

SABINE MCNEILL written by SHARON ZAKI

I used to be a regular online activist on Sabine McNeill's 'Victim's Unite' website, however that all changed in February 2013 when she revealed to me that she is just another scum shill. I tried to post a comment [\[which you can read further down this pdf\]](#) on the V/U article '[Abolish the Ban](#)' in response to her 'Big Baby' troll, and to try and garner support for a War on Shills. Sabine blocked my post and told me: "I can't possibly go against Belinda, Sharon. She does her absolute best but is not as 'radical' as you and I are, but is it in her own way. I built '[In Support of Belinda McKenzie](#)' for her." My reply to that was: "Sabine, I don't think this is about going against Belinda, this is about establishing the truth about the Hollie Greig affair. Please will you at least post my comment on V/U and your response to it." She replied: "I'm afraid I can't do it, Sharon! Anne Greig told me she doesn't want anything about her and Hollie on my site!" [My response to that is published just below.](#)

In response to her 'Knight in shining armour' I posted some comments. I wanted to post a comment [\[which you can read further down\]](#) in response to her comment, but found she had blocked me. See '[When is a website Mis - or Dis - Information?](#)' I also posted a comment on '[A SHILL TEST](#)'. [Please note I've come a long way since I wrote those posts for V/U. Back then I was advocating the bringing down of the pyramid control-system. That of course is exactly what the Illuminati want – out of chaos comes order; THEIR ORDER – THEIR NEW WORLD ORDER.](#) Also, some of the people I reference in those posts I have since exposed as shills.

Sabine refuses to answer my questions and has simply moved on to a new post entitled "TOWARDS 200,000 Views and the Non-Adoption of a War against Shills" Let's look at what she says: "Why communicate with people who are nasty to you, when you can talk to and email people who are kind?" and "No, I shall not enter or support a 'war on shills'. I shall not betray my vision of a 'peace network' of computers and people protecting our planet I want to increase the effectiveness of the little things I can do to spread positivity, not nastiness. I won't set myself up as a judge of character." Such nice, flowery, empty words. Who's asking her to be a judge of character anyway? She's trying to kid people that this is about someone being nasty to her for no reason. How convenient. She thinks people like me will go away and leave her alone so that she can have idle chat with her friends, and *pretend* to be helping others. There is no urgency re the impending NWO for Sabine because

she's comfortable in the knowledge that she is protected by freemasonry, and that this will always be the case. If that wasn't true, she would be as keen as I am to make war with the shills. This is just more confirmation that she is one of them; you don't go to war with your own side. So, in summary, she is making it clear that, yes, she agrees there are shills in the 'Truth Movement', but she doesn't care because they're not a problem for her; they are her FRIENDS. What a thoroughly disgusting self-serving lying low-life she is.

Sabine wrote to me on 8th March 2013 saying, "It does hurt. Right in the heart, reading your texts about me, Sharon. Especially after having just seen more of that stuff elsewhere" and "information on the web is bare of any emotion... you can't make pain visible only tears. But not online. I'm really sad about our dis-agreements and turn of events." **Will someone please tell her to take her crocodile tears and lies elsewhere. She knows what she has to do if she wants me to be her friend again - find Jesus, fess up, beg forgiveness from her fellow human beings and then get behind me with the War on Shills.**

I believe Victims Unite was set up to keep us genuine victims under control. Butlincat himself says that half the cases are genuine; that makes the site appear genuine. I would say that there is a rapid decline of genuine victims commenting on V/U [notice that there are always new names popping up to comment! There are very few of the old regulars on there now. Sabine pretends to be doing all she can to help us victims find truth and justice, but in reality she is buying time for her Masonic masters. She does this by sending us on wild goose chases, wasting our time and money and working with her couple of **'gold dust'** MPs [who we know are just acting] and by covering 'safe' topics such as: Human Rights, Bills, Legislation, Justice, Security, Assange or True Civilisation and One Law: DO NO HARM. She runs a mile from a 'War on Shills'! As for the 'gold dust' MPs, click on the above link, scroll down and see who else is in the 'McKenzie Friends' clique - **Elfyn Llwyd** MP [more on him in my story http://sharonkilby.co.uk/site/media/PARTS_1-3_OF_SHARON_ANN_KILBYS_STORY.pdf]

