underestimate the power of the Holy Spirit.**

Romans 8:28

“And we know that for those who love God all things work together for good, for those who are called according to his purpose.”

Deuteronomy 31:8

“It is the Lord who goes before you. He will be with you; he will not leave you or forsake you. Do not fear or be dismayed.”

Hebrews 13:5

Joshua 1:9

“Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.”

Isaiah 41:10-13

“Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand. Behold, all who are incensed against you shall be put to shame and confounded; those who strive against you shall be as nothing and shall perish. You shall seek those who contend with you, but you shall not find them; those who war

against you shall be as nothing at all. For I, the Lord your God, hold your right hand; it is I who say to you, “Fear not, I am the one who helps you.”

Matthew 28:20

“Teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”

Hebrews 13:6

Psalms 73:23-26

“Nevertheless, I am continually with you; you hold my right hand. You guide me with your counsel, and afterward you will receive me to glory. Whom have I in heaven but you? And there is nothing on earth that I desire besides you. My flesh and my heart may fail, but God is the strength of my heart and my portion forever.”

Galatians 5:22-23

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.”

Luke 21:34-36

“But watch yourselves lest your hearts be weighed down with dissipation and drunkenness and cares of this life, and that day come upon you suddenly like a trap. For it will come upon all who dwell on the face of the whole earth. But stay awake at all times, praying that you may have strength to escape all these things that are going to take place, and to stand before the Son of Man.”

Revelation 3:10

“Because you have kept my word about patient endurance, I will keep you from the hour of trial that is coming on the whole world, to try those who dwell on the earth.”

Luke 21:28

“Now when these things begin to take place, straighten up and raise your heads, because your redemption is drawing near.”

Acts 20:35

“In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, ‘It is more blessed to give than to receive.’”

Proverbs 1:33

“But whoever listens to me will dwell secure and will be at ease, without dread of disaster.”

Genesis 28:15

“Behold, I am with you and will keep you wherever you go, and will bring you back to this land. For I will not leave you until I have done what I have promised you.”

Matthew 7:13-14

“Enter by the narrow gate. For the gate is wide and the way is easy that leads to destruction, and those who enter by it are many. For the gate is narrow and the way is hard that leads to life, and those who find it are few.”

Psalms 23:6

“Surely goodness and mercy shall follow me all the days of my life, and I shall dwell in the house of the Lord forever.”

Galatians 5:19-21

“Now the works of the flesh are evident: sexual immorality, impurity, sensuality, idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, envy, drunkenness, orgies, and things like these. I warn you, as I warned you before, that those who do such things will not inherit the kingdom of God.”

2 Timothy 3:1-4

“But understand this, that in the last days there will come times of difficulty. For people will be lovers of self, lovers of money, proud,

arrogant, abusive, disobedient to their parents, ungrateful, unholy, heartless, unappeasable, slanderous, without self-control, brutal, not loving good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God.”

Matthew 24:9

“Then they will deliver you up to tribulation and put you to death, and you will be hated by all nations for my name's sake.”

Zephaniah 2:3

“Seek the Lord, all you humble of the land, who do his just commands; seek righteousness; seek humility; perhaps you may be hidden on the day of the anger of the Lord.”

2 Corinthians 4:4

“In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God.”

Matthew 22:14

“For many are called, but few are chosen.”

Romans 12:1

“I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship.”

Woops, got a bit carried away there with the bible teachings. Back to Jimmy. Outlaw replies: “My ‘Pay Masters’? How does that work then, this site actually costs me to run and I have not received a penny piece for anything that has been published here.

You really want to get a grip of your fantasies my friend, or you could perhaps put your money where your mouth is, **by producing some actual evidence of who you believe are ‘pulling my strings’** or paying me. Anything will do, as you have now got me curious as to who these mysterious entities who give away free money are.” **And that’s where the bastards have got it all wrapped up. We can’t prove that the masons are behind this. Only God can reveal the truth. And I have it on good authority that he will. Rest assured.**

Now let's take a closer look at the JennieJenJen persona. According to Scharenborg 'she' is another of Jimmy's sock puppets. That is almost certainly correct. Put it this way, she is certainly *someone's* sock, because she's not a real person. The masons are trying to kid us she is 'real' though. They've now given her a blog <http://inaboxtotheleft.com/> Funny how she starts her blog in August 2015, not long after Spiv temporarily closes his site ... when more and more people don't believe the bullshit anymore and are making connections; and it is becoming far too obvious now who Spiv is, who his team are, and what he's up to.

