The LGBTQ agenda is being aggressively pushed on OUR CHILDREN – on innocent minds – creating a confused future generation. And who is the God of this world? SATAN. Satan is the GOD OF CONFUSION. The only way we can protect our children is with Christian values and morals. Only God can free us from this Satanic, Masonic evil world.

“**Alice Ann Bailey** was a writer, Theosophist, and **Freemason** who utilized the pen to share **occult** knowledge and promote goodwill for all Mankind's development.

Alice Ann Bailey was a Theosophist and medium who wrote 27 books on esoteric and theosophical subjects. She is widely considered to be one of the most prominent theosophical writers in the 20th century. She **took many of the themes of the Secret Doctrine by Madame Blavatsky** and added and deepened them, adding a new angle and interpretation to many ideas held by the Theosophists.

She was born in 1880 in Manchester England, and spent her youth and adolescence deeply enmeshed in **upper class** British culture. She would end up moving to the United States in 1907 to marry an Episcopalian minister. It was there she began to write, **under the inspiration of an entity she called The Tibetan, a Master of the Wisdom.** She **joined Co-Masonry around this time as well, becoming a member of Verulam Lodge #525 in New York, one of the lodges of the American Federation of Human Rights at the time.** **Freemasonry or any secret society and Human Rights are not compatible.**

Her **interest in Masonry deepened her occult studies,** and references to the Craft and the esoteric meaning and significance of its rituals and ceremonies lace her works. She would eventually break away and **found her own Masonic order** in 1930, furthering her own Masonic interpretations. She **founded several organizations based on promoting goodwill among men and a Great World Religion that would unite all faiths.”** [Masonic Biographies| Alice Bailey \(universalfreemasonry.org\)](#)

“**Alice Bailey** taught a form of universal spirituality that transcended denominational identification, believing that "Every class of human beings is a group of brothers. Catholics, Jews, Gentiles, occidentals and Orientals are all the sons of God". She stated that **all religions originate from the same spiritual source [which is a flat out lie]** and that humanity will eventually come to realize this, and as they do so, the result will be **the emergence of a universal world religion and a "new world order"**.<sup>[81][82]</sup> [Alice Bailey - Wikipedia](#)

I quote from [Alice Bailey 10 Point Plan to Destroy Christianity - InspiredWalk.com](#):

### “**Alice Bailey 10 Point Plan to Destroy Christianity**

BY [STEWART KABATEBATE](#)

Alice Bailey is known as one of the founders of the [New Age Movement](#). She was a writer who lived between 1880 and 1949 and **she is the person who is known for creating the term “New Age”** in her books which mostly focus on the subject of theosophy.

[Britannica](#) describes **theosophy** as “*an **occult** movement originating in the 19th century with roots that can be traced to **ancient Gnosticism**. The term theosophy is derived from the Greek theos (“god”) and sophia (“wisdom”), is generally understood to mean “divine wisdom.”... The **international New Age movement ... originated among independent theosophical groups**”.*

Alice Bailey is known as one of the **prophetesses of the [New Age Movement](#)**. Her teachings and writings are viewed as foundational and authoritative within the New Age Movement.

Alice Bailey’s writings are **so revered and authoritative to such an extent that her [New Age views and philosophies](#) have a social, spiritual and political impact on politicians, various nations and also the **United Nations****. Alice Bailey also founded The Lucis Trust which was formerly known as **Lucifer** Publishing Company in 1922 and it is believed **her organization may have influence within the United Nations**.

**One of the main agendas of the New Age Movement is to become the dominant religion or lifestyle within the entire world.** Therefore in order for New Age philosophies to become dominant, then all other religions **especially Christianity** must either be destroyed or become **less of a spiritual influence within society and in the individual lives of**

people. It is from this desire to see the dominance of the New Age movement that Alice Bailey wrote a 10 Point Plan / Charter to **destroy Christianity so that New Age philosophies may become the one world religion for the world.**

The main purpose of the 10 Point Charter / Strategy is to either **destroy Christianity or to convert the nations to New Age philosophies.** The Alice Bailey 10 Point Plan is also part of a larger strategy to eventually introduce a New World Order system.

**The 10 Point Charter by Alice Bailey is as follows:**

1. TAKE GOD AND PRAYER OUT OF THE EDUCATION SYSTEM
2. REDUCE PARENTAL AUTHORITY OVER THE CHILDREN
3. DESTROY THE JUDEO-CHRISTIAN FAMILY STRUCTURE OR THE TRADITIONAL CHRISTIAN FAMILY STRUCTURE
4. IF SEX IS FREE, THEN MAKE ABORTION LEGAL AND MAKE IT EASY
5. MAKE DIVORCE EASY AND LEGAL, FREE PEOPLE FROM THE CONCEPT OF MARRIAGE FOR LIFE
6. MAKE HOMOSEXUALITY AN ALTERNATIVE LIFESTYLE
7. DEBASE ART, MAKE IT RUN MAD
8. USE MEDIA TO PROMOTE AND CHANGE MINDSETS
9. CREATE AN INTERFAITH MOVEMENT
10. GET GOVERNMENTS TO MAKE ALL THESE LAW AND GET THE CHURCH TO ENDORSE THESE CHANGES.

Let us bear in mind that the above 10 Point Plan was formulated in the early 20th Century — many decades before such a strategy was even conceivable within culture and society at the time.

If one makes an objective observation it would be easy to conclude that this 10 Point Plan is definitely **being implemented at the highest cultural, spiritual and political levels within the world.**

Why? Probably because Alice Bailey is regarded by New Agers and occultists as one of the “prophetesses” of the New Age Movement.

### 1 Timothy 4:1

*Now the Spirit expressly says that in later times some will depart from the faith by devoting themselves to deceitful spirits and teachings of demons.*

**1 Timothy 4:1** reveals that mankind is able to receive teachings from demons or deceitful spirits. Since Alice Bailey claimed to receive inspiration for her New Age / theosophy writings from a spirit being by the name of Djwal Khul it is evident there is a **demonic inspiration** to the New Age philosophies and practices.

**Ephesians 6:12** says: *For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.*

## WHAT DOES THE BIBLE SAY ABOUT THE 10 POINT PLAN?

### 1. TAKE GOD AND PRAYER OUT OF THE EDUCATION SYSTEM

The Bible is clear that prayer is essential in the life of every human being. We have access to God 24 hours a day and 7 days a week. The Bible says that we should “*pray without ceasing*” (**1 Thessalonians 5:17**).

The attempt to remove God and prayer out of the education system is a spiritual attack on the young generation. It is the devil’s attempt to change the minds of the young and lead them away from God and from prayer.

Instead we notice that teachings such as the theory of evolution are taught to children in order to remove the concept of God from children’s minds.

