

WE ARE AT WAR; the war is a TRUTH WAR; the fight is for OUR FREEDOM; the STAKES COULD NOT BE HIGHER. Before reading anything I have to say watch this video [\(1\) X Factor Winner Reveals World's Secret Religion – YouTube](#) and please watch it to the end before deciding whether or not Jesus Christ is real if you are one of the unbelievers. Will R. Jova rightly says that the masonic secret society that rules the world is Satanism and that “if Jesus Christ was not true people who believe Lucifer is God [the Freemasons] would not be running the world, atheists would be”. He also rightly says that “Jesus foretold a world-wide cashless system, a world-wide government and a world-wide religion”.

Martyred hero Bill Cooper was one of the world's greatest freedom fighters. He was warning us more than 30 years ago of the looming New World Order. This was his vision of the future [RFID Chip – Bill Cooper – YouTube](#). He is right. Not enough people were listening to him then [Real Talk Tribute – Bill Cooper – YouTube](#), people en masse MUST listen to him now. [Until I Find A Way – Bill Cooper – YouTube](#).

The men in power, who operate behind a spider's web of inter-connected [SECRET SOCIETIES](#) [FREEMASONRY – which consists of various fraternal organisations – being the world's most well-known secret society, and the one which directly affects us all] are doing anything and everything to stop the public knowing the truth. They are achieving this via their extremely sophisticated world-wide network of gatekeepers, also known as enemy agents. These gatekeepers consist of ALL mainstream media reporters and a frightening number of trolls, fake victims and fake armchair-detectives who dominate the so-called alternative media; and they are all controlled by men who occupy high levels within these secret fraternal organisations. For ease of reference, I call them masonic. [A better description of them is the masonic mafia.] The job of the gatekeeper is to prevent you knowing that we are **enslaved in a masonic matrix** [a *masonic pyramid of control*.] They keep you entertained in happy ignorance or in a *state of confusion* burrowing down never-ending rabbit holes to stop you getting to the truth and to put you off seeking it, thus keeping you in the dark and therefore **under control**. They achieve this through sophisticated deception. Enemy agents are paid to put out lies, lies by omission of truth, disinformation, half-truths, spun truths and fake stories. These bastards are working for the evil billionaires who are at the top of the human pyramid, being paid and protected by them to ultimately take away our free speech on the internet and completely enslave us in the NEW WORLD ORDER.

The NWO [now known as the Great Reset] is hurtling towards us at a terrifying speed, but only because we are GIVING AWAY OUR FREEDOM. HUMANITY IS LITERALLY SLEEPWALKING INTO SLAVERY. Please read my pdf [TAKE THE MASK OFF](#). The agenda is to control us all in a cashless society under a digital ID social credit system, much like the Chinese are governed in communist China.

We are now in the FIGHT OF OUR LIVES AND EVERYONE HAS TO RESIST NOW, before it's too late. Everyone needs to GET OFF THEIR KNEES AND RISE LIKE LIONS. We are in a *race against time* to awaken enough people up to the truth so that they too will join the resistance as only *the truth can set us free*.

The Truth Will Set You Free

So Jesus said to the Jews who had believed him, "If you abide in my word, you are truly my disciples, ³² and you will know the truth, and the truth will set you free."

<https://www.biblegateway.com/passage/?search=John+8&version=ESV>.

At the time of writing this [December 2022] the people who *are* awake to their impending enslavement in the NWO are ***divided in lies***. That is because they are listening to people who are ***not telling the full truth***; they are listening to people who they *think* are freedom fighters; they are listening to people who are *pretending* to be freedom fighters. They are ***listening to the enemy***.

Our task therefore is to *purge the internet of the deceivers*. EVERYONE MUST DO THEIR BIT TO BRING DOWN THE EVIL CONTROLLED OPPOSITION NETWORK. IT IS ONLY WHEN THESE DEADLY ENEMY AGENTS ARE DESTROYED that the **public will believe we genuine Truth warriors who are trying to awaken them. Only then can the rulers of the world no longer divide us for we will all be UNITED IN TRUTH. Only then can we be FREE.**

I can't stress it enough, **WE ARE AT WAR**, whether we want to be or not. The war is a **PSY-WAR**. We are being **psy-opped** like never before by the all-powerful freemasons. So, the war has been declared. We are called to fight and we must fight to win. You are a part of one side, and there is another side – an extremely powerful enemy – that's out to get you and **destroy you. AND IT WILL WIN IF YOU DON'T WAKE UP.**

You need to stop complying with your own enslavement, stand up to tyranny, lose the fear, confront evil, listen to your conscience, and blow the whistle on wrongdoing; and that includes blowing whistles on ALL NWO enablers – all the liars and deceivers who pretend to be on our side, fighting for our freedom, but who are in fact our BIGGEST ENEMIES.