As always there is nothing on 'Jennie's' blog to identify her or even convince us she is a real person. There is a photo – that could be of anyone. She's probably a model. There is nothing to support her story of being a CSA victim.

'She' insists she is not Jimmy's sock and goes to the trouble of showing us some troll twittering, dating back to 2012 <http://inaboxtotheleft.com/twatter-twits/> Why doesn't she simply show us some ID? If you were a genuine CSA victim and you wanted people to take you seriously and listen to what you have to say, and some people started accusing you of being a sock puppet, wouldn't you *prove* that you are who you say you are?

Take a look at what Jimmy is saying in his 18/1/13 post on the Kev Green Spiveyite site <https://kevingreen1950.wordpress.com/the-outlaw-jimmy-how-he-uses-his-blog-to-abuse-others/> "I have no doubts whatsoever that @jenniejenjen3 will be back, she has done it twice before, she blocks me, then unblocks to share some more bile, and then blocks again in case of repercussions. She, like all Trolls, is very clever, she does not always direct her spite directly at her chosen victim, but information on the Internet rarely remains a secret for long.

May I suggest though, that my Troll is in more urgent need of 'The Authorities' than I. Maybe then, she/he may be able to get the help they so desperately need, to successfully deal with their own Mental Health Issues.

Her blog can be found at jenniejenjen3.wordpress.com "Upside Down & Twisted" very apt!" That link is now obsolete. Wonder why!

Now look at 'Jennie's' comment on 7/8/15 <http://outlawjimmy.com/historical-revision/deus-vult/>:
jenniejenjen

“Morning Jimmy,

Is it possible to publish the link to my site so those trying to make sense of the CSA disinfo get another piece of the puzzle?”

Dutiful Jimmy responds:

August 7, 2015 at 6:39 pm

“I shall add it to the ‘links’ page on here Jen.” Prick. Go and see a shrink Jimmy.

So on 18/1/13 Jen is Jimmy’s troll. On 7/8/15, all of a sudden, she’s a friend of his and also of his other sock Jane! Perhaps he’d like to tell us at what point he decided she was no longer his troll, but is his friend; and why.

Poor sad bastard Jimmy is having difficulty keeping up with all his chattering socks. He’s so headfucked by the masons he doesn’t know if Jen is one of his socks. Not so long ago she was his troll; now she’s his friend ... He’ll probably be told soon by Spiv that actually she’s Sonia’s sock!

John Lennon- Mind Games

<https://www.youtube.com/watch?v=Gp0Jk7Li-ao>

Tom Pride, narcissist prick, takes hypocrisy to new levels. Take a look here <https://tompride.wordpress.com/2013/08/09/on-line-trolling-is-being-tamed-but-the-tabloid-trolls-are-still-rampant/> I’ll just copy/paste some of it:

“It’s a dubious boast I know, but it would be hard to find someone more experienced than me at being abused on-line. Pride only undergoes *pretend* abuse. There is a big difference between games and *real* abuse – and threats.

I’m not complaining – I don’t just criticise people on this blog – I take the p*ss out of them no TP, people like me take the piss out of you which is of course much worse. So I shouldn’t be surprised if sometimes one of my targets or their supporters decides to bite me back. Ha ha; as if!

During the short time I’ve been writing this blog I’ve been criticised, attacked, insulted, abused, threatened with libel, violence and even

death. Lying twat. **Pretend** threats eh Tom; pretend libel threats from your fellow Spiveyite troll and **friend** Sonia.

However, there are trolls out there who are busily hurling hurtful untruths and lies at anyone they don't like **which have resulted in suicides** and wrecked lives and they are still yet to be brought to heel. *Yes, genuine victims, who have been **bullied by you and your team Tom Pride** have been driven too far; you filthy disgusting piece of shill shit. You and the other scumbag Spiveyite subversives will stop at nothing until you have assisted your paymasters in ushering in the NWO hell on earth. You despicable traitor. If I were to insult the dead victims of a terrible tragedy like Hillsborough on Twitter or Facebook or my blog – I would quite rightly receive a visit from the police – and possibly jail time. Just your very existence insults every decent innocent human being on the planet.*

*Yet we still have a situation where tabloid journalists can do and say what they want about anyone they want in the national newspapers and still think they can get away with it. He's talking about his fellow scum subversive Sonia. We in the so-called 'alternative media' know that mainstream journalists lie and propagandise at will; and get away with it. That's what they're paid to do. *That's why we have a so-called A/M. Idiot.**

It's not Twitter users, Facebook users and bloggers who are the main problem when it comes to trolling. Oh yes it bloody is; lying git.