### 2. REDUCE PARENTAL AUTHORITY OVER THE CHILDREN

Reducing parental authority over children is an attack on the family. **Proverbs 13:24** says “*Whoever spares the rod hates his son, but he who loves him is diligent to discipline him*”

When parental authority is undermined and reduced, this will gradually create an undisciplined young generation that does not respect authority. Respect for authority by children begins at parental level.

It is therefore the responsibility of parents to exercise godly or Biblical authority over their children and to also train the children in the values and principles of the Lord (**Proverbs 22:6**).

### 3. DESTROY THE JUDEO-CHRISTIAN FAMILY STRUCTURE OR THE TRADITIONAL CHRISTIAN FAMILY STRUCTURE

There have been many blatant and subtle attempts to destroy the traditional Christian family. Examples are: the promotion of sexual immorality which leads to a growth in teenage pregnancies, adultery, fornication and the like. Sexual immorality destroys marriages, creates a growth in single mothers, increases divorce rates.

Other examples include the promotion of same-sex marriages which are clear attempts to destroy the traditional Christian family.

The Bible teaches us that since the creation of the first man and first woman, marriage is between a male and a female ([Genesis 2:18-25](#)).

Within the traditional Christian family, the husband has a role; the wife has a role and so do the children ([Ephesians 5:22-33](#)).

#### 4. **IF SEX IS FREE, THEN MAKE ABORTION LEGAL AND MAKE IT EASY**

According to statistics, more than 40 million unborn babies are aborted every year around the world. This is clear evidence just by the statistics alone that abortion in this world has become easier and “convenient” due to its legality in many countries.

But is abortion Biblical? **No! God does not support abortion.**

The Bible says that God knows us whilst we are in our mother’s womb ([Jeremiah 1:5](#)). An unborn child is a unique person even though he/she temporarily resides in the mother’s womb.

The promotion of sex through the media and the like has contributed to sexual immorality in the world. It has removed the principle that sex is only to be conducted within the confines of marriage. Sex outside of marriage which ironically is supported by Alice Bailey’s 10 Point Strategy is likely to create more “unwanted” pregnancies which result in increased abortions which the 10 Point Strategy also supports.

An unborn baby is still a human life that God has created and which He values very much ([Psalms 139:13-18](#)). However, every year, more human lives (though unborn) die because of abortion alone, than any disease in the world.

#### 5. **MAKE DIVORCE EASY AND LEGAL, FREE PEOPLE FROM THE CONCEPT OF MARRIAGE FOR LIFE**

Divorce rates worldwide continue to rise. Indeed as we look at our world today, the institution of marriage is no longer sacred or respected. Many couples continue to lose their sense of commitment to each other.

Yet the Bible says that God hates divorce ([Malachi 2:16](#)). [Marriage parallels Christ's relationship with the Church.](#) Jesus Christ is the bridegroom and the Church is the bride ([Ephesians 5:25-30](#)). Therefore an attack on marriage is an attack on God who created the institution of marriage.

In the beginning, God created marriage when He created Adam and decided that it was not good for the man to be alone but that man should have a helper comparable to him. This is why God created Eve and [created marriage so that the man and woman would become one flesh](#) ([Genesis 2:18-25](#)).

## 6. **MAKE HOMOSEXUALITY AN ALTERNATIVE LIFESTYLE**

Even though Alice Bailey wrote her 10 Point Charter many decades before homosexuality became accepted by the world, it is clear that the [push to make homosexuality an alternative lifestyle](#) has gained momentum. The [gay rights movement is a very powerful movement](#) in the world today.

Even [churches are ordaining homosexuals as priests or pastors thereby accepting homosexuality within the church itself.](#)

Even [children are being groomed through entertainment and the education system into accepting and normalizing the LGBT lifestyle.](#)

However, the Bible does not change; [God's word still remains the same in relation to sexual immorality and homosexuality.](#) [Leviticus 18:22](#) says: [You shall not lie with a male as with a woman; it is an abomination.](#)

## 7. **DEBASE ART, MAKE IT RUN MAD**

How does one debase art and make it run mad? [Today we live in a world where pornography and nudity is viewed as an "art" or form of artistic expression.](#) We live in a world where [promiscuity and immorality of all kinds](#) is promoted and celebrated in music and film.

What is Alice Bailey's goal with debasing art? The purpose of art should be to glorify God and edify others. However, debasing art will lead to corrupt minds and a corrupt form of expression.

[Instead of people being edified by art, they are instead defiled by it.](#)

The film and [music industry is filled with both subtle and blatant satanic imagery](#) and messaging in order to [oppose Christian values.](#)

The plan of "debasing art" and making it run mad is [an expression](#)

of the defilement that is already in the soul of man. The Bible says that the heart of man is desperately wicked and who can understand it ([Jeremiah 17:9](#)).

In [Mark 7:20-23](#) Jesus says the following... “*What comes out of a person is what defiles him. 21 For from within, out of the heart of man, come evil thoughts, sexual immorality, theft, murder, adultery, 22 coveting, wickedness, deceit, sensuality, envy, slander, pride, foolishness. 23 All these evil things come from within, and they defile a person.*”

It is therefore the case that the kind of art that we see in the world today is an expression of what is in the heart of men. It is therefore evident that the form of artistic expression we see in music and film is just as the vices and sins that Christ mentions in [Mark 7:20-23](#).

## 8. USE MEDIA TO PROMOTE AND CHANGE MINDSETS

The media is one of the fastest ways to change people’s mindsets on a massive scale. The media has enormous power to persuade and change perceptions and even cultures.

In the world the media is mostly controlled by people who are **not born-again Christians**. Even before the television had become a device that was owned in every household and well before the Internet and social media platforms existed, Alice Bailey understood the power of the media in the future and how it could be promoted to change mindsets.

The media can be used as an instrument for both good and bad.

However, because most of the media is **controlled by unbelievers** or people who support Alice Bailey’s **New Age beliefs**, the media is being used to support the New Age agenda.

[Romans 12:2](#) says: *Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.*

Therefore **we are not to conform to the mindset of the world, but instead we should allow God’s word and teachings to transform our thinking** so that we know the will of God.

## 9. CREATE AN INTERFAITH MOVEMENT

Alice Bailey’s advice to create an interfaith movement is one of the main agendas of the New Age, which may eventually lead to the creation of a **one world religion**. An interfaith movement

promotes the notion that all faiths or religions must become one and look for “common ground” and discard their differences. It is

the ecumenical view that all religions in the world can unite and become one.

It is certain in this day and age that there is a subtle but emerging movement that exists within different faiths from Christianity to Buddhism to Hinduism, which seeks to **promote ecumenism at the expense of the truth.**

Therefore in the name of unity, Christians are advised to compromise God's truth for the purpose of being united.

False doctrines will always divide people between those who believe the truth and those who believe what is false. Furthermore the authentic gospel of Jesus Christ will also divide people.

