

PHIL THOMPSON AND PETER OAKES written by SHARON ZAKI

I used to think that *at least* half the contributors' 'cases as stories' on V/U were genuine. Now I'm not so sure. It would seem that a very high proportion of the 'victims' on there are either fakes or cowardly, apathetic gatekeepers. This became evident during my February and March 2013 research. Of the people I wrote to, none wanted to part company with Sabine and expose her for what she is and some are still contributing on V/U. These people I have been familiar with for over 10 years when James Todd of the '[VOMIT](#)' era was publishing our stories. A couple of them have been downright hostile towards me. Take for example old timer **Peter Oakes**. See his comment [here](#). I quote: "Sabine allows these comments so how can you claim she is not genuine ? And it should be obvious to a nit wit the british authorities are fully aware of these horrific goings- on by judges, TV personalities, police officers MPs, social workers etc."

Get real Sharon, you will be claiming Dunblane killings are a myth next !"

What's he doing about the C/O agents? NOWT. So, is he naive or fake or just apathetic? Another example is the nasty shilly [response](#) I got from **Phil Thompson**. He comments: "Dear Sabine. With every one of your posts I see what you are DOING. Others just Yap. I would also like to know to which NETWORK that person has access to so as to be able to get so much information about so many people in her TIRADE. People in white coats are on standby and know of her. i also note a Get out Clause, here it is. Belinda, if all these accusations about you prove to be a pack of lies, then I hope you will accept my sincere apologies. What if if I said that she is a thief and then make that same apology. Keep up the good work Sabine."

He says he has lost 3 of his great grandkids due to corruption in the family courts. If he was genuine he would not have turned on a fellow victim and striver of truth and justice in the way he did. If there are any *genuine* contributors left on V/U, they'd better wake the f... up soon, see the truth about Sabine and JUMP SHIP. I will write to some more V/U contributors in due course; meanwhile take a look at this blog of MP [John Hemming Shill](#) where he's helping Phil. The first thing I notice is that there is a distinct lack of official documentation to back up what the MP states, which in itself is very vague. As for Phil, he reveals more of his true colours on V/U [here](#). He's really taking the p**s when he describes Cooper's 'case' as cast iron. Thompson says "I have noted that he is seeking a Lawyer, Barrister or any LEGAL representative to

take up his case. Have there been any takers. I THINK NOT. A Cast IRON Case that is easily winnable and yet NO Lawyer will accept him as a client. Lets wait and see if I am correct.” Nigel Cooper doesn’t have a ‘case’. Echoes of the HG saga. Cooper concocted that story with the help of his shilly buddies – Sabine and co ... and Phil is part of the set up too. More confirmation of this is in his comment in response to ‘granny’ who directs people to find the truth via the Moylan Judgement. He says: “Granny from a different country. Methinks that you are getting rattled. BUT. How well you describe how happy he would be if he just Kow Towed to people like YOU. Name YOURSELF hypocrite.” What a nasty piece of work the fake Thompson is.

"The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing." Albert Einstein.

Below I copy/paste/comment on Phil Thompson’s story:

Phil Thompson’s story is published by his shill queen Sabine here <http://philthompsonfamily.wordpress.com/about-2/>

There isn’t a scrap of evidence that this story is true. The glaring hint is in the absolute lack of detail and the fact that there is NO official documentation to support it. Sick Sabine doesn’t give a f*ck about truth. She unblushingly publishes complete fairy stories that she knows cannot and never will be proven. She serves no-one but the NWO agenda and her NWO paymasters. My comments are in red.

1. Nature of the Case / Background

[The Thompson Family\[1\]](#) is an example of “threshold criteria” being used wholly inappropriately – to abduct three children. Without any substantiation or evidence, the Council claims that this ‘risk of significant harm’ is due to

failing to attend school regularly

failing to have attended health appointments

their father has failed to co-operate with Social Services

the children have been seen to be dirty and unkempt.

the behaviour of Walsall Social Services does not differ from other councils where victims of [child snatching](#) have suffered cruelty and injustice for the sake of cashing in on foster money (on average £400 / week per child). Social Services do NOT have the interest of children at heart and are wholly ineffective when dealing with complaints of negligence that are voiced during supervised contact.

Notice the highly emotional wording “threshold criteria”, “abduct”, “child snatching”. All we have are 4 bullet point allegations and Sabine’s wild claims which are NOT backed up with evidence. Where are the social services reports/child protection ‘At Risk’ conference reports/court transcripts/judgements???

2. Submissions of Fact

Fact??? That’s laughable. Sabine does not deal in facts - ever. The following is all fantasy; all VAGUE and COMPLETELY LACKING IN EVIDENCE. There are no dates or names apart from the name [highlighted in red ink] of *one* social worker ... who may or may not actually be a social worker ... someone by the name of Garnett Gray, which the careless carefree mason-protected Sabine spells ‘Grey’ further down!