It's tabloid hacks on newspapers like the Express, the Sun and the Mail. We regularly allow journalists in the pay of a handful of rich oligarchs to personally attack and abuse – to troll – to their heart's content the sick, the disabled, the poor, the helpless, the unemployed and the innocent and they know there will be absolutely zero consequences for their actions. Carry on serving your rich oligarchs Tom Pride; you pathetic utter sell out.

It's time to bring the Tabloid Trolls to heel." *Its time to bring the trolls like Tom Pride to heel.*

Have a look at this Outlaw article

<http://outlawjimmy.com/charlatans/polska-moze-go-zatrzymac/>

Jimmy says [14/3/15]:

*"There were two articles deleted, one of which, **'NO PRIDE'** was able to be saved from a backup and republished, but the other, 'STERCUS*

LIBER' which incidentally had something over 170 comments which would have been from the same gang of Spivey super trolls masquerading as members of the public accompanying it, was not able to be retrieved as it was also deleted from the Google Cache.

The article, contained the usernames of a number of anonymous net users, who I had personal experience of them not being who they claimed they were. Jimmy knows who all the anonymous commentators are as they belong in the same nest of Spiveyite vipers as him. For every article there is probably only a couple of these snakes - a handful at most - who operate in the shadows penning hundreds of comments.

The article had been on the Outlaw for more than a year previously, and only started attracting attention during November 2014, when more than one hundred and fifty comments were posted during a 24-hour period.

One of those commenters, fellow filthy Spiveyite friend 'Thomas Pride', who writes a satirical blog who writes a disgusting disinfo blog which concentrates mainly on pretending to be ridiculing mainstream media Journalists and figures on the right of the political arena, made an initial comment where he claimed he felt 'hurt' as his name was not further up the list of names I had published. He'll find it won't just be his feelings that are 'hurt' when the public cotton on to the evil 'games' this pair of pricks – Pride and pal Jimbo and the rest of the Spivey clan are playing.

In response, I moved his name closer to the top, enjoy the game while it lasts; you twonks are so going to regret your actions but Pride continued posting an inordinate number of decidedly odd comments, which then attracted other comments from readers, one of whom revealed 'Tom Pride' as being a Julian Gilbert, who is currently living in Gdynia, Poland.

This had a strange effect on Pride, as he then appeared to descend into a state of complete panic, and began making the most bizarre allegations, one of which, was the claim that readers of this site were 'trolling a victim of Jimmy Savile'.

Pride continually denied that he was Julian Gilbert, even though he had initially indicated where Gilbert's' Facebook account could be located, and he also stubbornly refused to acknowledge the evidence that he had himself, although inadvertently, indicated where his own identity could be revealed.

This is where Pride makes the initial allegation about Julian Gilbert being a 13-year old victim of Jimmy Savile, and also denies that it is in fact him, who is Julian Gilbert." If Tom Pride was genuinely a victim of Jimmy Savile he would not be attacking other genuine CSA victims; nor

would he be spewing a load of bullshit and lies and hiding behind an avatar.

Thomas Pride responds:

July 12, 2015 at 5:29 pm

“(Sigh) You still think I’m a Russian/MI5 double spy living in Poland?”

Julian works as one of my admins lying shit. Prove it you bunch of loons. I post using location screeners through Polish sites just to avoid being sued by establishment people trying to shut me up **L.O.F.L** because Poland has one of the strongest free speech protection laws in the EU. No big conspiracy.

But you’re as far away from discovering my real identity as you’ve always been. Now tell your Daily Mail/Express hack friend Sonia that her bunch of tabloid trolls are not going to scare me into silence. See ya!” You are already scared Tom Prick; hence why you cower behind that silly nom de plume. And you are already silent. You have no voice. You are nothing but a pathetic masonic puppet.