**1 Corinthians 1:18** says: *For the message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.*

Jesus Himself knew that His message and His arrival on earth would divide many people because **the truth will always divide people between those who follow the truth and those who follow a lie (Matthew 10:34-39).**

#### 10. **GET GOVERNMENTS TO MAKE ALL THESE LAW AND GET THE CHURCH TO ENDORSE THESE CHANGES**

Today governments all over the world are **legalizing** such things as **abortion, homosexuality, bestiality, same sex marriage** and even addictive drugs such as marijuana. Even though the Bible disagrees with such lifestyles, there is a growing trend where governments are **legalizing lifestyles that directly oppose the scriptures.** This is because the influence of the New Age movement is growing as it seeks to achieve Alice Bailey's **10 Point Plan agenda.** **Psalms 119:11** says: *I have stored up your word in my heart, that I might not sin against you.*

#### **God Still Remains In Control**

It is important to realize that despite all that is happening in the world, **God still remains in control and He is not surprised by what is happening in the world. God will ultimately bring an end to all forms of evil at His appointed time. The devil has tried many times to destroy Christianity but ultimately, he will fail.**

**Our role is to ensure that we are focused on Jesus Christ and that the word of God is deeply indwelt in us. Without the word of God and the Holy Spirit to guide us, we will surely be deceived by the great deception that is growing in the world."**

I quote from [What is the New World Order? - InspiredWalk.com](http://InspiredWalk.com):

## **“What is the New World Order?”**

BY [STEWART KABATEBATE](#)

“The New World Order is defined as the period in time where there will be a one-world religion, one-world money system and a **one-world government**. It is also known as the age or era of Globalization.

There is the theory that an elite group of influential people, **especially those people associated with secret societies such as freemasonry and the Illuminati are linked towards systematically and gradually introducing and implementing the New World Order system.**

The ideology or philosophy of the New World Order or Globalization is that of bringing **supposed** unity, oneness of belief systems and an end to human suffering for all mankind.

Therefore **to achieve such a goal, all nations must socially, economically and politically adopt the same value systems.**

Socially and spiritually, different religions or cultural beliefs must be gradually eliminated and a **one world religion** system must eventually be embraced. For example, a **culture of tolerance and acceptance should be embraced in relation to such issues as homosexuality or transgenderism even if these lifestyles contradict Christian beliefs and Biblical values.**

Therefore the ideology of the New World Order system will **attempt to remove any systems or beliefs that oppose its own so that the New World Order becomes the dominant value system.**

Economically, many nations will be forced to adopt a **one-currency system** under the New World Order. Therefore a **borderless society** will exist. The world will literally become a global village and the **one-currency system will be the strongest evidence that the era of Globalization has arrived.** Therefore, under a New World Order, attempting to economically operate outside a one-currency system would be difficult for any business or nation.

Politically, many nations around the world will be under a one-world government. Therefore **control of the entire world will be officially**

**centralized to an elite and powerful body** of people who will make political, social and economic decisions for the entire human race.

Individual nations will no longer have autonomy but will be accountable to a centralized one-world government.

The idea & philosophy behind the New World Order is also reminiscent of the ideology behind the Tower of Babel where mankind believed that anything was possible as long as they were united with a common cause ([Genesis 11:1-9](#)).

However, **unity without God is dangerous**. Unity that is based on a false philosophical system eventually **leads to utter rebellion against God**.

Therefore Globalization or the New World Order system may outwardly appear to be beneficial and noble for mankind, but the root inspiration behind this ideology must be closely scrutinized, not only from a worldly viewpoint but **also from a spiritual perspective**.

Scriptures such as [Revelation 13:1-18](#), [Revelation 14:9-12](#) and [Revelation 20:4-6](#) refer to the Antichrist beast system that will dominate the world in the future. **The beast system is very much likened to the New World Order because of the gradual and systematic attempt to introduce a one-world religion, one-world money system and a one-world government.**

Biblically, the chief architect of the New World Order system is the devil himself. Therefore **the New World Order is a prelude to the ushering of the Antichrist**.

The Bible describes Satan as being the “*god of this world*” ([2 Corinthians 4:4](#)) or the “*ruler of this world*” ([John 12:31](#)).

Satan once tempted Jesus by offering Christ “*the kingdoms of the world and their glory*” if Jesus would agree to worship him ([Matthew 4:8-10](#)).

The devil therefore has massive influence and control on the systems of this world. Satan is responsible for creating many philosophies, ideologies, false religions and economic systems that manage this world that we live in. The devil is therefore able to influence people, cultures, religions and governments. Globalization or **the New World Order will not bring freedom, unity or an end to human suffering. Instead it will introduce the Great Tribulation through an Antichrist dictatorship.**

One thing history should teach us is that since the fall of man in the Garden of Eden, there is no earthly government that can bring peace, unity or an end to any kind of human suffering.

Therefore, if mankind looks towards human controlled governments with the hope of ending human suffering and becoming united, then such a hope will be in total vain.

Therefore the New World Order offers a false hope and false promises. True unity, oneness and the end of human suffering will occur when mankind embraces God and the Kingdom of God through accepting Jesus Christ as Lord and Saviour.

**A life with God and a life in the kingdom of Heaven is the ideal lifestyle for mankind.”**

Now have a read of this [Homosexuals and the New World Order: John Vennari's Interview with Randy Engel \(chojnowski.me\)](#) I quote:

**“CFN interview with Randy Engel on "homosexuality and the New World Order"**

By [Randy Engel](#)

This interview first appeared in Catholic Family News, Aug. 2009, <http://www.cfnews.org/cfn.htm>

**Introduction** — Have you ever wondered how the **Homosexual Movement** has come to be such a powerful force in American life today? How the movement appears to be able to **bend government to its will?** How the movement **attracts millions upon millions of dollars from Corporate America?** These questions, among others, have puzzled me for a long time, so I decided to ask Catholic journalist Randy Engel, author of *The Rite of Sodomy* ([www.newengelpublishing.com](http://www.newengelpublishing.com)) and an authority on homosexuality in the Church and in Society, from whence comes all this power and money and influence that the Homosexual Movement seems to enjoy not only in the United States but abroad as well. — jv

**John Vennari** — For years, I have been unable to understand how and why the Homosexual Movement in the United States wields such great power and influence? Can you enlighten me and our readers on this question?

**Randy Engel** — There is no doubt that the Homosexual Movement, is currently at the vanguard of **organized** sexual deviancy and that it has **tremendous clout and resources of all kinds, far beyond what its small numbers would logically dictate.**

From a historical perspective, we know that the advancement of homosexuality is part and parcel of the modern Sexual Liberation Movement, started in the late 1920s and culminating in the formation of the **World League for Sex Reform** in 1928. The main theme of the League was clearly **eugenic** — "race betterment through selective breeding," — but its platform also included the **repeal of anti-sodomy laws and the legitimization of sodomy** as an alternative form of sexual expression. In addition, the WLSR also promoted and lobbied for promoted contraception, sterilization, abortion, population control, sex instruction for the young, divorce and "open" marriages, pornography, suicide, euthanasia, artificial reproduction, and government operated and medically supervised brothels.