The following is the comment I tried to post on V/U in response to the 'Big Baby' troll and to try and garner support for a War on Shills:

The question should be how much the 'Big Baby' makes spending endless hours trolling sites like this in a desperate attempt to prevent truth coming out. [As if that loser would ever be honest about anything; he wouldn't know the meaning of the word if it came up and punched

him on the nose. His whole life is one big lie.] Go and do a proper job, you despicable scum bag. I can't wait for the day you and your ilk are forced out of your hiding holes to face the spotlight of truth shining in your faces. We will all be watching, with smiles of sweet satisfaction as you all get your just deserts. I utterly despise you vile cowardly creatures.

Norman, it is so heartening to know that there are people like you out there bravely soldiering on, no matter what the risk, speaking truth to power and in the doing exposing all and sundry in the Quisling club, for the sake of freedom for all. If only all the 'truthers' out there were genuine like you. However the 'Truth movement' is not what it seems. It is difficult to know who you can trust.

Norman is well aware that some of his so-called 'supporters' are anything but. They are the truth traitors - call them plants, shills, disinfos, trolls, anything you like; doesn't matter, they're all the same - utter scum; the most ugly, dangerous, insidious vermin on earth. These stooges get paid very well [by the unsuspecting public] to undermine/discredit/sabotage sites like this and the victims and especially the few brave souls like Norman who risk all to get the truth out. Norman does not suffer fools lightly and the idiot 'B' who pretends to be his supporter will be wishing she hadn't even heard of his name. She and all the other yellow-bellies like her think they're so clever, but they're not; we know their game and we will expose them. Her type will soon be begging for the ground to swallow them up rather than face the full force of the public's wrath. See the following for more on how these sons of Satan operate:

Our integrity is the only thing we have and the only thing that matters. Since my last post on <http://victims-unite.net/2013/01/14/white-collar-crimes-an-evidence-based-definition/> I've been thinking deeper about the 'controlled opposition', have been doing some digging and have come to realise just how dangerous these 'people' are. It would appear that the Hollie Greig story is unravelling. This is a problem for you Sabine and for 'Victims Unite' because of the connection you have with Belinda McKenzie. Now, I don't want to jump to conclusions but in case you are unawares I think you should know what is widely being said about Belinda being a shill. Please will you show her this post as it

is only fair that she is given the right of reply to these criticisms; some of which are:

"We here at THGHG are disgusted with Belinda McKenzie's video outside the BBC and with her latest post on HDJ.org regarding Hollies 33rd birthday. Using Hollies birthday to promote the campaign is nothing more than sick and abhorrent - let alone possibly illegal! It's a total lie that Hollie was returned to Denis when Anne was sectioned - just as it's a lie that Sylvia and Wyn were present at the house. Belinda further lies when she suggests that Hollie's two police interviews matched word for word 2000 and 2009 - they don't! Either Belinda has never seen the evidence or she is simply lying. We cannot show you the evidence for that presently, but as our readers know we show everything we can and not just snippets like the UK Column or none at all like Robert Green!"

"Belinda McKenzie deserves special mention for paying absolutely no attention to the REAMS of evidence presented to her, she has been at ALL the court cases and knows the facts yet still lies blatantly – and we can quote her here in one of her latest missives to a Hollie “supporter” “I’m really going for her” (Sylvia Major one of the falsely accused) and (we) “will have the last laugh” it’s not funny Mrs McKenzie."