When his wife stopped medication from a condition prior to the marriage, the grandson left his home to live with his mother nearby. Due to the mother’s condition, Social Services brought the children to that home of father and grandmother, where they thrived for eighteen months. When the eldest child was eligible for school, the father was prosecuted [prosecuted for what and where’s the evidence?] by Aldridge Magistrates Court and fined [how much and where’s the evidence?] for his daughter not attending school regularly. Within the same month, *Social Worker* Garnet Gray instigated another charge [what charge and where’s the evidence?] against the father and told him to attend Dudley Court. However, at Dudley Court, he was told that he was in the wrong court. [Evidence?] At the other court in Dudley [“other” - which court?], he was told there was no case in his name. [Evidence?] It appears [“Appears”???] as if the court made decisions in the father’s absence, without any legal representation. [BULLSHIT! Prove that sweeping statement Sabine] Meanwhile, the court files have “gone missing”. [“gone

missing”? **How fucking convenient!**] When wanting to pick up his daughter from the Principal’s office, his daughter was screaming behind closed doors for two hours, before she was handed back. **[Evidence???** Together with his other children they go to play in the park opposite the home. Later that evening, Garnet Grey and two women **[who???** **snatched the children from their father’s arms and nothing has been heard from them since.** Note the emotive language – “screaming”, “snatched”. This **story** is complete fabrication. Not one shred of evidence is provided to support it. We are asked to believe that **a social worker and two female strangers snatched these children and they’ve just disappeared!!!** Where is the outcry in the mainstream press? Where is the police search – pretend or otherwise? Where are all the letters from the wonderful ‘justice for families’ family man MP Hemming? [pass the puke bucket please]. Where are the secret tape recordings proving all this skulduggery? Where are the welfare reports – Cafcass/Social Services? Where are the reports by ‘Core group’ officials such as Health Visitors, Educational Welfare Officers, School Head teacher ... ? Not one report or part thereof is published, no court documentation, no names of judges ... Sabine you are a sick joke. You and Phil the Fake are blatant BARE FACED ODIIOUS LIARS. PROVE what you say is true.

It is becoming evident that Sabine Shill only throws her weight behind stories which are completely bogus. Back a few years when I trusted Sabine was the real deal I wrote to her and asked her to publish my story. I was ignored. I got involved as an online activist on ‘Victims Unite’ and again asked her to publish my story. She then gave me a brief mention on Vicky Haigh’s page, hidden under ‘other cases’, which is available on *invitation* only.

3. Points of Law and Procedure

The grandfather and great-grandfather Phil Thompson keep challenging Walsall Council to take him to court for this accumulation of abuse of process and power – to hit adoption targets and raise OFSTED ratings? In the children’s best interest???

Applying the right “levels of threshold”? Because one child was supposedly not regularly at school, all three are not just taken into ‘care’ but irreversibly [adopted without parental consent](#)???

There is no abuse of process and power. There is a great grandfather who has obviously lost his marbles and should be locked away for his own safety. Either that or he is a thoroughly evil little man. I'd say he is the latter. Phil the Fake Thompson, **here's the challenge**, make me eat my words and **show us the adoption papers for any of these children**. This utterly abhorrent lying little man Phil the Fake Thompson is almost certainly a high up mason and is **in cahoots** with Walsall Council. This lot are ALL pretenders, playing an evil 'game'. If that wasn't true Thompson would have been sectioned and thrown in a loony bin long ago for such wild **story telling**. But the **freemasons** in Walsall Council are his **friends**, as are all the masons in all the 'authorities' or 'watchdogs' that he writes his phoney letters to. **ALL** of these sick f*cks, together with the nauseating lying pretender John Hemming are **in** on the sick charade.

As for Sabine's reference to "adoption targets" and "Ofsted ratings" she is once again **twisting words** in order to arrive at a completely different meaning to suit her purposes. The government have devised performance thresholds to address *delays* in the adoption system. The Ofsted data shows a rise in the number of approved applications which is a good thing because *when an adoption has been approved* it is better to place a child with new parents as soon as possible rather than leaving the child in temporary foster care or with various foster carers.

Now let's take a look at Phil's phoney letter to Sir M Potter, President of the Family Division. Sir Potter will almost certainly be another high up mason, but even if he isn't he absolutely IS under Masonic control. My comments are in red.