Pope Pius XI responded promptly with his great encyclical *Casti Connubii* (On Chaste Wedlock) in December 1930, thereby **successfully** defending the fort of Christian morality for another generation.

As for the Homosexual Movement in the United States, **up until the late 1960s**, it remained largely an underground leftist affair organized by such men as **Marxist Henry Hay**. It was a loosely organized, fringe network congregating in major port cities such as San Francisco and New York and was, in the public eye, mainly associated with *avant garde* occupations and sexual libertines. Its political clout, financial resources, and influence on American sexual mores were very limited.

**JV — And then came Stonewall?**

**RE** — Yes, and then came the **Stonewall Inn riots** of June 1969 which, we are told, became the "flash point" of the Homosexual Liberation Movement worldwide. **Seemingly overnight, "gay" leaders spontaneously organized themselves into a well-oiled political machine**; they staged **press conferences in major cities** which were covered by the **world media**, millions of dollars flowed into the **movement's heretofore empty coffers**, and leading public figures **decried the injustices allegedly suffered by homosexuals. What had been traditionally viewed as a vice to be suppressed by government became a virtue and a civil right to be protected and advanced by the State.**

**JV — I take it you don't buy this official version of Stonewall?**

**RE — Not for one moment. Events of this magnitude take careful planning and coordination and a great deal of money.** They do not occur by spontaneous combustion. The Homosexual Revolution, like any revolution worth its salt, **started at the top, with the wealthy and powerful**, and not with a group of disgruntled clientele of transvestites, homosexuals, and young male hustlers who frequented the small Greenwich Village bar and who were later joined by sympathetic residents in a violent melee with local police.

**JV — Do you have any evidence to back up your claim?**

**RE — Yes.** I have, for example, the statement of Dr. Richard Day, a former Medical Director of Planned Parenthood-World Population and a **Rockefeller protégée**, who, **just months before Stonewall publicly stated that "homosexuals will be given permission to be homosexual."**

**JV — Permission from whom?**

**RE — From the elite of the "New World System."**

**JV — I think we need to back up for a moment. Can you explain the date and context of Day's statement?**

**RE — Dr. Day gave his historic speech** describing the **"New World System"** to the Pittsburgh Paediatric Society on **March 20, 1969**. Titled, "Family Planning: Infant Mortality, Gene Frequency, Abortion and Other Considerations," Day's speech **described in broad strokes, the New World System which he said was already in place and functioning.** In his lengthy discussion of population control, he stated that in the future there would be "sex without reproduction" (aka contraception, sterilization, abortion) and "reproduction without sex" (in vitro fertilization, artificial insemination). Day's comment on homosexuality followed on the heels of his prediction that "Abortion will no longer be a crime," — that it would be accepted as normal and be paid for by taxes for those who could not pay for their own abortions. This was four years before Roe vs. Wade.

**JV — Can you cite another example?**

**RE** — On March 11, 1969, just nine days before Day made his statement on homosexuals being given permission to act out, **Frederick S. Jaffe**, Vice President of Planned Parenthood-World Population sent a memorandum titled "Activities Relevant to the Study of Population Policy for the U.S." to **Bernard Berelson**, President of John D. Rockefeller III's Population Council. Listed under the section on "Social Constraints" is **"Encourage increased homosexuality."**

It is a matter of public record, of course, that **the Rockefeller family** and its many **"charitable" fronts** like the aforementioned Population Council and Planned Parenthood have been **promoting all kinds of sexual deviancy for decades including sodomy.** The reader may recall that it was the **philanthropoids of the Rockefeller Foundation that initially funded the pro-homosexual and pro-paedophile research of sexual deviant, Alfred C. Kinsey,** at the University of Indiana from 1941 to 1949 to the tune of \$ 414,000.

One such charity in the UK is its largest children's charity – Barnardo's. It was founded by Thomas John Barnardo in 1866 to "care for vulnerable children". Its CEO and trustees get a whopping £200 million each year. Barnardo's - Wikipedia Who knows how much of that is used to groom our kids with LGBTQ propaganda. Dirty, deceiving, evil bastards. I quote from What children want to learn about LGBT+ issues | Barnardo's (barnardos.org.uk):

**"It's LGBT Pride Month and that means celebrations**

Throughout the month, **people will line the streets in cities up and down the country,** celebrating who they are with pride.

But Pride wasn't always this way. The first official UK Gay Pride Rally was held in London in 1972 **against a backdrop of political and social oppression for LGBT people** [and that is the way it should have stayed] – and in the wake of the Stonewall riots over police treatment of members of the community in New York.

Pride wasn't predominantly a celebration with an opportunity to champion LGBT+ people's rights. It was predominantly a demonstration – because things needed to change.

Organised by the Gay Liberation Front (GLF), the rally set out to fight for the rights of LGBT people, to stand up to, and ultimately change, unfair legislation and policies that oppressed minority groups.

Needless to say, the fight wasn't over after one rally. Fast forward to 1988 and Margaret Thatcher introduced Section 28, which prevented teachers from "promoting" gay relationships in schools. **And that's the way it should have stayed.** Just like the formation of the GLF, an organisation was set up to represent LGBT rights when no one else would, and Stonewall was formed.

## What we teach kids in schools

Section 28 explicitly prevented schools from discussing LGBT+ issues, which **stopped pupils from getting the support they needed.** **Such evil propaganda.** Despite the clause being repealed in 2003 (and **scumbag, paedo-protecting NWO enabler David Cameron apologising for it in 2009**), what we teach kids in schools about relationships hasn't changed much since then.

At Barnardo's we not only support the inclusion of LGBT+ issues in the school curriculum, **we actively campaigned for it.** Because, just like the GLF and Stonewall, we believe in standing up for and campaigning for what's right. And in this case – as in all cases – **we campaign for the rights of children.** **I'm going to throw up. These lying, degenerate pieces of filth are destroying our children.**

## What kids think about relationship and sex education

The Government is soon expected to announce that from September 2020, **all primary schools in England must deliver age-appropriate education about what healthy and inclusive relationships look like,** and that secondary schools in England must deliver **sex and relationship** education.

We understand that this may be difficult for some parents, but it's important that **no child feels excluded or marginalised, and that all young people learn about equality, diversity and inclusion.** These are values that we take seriously at Barnardo's.

Promoting **equality and respect** needs to be at the heart of the school curriculum and **young people must feel both comfortable and interested in what they're being taught."** **It is time all parents wake the fuck up, get off their arses, join forces, and put a stop to this wicked indoctrination of their children.**

**JV — So what you are saying is that the source of the Homosexual Movement's power and influence was not generated from within the**

**movement itself, but from without — from the powerful foundations and other entities that rule from behind the scenes?**

**RE — Exactly.**

When discussing these powerful U.S.-based philanthropic foundations, technically referred to as "privately organized public institutions" there are a few things one must keep in mind.