"Belinda McKenzie who was the person primarily responsible for HDJ finance has links to MI5, 'independent' think tanks; fraudulent charities and terrorist organisations [29]. Her LinkedIn profile is very informative [30]."

"Belinda McKenzie, the leader of a British 9/11 Truth campaign and a fundraiser for the MKO a terrorist organisation which was illegal in Britain and was involved in a campaign of killings and kidnappings in Iran."

"At one stage she was investigated by the UK Charities Commission and found to have been money laundering a sum of £5 million which she could not account for but which had passed through her account."

Now we know Belinda is a key supporter/spokesperson/fundraiser in the Hollie Greig campaign, could she tell us whether that is still the case or whether she too now feels that she has been duped. I hate to cast these aspersions but feel that for your sake Sabine and for the sake of all the victims who contribute to V/U, this needs to be cleared up. Another person you hold in high esteem Sabine [as did I] is also strongly suspected of working for the enemy - Leah McGrath. Please see the link here: http://www.the-big-picture.org.uk/wp/?page_id=2928

Now, I know that suspicion is not enough to go on, but I just want you to tread carefully Sabine. I really hope that the doubt surrounding Belinda is proven to be unfounded; however if the strong suspicion lingers, then by association, you will also come under suspicion and if that happens your credibility and that of all the victims who make up and contribute to V/U automatically become suspect. You must take care not to risk being associated with suspected shills or you will be tarred with the same brush and your excellent work over the past few years on V/U and your other sites will amount to nothing and will be wiped out overnight. Shills are the most heinous of traitors and need to be ousted as soon as their presence is known. They are currently succeeding [as is the plan] in doing much harm to the 'Truth movement' and our efforts to stop the NWO. Genuine victims who battle [often for years] for truth and justice and genuine 'truthers' struggle daily to survive - to stay healthy enough to continue working full time in order to keep a roof over our heads, pay the bills and put food on the table and to protect and care for our families. We suffer constant persecution and hardship from all sorts of directions just because we won't shut up and roll over and die and we also have to suffer the added injustice of some of our family members turning on us because they buckle under the stress and it's easier to just lash out and/or walk away. We do not have the luxury of time. The most painful part to bear is seeing the children suffer - they are the ones who suffer the most; they are the easy targets. It will take a long time and lots of TLC for my youngest children to fully recover from the mental trauma they endured throughout their childhood, forced on them via the boot boys of the corrupt family court system. I can only hope and pray they make it. Right now though both of them have eating disorders, both are underweight, but it is Jordan [aged 15] that worries me the most; he is depressed, is very underweight, has sleeping problems [including the headbanging in his sleep which has been ongoing periodically

throughout his life, starting from when he was a toddler when contact sessions with his father started]; my greatest fear is of him developing anorexia. Sorry, got carried away there! I'm just feeling so frustrated. There I was thinking that finally we have some wonderful people out there getting the truth out; thinking that these people were on our side, doing their bit to stop the NWO, only to find out that these vociferous so-called 'truthers' are in fact Satan's little helpers; slick con artists. Sickening. How the hell can these people sleep at night? Bill Maloney is another suspect skill, by association with Brian Gerrish and the HG story.

Belinda, if all these accusations against you prove to be a pack of lies, then I hope you will accept my sincere apologies.

The Hollie Greig sham has come as a shock to me and I'm spurred on into doing whatever I can to help expose it and to root out the skills responsible so that they can be brought to book. I'll start by asking Richard D Hall of Richplanet and Patrick Henningsen of 21st Century Wire to expose the Hollie hoax on their TV programmes [that'll reveal if they too are skills!] and I'll also be contacting others to help send this viral. Will you do your bit for the sake of justice – for the real victims in this saga? Sabine, this is something you could really get your teeth into; how about spearheading an 'oust the skills' campaign? You could get your MP friend John Hemming and other 'gold-dust' MPs on board. Oh how Icke's dominoes are falling!

