

YANNIS EMMANOUEL written by SHARON ZAKI

Maggie Tuttle let me know that **Yannis Emmanouel** of 'Family Justice Exposed' is an enemy soldier too. **Read our exchange of emails which is published just below.** One of the things I told Yannis when he tried to tell me that she has good intentions is: Maggie protects criminals, condones evil and turns a blind eye to injustice. She is a NWO gatekeeper. "One who condones evil is just as guilty as the one who perpetrates it."-- **Martin Luther King, Jr.** I also pointed out that Maggie is far from frail when it comes to fighting Establishment figures. The problem is she refuses to fight the people who protect those figures. She reminds me of my old friend Norman Scarth - he was a brilliant trooper against the Establishment; sadly he too protects the people who protect the Establishment. That makes him a gatekeeper as well. ALL gatekeepers are traitors. Seriously I have far more respect for the Sheople than pretenders. They are despicable creatures – cowardly liars and worthy of utter contempt. For cryin' out loud people if you seriously want to do your bit to stop the NWO you must listen to your conscience and speak **full** truth. Speak out for what's **right**. If you can't, for whatever reason, go back to sleep. Choose a side.

Yannis is just another pretender. He speaks vaguely, says a lot, but doesn't back anything up with evidence. He tells me he's "written articles against all the gatekeepers" but he can't show me any and can only name 2, one of which is a 'safe' MP [everyone in this 'game' knows ALL MPs are NWO gatekeepers.] He tells me he's read the HG 'scandal'; says it's a 'cover up', but when I press him to explain what he means, he says he doesn't know the story in person, so he can't comment for or against. Oh Jesus, give me strength. Evil triumphs when good people do NOTHING. Yannis also cries "defamation" because I tell him he's on Satan's side. Silly, cowardly man. Yannis, Maggie and all the other faint-hearts need to read the bible. Over 365 times in scripture, we are commanded NOT to be afraid, and in Revelation, first in the list of those who find their place in "the fiery lake of burning sulphur" along with murderers, idolaters and liars are the COWARDLY. There is no place for cowardice in God's army because if we truly know who it is we follow into battle, we will not fear. God needs people who will take a stand for Him in spite of any tribulations [mental pressures] he or she may face. You cannot serve two masters. If you do not speak ABSOLUTE truth you are NOT with God. So all pretenders, cowards, evildoers, twisters of truth i.e. liars... are with Satan, and will burn in HELL with him for eternity. It is that simple.

When people stay silent it makes me wonder what skeletons they have in their closets. I wonder what it is that they really fear being exposed, or what it is that the authorities have on them. What *really* buys their silence?

Here follows our exchange of emails [January 2014]:

Hi I am Yannis.

A true and “logic” campaigner who have now open few cans of worms against the syste.

I don't hide I give telephone (landline) name and address. Maggie show me your emails.

Your website it tells many truths and at the rate of 75% we agree

My wbsite is

<http://familyjustice-exposed.com/>

Do you think that there may be a misunderstanding with Maggie?

Remembering that she lacks knowledge of It so she cannot use computers, and so I think se means well.

I agree with you about some names you have mention that are suspicious.

In my facebook posts I have exposed “names” that they maybe on the other site.

It is my opinion that giving the age of Maggie (73) and her good intentions that we should NOT attack this old lady. As I say she means well.

Please reply and contact me because our ideas are very similar.

Kind regards

Yannis Emmanouel

My facebook profile is:

Where do you expose these names, Yannis? I don't see that you expose any names on your website or facebook. I see that you are facebook friends with Sabine McNeill, Andy Peacher, Michael Doherty...

I see you have links to Freedom Talk Radio and a talk by Ian Josephs; also 'Walk for Justice' - with Belinda McKenzie...

Where do you expose any controlled opposition agents?

Where do you expose the Hollie Hoax?

You say you agree with me about some names that I mention that are 'suspicious'. Please name these people.

Maggie lacks knowledge of what? Can't use computers? Nonsense. Maggie is a very knowledgeable, capable and intelligent elderly lady and she can read anything on the internet.

Good intentions? NO, she protects criminals, condones evil and turns a blind eye to injustice. She is a NWO gatekeeper. "One who condones evil is just as guilty as the one who perpetrates it."-- Martin Luther King, Jr.

Because she is old I should leave her alone? Well if we were fighting a conventional war, I'd agree that we'd be better off with young soldiers. BUT we are in a 'truth' war, so age doesn't matter. In fact the older soldiers are better because they know what life was like years ago, before the world plunged into moral decline, when men were men ... In any case Maggie is far from frail when it comes to fighting Establishment figures. The problem is she refuses to fight the people who protect those figures. She reminds me of my old friend Norman Scarth - he was a brilliant trooper against the Establishment; sadly he too protected the people who protect the Establishment. That made him a gatekeeper as well.