In this ‘article’

<https://tompride.wordpress.com/2013/05/07/daily-mail-hack-boasts-about-being-able-to-trace-personal-phone-numbers-of-twitter-users/>

Tom the twit continues the pretence – here he is pretending to be questioning his friend and fellow Spiveyite super troll Sonia: “There have been rumours for some time now that some people – police, journalists, hackers – are able to trace personal phone numbers and home addresses of Twitter users if the user was accessing Twitter from a mobile phone.

I’m not sure of the legality or not of the alleged methods used – but needless to say it bypasses the expensive and time-consuming proper method of **getting a legal notice to force Twitter to reveal information about its users.** Piss taking prick. No-one would do that.

I was therefore very interested when it was brought to my attention that a journalist **Sonia Poulton isn’t a journalist. She’s just another pathetic Masonic stooge** who regularly writes for the Mail and the Express was openly boasting on Twitter that she had used her ‘contacts’ to ‘trace’ the personal numbers and home addresses of people **she claimed pretended had been trolling her***.

I’m **deliberately not naming her in this article because I don’t want the story to become one of personalities any more than it already has** Ha ha; **puppets on a string don’t have personalities** – but if you look at my

[Twitter timeline here](#) you can see the identity of the journalist in question.

To cut a long story short, my polite enquiry resulted in the journalist not denying the accusation but still refusing to answer how she managed to get the phone numbers and other personal information. She then blocked me and called me a w**ker.” **You are a wanker.**

Keeping it plain and simple, Sonia Poulton is not being trolled; that is more pretence. Trolls are not trolled. Only genuine people who are a real threat to the Masonic hierarchy - whether knowingly or not - get trolled. Everyone Pride mentions here – police, journalists, twitter, himself and his pal and partner in crime Sonia Poulton are all controlled by freemasonry.

As for accessing personal information, the masons know *everything* about their enemies, *including phone numbers and addresses*.

Look at the hundreds of follow on comments. Do you see anyone genuine commenting? Me neither. I bet the pricks behind all the comments are: Jimmy, Robert Chewter, Leigh LaFon, Scharenborg and Pride himself, whoever the fuck he is – could be the biggest prick of them all, Lord Spiv for all we know!

In this post the clown is telling more porkies about pal Poulton. <https://tompride.wordpress.com/2014/11/16/a-daily-mail-journalist-is-trolling-my-friends/> “Poulton and her partner Lee Ryan, along with a handful of her colleagues, have been threatening me with libel and even threats of violence since I wrote these blogposts nearly two years ago. **Liar.**

These threats have mostly been just water off a duck’s back to me. **If you were getting real threats you lying scaredy cat you’d be wetting your pants.**

But recently their campaign of hate against me has taken a more sinister turn. Having failed to scare me into silence, they’ve started to turn on my friends. **Lying git. No-one is attacking you or your friends. You and your mates are protected by the VIP paedophiles you serve.**

Tom Pride Oops my fault I'm afraid. Don't accept his request. He works for a Daily Express journalist called Sonia Poulton. As you probably know - some of the press have been trying to trace my id for years now and they've made a connection between you and me. He's harmless but you should report him to Facebook. People are not supposed to make friend requests if they don't know you.

[Redacted] Thanks Tom. I've reported him. Weird.

And now, since my friend blocked the journalist's attempts to hassle him, he's started to get nasty and very personal messages from Ryan and a handful of other Poulton's colleagues.

Please remember, my friend has nothing to do with this blog, he is just a teacher.

Here are examples of a few of the messages from Poulton and her colleagues (the abuse will make more sense if you know my friend's wife is Polish):

Your IP address is still showing as Gdynia, Poland though 😊

My friend's a bit of a tough cookie my arse. Any friend of yours is a wimp; just like you so fortunately he's not intimidated by all this. He's not intimidated by fakes such as Sonia and her friends; he is scared of the public though; hence why the coward hides his identity.

But this trolling of innocent members of the public by tabloid journalists proves that nothing has changed since Leveson. Course nothing changes ... and nothing will whilst Freemasonry is in control. Leveson answers to freemasonry.

And to those tabloid trolls who are definitely reading this blogpost, I promise you this:

Your pathetic attempts to intimidate me and my friends into silence will only make me even more determined to expose the wrongdoing of you and the UK tabloid press on this blog. Ha ha ha. Reveal your identity Tom Pride, ya nonce protecting coward.