<http://www.sharonkilby.co.uk/site/>

THE FOLLOWING IS THE PROOF THAT SABINE MCNEILL AND BELINDA MCKENZIE ARE SHILLS:

Dear Sabine,

Anyone seriously trying to stop the NWO knows that this is a race against time and knows the stakes couldn't be higher. A serious Truther is only concerned with 100% Truth and will do everything in his/her power to seek it and to expose it. Half-Truthers are the opposite of truth and are more treacherous to the 'Stop the NWO' warriors than the mainstream media and the sheople. Anything less than 100% truth is a betrayal of the 'Truth Movement'.

Your last two emails to me confirm my suspicions that you are a Skill; a traitor to the Truth and a traitor to humanity. I will outline my evidence below.

A serious Truther puts the search for Truth above loyalty to a friend who is already exposed as a shill [Belinda Mckenzie.]

A serious Truther does not defend anyone accused of being a shill when there is no defence. [BM]

A serious Truther puts the search for Truth above loyalty to a woman who is an obvious and proven liar [Anne Greig.]

A serious Truther seeks the full Truth about dodgy stories, such as the one surrounding Hollie Greig. Serious truthers ask who is *really* behind that story and why.

A serious Truther fully supports a campaign to expose and oust the shills from the 'Truth Movement'.

A serious Truther who considers him/herself a 'victims' champion' and who heads a website such as 'Victims Unite' is happy to spearhead a 'War on Shills' campaign.

A serious Truther welcomes/encourages open debate on his/her forums about topics such as 'Controlled Opposition'.

A Serious Truther does not block posts from another serious Truther who is trying to raise awareness about the incalculable damage shills are doing to the 'Truth Movement' and how prevalent they are amongst the Truth-seekers.

Sadly Sabine, you fail on all the above points.

I will expand on the above:

In response to my email asking you to post my 'War on Shills' comment, you tell me that you "can't possibly go against Belinda" and then you later tell me [after I pointed out in my reply that this was about establishing the truth about the Hollie Greig affair] that Anne Greig told you she doesn't want anything about her and Hollie on your site. I find it odd that you didn't mention that in your first reply. I also find it very hard to believe that Anne would say that; after all she has been widely courting publicity with 'Justice for Hollie' and you are supporting that campaign. It just doesn't ring true. But if that is indeed how Anne feels then you should be asking her why. Also, why can't you go against

Belinda? Are you beholden to a higher power? Perhaps a Masonic handler? Is it your duty to prevent the first domino falling?

Regarding that campaign, I am very surprised that you still support it now that there is an abundance of evidence to prove it is a hoax. There is no point me saying anything further on that when all the lies and inconsistencies are clearly evidenced here

<http://www.theholliegreigcoverup.net/the-end-of-hdj.html>

I will just point out one thing that is obvious to anyone; we can see from the numerous videos and TV/radio interviews that Hollie's speech is extremely limited and yet we are asked to believe by Anne and Robert Green that Hollie named 22 individuals that abused her, giving their FULL names and addresses, including their professions [AND that she remembered all this from when she was aged just 6 to boot]. Anyone who believes Hollie has that capability is off with the fairies. Just that point alone proves the HG story is a fabrication. The fact that someone of your stature and intelligence Sabine believes it leaves me lost for words.

In contrast to the Hollie hoax camp convincingly PROVING their case,

Sabine your 'defence' of Belinda is grossly lacking in substance. You point out a support blog that you created for her www.belindammckenzie.wordpress.com however you do not address any of the accusations against her. Your blog amounts to an attack on others and a lot of hot air about her former tenants who apparently have a vendetta against her. You do not defend her with facts; you just waffle on about things which have nothing to do with the allegations, for example: "In any case, it seems to be a battle between good and evil, and we each have to decide at any given moment, which side we are on. For national laws are being ignored just as international treaties. For what matters is the agenda of the global elite. I do know which side Belinda is on just as I know which side anybody who turns reality into a 'hoax' is on..." This shows that you are having difficulty defending the indefensible. And how you can claim that the HG story is a 'reality' is just staggering when there is absolutely no evidence to support it. And as for your statement: "It is clearly a sign of success if the Hollie Greig Campaign attracts people who enjoy spending their time discrediting people who defend vulnerable victims... But it's also a very SAD sign of the state of humanity and the world when people build disinformation sites to discredit Belinda BECAUSE she supports Hollie Greig have to counteract and analyse the absurdity of such