Thompson states: We have NOT seen or heard of them until we asked a Ms Herbert at Wolverhampton Records office December 2008 who told us that they had been adopted. **If anyone believes that they need a serious check from the f**cking neck up.**

He continues: At the ONLY REVIEW MEETING social worker G Grey said that he had sent letters to Mr. Millington, presumably P.O'Gorman's wife ... **Phil Fake didn't think to publish the report of this *only* meeting. And how can a Mr be a Mrs i.e. the wife???**

He says: If the Social Worker was so aware and wanted contact why did he send letters to the wrong address... **Where is the evidence that the social worker did this?**

He states: Mr Ogorman was NOT REPRESENTED by a solicitor at the proceedings because he GAVE NO INSTRUCTIONS to ANY solicitor. **Then why does Phil the Pr*ck ask in his phoney letter to Walsall Legal Services [see below] “Who represented us at Dudley Court on the 15th July 2005?”**

Phil Fake goes on to say: The three court cases of which we have record are 15th July 05, 2nd February 2006 and 9th May 2006. **So why doesn't he publish the court judgements???** I'll tell you why, because they will reveal the truth of what actually happened, which is far removed from the story Phil Fake, backed up by Sabine shill, is trying to sell you. My hunches tell me that there was judicial involvement, but that it was a straightforward custody/contact issue between the parents of said 3 children. I'd also hazard a guess that the mother of said children won custody. One thing is certain, NONE of these kids were snatched, abducted or adopted.

Tricky Thompson says: Mr Ogorman in the presence of my wife and myself sat in the solicitor's office to file his detailed statement. **Woah, isn't it stated in the story that NO SOLICITOR was used???** No wonder this *detailed statement* isn't published!

The twit Thompson then wants us to believe that the [unnamed] solicitor pointed and said: that is the file on you. **WHAAAAAAT???** F... off Phil with your bullshit.

It gets better! Can we see it please is what Phil Pri*k says was asked. **NOT ALLOWED** was the answer [allegedly]. Argghhh ... I'm tearing my hair out now.

Thompson the bullshit artist also says: Now we have another SCOUNDREL ... but he doesn't name this person. **He continues:** His REPORT was made in COLLUSION with the guardian C Griffin. We say that Mr. Andrew Porter is a LIAR, and so is the person Griffin. We can prove it. **Oh please do. I await**

this proof with baited breath! Who is A Porter? And who is C Beely? Thompson says: On the advice of C Beely, Mr P Ogorman did not give evidence. These names might as well have been plucked out of a hat. Perhaps they were! Phil the obfuscator then says: NEVER DID MY GRANDSON EVER SAY THAT HE NEITHER CONSENTED TO NOR OPPOSED THE APPLICATION FOR CARE ORDERS OR FREEING FOR ADOPTION ORDERS and he then *writes in bold and underlined capitals*: **WHAT WERE WE DOING THERE IN THIS SECRET COURT IF NOT TO DENY THE ALLEGATIONS.** Phil Fake Thompson, try stating simple FACTS and back up what you say WITH EVIDENCE.

Thompson continues with his sensationalism, talking about “INHUMANITY”, “dirty work”, “**BRAZEN CONCOCTED LIES**” and of course the “**Threshold Criteria**”. He is trying to convince us that his great grandkids have been adopted to meet [he says] Walsall council adoption targets, based on accusations that these kids are at significant harm in that they – failed to attend school regularly, failed to attend health appointments, were seen to be dirty and unkempt and because their father failed to co-operate with social services. Phil Fibber Thompson, here are some bold capitals for you – **PUBLISH THE LOCAL AUTHORITY REPORTS THAT STATE THESE KIDS ARE “at risk of significant harm”. PUBLISH THE CARE PROCEEDING REPORTS WHICH LED UP TO THE ADOPTION. PUBLISH THE REPORT BY THE ADOPTION PANEL. PUBLISH THE ADOPTION ORDER.**

Phil Fabricator continues his bullshit in his phoney letter to his Masonic brother ‘Sir’ Potter: Mr P Ogorman was left alone with the three children, sometimes one of the two younger children had a bad night ... blah ... blah ... blah ... **WHY** was this not in the report? **WHY DON’T YOU PUBLISH THIS REPORT???** I’ll tell the readers why, **BECAUSE THERE IS NO SUCH REPORT.** He also says: Health appointments can be confirmed by the minutes of the ONLY review will say that the appointments were for inoculations which were not done. That is a LIE ... How did the social worker without PERMISSION OBTAIN THESE RECORDS... If Mr Ogorman did not co-operate with social services how could they write any statements made by him. **PHIL THE STORYTELLER THOMPSON, PROVE ANYTHING YOU SAY IS**

TRUE. PUBLISH THE MINUTES OF THIS ONLY REVIEW WHICH PROVES YOUR ASSERTIONS ABOUT INNOCULATIONS. SHOW US THE PROOF THAT SOCIAL SERVICES WERE OF THE OPINION THAT MR OGORMAN DID NOT CO-OPERATE WITH THEM.

Phil Fake shows himself up to be a total w**ker when he says: Another question for your conscience Sir ... Sir Potter, president of the family division, has no need to examine his conscience regarding the fairy tales told by Tricky Thompson. He should however examine it in his failure to expose the lying time-wasting, game-playing bullshitting thoroughly vile, mason-protected Phil Thompson.