And who do we have commenting? The Spiveyite trolls - Scharenborg, the Lavatory, the proud man and ... a bunch of false personas, probably operated by these three Spivey super trolls.

And here we have 'the trolling of Tom Pride' ferfuck's sake <https://kevingreen1950.wordpress.com/2013/11/10/the-trolling-of-tom-pride-reblog/> Pride the anonymous prick is probably the anonymous author of the piece. Troll team member and good mate Adrian McCormack joins in the charade: "My phone was called by Sonia, and she threatened me, then went a bit ranty. My phone number is not even in my name, and has never been publicly available. But this blog appeared after:<http://nancyheart26.wordpress.com/2013/05/08/poor-demented-adey/> Nancy is Jimmy's sock.

A less kind man would suggest that Sonia wrote it because her @rse was flapping, and a mate let her use it. Some mate.

Saying “Does anyone know where it lives so I can physically attack it” would get ME ARRESTED...yet this is the kind of comment I get from Sonia’s New Twitter buddies all the time...along with my address and my facepic. Games games games. Guess what Adey, you and your fellow filthy paedo-protecting troll team will soon find that it isn’t a game anymore when the public realise the sick and perverted game you lying backstabbing bastards are playing.

And why did Sonia **abuse her position of power** L.O.L. Anyone who agrees to prostitute for freemasonry has no power to scream down the phone at me? All because I tried to warn her that her new buddies were going to make her look like a complete tool.”

You are the dog, Kate. Kate is another of Jimmy’s socks.

Kate works psych support for an mi5 troll team headed up by the David rose team. David Rose is another sub-life prostitute. These dirty disgusting depraved degenerates are not MI5, they are cointelpro NWO agents – Masonic bootlickers – Satan’s servants. The post below was DAYS ago. There’s enough on there to prompt a thousand calls from a bunch of angry solicitors. Solicitors serve the same Masonic matrix as the trolls. Adey comments “Bollocks to this.

My name is Adrian...adeybob/monadtime.

Despite what your blogs say, you poxy coward, I'm not on a bloody sex offenders register is he?, and I am not someone called Janet. I'm not a troll yes you are, and nor do I seek out and abuse csa victims for jollies yes you do; but not for 'jollies', to crush them and make them go away and stop being a problem for the perps and the cover uppers.

The ONLY reason I started to use twitter, was because I wanted to help raise serious issues about csa. The only reason was to help destroy the CSA victims.

Despite my mental issues?, and being single for long periods, I've managed to raise a wonderful child who's got an active social life, who has been in no trouble with the cops, and he has a good academic record...he's also got a brilliant sense of humour. This is the same kid you've decided to start trolling, show us the evidence just because you can't find any dirt on me, you abusive animal. I'm also an honorary father of 3 other smashing kids, two are now adults. I wonder what your kids and adult 'children' are going to think of you Adrian McCormack when they realise you live a sordid double life. I hope they turn away from you in disgust.

I'm a single parent, and I am a carer for my very ill ma. I hope your ma tells you to sling yer hook too when she knows what a thoroughly vile lying thug you are.

In short, I've got a lot on my plate.

In short, I don't need the hassle of a years-worth of truly disgusting trolling, AND a wound-up Poulton thrown in. I don't need it at all.

So please JUST STOP before I snap. Apart from telling mfoglasgow/mfokate and janerussellsays to fu@k off – after MONTHS of REALLY ABUSIVE trolling – I haven't said bugger all dodgy to anyone on twitter. Show proof of your accusations, Rheyden, or just desist from terrorising people. How can he do that? Bullying is his livelihood.

SHOW
SOME
PROOF.

For the record, Mfo has been permanently banned from twitter at least twice ... janerussellsays has also been banned several – although not permanently... in fact 'JJ', you've been permanently banned from twitter now, haven't you? For using multiple accounts on twitter to intimidate

and harass people, wasn't it? So what if he gets banned, Jimmy just like all spooks, gets his other socks to do his dirty work for him; or he simply goes trolling elsewhere. I can prove every word I've said, I don't have to lie or rely on people to repeat lies for me yes you do ... I don't have to rely on idiotic hacks, either."

Pride responds: "Well said Adeybob. After all you've been through you're rightly proud of your success in bringing up your son.