There is no room for cowardice. Cowards are NWO enablers. Is there a cure for cowardice? YES; it is simply to **believe in GOD**. [Cowardice - Bill Cooper - YouTube](#)

[GOD DOES EXIST](#). Ask Him for the courage and the strength to show you the way.

“You’re the voice, try and understand it
Make the noise and make it clear, oh, woah
We’re not gonna sit in silence
We’re not gonna live with fear, oh, woah

This time, we know we all can stand together
With the power to be powerful
Believing we can make it better.” [\(1\) John Farnham & Melbourne Symphony Orchestra – Your the voice – YouTube](#).

Everyone must do their bit. What we all do as individuals either furthers our enslavement OR puts us ALL on the path to FREEDOM. This fight cannot be done by only a handful of people and there are no leaders.

Genuine researchers and publishers of truth [the real freedom fighters] are under constant attack. We need support, and we need it NOW. FASTHOSTS hosted my website for several years until January 2012 when they were given the order to gag me on the excuse of my site containing “potentially defamatory material” [they didn’t bother to check if it did] and my site was promptly pulled. Fortunately I was able to find a host, Dave, who assured me he would not be intimidated by cyber libel threats or false and malicious [DMCA notices](#). He is true to his word. Unfortunately in June 2017 my old Soholaunch site builder became corrupted and I had to rebuild my site. More recently [October 2022] my site again came under attack [Dave informed me that he’d had “a few abuse messages” from his data centre saying my WordPress had been hacked] and I have again had to rebuild it [December 2022.] Consequently, my links in my PDF files to my other PDFs now no longer work. Please accept my apologies!

In view of the fact therefore that this website is under serious attack from the freemasonic censorship brigade I would be very grateful if people would PUBLISH THE SITE'S CONTENTS INDEPENDENTLY OF ME.

ONLY THE TRUTH will set us free. **Never forget that.** Revolution is NOT the answer because it doesn't deal with the people who control the governments. They *want* revolution. Their aim is to crash the current system through economic turmoil, chaos, and destruction to make way for their New World Order. Right now, they're succeeding. Lawlessness and society breakdown is on the increase. The *masonic-controlled* media, authorities and judicial systems are allowing this. The *masonic-controlled* NWO shills are encouraging it. They want people to revolt – get angry and attempt stupid things like arrest a judge or ask if he's on his oath, seize courts, resist/arrest a police officer, evade debt ... They call it 'lawful rebellion'. It isn't, it's **criminal behaviour**. We are being *encouraged to commit crimes*, which will lead to prison for us and hardship for our families. The men in power **want a complete breakdown of family units**. They want anarchy on the streets as this will be the excuse they need to bring in martial law. More people will be thrown in prison, taxes will increase to pay for more police officers and the building of more prisons ...

Folks, please, do NOT get taken in by so-called freemen. Shun them wherever you see them; and condemn them. They are NOT on your side. They are agents provocateurs. They encourage their naive followers and innocent bystanders to commit crimes; they want mobs of people descending on the courts, being disorderly and confrontational. Their aim is to create the circumstances whereby it is necessary to 'up' the security in the courts, which will mean the deployment of extra security guards and police; most probably *armed* police. Taxes will have to rise to pay for it all. This will ultimately *lead to a complete ban on members of the public attending courts to witness cases*, as they'll be deemed a possible 'terrorist threat'. When that happens we will have lost all hope of justice being delivered in the courts.

DO NOT RESORT TO VIOLENCE. This war will NOT BE WON that way. The words of truth are far mightier than the gun and only love can overcome hate.