Phil the Fraud continues: I state that the report by G Grey is a travesty, this from a person who gave false information to the COURT giving names of people who do not exist and places and events that never happened. **Prove that this G Grey allegedly did these things that you assert Phil Thompson. In any case, you state that Grey's report is a travesty and yet you stated, back a couple of paragraphs, that "NEVER AT ANY TIME DID WE KNOW OF WHAT THE SOCIAL WORKERS HAD WRITTEN ABOUT MR OGORMAN." Ars**ole.** The lying arrogant idiot Thompson continues: Mr Justice McFarlane was somewhat amiss in not informing you that I made this statement to the COURT. And NOTHING was done about this tarnished witness. **That is because there is no evidence that he was "tarnished" and no evidence that anything you, Phil Thompson, say is true.**

Phil Thompson continues his outrageous lies saying: We have obtained documents from the informant. Can I also inform you sir that this self same G Grey also went to the children's grandfather Mr Michael Ogorman and **SIGNED DOCUMENTS** that gave the children into his care ..." **Well publish these documents you fraud. As for social workers signing children into anyone's care, that is not how it works; social workers do not have the authority to do that.**

Thompson then talks in more vague sensationalised tones, about another BRUTE – the social worker who denied the grandfather the right to collect the children. He continues to try and

bamboozle the public, saying: You could be of much assistance here sir by asking the person known as A Hughes at Darlaston Social Services. Mr Paul Cooper will give you her phone number to give you her reasons and why she is **STILL WITHHOLDING giving us copies of the documents.** **Seriously is anyone buying this shite???**

Phil the Fake continues his outrageous allegations and defamatory remarks about people in the family justice system who may or may not exist. He says: Now, the children's guardian C Griffin. Another blatant LIAR. He interviewed my grandson in my house for about 1 and a half hours and on this grand timescale told the Court that Mr P Ogorman was an **UNFIT FATHER** and recommended that the children should [be] placed for **IMMEDIATE ADOPTION.** **People like Mr Porter, Mr Griffin, Mr Grey and Mr Beely [if they are indeed 'real' people] should sue the lying toad Thompson and get the evil git committed to prison – for defamation and perjury.**

He continues: Now another gem for your sir. On the day **15 July 2005 we met our solicitor** at a car park opposite the court. While crossing a busy road my Grandson was handed the guardian's report and then passed it on to me in the street. I was only able to skim through the report and it was taken from my hand by C. Beely. So that was the SUM TOTAL of our knowledge of the guardian's report. **This is so f**king ridiculous it'd be funny if it wasn't so outrageous and didn't carry such grave implications. ANYWAY DIDN'T THE LYING FU**TARD STATE THAT THERE WAS NO LEGAL REPRESENTATION???** PHIL THOMPSON really should have got his story straight before hastening to hookwink the public with it.

At this point in his phoney letter to 'Sir' Potter Phil Fraud attempts to clarify whether or not a solicitor was used, but the idiot just *drops himself further in it*, saying: Now it is at **THIS CASE AFTER WHICH ON THE SAME DAY THE CHILDREN WERE TAKEN FROM HIM WHILE HE WAS ALONE** is the one where he was **NOT REPRESENTED, NO INSTRUCTIONS WERE EVER GIVEN TO ANY SOLICITOR.** He was represented by Mr C Beely on the *two subsequent "TRIALS"*. **Which means that there was no solicitor used on the first one i.e. on the 15th July 2005!** [The two

subsequent trials were on 2nd February '06 and 9th May '06.] OOPS!

OH What a Tangled Web We Weave When First We Practice to Deceive.

The lies of Phil Thompson grow even bolder; the story more fanciful. He states: My daughter the mother and of Mr P Ogorman and her three grandchildren who were living happily within OUR FAMILY. SO WHAT. Why did the justices apply disclosure so that all the GOOD reports of her would be SUPRESSED. [PROOF]. To state 'proof' is a lie because there is no proof of that. What reasons, SHOW US IN THE COURT RECORDS. We have already shown that the COURT RECORDS are FALSE [no you haven't and you haven't shown any court records] and have NO CREDENCE [another unproven statement]. We were ALWAYS in the control of Mr C Beely [that's just another lie - you just stated that Mr Beely's services were not used during the first trial] who then promptly disappeared and left no forwarding address to his employers Walker brothers Walsall [how f*cking convenient. Perhaps he was abducted by an alien.] The social worker G Grey promptly resigned [another sweeping statement and no evidence to support it. No evidence even that there was a social worker named Grey involved with Phil Thompson's family] following his report and the case files are missing [no they're not. They're just not published because they will reveal the truth of the lies of Phil the Fake Thompson.] Ms Herbert, Wolverhampton records office."