First, there is nothing "charitable" about these groups. They were, from the beginning, created by **Andrew Carnegie** and **John D. Rockefeller** to be **agents of social change and control**, and they have used their funds effectively to **support a wide range of anti-life and anti-family initiatives including "Gay Liberation."**

With their great prestige and virtually unlimited and unrestricted financial resources, these foundations can go where others fear to tread and **pave the way for public acceptance of all forms of sexual deviancy, until the time is ripe for the NWO elite to take over and the particular deviancy in question is institutionalized as official public policy, and the financial burden shifted to the shoulders of the American taxpayer.** They did it with eugenics. They did it with birth control including abortion. And now they are doing it with homosexuality.

**JV — Didn't a group of billionaire insiders meet secretly late this spring to discuss increasing their philanthropic output?**

**RE —** You're probably referring to the **May 5, 2009 meeting held at Rockefeller University** which was called by **Warren Buffet, Bill Gates and David Rockefeller, Jr.** Among those in attendance were **Oprah Winfrey, Ted Turner and George Soros and other anti-life servants of the NWO.** Not surprisingly, an increased commitment to population control was at the top of the list. This means that Americans had better prepare themselves for a **new wave of "population bomb" propaganda,** as well as an increase in "gay" and pro-abortion advocacy.

**JV — What other groups besides these large foundations are supporting the Gay Liberation Movement today?**

**RE —** One of the largest sources of support for the Homosexual Movement and Gay Agenda is **Corporate America** — Coke-Cola, Pepsi, Ford (Globe), General Motors, American Express, Best Buy, Lehman Brothers, Fannie Mae, Mellon Financial, Shell, Dell, Avon, Estee Lauder,

Coors, General Electric, General Mills, Kraft, Johnson & Johnson, Eli Lilly, Hyatt, State farm, Avis, Starbucks, Subway, Gameboy, Ikea, JC Penney, Sears, Sam's Club, Target, Wal-Mart (Pride), Weight Watchers, IBM, Intell, AT&T, and on and on.

I suspect, although I cannot prove, that virtually all major U.S. business corporations have an agreement with the NWO elite that requires them to "donate" a portion of their profits to advance the various pet "charities" of the New World Order. Pro-life groups are not on the list.

The **Federal government**, of course, has done its part to advance the **Homosexual agenda**. Among the Federal Agencies and programs that have supported the Homosexual Movement are the Center for Disease Control, CETA (Comprehensive Employment and Training Act), the National Institutes of Health, Legal Services Corporation, National Park Service, National Public Radio (funded by the Corporation for Public Broadcasting), to name but a few. **The Internal Revenue Service has awarded the 501 (c) (3) tax deductible status** to homosexual organizations that "foster an understanding and tolerance of homosexuals."

When you add the power of the liberal mass media that has **always backed the Homosexual Movement, you're looking at one powerful propaganda machine.**

**JV — Did the AIDS crisis hinder or help the Homosexual Movement?**

**RE —** In terms of finances, **government-sponsored AIDS programs** proved to be the goose that laid the golden egg, and millions of dollars of "health" funds has made their way into homosexual political/activist organizations. **AIDS has the added "benefit" of helping to reduce the "surplus population," in keeping with the New World Order's relentless campaign against the proliferation of people.**

Unfortunately, the **useful idiots** that dominate the "gay" leadership have yet to figure that out, or if they have, they are silent so as not to lose their salaries, or possibly their lives.

**JV — How about financial aid and support from churches?**

**RE —** That question would require a book to answer, but yes, **almost all liberal mainline churches, synagogues, and religious orders contribute financially and in other ways to promote and sustain the**

**Homosexual Movement. Outrageous.** That would include the American Catholic Church especially the bishops' bureaucracy, the United States Conference of Catholic Bishops.

Finally, I would like to mention the role that **Organized Crime, as a functionary of the NWO**, plays in supporting the Homosexual Movement. There is a symbiotic relationship between the two since **criminal syndicates own many homosexual-frequented establishments such as "gay" bars and baths. Organized Crime also supplies drugs, pornography and young male prostitutes which are staples of the homosexual anti-culture.**

**JV — I can understand why Organized Crime would have a vested interest in promoting and funding the Homosexual Movement. I can also understand, given the large amount of disposable income that many homosexuals have, why the movement would attract some support from Corporate America. But I don't quite understand what the elite of the New World Order has to gain by promoting homosexuality?**

**RE —** Again, John, I'd need a book to answer that question thoroughly, but let me give you a simple response by referring back once again to Dr. Richard Day's speech on the New World System. According to Day, **the sine quo non of the New World Order is population control.** While we pro-lifers generally associate population control with contraception, abortion, sterilization and the like, this is a very limited view of the meaning of the term. Day makes it very clear that **for the Puppet Masters of the NWO, population control has a much broader meaning. It means total control over every aspect of human life — education, economics and finances, religion, entertainment, transportation, medicine, the arts, national defense, politics, medicine, science and technology, sports, law enforcement, agriculture and farming, and ultimately, who shall live and who shall die.**

**JV — So population control is, in fact, people control?**

**RE — Correct.**

**JV — Alright then, how does homosexuality fit into the NWO scheme?**

**RE —** Well, first let me state that **there have always been two natural enemies of totalitarianism of any stripe — the family and religion.**

**The advancement of homosexuality and other forms of deviant sexual behaviour, as we have seen from the current battle over "gay marriage," is designed to undermine both marriage and family, as well as the natural law and traditional morality. The goal of the NWO is to create a generation of polymorphous perverts — narcissistic, isolated and rootless individuals who, being enslaved by their own unnatural passions, will not present any serious opposition to their new slave masters.**

**JV — Once this goal is achieved, will rank-and-file homosexuals continue to play a special role in the NWO?**

**RE — No. This is highly unlikely. As Dr. Day made quite clear, the NWO prides itself on stability and loyalty to the New Order and homosexuals are notoriously unstable and unreliable. So, having served their purpose, when the time comes, rank-and-file homosexuals will be systematically eliminated as enemies of the state. Elite "gays" within the NWO will probably remain.**

**JV — Randy, you have painted a rather bleak scenario of life under the New World Order and the role of the Gay Liberation Movement in helping to bring it about. Do you foresee any viable opposition coming from the Catholic Church with regard to stemming the Homosexual Movement's advance and that of the NWO?**

**RE — As I document in my latest book, *The Rite of Sodomy* ([www.newengelpublishing.com](http://www.newengelpublishing.com)), thus far, the Church has been unwilling or unable to stem the tide of homosexuality both within its own ranks and in society at large. Resistance to so-called "gay marriage" and other abominations has come from individual traditional Catholics, from Evangelicals, and other concerned citizens.**

**As for leading an organized opposition to the NWO, as Day stated in 1969, "You think the churches will oppose us. I tell you they will help us." And he did not make any exception for the post-Conciliar Catholic Church.**

**JV — Recently, I read for the first time, the complete transcript of "The New Order of Barbarians," which contains the recollections of Dr. Lawrence Dunegan, a Pittsburgh pro-life paediatrician who was in attendance at Day's infamous lecture in March 1979, as well as Dr. Dunegan's interview with you on the NWO. The accuracy of his**

**predictions chilled me to the bone.** Is that transcript available to CFN readers on the internet?

**RE** — Yes, the U.S. Coalition for Life has just posted the official transcript of Dr. Dunegan's report on the Day talk, free of charge, on its Research Library webpage at [http://uscl.info/edoc/doc.php?doc\\_id=89&action=inline](http://uscl.info/edoc/doc.php?doc_id=89&action=inline). An audio boxed set of the text (CD or audio cassette) is also available from the USCL, Box 315, Export, PA 15632 for \$24.95, postage included. I guarantee your life will never be the same after you hear "The New Order of Barbarians." Mine certainly wasn't.