disinformation sites..." well, Sabine you're really clutching at straws here and just making yourself look like a complete idiot. Just taking sides and giving your opinion will not cut it.

Belinda might do a better job if she defended herself; indeed she *should* have done so. You should have given her that opportunity by posting my comment on 'Victims Unite' and allowing her to respond. You should have INSISTED that she answers her critics. Credibility is at stake – yours and hers. To be widely accused of being a shill is a serious allegation and until Belinda herself gives a convincing explanation the accusation is proven and by association you too are labelled the same. I don't think you realise the seriousness of this. Now that you have allowed 'Victims Unite' to be tainted it has thrown doubt on the tenability of all the victims' cases, who you publish on behalf of. Genuine victims would not risk being associated with known 'shill' sites. Belinda has had plenty of opportunity to answer her critics; she has not done so. Your attempted defence of her has achieved the opposite of what you intended. It just confirms that you are both shills. You should have done the right thing and dismissed her.

The fact that you are so protective of Belinda is very telling; it is confirmation that you know she is working for the other side. The fact that you refused to publish my post when you have never gagged me before got my alarm bells ringing. It would appear 'controlled opposition' is the only subject that you will not allow your V/U online activists a discussion on. This shows you have something to hide. It is very telling that you do not even *acknowledge* my suggestion for a 'War on Shills' let alone be so enthused that you'd be bursting to lead such a campaign! Now why would the leader of an effective and popular 'Truther' site shy away from the subject of shills and the drive to expose and oust them from the 'Truth Movement'?

The only way forward for you now, Sabine is to listen to YOUR conscience and come clean. However that, as you know, will demand a great deal of courage. Your credibility is already shot, especially since you passionately support the HG story which is full of flaws and proven to be a fanciful fabrication. No self-respecting, genuine victim will want to be associated with you or V/U when they know who's side you're *really* on.

With regards to the bigger picture surrounding the Hollie saga I have my theories. We have to ask why the 'big-guns' of the 'Truth movement' [known shills] took this story and ran with it. Within no time it was hyped

up and it had gone viral. I believe [now this is just my humble opinion] that there are some top level Masonic hands in all this. 'They' have spotted an opportunity with a young Downs woman [who would be unable to figure out what is going on around her and has no ability to question anything or to defend herself], a mentally ill mother, Anne Greig, who is out for revenge and her brother who has committed suicide, to conjure up a story of sexual abuse of a vulnerable, disabled child by an upper society paedo ring and a cover-up by the authorities. The facts are Hollie was sexually active with her *boyfriend*; there is no evidence she was ever raped. The purpose of the [Masonic engineered] Hollie story was that when proven to be a fabrication, all allegations of child abuse by high-up paedo rings and Satanism, currently spilling into the MSN get thrown into doubt, such that all authorities and judges etc come out smelling of roses. The result is that the PTB will have successfully convinced the general public that there is "nothing to worry about here, move along now..." thus they have been able to buy more time to continue with their evil deeds and their evil plans for us. Robert Green is the plant. [I used to wonder why he was having such an easy time of it in prison! Wonder how much he gets paid for his part in scuppering the 'Truth Movement' {good actors get paid very well!}] There are a number of actors in this sorry saga – most certainly Brian Gerrish, Ian R Crane, David Icke, Bill Malloney and others carrying out [and being rewarded handsomely for] their role on behalf of their powerful puppet masters. The Hollie Hoax group must also have plants among them mixed up with the genuine victims. [One wonders how deep the rabbit hole goes!!!] Whatever the facts of the matter I could bet my life [maybe I shouldn't say that!] that there is some high level Masonic connection.