Phoney Phil continues to lie: Sir we wish to again show you the calumnies that have been perpetrated against us of which there are NONE. And: Sir, Mr Justice McFarlanes BRIEF PERUSAL OF THE FILE **SHOULD** cause you great concern with the information that we have now given you. Why should it? If 'Sir' Potter is not potty himself and if, by some remote chance, he is an honest man and not a mason or beholden to freemasonry his concern will be for the sanity of Phil Thompson. Phoney Phil continues: What we see is that your entire reply to Mr J Hemming MP has been made on the false information given to you. Publish the reply and all the letters from John Hemming Fake. His question to you stands. Were all the prerequisites as required by law carried out by Walsall Social Services in their case against Mr P Ogorman. John Hemming is

just like ALL politicians; in fact he's worse because of his moral 'family justice' pretence; he is just another evil thieving lying scum Masonic controlled PRETENDER. Fabricator Phil continues ... **UNJUSTIFIED PROSECUTION.** Sir, we have written **PROOF** of Walsall Social Services, even before any Court Case to take OUR INFANTS into adoption. No you haven't you LIAR. And your 'infants' have NOT been adopted. LIAR. And you can stop calling yourself the 'underdog'; a more appropriate description of you is what comes out of the dog's rear end.

THE LYING B**STARD THEN CALLS FOR A JUDICIAL REVIEW. F**CKING UNBELIEVABLE. O.M.G I live for the day when evil liars like Phil Thompson, John Hemming, Sabine McNeill ... are thoroughly exposed and face true justice. Oh how my heart will sing.

Let's now have a gander at some more phoney letters; this time replies from Phil the Fake's partners in crime. All are published on McNeill's 'Fob-Offs and Excuses' page. Folks, **these are the tactics** used by McNeill and Thompson and all skills to dupe decent Joe Public into believing stories like this. 'Ordinary' people would assume this story must be true; after all, they would reason, who in their right mind would go to so much trouble writing so many letters [which are always 'sexed up' and full of inflammatory language] over so many years to all sorts of authority figures. Well-paid government shills do.

Isn't it funny how Phil Fake is happy to publish all these letters – in full, and yet he **won't publish any official documentation to support his story!**

As with all high profile 'victim' stories published by shills, we see a very familiar scamming pattern. There is either NO official documentation to support a story or there are only part documents published [maybe just a couple of lines] which are taken out of context, thus resulting in a wild distortion of the truth.

Another very clever trick used by fake victims such as Thompson and their shill bitches such as Sabine is the repeated mantra to "sue me". They know they're safe because all the people they defame are mason controlled and are in on the scam and all 'authorities'

and 'watchdogs' are also mason controlled and will also toe the line. No-one dares rock the boat. If they did they'd be out of a job or worse. The trusting public believe that these fake victims must be genuine; after all, they'd be thinking, why would anyone lie and risk being sued.

People need to understand that these scams work very well because freemasonry is the real power and facilitator working in the background. Just like in all wars and conflicts, all 'sides' are played by one master puppeteer. The real opposition is the honest clued-up general public, especially the victims of the Masonic mafia who are well-versed in Masonic speak and Masonic manoeuvres.

Another favourite tactic used by these devious players in this dirty game is to scream 'COVER UP'. Sabine allocates a whole page to spin us nonsense about a 'cover up' as regards Phil Fake and his family [more on this below.]

Now on to the phoney letters. ALL the authors of the letters published on Sabine's site are NWO gatekeepers, as ALL are controlled by freemasonry. It matters not a jot whether they themselves are masons. James Ross replies on behalf of the Attorney General's Office. This lickspittle writes that the Attorney General is unable to help, for various reasons stated. He continues the charade with reference to the vile John Fake Hemming, saying: "I note your MP has written to the Chief Executive asking them to review your case, you should contact your MP ..." Wonder how much this James Ross pr*ck gets paid to play act. If he was an honest upright man he too would have seen right through the disgusting Phil Fake and would have sent him a letter of chastisement, telling him not to waste the time of the AG.

Likewise Mr Avtar Singh, the pretender who writes on behalf of the HM Courts & Tribunals Service. He states: "The matter has been referred to Her Honour Judge Hughes who has stated that she has nothing further to add to the previous communications ..." If Mr Singh was an honourable man he would have refused to play along with this sick game and would have instead referred Phil Fake to his GP who could have arranged to have Phil Fake sectioned. Then again if any of these civil servants or spokespersons for any authority that Phil Fake contacts in relation to this fictitious adoption

were upstanding people Phil Fake would never have penned any correspondence to them in the first place. As for Judge Hughes, wonder why her correspondence isn't published. Almost certainly because there isn't any. There is no evidence that a female judge named Hughes even presided in any proceedings to do with Phil's family.