**JV** — Are you discouraged by the fact that **virtually every prediction made by Dr. Day in 1969 concerning the NWO has come to pass?**

**RE** — I would be lying if I said that the anti-Christian agenda of the NWO does not concern me. It should concern every Catholic, indeed every human being on this planet.

But I also know that **God is still in charge of the world.** As we read in *The Imitation of Christ* by Thomas à Kempis, "... For man proposes, but God disposes; neither is the way of man in his own hands."

I do not know what the future holds for us on this earth, but I firmly believe that as a member of the Church Militant, **if we put our faith in Our Lord and Saviour Jesus Christ and His Blessed Mother,** humanity's solitary boast, we shall not be disappointed and **the final victory will be ours.** Alto quien vive!!

**JV** — Which means?

**RE** — Loosely translated it means **"Anyone on the battlefield who is still alive, stand up and fight!!"**

Now have a read of this [Why Some in the LGBT Movement Are Focusing on Kids - Ethics & Public Policy Center \(eppc.org\)](#) I quote:  
**"Why Some in the LGBT Movement Are Focusing on Kids**  
By [NATHANAEL BLAKE](#)

Normal people believe that sexualizing children is **predatory.** But, in light of the recent passage of a Florida bill that would restrict instruction about sexual orientation and gender identity in elementary schools, it is clear that many activist educators and their political allies are

comfortable with the idea that elementary school children are already members of the “LGBTQI+ community” and should be instructed accordingly. OK, **groomer**.

Implicit in the LGBT movement’s popular **“born this way” narrative**—there was even a [song](#)—is the belief that children are intrinsically sexual. The argument that each of us is born with an immutable sexual orientation and gender identity provided an effective ersatz natural-law case for everything from same-sex marriage to gender transition. But it also **ensured that the LGBT movement was coming for your children**.

The idea that that every baby is born with a sexual orientation and gender identity means that some children are born into the sexual elect of the “LGBTQI+ community.” This suggests that all children ought to learn about sex and gender as soon as possible, so that they will be able to discover their authentic sexual selves. In this view, kids need to learn about gay sex and gender transition because some of them are gay, trans, or some other rainbow identity, **even if they don’t know it yet**—and the rest need to learn to be accepting.

Thus, [child drag queens](#) and [transgender toddlers](#) have been **championed by the LGBT movement for years now**. After all, if sexual orientation and gender identity are innate and immutable, there is no reason to fear adults [grooming](#) children [into LGBT identities](#). The only reasonable fear is that old-fashioned bigots will pressure children into repressing those identities.

## **Ideology versus Parenting**

Furthermore, if children are born LGBT, it follows that they should be raised by adults who will support them in these intrinsic, immutable identities. Thus, it was inevitable that the **LGBT movement would begin [taking children away](#) from parents that are deemed **unsupportive of LGBT identities****. After all, a parent who refuses to embrace a child’s fundamental identity is obviously not looking after the best interests of the child. The [assertion](#) that children must be affirmed in LGBT identities lest they commit suicide provides further justification to **take kids away from “unsupportive” parents**.

And because it is not immediately clear whether a child will identify as LGBT, all parents who reject LGBT ideology are necessarily suspect.

**This was made explicit in the Biden administration’s “[Guide for Foster Parents](#),” which endorses the “born this way” thesis, including the notion that a four-year-old may be transgender. The guide says that “Any steps you take to make your home welcoming and affirming to LGBTQ+ youth will benefit all children and youth in your care. . . . Behaviours that openly reject a youth’s LGBTQ+ identity must be avoided and not tolerated, . . . including religious activities . . . and family gatherings.” It is the Biden administration’s official view that you are unfit to be a foster parent (and by implication, to be a parent at all) if you do not accept LGBT ideology and affirm LGBT identities—including transgender preschoolers.**

The “born this way” mantra was politically and culturally triumphant as a justification for adult relationships and identities. But the radical implications of the claim that children are members of the “LGBTQI+ community” from birth ensure continued conflict. Many people who accepted same-sex marriage and Bruce becoming Caitlyn are balking at preteen drag queens and trans toddlers.

## Not Born This Way

**This revulsion should induce a re-evaluation of the “born this way” creed.** By itself, it is a poor argument, for it may be wrong to act on an innate desire. The slogan is really shorthand for a collection of philosophical assumptions along the following lines: human flourishing depends on being authentically oneself; this requires freedom for self-identifying and acting on one’s sexual orientation and gender identity, which are innate, essential elements of a person that are harmful to repress or attempt to alter.

To the extent that this argument relies on a “born this way” component, it fails, for sexual orientation and gender identity are not innate and immutable at birth. This is not to say that they are conscious choices, or that they are entirely malleable. Some people feel strong same-sex attractions that they did not choose, and that may be permanent; some people are genuinely distressed by a feeling of incongruence with regard to their biological sex.

Nonetheless, the dogmatic claims of the “born this way” credo are **at odds with reality**. Scientifically, the search for a “gay gene” **ended in failure** a few years ago. The best scientific evidence suggests multicausal explanations for how we experience sexual desire and

gender, with environmental and social factors playing crucial roles in their development. As one LGBT-sympathetic writer [put](#) it, “it’s likely that our sexualities and genders are textured by a mix of social experience, the firings off of neurons, hormonal swirls and the transcription of DNA.” We are, in short, **not born this way.**

Though it lacks the zip of a good slogan, the truth is closer to “born with some possible inclinations this way that can be activated or increased by a mixture of environmental and social factors, as well as individual choice.” Because of the complexity of the factors involved, the sources and strengths of various rainbow identities will vary from person to person. And this is demonstrated both in individual anecdotes and by the **sudden surge of gender dysphoria** among teenage girls [across](#) the [Western world](#). That many youth transgender identities are products of social contagion is increasingly obvious, and now the medical risks of youth transition even have leading trans doctors [calling](#) for reconsidering the rush to transition children. The **many people who detransition** also [testify against](#) the rush to transition children.

