

INTERNATIONAL MEN'S ORGANISATION written by SHARON ZAKI

The following is in response to my 11/3/13 email that I sent to a number of people [which didn't include those already widely exposed as shills] in the 'alternative media' which states, "I have come to realise how dangerous the 'controlled opposition' are to Truth as they are so successful at thwarting the efforts of genuine NWO warriors. Shills and fake 'victims' are insidious creatures and more dangerous than a corrupt establishment. Please see [http://www.sharonkilby.co.uk/site/WAR\\_ON\\_SHILLS.php](http://www.sharonkilby.co.uk/site/WAR_ON_SHILLS.php) for more.

I believe the Hollie Greig story holds the key to revealing many shills currently prominent in the so-called 'Truth Movement'.

If you are not a shill, please will you respond asap and show me where on your site you are now publicly declaring that the the HG story is a hoax. Please also let me know what you intend to do to expose the shills/fake 'victims' and also whether or not you intend to do your level best to find out and expose who is *really* behind the Hollie Greig story and why."

The issue over the Hollie Greig case is more than just the abuse allegations it is the use of psychiatric hospitals and a brother found burnt to death supposedly from suicide.

We have members of our group with personal experience of how this operates in Scotland going back over 20 years and long before this case arose.

Read George Farquhars case in question

<http://www.intmensorg.info/georgefarquhar.htm>

And also George's own video recently made outside Savile's Glencoe property and George has more experience than most in the UK in the murky field of paedo abuse and the rings that bind the ruling elite as he was sectioned and brutally beaten many times by Edinburgh cops. Our interest in the subject relates to the psychiatric gulags being used right across Scotland and the UK to silence individuals.

We have far more evidence of these psychiatric abuses than just Ann Greig's sectioning and how the court cases regarding Robert Green have shown the ease with which anyone challenging the establishment gets treated in these dens of iniquity. We will run these stories as they pan out until the evidence can be fully examined as to why it has been necessary for the Scottish legal mafia to carry out their persecution campaigns to silence anyone who dares raise the matter even if they ultimately turn out to be the full truth or not.

We have many of our group VICTIMS of such tyranny and have the physical and psychological scars to prove we don't follow an editorial line without hard evidence from many other sources which clearly you may not be fully aware of.

This is my reply [which was ignored]:

Dear IMO

Thank you for your very swift reply.

You are speaking in very general terms about corruption and persecution within the establishment. I am very aware of that as I too am such a victim.

Do you think there is any evidence that the HG story is true? If you don't believe the story to be true [as the evidence suggests] are you going to publish that you believe it is a hoax and expose people like Belinda McKenzie and Sabine McNeill? I've exposed Sabine [http://sharonkilby.co.uk/site/PROVEN\\_SHILLS -  
\\_SABINE K MCNEILL AND BELINDA MCKENZIE.php](http://sharonkilby.co.uk/site/PROVEN_SHILLS_-_SABINE_K_MCNEILL_AND_BELINDA_MCKENZIE.php) See also <http://nkhughes.wordpress.com/2013/02/24/sabine-mcneill-not-your-friend/> and <http://www.theholliegreigcoverup.net/latest-news.html> re Sabine and Tony Farrell. I'm doing some digging and should be able to expose some more soon. I strongly suspect close associates of Sabine and V/U to be shills.

I am worried that there are more shills/fake 'victims' these days than genuine victims/truth-tellers... Will you help expose the controlled opposition lot? Some people are already doing a good job of this - see <http://diggerfortruth.wordpress.com/shills/> and [http://www.the-big-picture.org.uk/wp/?page\\_id=2928](http://www.the-big-picture.org.uk/wp/?page_id=2928) but I feel that we should all do our bit in this regard.

Are you not curious as to why the HG story was promoted so widely by so many people in the 'alternative media' in UK and internationally, despite there being no evidence to support it?

I feel it is only people like us who can remove the gatekeepers who are successfully preventing truth seeing the light of day. Do you agree?

Best,

Sharon.

IMO fully support the HG story. IMO gave me a link to 'Hollie Greig, the Jimmy Saville connection' a video made by George Farquhar outside Saville's Glencoe property. Farquhar is linked to 'The ongoing fight in Scotland for Hollie Greig' reported by [Eyre](#)International. On this blog there is a donate button, which when clicked leads you to the Peter Eyre show and the Paul Drockton show. Nuff said!