Russell Meek [and mild] replies on behalf of Her Maj's Court Service. This pathetic wimp of a 'man' cannot stand up to his Masonic masters either and instead of doing the job he gets paid to do i.e of **posting the court judgements which would expose the perjurer Philip Thompson**, he dutifully replies: "... You remain concerned that you cannot retrieve information relating to certain court cases. Again I can only repeat what I suggested in my previous letter that you will need to contact the court managers at the relevant courts and they will be able to tell you if the relevant have been kept or destroyed." Mr Russell Mouse should do us all a favour and resign.

Jane Carter, spokesperson for Ofsted also toes the Masonic line, continues the deception and keeps her job [and has probably now earned herself a promotion]. The brown nose tells Phil Fake to complain to Cafcass and says that if they are no help to complain to the Parliamentary and Health Service Ombudsman – directly or via his MP [even though the dosey cow has already thanked Phil Fake for copying her into the letter that he's already sent to the *Ombudsman*.] If Jane Carter was a human being with conscience she would have in the first instance found out for herself whether or not said kids had been forcibly adopted. When she found out that Phil's story was a pack of lies she would have wondered WTF his game is. She would then have made serious enquiries into the corrupt mason-controlled practices of Walsall's 'child protection' agencies. But Jane Carter isn't a decent human being, she is just another parasitical government stooge. Ms Carter-Fake ends her letter telling Phil Fake that she'd like to thank him for "taking the time to bring this information to my attention" so that she can continue to earn her daily bread by doing NOTHING with said info. And of course Phil Fake is happy that she is content to continue to earn her crust keeping his dirty

little secret. As for Cafcass, I'd like to see tricky Thompson's letter of complaint to them ... and their reply!!!

As for S Pereira of the HM Courts and Tribunal Service. He or she really takes the biscuit, saying: "You have requested a review of the adoption case involving Walsall Children's Services. I was **very sorry to hear of your dissatisfaction with these proceedings and outcome of the case ...**" Pretender Pereira shamelessly lies to feed the lie. Does S Pereira-Parasite not have a mind of his/her own? A swift glance at this 'case' and Pereira could see that there WAS NO ADOPTION. Why does this 'person' not blow the whistle? Supposing a story was hitting cyberspace that Pereira's kids had been 'forcibly adopted' when no such thing had happened. Would Pereira be happy with that and with various officials/civil servants/watchdogs ... lying to feed the lie??? How much money do these doormats earn **lying** for their Masonic masters? How can these 'people' prostitute themselves in this way? Do *any* of them have any self respect?

FOLKS, HOLD YOUR HEAD IN YOUR HANDS AND WEEP WITH DESPAIR AT THE EVIL GAMES GOING ON IN HIGH PLACES. AND IT'S ALL BEING FUNDED BY OUR TAXES.

Agent Phil Thompson serves his Masonic puppeteers well. He spends years writing to all sorts of Masonic powers and they play along with the **game**. **AND THESE EVIL LYING B...STARDS ARE DOING IT WITH OUR MONEY. COMRADES, PLEASE, LOOK AT THE EVIL GAMES THESE CHEEKY F...CK ERS PLAY.**

The following is another phoney letter from Mr Fake Thompson which he writes in the comments section on V/U. I comment at the end in red.

Subject — The unseemly delay in answering queries from a LEGAL SOURCE

DEAR Mr. Cooper,

As you well know we have met each other in the OUTSIDE of your offices for many years. Each time I had asked you if you had passed upward(to my knowledge) the things I brought to your attention. Never once did you confirm our meetings or made a truthful reply.

You had often taunted me with fellow SS(the type who existed some time ago) workers to get a solicitor

Well, could you get your cohorts who did this foul deed please cooperate and give a full account of what was done by people in at the time called Walsall Social Services. The request was made by a company recommended by Children Schools and FAMILIES.

I PARTICULARLY wish to ask you to answer this question.

Was Garnet Grey the vindictive person a full time employee of Walsall SS at the time of his MALICIOUS prosecution of my grandson. (In case you are in any doubt as to my question. Was he a full time QUALIFIED social worker.

I am withholding vital evidence until I have a Court Seal.

Just out of interest could you please tell me who was the SHYSTER lawyer that SS employed to bring this SPURIOUS case against my grandson. I am sure that you will name this INHUMANE person. Even you could NOT give a reply to the actual charges that allowed an evil person to take the case on. I have the statements from Children Schools and Families that I shall bring forward. At your request if you wish to delay further. If you wish could you please inform P. Pilkington that she is NOT aware of the implications of my escalation request for a HEARING. Ask this BUFFOON if she knows her job So that you will know other things ask Mr. M.Bird what the reply was given from his INVESTIGATIVE person SHEEHAN.

Please co-operate and do not let this injustice fester, cause an answer soon. Court is inevitable. All will be exposed, I have the letters of guilt.

