IN THE NAME OF FREE PRESS

Your just like Geza with that dressing up, please let me have your views..

List of names given to me by you. Not John Overkill:

- 1) **Controlled opposition agent**
- 2) **Shills**
- 3) **Freedom Journalism my arse**
- 4) **NWO agents**

John Overkill is in the same work as me ish [no he isn't, he's genuine, you're not] wake the f_ck up. Notice that – he's making a point of *not* saying 'fuck'. You gotta laugh, this clown John McTear [like so many other shills] pretends to object to swearing [especially saying the word 'fuck'] yet *secretly he's protecting wealthy, powerful paedophiles*. Problem with John is its all intuition and guess work as he also fails to get to know thy enemy. *You wish. He knows the enemy and he's good at what he does.* However John Overkill's channel is worth following. *Yes it is.* I personally gather evidence, research and then document. *That's what you want the public to believe. You do no such thing; you shill for the NWO – you promote disinformation. Also being with the so-*

called shills really does help if you want to criticize. *So-called shills; LOL. This twat John McTear is telling us he's with the shills, he's telling us he's one of them.*

John covers Grey Bleeder / Marco Giovanni

I research and over edit with more info here:

<https://www.facebook.com/b4ur12/videos/3178976925752093/>

I promoted the shills to get the numbers into London? *He promotes shills. Who are the shills, John? You just said 'so-called' shills. We had almost 2 million people on the streets with many unique signs against the tyranny, so I agree to playing the game to a degree. Carry on pretending arsehole; no-one's buying your bullshit. The only game you're playing is with your masonic mates whereby all you evil motherfuckers are shafting the public. This was powerful considering a revolution only takes 3.5% of a population for a tipping point. That population needs to be united in truth – FULL TRUTH. As I say here JOHN-OLOONEY-KEVIN-CORBETT-DARREN-NESBITT-DAVID-CLEWS-JAMES-HARVEY-JEFF-WYATT-SAM-WHITE-TESS-LAWRIE-SUCHARIT-BHAKDI-STEPHEN-FROST-ANNA-DE-BUISSERET-AND-OTHERS-.pdf (sharonkilby.co.uk): Right now the people who are awake to their impending enslavement are divided in lies. Why is that? Because they are listening to people who are not telling the full truth; they are listening to people who they think are freedom fighters; they are listening to people who are pretending to be freedom fighters. They are listening to the enemy.*

LOL, I don't have to hunt skills, they come to me, I just expose them. And that video has over 100 views [not too bad for a *genuine* freedom fighter.] It goes without saying of course that if he was genuine he wouldn't be mocking me for my efforts to destroy the skills, he'd be supporting me.

Did you even watch my re edits of covidland? I did, and as I say Covidland is an INFOWARS movie. It is promoted as "a riveting and fast-paced movie made by award-winning filmmaker Paul Wittenberger and narrated by Alex Jones ...". Na .. I cut out Alex Jones and edited in the facts like isolation of the virus and end of life drugs. This is not the same video at all:

<https://www.facebook.com/watch/1699418343675339/560817214999961/>

Covidland was edited because it was so promoted by the skills, that how it works sometimes. Yeah yeah, who do you think you're kidding? It was exactly the same with the snake venom bull shit:

<https://www.facebook.com/b4ur12/videos/656637925440087/>

I created a playlist tool split into segments for waking people up [you're pretending to wake people up, you're working with other scumbag skills to keep people asleep; what level in the lodge are you?], just like the very very large parliament on jabbing kids playlist I worked on here:

<https://www.facebook.com/watch/1699418343675339/554660035766450/>

You claim I promote Alex Jones, Please see my Alex Jones promotion here:

<https://www.facebook.com/b4ur12/videos/1164390527429250/>

<https://www.facebook.com/b4ur12/videos/3031248880446317/> One video is entitled 'PLEASE LEARN ALEX JONES IS FAKE - DELETE HIM' and is dated 26 November 2021 and the other is entitled 'ALEX JONES - PART 2' and dated 30 November 2021. LOL, John decides to 'expose' Alex Jones after I'd exposed him.

You call out so many people that we can see why you stand alone with 9 followers, good luck with that. Being a *genuine* Truth soldier is a lonely business. "[The Narrow Gate.](#) 13Enter through the narrow gate. For wide is the gate and broad is the way that leads to destruction, and many enter through it. 14But small is the gate and narrow the way that leads to life, and only a few find it. 15Beware of false prophets. They come to you in sheep's clothing, but inwardly they are ravenous wolves...." [Matthew 7:13-15.](#) Your page has no views if you check the

stats: <http://sharonkilby.co.uk/take-the-mask-off-take-your-freedom-back/>
I have no idea what the stats are; all I know is enough skills, including you John, have contacted me to let me know that they are upset with me for exposing them. That's good enough for me.

Following the leaders.. Well its the followers the create a movement not the leaders:

<https://www.facebook.com/b4ur12/videos/345505533640473/> Followers of liars and deceivers do NOT create movements.