[William Cooper – Restoration NOT Revolution!](#)

As Bill says we are the watchdogs of our government. It is founded on the people, for the people, by the people. When did we ever agree to put our trust in a handful of men who meet secretly to decide our fate? It

is time to **stand up in the manner of our forefathers and walk like real men.**

He also says: "**IT IS NOT THE JEWS, IT IS NOT A JEW WORLD ORDER. THE NWO HAS NOTHING TO DO WITH JUDAISM OR THE JEWISH PEOPLE.** The Aryan race believe they are a master race; that they are the true Israel. In the State of Utah, the Mormon church is probably the most Zionist entity that exists on earth. It was not the Jews who brought about Israel, it was powerful interests in the USA and UK."

See this [brilliant presentation](#) whereby Bill Cooper explains **socialism**, the system which Hitler established; the social reality which so many Germans were so eager to embrace or so willing to endure. The politics which began in a theory and ended in Auschwitz was the "total state". The term, from which the adjective "totalitarian" derives, was coined by Hitler's mentor, Mussolini.

And have a read of this [HOTT - Socialism = Nazi \(hourofthetime.com\)](#). I quote: "Hitler was a socialist.

The nasty little secret they don't want you to know!

THE OMINOUS PARALLELS, by Leonard Peikoff...

A Veritas News Service Book Review – "A magnificent work... it should be required reading for all Americans. This book reveals socialism's nasty little secret." William Cooper

Excerpt from Chapter One.

The Nazis were not a tribe of prehistoric savages. **Their crimes were the official, legal acts and policies of modern Germany** -- an educated, industrialized, CIVILIZED Western European nation ..."

Hitler himself says in his political manifesto/autobiography *Mein Kampf*: "The best way to take control over a people and control them utterly is to take a little of their freedom at a time, to erode rights by a thousand tiny and almost imperceptible reductions. In this way, the people will not see those rights and freedoms being removed until past the point at which these changes cannot be reversed."

SOCIALISM IS SLAVERY. It was created by the rich as the ultimate method of enslaving and controlling the masses by making them totally and completely dependent upon the State.

SLAVERY – You work, work, work, live a miserable life and end up with nothing because the Masters take everything.

SOCIALISM – You work, work, work, live a miserable life and end up with nothing because the Government takes everything. See William Cooper – The UGLY Truth – [B'nai B'rth & the ADL](#).

During the Porterville presentation Bill also explains why we have to believe in God if we value freedom. In a nutshell he says, “We need God to protect us from ourselves. Man cannot be God. Power corrupts people – ALWAYS.”

See William Cooper – Behold A Pale Horse [here](#) and [here](#). Please note, Bill later realised that the extra-terrestrials claims are nonsense. He says: “It’s a scam. What they call UFOs are real but they’re not piloted by some little green guy from another planet; they’re owned and operated by various countries’ *governments*. The technology is real. It is being kept secret and is being used to promote this concept that there is an [Alien threat to this earth](#).” See also [this video](#) where Bill Cooper talks about the Illuminati plan to have us believe in an extra-terrestrial threat. And ‘[Hoax Alien Invasion Planned](#)’ by Bill Cooper.

Listen to another wonderful freedom fighter – [Linda Thompson](#) whose invaluable work brought us the truth about [Waco](#). It saddens me greatly that these two brave and spirited warriors – Bill and Linda – are [no longer alive](#). In that linked video incidentally: ‘Meet Bill Cooper: Murdered at His Home, in a Cowardly Police Action’ Bill reveals who killed JFK and why. Listen from 11 mins.

As regards Bill’s [murder](#) the man speaking about it [1:03:30] is [DOYEL SHAMLEY](#). He is NOT Bill’s ‘friend and fellow researcher’ as thought by Bill, but is just another dirty deceiver – a traitorous, despicable enemy agent.

If you want a vision of the future, imagine a boot stamped on a human face – forever. And it is forever. These are George Orwell’s famous

words in his film 1984. Please watch this film. Or read the book <https://coronacircus.com/wp-content/uploads/2020/05/George-Orwell-1984-ORIGINAL-1949.pdf>. It is not fiction. It is happening NOW. There is no happy ending in the film and there won't be for us unless we take a stand NOW.

Charlie Chaplin's Greatest Speech Ever Made.

As Martin Luther King says, "Injustice anywhere is a threat to justice everywhere". If you don't play your part and fight back now while you still can, sooner or later *you or someone you love* will be a victim of injustice. You may not yet be suffering from the global tyranny, but your children and their children WILL suffer. Do not be afraid to rise and take control. Understand that when you challenge officialdom by simply telling the truth and doing what is right you get **divine protection**. Also understand that the evildoers run and hide from the truth and the righteous like bugs scattering under a bright light. That's all they are – cockroaches, and they can be stamped on and crushed.