The PTB with their army of disinfo agents disguised as spokespeople for the 'Truth movement' have certainly succeeded in muddying the waters and I am now questioning who can be trusted, such that I am having doubts now about other so-called 'victim' cases, especially the ones that become major news stories within the 'alternative media'. One such case which I am beginning to doubt is the one about the Musas. Anyway, only time will tell; however while we have these 'gatekeepers' in force, time is quickly running out. The dawning of the NWO has just accelerated now we have this bad smell that is the Hollie story; after all anyone seeking answers within the 'Truth Movement' will think we're all barking. But wait, isn't that the plan? Job done. Sabine, Peter Oakes describes you as naive regarding "agents and other troll types"; turns out he was completely off the mark! You are one slick, shrewd, smooth operator. Had me totally fooled for a while. You

must be 'gold dust' to your Illuminati masters; having carried out your role so perfectly – almost.

I completely trusted that you were the real deal Sabine, even though I did wonder how the hell you had so much time on your hands to run V/U and your other 50 websites. Turns out your full time job is trolling, isn't it? I also used to wonder why you spent so much time courting MPs when an intelligent, learned woman as yourself must've known that they had ALL been bought and paid for years ago. [A few of us had pointed it out to you numerous times in any case.] When I first learned about your site [back a few years when I had returned to help with the struggle for freedom, after a long break] I was at first sceptical; here was a site empowering individuals and bringing an army of victims together, with your good self – a seemingly sincere and effective campaigner for truth and justice and a wonderful victims' champion, in charge; I figured it was too good to be true. But when I realised that many of the victims on your site were very familiar from the VOMIT era, I felt you must be genuine and I was reassured. [Before V/U we only had VOMIT {victims of Masonic ill-treatment} on the side of the victims and even that had become obsolete.] But that is how the con works, isn't it Sabine; have 80%-90% genuine cases and chuck in a few very questionable ones – to create a toxic mixture; the public then wonders whether *any* of the victim 'cases as stories' are genuine and we are dismissed as nut jobs. Works a treat.

It is a mammoth task trying to convince anyone [even loved ones] that corruption [all Masonic controlled] occurs on the many and varied levels that it does. When you have so-called 'victims' champions' successfully fuelling the disbelief, you're really screwed. You can have sack-loads of evidence of State corruption, but no-one really cares. Only another genuine victim of the Establishment [Freemasons] will believe you and will be motivated enough to try and challenge it. All genuine victims who have contacted me say: "you just couldn't make it up". Unfortunately there aren't enough real victims - yet - to mount an effective challenge.

Stephen Knight says in his book 'THE BROTHERHOOD': *'Only the fighters have any hope of beating the system once it is at work against them. Most people, fighters of not, are beaten in the end, though. You finish up not knowing who you can trust. You can get no help because your story sounds so paranoid that you are thought a crank, one of those nuts who thinks the whole world is conspiring against them. It is a strange phenomenon. By setting up a situation that most people will*

think a fantasy, these people can poison every part of a person's life. If they give in they go under. If they don't give in it's only putting off the day because if they fight, so much unhappiness will be brought to the people around them that there will likely come a time when even their families turn against them out of desperation. When that happens and they are without friends wherever they look, they become easy meat. The newspapers will not touch them. There is no defense against an evil which only the victims and the perpetrators know exists'.