I organised a protest but **gut the skills involved**. He ~~gut~~ got the skills involved – he's telling you he involved people who **lie and deceive in service to the Satanic, masonic NWO that they pretend to be protesting** <https://www.facebook.com/b4ur12/videos/216295663934554/> **I would agree the skills were there** [if you were not a skill you would not be ok with that], but you need to name them all if your going to attempt to name one. You have no intention of naming any of them, let alone *exposing* them. And why is that? Because you're *not allowed to*; your job is to protect your fellow fake freedom fighters. John, your attempt to hoodwink me just confirms what is already blatantly obvious – that you are a total dork and a p-o-s skill.

The protest was accessible to **all levels of awake people** otherwise you are so much more “on IT” or “woke” than all those people attending Llandudno, you calling us all out: <https://www.facebook.com/b4ur12/videos/283318810243886/> I'm calling out you and all the other dirty deceivers – the scum who spread *disinformation*. Most if not all of the protesters will have been people who are in *half-truth* awareness. You bastards made sure they stayed that way; you evil scum made sure they stayed asleep.

You say Stand in the park are controlled [they are – they promote controlled opposition snakes and disinformation which means they do NOT stand for freedom] and **I promoted them**:

<https://www.facebook.com/b4ur12/videos/730930571117047/>

Have you even seen the stand in the park video? **I know who the leaders are; that's all I need to know**. Standing in the park was **followed by thousands** [yeah thousands of half-awake people who will never wake up while they listen to filth who spread half-truths and conspiracy theories] in the park and **organising on a county level way above any controlled opposition** [more BS – the controlled opposition *organise and lead* all large demonstrations], you didn't go did you? Why would I? Why would I waste my time attending a *fake* freedom gathering?

What do you practice? Is it love? Is it wisdom and understanding?:

<https://www.facebook.com/b4ur12/videos/709725473659408/>

I practice speak the TRUTH, because only the truth [the full truth, not half-truths] will set us free.

Did you see me dismantle Luke the fake protester?

<https://fb.watch/ew8GvijYjv/> Do you want a medal? John, let's see you expose ALL the shills that you promote. You don't have to go to the trouble of making any more of your slick films – I've done all the work for you; you can *just promote my site*. Let me know when you have done so 😊

Don't worry your not a threat to the truth [I know I'm not; you are though], you have zero views on your web page and 9 followers that are not really following you; in other words you talk to yourself. So if no-one is listening to me, why do I bother you? Why do you keep emailing me? Why do you waste your precious time on me? Why do you try to *defame* me by getting creative with my videos? Why do you feel the need to mock me?

My latest playlist "THE MASONIC ZIONIST JEW WORLD ORDER". It is no surprise to see him promoting the '**JEW** world order' *disinformation*. More on that here [DIGGER-IS-A-SHILL.pdf \(sharonkilby.co.uk\)](https://www.sharonkilby.co.uk/DIGGER-IS-A-SHILL.pdf) Just getting started with this:

Any true religious person knows that RSE in schools is satanic, what are you doing about this? Yes it is. It is all part of the New World Order. What I'm doing, as you know, is exposing fake truthers like you who are secretly working for the all-powerful masonic nonces who are bringing in the NWO. I looked over your pinned posts and see your spending many hours calling B4UR1 Media and other people out. Yes, I'm calling out the NWO enablers. What about the kids? Like all the other shills you only *pretend* to care about the kids. You are secretly working for the powerful paedophiles and their corrupt enablers that you pretend to be exposing. The only people who are doing anything for the kids are the *genuine* Truth soldiers – the ones who are being persecuted for *exposing the truth that will set us free*; the ones who take on the evil

deceivers. I did originally think I could do with someone like you on side [I am not on the side of shills], until I realised you are faithless or have false faith, your ruthless and faithless. Ruthless, yes – when it comes to exposing shills like you. Faithless no. I have faith in God; pity you don't.

Focus and repent if you really do have faith, still time for you to save a kids life with some truths.. *You turn to God and repent John. Do it now while you still can. Time is running out. You do not want to feel God's wrath.* RSE is satanic:

A few hours later, under the subject heading 'WTF' he sent me this email:

Are you Tyler Mctear? Show your face and the face[s] of whoever else is behind B4UR1 Media. Why are you hiding? Genuine freedom fighters don't hide.

I'm still more than willing to put your mind at rest if that's possible at this

stage. OMFG, what a wanker he is.

keep up your work [he can't bring himself to say 'good' work; LOL], keeps others safe whilst your busy in there. I don't think he'll be feeling that way when he sees my response to his emails!

Be well and be safe. LOL, like you care if I'm well or safe you fake fucktard.

John B4UR1 Media.”

This guy John McTear is a bit like Fiona Johnston – desperate. They both praise me, then they mock me, then they accuse me of defaming them. What was it Gandhi said? “First they ignore you, then they ridicule you, then they fight you, and then you win.” [Mahatma Gandhi \(Author of Gandhi\) \(goodreads.com\)](#) I've gone through the stages of being ignored and ridiculed; now they're fighting me, then I and **everyone else who is a genuine servant of God WINS.**