"Be not afraid, only believe." Mark 5:36. You would be amazed at the *absolute truth* and *power* of those words. God's word is the absolute truth; I can personally vouch for that. [What does the Bible say about absolutes? | Bibleinfo.com](#)

Remember the lessons of history: "First they came for the Jews and I did not speak out because I was not a Jew. Then they came for the Communists and I did not speak out because I was not a Communist. Then they came for the trade unionists and I did not speak out because I was not a trade unionist. Then they came for me and there was no one left to speak out for me." Martin Niemöller.

We are intelligent, free-thinking, creative human beings. Everyone is unique; we all have our individual strengths and weaknesses. When millions of us wake up and start to control our own lives, instead of *allowing ourselves to be brainwashed and led like animals to the New World Slaughter*, then we'll be able to resist it and **challenge the criminals who are committing atrocious, heinous, unspeakable crimes against humanity**.

'Osho' speaks profound words: "People are afraid, very much afraid of those who know themselves. They have a certain power, a certain aura and a certain magnetism, a charisma that can take out alive, young people from the traditional imprisonment. The awakened man cannot be enslaved – that is the difficulty – and he cannot be imprisoned. Every

genius who has known something of the inner is bound to be a little difficult to be absorbed; he is going to be an upsetting force. The masses don't want to be disturbed, even though they may be in misery; they are in misery, but they are accustomed to the misery. And anybody who is not miserable looks like a stranger. The awakened man is the greatest stranger in the world; he does not seem to belong to anybody. No organization confines him, no community, no society, no nation."

Charles Peguy reminds us: "He who does not bellow the Truth when he knows the Truth, makes himself the accomplice of liars and forgers."

There's a hero in all of us.

We are all here for a reason.

The fat cat controllers fear an intelligent, educated, THINKING, united populace. When the critical mass knows the TRUTH the rest will fall into place. EXPOSURE is all that is needed. They conduct their murky business in the dark behind closed lodge doors. When you shine a light on their activities they cannot function. Game over. The dragon really is nothing like as powerful as they want us to believe it is.

Freemasons, listen up, you may think you are above the Law and that you have life-long protection from the brotherhood, but you have ALL sold your souls to the Devil and are in debt bondage forever. You do not realise that you are, in fact, the most enslaved of all. Free yourselves now while you still can. Turn to God. Put your faith and your trust in Him and he WILL show you the way. Please believe me.

You cannot make a fool of God! A Man's harvest in life will depend entirely on what he sows. Christians need not fear the wrath of God. We have God's promise that we are His chosen. It is true that we should fear God, since He "bought us" and He has been known to put His servants through some pretty severe tests, but **we have nothing to fear about God's wrath if we believe in and follow Christ**. Wrath is not for the children of God. God may discipline, rebuke, or test us, but this is always constructive – for our good! "I will punish you as your deeds deserve, declares the Lord." But even though we were dead in our sins, God, who is rich in mercy, because of the great love he had for us, gave us life together with Christ – it is, remember, by grace that you are saved. The Lord gives the interpretation of that parable. He states that in the last days, the separation of the Wheat from the Tares will occur. "The mighty shaking **has commenced** and will go on, and all will be shaken out who are not willing to take a **bold and unyielding**

stand for the truth, and to sacrifice for God and His cause.” See [Bible Knowledge](#) and [Light Ministries](#).

See also [SPIRITUAL MESSAGES](#).

So, to recap, our fight is against **enemy agents**, otherwise known as NWO gatekeepers, shells, controlled opposition agents, COINTELPRO agents, dis-info agents, LARPer, trolls, fake victims, fake armchair sleuths and mainstream media. All these people are [LYING FOR A LIVING](#). Their job is to keep us from ever knowing the whole truth and to keep us DIVIDED enough in lies so that we can NEVER SHARE A UNITY IN TRUTH. A people kept divided is a people that can be controlled. They just want to keep us in the dark just enough so the men who are bringing in the New World Order [the all-powerful freemasons] can do their evil work. Enemy agents are working to distract, deceive, discredit and disempower us. All these people provide 85-95% truth, and then once gained your trust, take you off in the wrong direction ... to kill time and therefore kill us! Precious time we don't have. The 'alternative media' is now completely in the pocket of the devil. [Vladimir Lenin](#): “The best way to control the opposition is to lead it ourselves.” If we really want to break free from the matrix of control [the **Masonic matrix**] we must expose the controlled opposition agents. I urge everyone to THINK FOR YOURSELF AND DO YOUR OWN RESEARCH. Do not follow anyone. There are no leaders to follow, there are only masses of *thinking* individuals keen to separate the truth from the lies and the facts from theories.