Sabine, do you have any idea how betrayed I and my fellow victims feel? People like us have lost so much already; we are desperate; we thought you were genuinely trying to help. Genuine victims of the Masonic Mafia go through hell fighting for truth and justice – not just for our sake, but for everyone's. My son is borderline anorexic; other parents end up losing their children, some victims end up 'suicided' or imprisoned. But pretenders like you don't care; you just prolong our suffering. It's just a game to you. Diabolical. What price Sabine, for selling your soul? Was it worth it? I sincerely hope that all the victims you so-called 'helped' now feel the same utter contempt as I now do for you. It really is a shame as I used to hold you in such high esteem. The saddest part of it is, shills like you do not realise that the noose you helped tie will tighten around your own neck.

The 'Edge Media' shills need to understand that they too and their own loved ones will eventually be bitten by the very beast they are nurturing. When 'Edge' sprang up spewing stuff about the NWO and corruption, I thought it was too good to be true – turns out it was. I now understand that any 'victim' getting lots of publicity on Sky TV and in the so-called 'alternative media' are cointelpro. The ruling elite are controlling the 'Truth movement' and they have an agenda – they let us have some truth but they also lead us down all sorts of wrong paths, to buy them time; and they never [obviously] give useful, practical advice on what we can do to challenge the NWO. Edge TV must be an Illuminati tool for the purpose of keeping tabs on the amount of people awakening.

Well, we sincere Truth-seekers will oust the fakes and gradually we WILL defeat the NWO. We've made a start with you Sabine and Belinda, now we need to turn our attention to all the other lying scumbag pretenders. Sabine, your last comment to me regarding your 'Big Baby' troll [before the beginning of the end of our friendship] was "THANKS for your full on defence". My goodbye message to you Sabine is that I hope you enjoy keeping company with Big Baby and other fellow trolls, the

very sprogs of Satan that I used to help you get rid of; you deserve each other. Remember the definition of a Troll? It's a spineless, slimy, smug, lying, nasty, subhuman.

Evil is always to be resisted and the unnecessary wars, false flag 'terrorist' attacks, engineered economic and banking 'collapses', wholesale brainwashing of the population, lies, deceit and manipulations of our self appointed 'elite' rulers can't be described as anything but evil. How we resist is for us all to decide for ourselves, but we must all be very wary of not inadvertently serving the very cause we thought we were opposing. Do not associate with shills on any level. Do whatever you can to expose and condemn them. We in the real truth movement are rising, and we do not need to prop ourselves up by leaning on the old guard of this movement – we will instead climb to the top on the corpses of their failed, sellout radio programs, videos and websites. The 'big gun' truther traitors are already widely named and shamed on the shill list. Let's make a determined effort now to expose the smaller fry and the hangers on. All we have to do is ask them [Bill Malloney, Mike Robinson, Roger Hayes.....] their view on the Hollie story. If they believe the story, they are shills; if they believe it is a hoax they must publicly declare it and must actively do all they can to discover who is *really* behind it and why.

The following is a comment I wanted to post on V/U but couldn't as Sabine had blocked me:

Sabine, you say "I only know that those two websites are set up for the purpose of mis-information and their publishers are anonymous, the main characteristic of anybody hater / troll / shill." You're right, shills set up websites for the purpose of mis-information; however people can decide for themselves which sites are run by shills and which are run by genuine NWO warriors [that is the purpose of my War on Shills!]. People also remain anonymous through fear though. Anyone who is a genuine victim of freemasonry and tries to expose it is open to attack. Likewise any 'insider' [maybe someone who has developed a conscience] who is trying to get truth out may feel safer staying anonymous.

You have further shown your true colours in your flippant attitude towards freemasonry. You call yourself a 'victims champion' and yet you obviously don't care that the secret societies are responsible for the NWO. Or are you going to tell me that there is no NWO and freemasons are nice, harmless, charitable men??? It is widely believed

that one of the reasons JFK was murdered was because of a speech, part of which is here: "The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in insuring the survival of our nation if our traditions do not survive with it. And there is very grave danger that an announced need for increased security will be seized upon those anxious to expand its meaning to the very limits of official censorship and concealment. That I do not intend to permit to the extent that it is in my control. And no official of my Administration, whether his rank is high or low, civilian or military, should interpret my words here tonight as an excuse to censor the news, to stifle dissent, to cover up our mistakes or to withhold from the press and the public the facts they deserve to know." What a pity your 'gold dust' MPs aren't as honest.