## Teachers as Recruiters

The collapse of the “born this way” narrative of sexual orientation and gender identity matters, because the narrative has been used by some LGBT activists and their allies to justify claiming children as part of the “LGBTQI+ community.” They are **pressuring our culture, curricula, and even churches to affirm the ostensibly intrinsic rainbow identities of children.** But children’s identities are not so predestined, and the development of sexuality and gender identity is complex and **at least partly socially conditioned.** Though children are not blank slates, **neither are they born with their sexualities predetermined, and what is taught to and modelled for them at school will be part of their sexual development.** Thus, instead of helping children discern intrinsic sexual orientations and gender identities, **the educational and cultural efforts of LGBT activists and allies are shaping children’s sexuality and sense of gender.**

**Children are suggestible and malleable,** including their sexual orientation and gender identity. And yet many LGBT activists and their allies **want every kindergarten to teach that boys can become girls and girls can become boys.** They want **every middle school to have an LGBT club with teachers actively recruiting for it.** They are

determined to **celebrate and praise kids who come out as part of the rainbow elect** while labelling those who do not as cis-hetero oppressors. They are, in short, **acting like recruiters, with activist teachers even working to hide students' LGBT identities from parents.**

These aggressive tactics, under which classrooms, culture, and social media promote rainbow identities, have coincided with a sharp increase in the number of young people who identify as LGBT, **far in excess of what can be explained** by more people coming out as stigma declines. According to Gallup, one in five adults from Gen Z identifies as LGBT. This dramatic rise in LGBT identification demonstrates that these identities are **being created**, not discerned.

**This is why efforts such as the Florida bill matter.** These debates are not just about who will teach children about sex and sexual morality, but also about who has the right to direct their development. Activist educators are determined to do so, **regardless of what parents may wish.** But the idea of children as intrinsically LGBT is **based on a lie**, and it is therefore right to restrict educators from proselytizing on behalf of LGBT identities. Steps such as curriculum transparency are also essential to hold educators accountable. Additionally—and this is a point where the Florida bill fails—it is **also necessary that educators who encourage and assist children in hiding a purported LGBT identity from their parents be treated as predatory groomers.**

LGBT activists used to insist that they were not interested in recruiting children, and many adults who identify as LGBT still feel that way. **But those driving the LGBT movement are now not even trying to hide their grooming. They really are coming for children.**

Science. The study of nearly a half million people **closes the door on the debate around the existence of a so-called “gay gene.”**

In its stead, the report finds that human DNA cannot predict who is gay or heterosexual. Sexuality cannot be pinned down by biology, psychology or life experiences, this study and others show, because human sexual attraction is **decided by all these factors.**

“This is not a first study exploring the genetics of same-sex behaviour, but the previous studies were small and underpowered,” Andrea Ganna, the study’s co-author and genetics research fellow at the Broad Institute and Mass General Hospital, said in a press briefing on Wednesday. “Just to give you a sense of the scale of [our] data, this is approximately 100 times bigger than any previous study on this topic.”

The study shows that **genes play a small and limited role in determining sexuality. Genetic heritability — all of the information stored in our genes and passed between generations — can only explain 8 to 25 percent of why people have same-sex relations, based on the study’s results.”**

By [Lloyd Marcus](#)

Someone asked, "What is behind the LGBTQ agenda?" The goal of LGBTQ enforcers is to forcibly normalize their lifestyle in the minds of the 97% of the population that is not LGBTQ. This is why we are bombarded with the LGBTQ lifestyle inserted into everything. Why are major corporations making the promotion of LGBTQ, which are less than 3% of the population, their [top priority](#)?

A Disney theme park TV ad featured two homosexual couples with children without showing a single heterosexual couple. **Why is Disney so intent on appeasing this minute 3%?**

Converse launched a new line of shoes celebrating the LGBTQ lifestyle. The star of Converse's depraved marketing campaign is an 11-year-old drag queen. Converse says its campaign shows the power of expressing one's true self. **That is a lie.** Converse is **encouraging children to live a lie**, rather than embrace [who they truly are](#). Converse is **engaged in [child abuse](#)**. Pure and simple. Lord help us.

Those in the LGBTQ lifestyle appear **angry at and in rebellion against God — the God of Christianity**. If you notice, everything LGBTQ enforcers advocate is in **direct contradiction of God's original plan for family, marriage, sex, and Christian principles and values**. It is not a coincidence that **God's symbol of the rainbow has been hijacked to represent a behaviour that God says is an abomination (Lev. 20:13)**.

I quote from [Rainbow Covenant — Calvary Chapel Golden Springs](#)  
[Calvary Chapel Golden Springs \(calvarygs.org\)](#):

“Following the Supreme Court decision for same-sex marriage, social media blew up with **rainbow images in support for their decision**. One person spoke out because he was offended by all the people he felt were jumping on the band wagon and stealing the thunder from the LGBT community. In his eyes, the rainbow symbolizes the LGBT struggle for social acceptance. **As a Christian, all I could see was the hypocrisy**. The rainbow was not created to represent diversity. God created the rainbow to represent His everlasting covenant with man. **The real hijacking of the rainbow came from the LGBT community adopting this godly symbol for their social agenda.**

**One of Satan's greatest attempts to rip off God is the misuse of His rainbow.** From the beginning, Satan has wanted to ascend above the throne of God (Isaiah 14:13). In his pride and envy, he was not content to be a beautiful creation of God. He wanted to be greater than

God, so after he was cast down to the earth (Revelation 12:9), he sought to use man to accomplish his goal. In his attempt to be greater than God, he constantly emulates the things of God. He uses the things of God for his sinful pursuits.

The first rainbow was a sign from God of the covenant He made with Noah, and with all men. After God had destroyed the earth with the great flood, He made a covenant with Noah and his family; He would never again flood the earth to destroy men:

*Then God spoke to Noah and to his sons with him, saying: “And as for Me, behold, I establish My covenant with you and with your descendants after you, and with every living creature that is with you: the birds, the cattle, and every beast of the earth with you, of all that go out of the ark, every beast of the earth. Thus I establish My covenant with you: Never again shall all flesh be cut off by the waters of the flood; never again shall there be a flood to destroy the earth” (Genesis 9:1-11).*

God was not sorry He had sent the flood and all His creation was destroyed with the exception of Noah, his family and the selected animals. He did what He had to do to eliminate the sin that had permeated the world: *The earth also was corrupt before God, and the earth was filled with violence (Genesis 6:11).* He actually gave people 120 years to repent. That is how long it took Noah to build the ark and load the animals.

After the flood, God made a covenant with Noah and his family. He promised not to ever flood the earth again. As a sign of His covenant, God set a rainbow in the cloud:

*And God said: “This is the sign of the covenant which I make between Me and you, and every living creature that is with you, for perpetual generations: I set My rainbow in the cloud, and it shall be for the sign of the covenant between Me and the earth” (Genesis 9:12-13).*

This is the reason for the rainbow. It is not a symbol of diversity. It is a sign of God’s covenant with man. It is a reminder to God and to man that He promised to never destroy the earth with a flood again.