TRUTH = JUSTICE = LIBERTY

“Believer – there will be nowhere to run, no place to hide.

We have been living in the 'Dispensation of Grace'. It is coming to a close. Meanwhile, we have moved into the Dispensation of Revelation.

It is God's will and time to reveal, uncover, disclose, and make manifest, the works of darkness.

Persecution will come to Christians, no matter what we do because "everyone who does evil hates the light, and will not come into the light for fear that his deeds will be exposed". True Christians embody truth and light. Jesus was the first light, and this was said because of Him: "Light has come into the world, but men loved darkness instead of light because their deeds were evil."

The majority of mankind still prefers darkness and evil to light and truth. Therefore, they will do all that they can to extinguish light and truth – and this means ridding the world of Christians.

In the days and months ahead, Satan will grow increasingly angry with Christians. Consider: his time is short and he is so close to seeing the fulfilment of what he has been planning for thousands of years! For him, everything is riding on this. He really believes he can do a better job of running things on Earth than God does. He will do anything to have the opportunity to prove it.

That's all well and good . . . completely understandable – *but the 'pawns' in this game he is trying to engage God in, are the lives and souls of billions of people!* This is a gross injustice! Anyone with a conscience, who knows the truth (this should describe all Christians), cannot just sit by while billions of people are led to destruction! We have a moral obligation to share the truth with everyone.

We can't stop the game, and we can't make anyone's decision for them. All we can (and must) do is to lay the facts before them and let them decide. The game must be played fairly! Granted, most people will turn their back on truth and life. That is their choice. But they at least deserve the opportunity to make an informed choice!

Our 'intrusion' into Satan's plan will throw him into a panic. After all, God (in His mercy towards mankind) is allowing Satan only a brief time to prove his point, and the clock is ticking!

(Lest you think we are bringing trouble upon ourselves, what would you recommend Christians do differently and remain true to the will of God?)

In case I need to remind you – when you chose to become a Christian, you enlisted in God's army. You chose the side of good, in the ongoing war of evil vs. good. You have already enlisted!

If you thought you were just signing up for God's 'reserves' and would never be called up, I'm sorry, you were misinformed. This is a voluntary army – 100%! – but EVERYONE in this army must fight!

If you have woken up to find that you are on the wrong side, walk away. No one is keeping you here.

If you know you are on the right side, but are afraid to fight, it's understandable. We are all human, and we all have a basic instinct for self-preservation. Jesus had to face the same inner battle, in the Garden of Gethsemane, before He submitted to His arrest and crucifixion. You see, He was a human being, with human instincts – and He had free will too. What temptation He must have faced, to just walk away and save Himself! He fought his inner battle to the point of sweating blood!

When Peter, a 'co-conspirator' with Jesus, faced his choice, he chose to lie to save himself. Three times he lied – to the point of even denying that he knew Jesus!! Just a few hours earlier, he had been so sure of his loyalty that he had promised Jesus that even if everyone else deserted Him, he never would. I'm sure he surprised himself when he realized what he had done – because he underestimated his basic human survival instinct. (This is one example of what the Bible calls 'the flesh'. As Christians, we are not to live by our natural instincts and primal desires, but by **God's Spirit in us**, we are to overcome them.)

All that to say: if you're afraid, you're in good company. But you'll have to move beyond that, because a choice awaits you. You aren't judged for how you feel, or what you are tempted with – you are judged by the decision you end up making.

Trying to 'play it cool', keeping your Christianity hidden, or **not living or speaking in a way that's consistent with God's Word**, is compromise! **This battle is much bigger than you.** Your compromise will change virtually nothing in the grand scheme of things – but it will profoundly change you!

If you are afraid for your safety, pray to God to keep you safe! God can **hide you in plain sight!** He can hold your enemies at bay!" [Truth And Light–Nowhere To Run, No Place To Hide | Dontbefooled666's Blog \(wordpress.com\)](https://www.dontbefooled666.com).