I remain with the Justice and HUMANITY of my family, decent and upright for the duration of my marriage 52 years and each child brought up to live according the norms of society. No drugs, alcoholism, violence or crimes against the state. Remember that I had asked for an Internal case review.

Without malice to you.

Mr. P. Thompson Remember the Acting FOR form.

Notice how these agents work. They write inflammatory highly emotional bogus letters [using language such as: taunted, foul deed, vindictive, malicious, shyster, spurious, inhumane, buffoon, letters of guilt] and they bang on about court being inevitable where “all will be exposed”; in the meantime they “withhold vital evidence” or they have evidence that **will** be forthcoming. Echoes of the HGJ saga. Norman the Gatekeeper Scarth plays the game well, he writes bogus letters and emails on a daily basis to various ‘Quislings’.

Let’s now look at Phil the Fake’s letter to **Walsall Legal Services**. **I comment in red.**

He states - below lists most of the Accused. **Cheeky bast**d; the people he accuses should be suing him.**

In addition, other letters mention:

Andrew Porter

C. Beely

A. Proctor

Mr B. Gill

Walsall Legal Services.

7 September 2010

Subject:— **UNANSWERED LETTERS**

Dear Mr. Gill,

Welcome back from your holiday. Like St. Paul did your journey perhaps take you on the road to Damascus. We trust that you are rested and refreshed and eager to answer our request in the case concerning our infants. **No wonder this letter was unanswered when the arrogant halfwit Phil Fake Thompson starts it like this!**

To assist you in this matter you could consult with a **Mr. Sheehan** who made a FULL investigation under the direction of **Cllr. M. Bird**. Of course I must inform you that true to form I was not made privy to his report. This seems very ODD to me because I have a letter from Cllr. M. Bird that he would make a full report and inform me of the result. **How convenient that Phil the fake didn't get to see Mr Sheehan's report! Why doesn't Phil the fake publish the letter from Cllr Bird which says that he would make a full report and inform Phil Fake of the result?.**

I am sure Mr. Sheehan will be prepared to give you a copy of his report and his REPLY to me thus causing me to take action against Walsall Council. Cllr. M. Bird may be more amenable in offering to give me the report from his investigator, your GOODWILL concerning this will be much appreciated. SOCIAL SERVICE no doubt. **On what grounds could Phil Fake take action against Walsall Council?!!!**

Another little matter that you might care to enquire about from a **Gill Ross**, I have spoken to this good lady twice and asked the same question. **Who represented us at Dudley Court on the 15th July 2005.** Her STOCK answer is to ask our solicitors. OUR RETORT is that if we knew or gave instructions, why would we ask such a question. So we hope you can see that something is amiss. Perhaps she will NOW give the name of that person. It is NEVER too late for crimes to be exposed. **Why doesn't Phil the Bullshitter publish his correspondence with Gill Ross? He asks who represented "us" on 15/7/05. According to Sabine's write up he had no legal representation. He should know whether or not he instructed a solicitor!!! He does, he clarified this point in his phoney letter to 'Sir' Potter. Stop lying and playing these evil games Phil Thompson, you arrogant fool. Nothing is amiss; well not in the way you'd like everyone to believe. YOU and YOUR crimes are about to be exposed.**

With Respect to your INTEGRITY and not your JOB with Walsall, remember Nuremberg. It is how you do your job. We all have CHOICE.

Integrity? Phil Fake, don't make me laugh, you don't know the meaning of the word.

Our FAMILY decency cries out for JUSTICE. Phil Thompson YOU will be brought to justice in the not too distant future for your part in this sick scam. I hope your whole family disown you. You deserve to be locked up for a very long time you sly evil little man.

To help you further I will now name some of the people involved in this CALUMNY. NOT in order.

There are more and I have ALL their evasive letters BUT with some major flaws. I will include [that Freedom of Information requests were deliberately ignored](#). Just out of interest I have many photographs of the Bloxwich office now demolished. From that PIGSTY they emerged to tell that others were dirty.

The more I write the more I realise how deeply our FAMILY has been injured by Walsall Social Services. Mr. Paul Cooper can give you ALL my letters of complaint and how this cruelty should NEVER have been visited upon my FAMILY. FIND ONE charge of ANY CRIMINAL activity within the ENTIRE FAMILY. Show us ONE CHARGE of any kind.

Enough for now. I have allowed you much for the defence that will bring shame to the above named.

Again we permit you to PROSECUTE our FAMILY with any one of the above statements. Let anyone of the NAMED people using their OWN resources or otherwise take us to CROWN COURT.

Mr. P. Thompson. Mr. P. V. Ogorman and FAMILY.