But please don't let unimportant trolls like Outlaw and his other handful of Daily Express supporting mates wind you up too much. Nobody even reads what he writes – apart from us. He's really really a nobody and not worth it. He's not a no-body, he and you and all of you Spiveyite snakes are all creatures of unimaginable foulness, and you all need attending to with the toilet brush.

As for SP – her articles are virtual chip paper. She's already been sacked by the Mail after her phone tracing shenanigans went public (tabloids are extremely sensitive about this subject) and the Express quickly stopped all comments on her last article after it was raised there so I think you'll find they'll be dropping her too.

That's why she's had to take work with David Icke.

Expect to be accused of being a 6-foot lizard next." Notice the comments section is – as usual - saturated with spooks and socks.

Here we have the brave proud boy taking a stand

<https://tompride.wordpress.com/2013/05/09/mail-hack-threatens-to-sue-me-for-asking-how-she-traced-twitter-users-personal-information/>

"Sonia issued the threat – saying she has "an absolute case of libel" against me – but said she will only continue with the action if I "want to be an idiot and try more trouble".

In other words – shut the f**k up with your criticisms or I will use all the financial and legal resources available from my employers to shut you up myself.

Well. So much for journalists being fans of free speech. So here's my reply to those threats.

Sonia, I am calling your bluff. I will not shut up. I will not stop pretending to be criticising those in power, whether they be journalists, politicians or the powerful and influential."

Listen Tom Pride whoever the fuck you are, grow some balls and observe how real men like Jon Stevenson deal with the likes of Sonia

bloody Poulton. They expose her properly for the filthy traitor she is. They do not play shilly games. See

<http://victimsagainsthoxes.co.uk/sonia-poulton-accusations-and-allegations/> and <http://victimsagainsthoxes.co.uk/sonia-poulton-the-express-article/>

Course you're not allowed to expose her, are you? Your arse belongs to the masons, doesn't it. So that means that you have to continue to play your sick games – you have to continue your playful banter with your fellow pathetic troll pals; and you have to continue to pretend that they are genuine ...

Have a look at his write up here

<https://tompride.wordpress.com/2012/11/11/it-was-the-police-not-the-bbc-who-wrongly-named-lord-mcalpine-in-abuse-allegations/> Is it stating the obvious when I say that he doesn't raise any of the 'out of the box' issues/questions that I do in my 'An Elite paedo ring' pdf?

Tom Pride, like all shills, only *pretends* to be at war with other shills. He's actually in bed with them. Here's another example of that <https://tompride.wordpress.com/2012/11/07/high-level-child-abuse-cover-up-why-has-theresa-may-barred-a-us-journalist-from-the-uk/> whereby he endorses another widely exposed cointel agent Leah McGrath Goodman.

Let's see who else he backs. On twitter

<https://twitter.com/ThomasPride> we see he follows Andrea Davison, voiceforchildren, 38 degrees, Freedom talk radio, UK Column, Occupy, Dave Duckshoot, Daz Lavatory, Cheryl Corless, Ian Puddick, Mumblingaway, Guido Fawkes, Father Jack, Rothley Pillowcase, Gojam, Will Black, James Reeves, Murun Buchstansangur, Artist Taxi Driver, Adeybob, Voice For Children, Michael Doherty, a range of politicians and mainstream media people ... **Does anything else need to be said?**

Take a look at this article by fellow fake and egotistical odious little man John Ward <http://hat4uk.wordpress.com/2013/03/08/paedophilia-how-one-piece-of-news-can-kill-a-novel/#comment-308856> Now take a butchers at who is commenting on it: Outlaw, Zoompad, Incusblog, Liz 727, Crossofchange, Madlands, Sabine McNeill, Pissed off bastard, Bob Chewie ... Why does John Ward tolerate these trolls in his comments section? Because if he banned all the trolls, he wouldn't have anyone commenting! As said if you look at the comments section of Spivey's site or any of the Spivey support sites you will find lots of comments;

often hundreds of comments; but you'll be hard pressed to find a comment from *anyone* genuine these days. The *genuine* dissenting voices have been banned from these forums.

Have you noticed that none of the trolls get banned from each other's sites - even though some are supposed to be at war with each other!

The last word goes to Pete North - **How to be a complete bastard**
