

TPUC AND ROGER HAYES OF BCG written by SHARON ZAKI

The following is in response to my 11/3/13 email that I sent to a number of people [which didn't include those already widely exposed as shills] in the 'alternative media' which states, "I have come to realise how dangerous the 'controlled opposition' are to Truth as they are so successful at thwarting the efforts of genuine NWO warriors. Shills and fake 'victims' are insidious creatures and more dangerous than a corrupt establishment. Please see [http://www.sharonkilby.co.uk/site/WAR\\_ON\\_SHILLS.php](http://www.sharonkilby.co.uk/site/WAR_ON_SHILLS.php) for more.

I believe the Hollie Greig story holds the key to revealing many shills currently prominent in the so-called 'Truth Movement'.

If you are not a shill, please will you respond asap and show me where on your site you are now publicly declaring that the HG story is a hoax. Please also let me know what you intend to do to expose the shills/fake 'victims' and also whether or not you intend to do your level best to find out and expose who is *really* behind the Hollie Greig story and why."

**TPUC** did not bother to respond to my emails. **See the follow up email I sent which is published just below.**

**Roger Hayes** of the British Constitution Group replied to my second email. He wanted a private meeting to discuss it! **See our email exchange which is also published just below.** Roger couldn't even confirm whether or not he feels the story is 'dodgy', he doesn't want to get to the truth of the HG affair, or consider a bigger picture and he will not address the issue of the V/U shills or of any shills. In short, he doesn't want to answer anything I've raised; he didn't even bother to reply!

He was fully behind the campaign in February 2012; in fact he was arranging coaches to Aberdeen for the '**FREE ROBERT GREEN**' campaign. The HG Hoax group say, "Roger Hayes - admitted there was something very wrong with the Hollie Greig evidence and said privately that the falsely accused should get an apology – but will not give a public statement."

Roger protects his good friend Brian Gerrish, saying "I know him very well and can vouch for his sincerity". See his other comments on '**10 reasons**' why I'm sure BG is a shill'. "In summary - Digger give us all a break - it is hard enough fighting the real enemy without having to fight

amongst ourselves." See my 'CHRIS SPIVEY' pdf where I make the point that these big 'brave' men target what they all describe as the *real* enemy – the high up untouchables, such as ... the bankers. Also notice how vague RH is in his comments on HG, and how he likes to make the connection with Aberdeen paedos! See what [Revolution Harry](#) says about the 'Pied Pipers of the Truth Movement', including the pally trio Roger Hayes, John Harris and Brian Gerrish.

The following is my email to John Harris at TPUC 20/3/13:

Dear John

I am not sure that you received my previous email, so I'm writing again in the hope that you receive this.

I have come to realise how dangerous the 'controlled opposition' are to Truth as they are so successful at neutering serious opposition. Shills and fake 'victims' are insidious creatures and more dangerous than a corrupt establishment. Please see [http://www.sharonkilby.co.uk/site/WAR\\_ON\\_SHILLS.php](http://www.sharonkilby.co.uk/site/WAR_ON_SHILLS.php) for more.

These 'people' are traitors of the worst sort. They are causing so much injustice and suffering to the unsuspecting public. For example in the Hollie Greig story, 22 innocent people are accused by the HDJ group of raping Hollie. That story is totally baseless and yet so many people support it. Sabine, author of 'Victims Unite' for one supports and promotes it; just as fiercely as she protects her good friend Belinda Shill McKenzie.

I believe the HG case holds the key to revealing many shills currently prominent in the so-called 'Truth Movement'. See [http://sharonkilby.co.uk/site/Why\\_the\\_HG\\_story\\_may\\_hold\\_the\\_key\\_to\\_revealing\\_the\\_shills..php](http://sharonkilby.co.uk/site/Why_the_HG_story_may_hold_the_key_to_revealing_the_shills..php)

Richy of Lawful Rebellion told me that you also felt the HG story is 'dodgy'; have you written or do you intend to write an article for TPUC exposing this hoax?

Are you not curious as to why this story was accepted as fact and promoted so widely by so many people in the 'alternative media' in UK and internationally? Do you believe there is a bigger picture to the Hollie story that needs to be explored if we 'Truthers' have any hope of trying to stop the NWO?

22 innocent people have been accused of paedophilia, several others have been wrongly labelled child abuse victims and Hollie herself has been and is still being exploited. It is down to 'Truthers' like you and me now to help them find truth and justice. The real perpetrators need to be brought to book for their part in the HG scam. Inaction just prolongs the injustice and suffering.

Would you also agree that anyone who is serious about trying to stop the NWO will do everything possible to expose the shills/fake 'victims'? Please will you help me expose the shills - Sabine McNeill and Belinda McKenzie. See <http://www.theholliegreigcoverup.net/latest-news.html> re Sabine and Tony Farrell.

Everyone needs to decide who's side they're on. There is no half way house. Apathy is a wonderful weapon for the ruling elite.

Sincerely,

Sharon Zaki

P.S re Sabine, somebody recently told me that I wasn't the first to point out that she is a traitor. One of the things I told this person is: "Your last sentence says it all. Genuine victims and sincere 'truthers' are put off uniting and helping each other because we don't know who is 'real' anymore. That is why we genuine folk need to do our best to expose the shills and the fake 'victims'." I also said: "Yes the truth will out, but it will take so much longer if genuine people like us, who know things, keep quiet. The longer people 'sit on the fence' the longer injustice continues. When I realised that Sabine is a traitor, I toyed with the option of staying quiet; knowing it'd be easier to do so. But my conscience told me to do what is right. What happens when x months/years down the road, when more people are speaking out about Sabine [and Belinda and Hemming and others closely associated with Sabine and V/U] and you are asked why you stayed quiet when you *knew* who she really works for; how are you going to feel then? You will look a fool and a coward, especially when there are almost no genuine people left participating on V/U because genuine people have chosen to have nothing to do with her and have exposed her instead."

The following is my email exchange with Roger Hayes of BCG in March 2013:

Dear Roger

Subject: Please help expose the HG hoax, and with that, the shills.

Hello Sharon

I have very definite views about subject matter and would be willing to discuss openly and honestly with you... but the internet and telephone are not the appropriate vehicle to do so... I would be prepared to meet with you in person... at a mutually convenient time and place.

Respectfully, may I ask - who are you? Your name is not known to me.... we all have to be careful... I am sure you appreciate what I am saying.

Hi Roger,

Thank you for your reply.

I am just another 'truther' like yourself. You can read my story here if you are interested [http://sharonkilby.co.uk/site/SHARON\\_ANN\\_KILBYS\\_STORY.php](http://sharonkilby.co.uk/site/SHARON_ANN_KILBYS_STORY.php)

I do not see the point in us meeting up to discuss this as it is not a private matter. We could exchange views between ourselves until the cows come home, but to what end?

I am simply asking you to confirm whether or not you too feel the HG story is 'dodgy'. If so are you going to publicise your view [or at least find out more - perhaps by way of a Q & A session with both the HDJ team and the HGH team or maybe just with the Hoax team.] I'm sure you agree with me that this issue needs resolving and it is up to us 'truthers' to do our bit in that regard. [It is only fair, now that there is overwhelming evidence that this story was fabricated that the Hollie Hoax team get a chance to set the record straight; after all, the HDJ campaign received a lot of publicity in the UK and abroad, even though the story was without merit.]

As 'Digger' rightly says, ***"Anyone who stands in the way of Truth, at any level; and does not actively propagate the Truth they know and resist this tyranny at some level, is helping to create death, destruction and suffering. Therefore they are on the side of darkness and a traitor to humanity."***

Best,

Sharon.