Phil Fake, you do not give permission to anyone to prosecute you. YOU will receive your comeuppance, together will all your filthy Masonic friends in Walsall Council and the courts and all 'authorities' and 'watchdogs' who are in on this dirty game, including the dishonest and pretentious MP Hemming, and unsavoury Sabine.

And now onto Sabine's 'Cover-Up' bleatings.

Sabine likes to generalise and make claims which she doesn't back up with evidence. For example she says "the parents are gagged – unique in the UK - The UK is the ONLY State in the WORLD that gags parents whose children have been taken by Social Services, i.e. threatens with prison if they dare to complain about their pain. And these threats are enforced! Some 200 parents a year at least!" Obviously each case needs to be examined individually, but from what I've seen of Sabine's attention to detail and 'proof' in the 'cases' I've looked at that she publishes, I'd say she is scaremongering with her unproven wild claims. Further the truth cannot be 'gagged'.

She says "secret family courts are used for judges to sanction what Social Services are doing." But family courts are no longer secret.

She makes unproven sweeping statements, such as children are "forcibly adopted" ... and links to the thoroughly discredited Ian Josephs' site.

She asserts: "Police and Court staff cover up and collude so that institutionalised child snatching aka state kidnapping can go on and on and on." Again this is another sweeping statement and not proven in any of the 'cases' she publicises.

Sabine publishes a 'Freedom of Information' request from Phil Thompson in the form of an email sent from his wife Dora Thompson's email address. The request is so farcical it's no wonder the condescending arrogant fool Phil Fake received a curt dismissal. This is what he wrote: "Dear Mam, PLEASE inform me if the West Midlands Police have seen the video that I posted. Walsall SS – Forced Adoption. May I remind the West Midlands Police that the Freedom of Information Act was designed for HUMANS to reply to questions without DEVIOUSNESS. Once again I am at a loss to understand WHY West Midlands Police would wish to DISSEMINATE on my SIMPLE QUESTION **WHO ASKED West Midlands Police to delete my harmless video. SIMPLE QUESTION that ONLY requires a SIMPLE answer.** For YOUR information I made SERIOUS accusations against Walsall Council. **ASK yourself why THEY do not take ACTION against me BUT use the POLICE to SUPPRESS my post.** CAN you not see that SOMETHING is AMISS. I now wonder who will be the NEXT person who will reply to my request so that NO ONE takes RESPONSIBILITY. The SILVER PLATTER of PONTIUS PILATE seems to be used by West Midlands Police in my REQUEST." What's he on about, saying the police deleted his video, when it is available on the internet for all to see. And what's so special about it anyway? It is nothing but rambling hearsay, proving nowt about nowt! And the bloke is a complete burk to suggest that Walsall Council used the police to suppress his post. Walsall Council SHOULD take action against him. They should get him detained indefinitely in a lunatic asylum.

Let's now talk about mainstream news. Was there ever any publicity regarding the kidnap and complete disappearance of these kids? NO, but there is a 'news'paper article <http://philthompsonfamily.files.wordpress.com/2013/11/social-workers-tore.jpg> saying only: "A great grandfather *claims* social workers ignored his offer to provide a loving home to his great grandchildren after they were put in care" and not much else.

The ultra seedy MP Hemming [all MPs are lying, low-life, gutless worthless scum, but the 'moral'??? 'family justice campaigner'??? Hemming tops them all] gets himself some admirable publicity calling for grandparents to be given more rights in an Early Day

Motion presented to parliament. The lying slug loves his EDMs. He knows full well that an EDM will do a fat lot of good for anyone. He doesn't care as long as he continues to earn a mint from the unsuspecting public for the **part he plays in the pretend game**. ALL politicians are highly paid ACTORS.

Grandparents already have rights. Hemming, nor any so-called 'alternative media' voice have shown any evidence to disprove that.

The thing I find most interesting about this 'news' article is that tricky Thompson is referred to as 'George Williams' and the photos of him and the 3 children are blurred, to "protect their identity". One wonders if the real reason is to prevent 'real' people i.e. local people who know this family, and especially the children's mother and the children themselves, asking awkward questions ... such as WTF? Phil Fake has no qualms about revealing his identity and that of the 3 kids, including their dates of birth, on Sabine Shill's site and he boldly and patronizingly verbally attacks various officials, yet he shies away from allowing his identity be known in the MSN. Wonder why!

The author of this article is someone by the name of 'Bourke'. It would be more appropriate if the spelling of this person's name was 'burk'!

Phil Thompson is just another soulless spawn of Satan who happily lies and obfuscates whilst playing the part of 'victim' in order to serve his NWO paymasters.

We might ask why the popular hard hitting 'alternative media' heavyweights, such as Chris Spivey, don't expose the likes of Phil Lie Alot Thompson. For the simple reason that they don't expose the 'Hollie Greig Justice' scammers, Nigel Cooper, Maggie Tuttle, Vicky Haigh et al. You don't grass on your friends.