On your 'shill test' I have quoted from Stephen Knight's 'The Brotherhood'. That is the truth about freemasonry. If you upset the masons, whether knowingly or not, they will make sure you are punished. I learned all this back in 1999 when unfathomable things began happening to me, not long after I'd left my children's father. He used to be a clay pigeon shooting instructor and was very 'in' with the police [which I did find odd; I used to wonder how he could get away with stuff I didn't - speeding, illegal parking, drink-driving..., but just assumed it was because he had taught some police officers]. He used to warn me not to cross him because "You don't know who I am" and "the police won't touch me". It is all detailed here

[3_OF_SHARON_ANN_KILBYS_STORY.pdf](http://sharonkilby.co.uk/site/media/PARTS_1-3_OF_SHARON_ANN_KILBYS_STORY.pdf) When I told people what was happening, they [including policemen and businessmen] would say, "That's freemasonry". I was also warned to "be careful because they can do anything to you and get away with it". I used to ask why no-one did anything about the freemasons and was told that no-one wants to lose their job, house, car, family...

You really need to learn about freemasonry and what their purpose really

is http://www.overlordsofchaos.com/html/secret_societies_nature_and_f.html Or is it the case that you know all about freemasonry because you work hand in glove with them and you are protected by them?

If you were genuine you would not be wasting time on the 'safe' topics that you do, you'd be tackling the root of the problem i.e. the gatekeepers who are protecting the NWO. Shills are more dangerous than corrupt judges and authorities.

You ask where we go from here. You have to fess up, ask the Lord to atone for your sins and we will have come far. [And no, I don't mean one of the Lords that you're familiar with.]

For an update see [WANTED: SABINE MCNEILL BY THE METROPOLITAN POLICE CHILD ABUSE INVESTIGATION TEAM \(#CRIME #EUROPE #CHILDBABUSE #UK\)](#) Gotta laugh haven't you, this great 'victims' champion obviously doesn't have the courage of her convictions. What does she do when it's not a game anymore; when the law catches up with her and she's required to account for her actions? She runs away of course and goes into hiding. What a pathetic coward. Here the wretched woman explains why she absconded from the Police and fled to Germany..... <https://lifeafterhollie.wordpress.com/2015/04/08/fugitive-sabine-mcneil-explains/> For more on the 'Hampstead 'Satanic' Abuse' case, see my '[HAMPSTEAD HOAX PSY-OP](#)' pdf. See also my pdf on [Tom Pride](#) in connection.

How deep does the rabbit hole go? The HG story really has opened a can of worms. Steve Budge, author of [The Big Picture](#) sums it up in his article on the Hollie Greig Hoax group. He says: "The group have published online the lies told by the leaders of the HDJ campaign and in the process they have exposed major figures of the controlled opposition network" and, "The Hoax group have documented evidence of false accusations of paedophilia and manipulation of campaign leaders by former employees of the Tavistock Institute. The person primarily responsible for the HDJ campaign has been shown to have links to MI5, charity fraud, Iranian terrorists, UK Column, Lloyd Pye's alien skull nonsense and think tanks at the heart of the British establishment. The HGH group has ripped apart the credibility of the 'official' UK truth movement." Please note **Steve Budge may not be the real deal either**. See my pdf on [ICENI RISING](#) for more.

'The great enemy of the truth is very often not the lie -- deliberate, contrived and dishonest, but the myth, persistent, persuasive, and unrealistic. Belief in myths allows the comfort of opinion without the discomfort of thought'. JFK

So, the warning to any genuine victim is do not associate or risk association with any of these shills and do not have anything to do with the 'Victims Unite' site.