There is no misunderstanding with Maggie. Gatekeepers cannot be tolerated. They are insidious creatures; worthy of utter contempt. People like her seriously undermine the work of genuine truth soldiers. What she is doing is an insult to children.

Why do you protect Maggie? You both should be vomiting fury about the Hollie Greig scam. And both of you should despise everyone who promotes the 'Hollie Demands Justice' campaign. When fabricated stories like that dominate the blogosphere [and it is by no means the only fake story] the voices of people like me, who have verifiable proof of Establishment corruption are drowned out. The wider public are not interested in 'way out' stuff. Plain facts with verifiable proof is what is going to get us heard. You should be helping me and all the other genuine truth soldiers, not hindering us.

And do you not realise that the ruling elite are desperate to pull the plug on freedom of speech via the internet? Can't you see that unsubstantiated stories always contain defamatory statements against the 'High Ups' and that they could be used as the excuse to bring in new laws which would curtail free speech?

You do realise we are at war, don't you? This is not a game and we don't have time to dilly dally. Choose a side.

Please address all my points, as I have done yours.

Just in case you still do not fully understand, I will stress once more, Gatekeepers are the enemy. When they are dealt with, the global establishment corruption will be exposed and can then be addressed. It will happen naturally and the battle will be easier.

You claim to be exposing 'family justice'. As far as I can see you are exposing nothing.

Unless you can show me otherwise, you are just another pretender, which makes you just another gatekeeper. Please prove me wrong.

Remember the court which has the ultimate and greatest power in the world is the "People's Court" and Satan's followers will awake to shame and everlasting contempt. His wrath comes on those who are disobedient. All liars, cowards, vile folk ... will be in the fiery lake of burning sulphur.

Regards,

Sharon.

BTW Sheople are more deserving of respect than pretenders.

Pretenders are cowardly liars. Despicable creatures.

I understand your anger and frustration.

But you wrong about my links.

The people you mentioned I attacked daily as gatekeepers on my facebook <https://www.facebook.com/yannis.emmanouel.7>

Phone me and we can discuss my input.

I been the number one public enemy of the Judicial Social services, John Hemmings and Ian Joseph for whom I dare to attack on y facebook.

But I don't bare gruges against anyone who says I am the gatekeeper

My 14 years old daughter Anastasia is in foster care.

Was I who in 2011 exposed CORE ASSETS LIMITED whilst all others was blab la blab la.

I share information and exposed through DAILY MAIL and 5 websites.

I am on your side

Check my facebook and see if we agree or not

The reason that I don't expose in your email names is, because once I been set up so fool Greek Me I wrote the names that I was suspicious off.

Suddenly I was crusified.

But trust me anything you write in this Email I agree 100%

Now you are saying I don't expose names on my facebook

I have written articles against all the gate keepers including Ian Joseph and John Hemmings.

I even made funny photos of them.

All facebook groups (family law related) have my posts

But remember I don't know everything.

Yes I read the Holy Graig scandal. Yes I know is a cover up.

But I havent spoken to anyone related to this case but I believe anything related to this case.

Yannis, I have been all over your facebook and do not see where you expose anything. I shouldn't have to search. This stuff should be jumping out at me. I see you are still FB friends with the people I named.

You say you've written articles against all the gatekeepers, including Ian Josephs and J Hemming. Where are they??? Why don't you expose all these gatekeepers on your website? You mention Daily Mail and 5 websites. You don't name these sites or provide links. The Daily Mail would not publish anything of this nature.

You say you've read the Hollie Greig scandal; that you know it is a cover up. You do not make yourself clear. What do you mean by it is a scandal and a cover up? It sounds like you support the story. If not, where's your write up exposing this story as a pack of lies?

You say your daughter is in foster care. Presumably that is as a result of foul play. Where do you expose the corruption that led to her being fostered?

You are trying to convince me that you are on my side. You're doing a lousy job. You're on Satan's side.

Please let me know when you decide to expose the gatekeepers i.e all those in connection with the HG story – Belinda McKenzie, Robert Green, Sabine McNeill, Brian Gerrish, Anne Greig ... and all those who protect such people, such as your friends Maggie Tuttle and Phil Thompson. Until then don't waste my time; carry on pretending.

Regards,

Sharon.

lok

You are using now defamatory language accusing me of being on the satans side.

I will not reply to this.

Learn first who I am and what is my story.

I doubt you seen my facebook because all my attacks and exposures including the sarcastic photos of Ian Joseph and John Hemmings together are there in public view,

I don't know in person the Holly Graig story or the Moussas so I cannot comment for or against.

Tng what you may about me.

As for my daughter if you wish I send you the threshold which was NONE.

The social services havent applied for an ICO stating that I was a good father.

A criminal judge force them 3 times to remove my child to teach me a lesson.

If you wish I will send you via his Email documentation.

Mean time.. have a nice day and think what ever about me.

But read first what I have posted.

Without me NO BRITISH PERSON would have known that core assets limited