This is the truth, found in God’s Word, but God’s sign of His everlasting covenant with man has been **hijacked by Satan**. Today, when people see the rainbow, they think of diversity and gay rights, not God’s promise.

Every Christian has God's truth. There is no reason this incredible sign from the Lord should be used to symbolize something diametrically in opposition to God's Word. **We need to get God's Word out. People need to know what the rainbow stands for. More importantly, people need to know the promises of God.** Instead of throwing up our hands in surrender, every time we see a rainbow flag, we should **claim the promise of God and shout it out for the world to hear. If Christians around the world reclaim God's rainbow, one day, when God sets His rainbow in the cloud, society will see it and recognize the promise of God."**

LGBTQ enforcers demand that we affirm their lifestyle to soften their nagging guilt. This is why LGBTQ enforcers have infiltrated public education, **beginning in preschool, to teach our kids that their lifestyle is normal and even superior to heterosexuality.**

My wife Mary said, "You know they will attack you for saying they feel guilty." The Bible says they feel guilty until God gives them over to a reprobate mind (Rom. 1:28).

We have LGBTQ family and friends whom we love. **Since liberal activists on the Supreme Court, in essence, redefined marriage as the law of the land, our acceptance and tolerance are no longer good enough. With an iron fist, LGBTQ enforcers are using government to demand that we affirm their lifestyle against our conscience and religious beliefs.** Clearly, those in the LGBTQ lifestyle feel guilty. Therefore, they must force us to say they are normal to make them feel better about themselves.

**Countless studies confirm that the LGBTQ lifestyle is not normal, usually related to childhood trauma.**

A **homosexual** friend said he loved his dad dearly. When he was a child, he awoke every morning at 3 A.M. to have breakfast with his dad. One morning, his dad scolded him, telling him not to wake up. His dad simply did not want him tired for school. But to my friend, it was a **profound rejection.** Over the years, I witnessed my friend suffering, always **seeking love from unattainable men.** I helped him recover from a suicide attempt over a man who rejected him.

One of my aunts had five sons by two fathers. Neither of the fathers participated in the boys' lives. They lived on government welfare. Even though I was a little kid, I could feel that they envied me for having my dad living with us. My cousins' home had **a sadness, an air of hopelessness, poverty, and depression.**

Their mother was bitter and brutal. She treated her youngest son horribly. He and I were around ten years old when I watched her repeatedly pound him with her fist. He was **so used to being brutalized that he did not cry until well into his beating. He became homosexual and died young of AIDS.**

Her eldest son was amazing, assuming the role of father to his brothers. He worked his way through college and became extremely successful. **Embracing homosexuality, he died of AIDS** around age 40. I believe that **growing up in that household contributed to my aunt's two sons' homosexuality.**

Islam advocates executing homosexuals. **So why have LGBTQ activists launched war on Christians rather than Muslims? LGBTQ enforcers target Christian businesses to force them to service same-sex ceremonies against their religious convictions. And yet, LGBTQ enforcers stay clear of Muslim bakeries, flower shops and wedding photographers. Logically, shouldn't LGBTQ enforcers be on the warpath against Muslim businesses rather than Christians? God calls the homosexual lifestyle an abomination but does not advocate killing people who identify that way. God said with loving kindness have I drawn thee (Jer. 31:3). So why do LGBTQ enforcers despise Christians while expressing support for Muslims?**

We are becoming increasingly **pressured to stop speaking truth and forced to embrace evil, destructive lies.** A woman told me her adult children are seriously questioning her sanity for not supporting Planned Parenthood, man-made climate change, and the LGBTQ agenda.

I stand strong that **God is on our side and in control. The roots of evil are shallow. We stand on a rock-solid foundation of righteousness and truth. Our job is simply to continue spreading truth and fighting the good fight for what is right. Rest in and trust that all is well."**

And read this [Young Children Are Being Targeted With Sexual Content. The Equality Act Would Make It Worse. | The Heritage Foundation](#) I quote:

**“Young Children Are Being Targeted With Sexual Content. The Equality Act Would Make It Worse.**

**KEY TAKEAWAYS**

1. As this year's LGBT+ Pride Month has shown, young children need not look any further than their living rooms or classrooms for highly sexualized content.
2. By directly targeting children, corporations, media, and schools are **seeking to normalize sexual content that is inappropriate and confusing for young audiences.**
3. Parents must commit to their children's welfare by becoming aware of what their children are watching and reading and stay informed on what schools are teaching.

Dating back to the 1860s, Americans celebrate National Children's Day on June 13 to recognize the gift of children and need to foster their welfare and future. John Ross, founder of the grassroots movement that advocated National Children's Day, [says](#) Americans "need this day to love, evaluate, and commit to the betterment of our children."

What better way is there to support children's "betterment" than by evaluating what corporations, the media, and schools are exposing children to? As this year's LGBT+ Pride Month has shown, **young children need not look any further than their kitchen tables, living rooms, or classrooms for highly sexualized content.**

This Pride Month, **Kellogg's released its ["Together With Pride" cereal for kids.](#)** It features a tear-out "**Together Band**" that children can use to share their pronouns. The cereal company is donating \$3 for every box sold to GLAAD, an LGBT group. At an age when children are still figuring out what two plus two is, Kellogg's teaches kids that they must choose and express their pronouns.

Likewise, the **popular children's cartoon "Blue's Clues" aired an episode featuring a [song](#) that celebrates LGBT+ identities.** Sung by a cartoon drag queen, the song praises families with gay, lesbian, transgender, and nonbinary members, concluding that "Ace, bi, and pan grownups, you see, can love each other so proudly."

The song, following the melody of "The Ants Go Marching," **further pushes LGBT awareness by giving one of the beavers in the cartoon [scars](#) from a double mastectomy surgery.** The **show is intended for preschoolers**—children that are just learning their colors and numbers.

Even **LEGO introduced its rainbow set called “Everyone Is Awesome”** just ahead of Pride Month. The set was released in honour of children—the largest demographic of LEGO consumers—the creator of the set **claimed**, saying, “Children are our role models, and **they welcome everyone, no matter their background.**”

**And yet, although the majority of LEGO users are children, the box indicates the set as appropriate for those 18 years and older.**

These are just a few examples of products aimed at exposing children to sexual content. **There are also the Care Bears phone cases, Teletubbies Pride Collection, Disney Rainbow Gear, and gay Captain America.**

**Messages that introduce children to extreme sexual content are also coming from schools.**

During a sex ed class for first graders at a New York private school, **a teacher showed a cartoon video that explains how it “feels good” for girls and boys to touch their private parts.** The video concludes that “it’s OK to touch yourself and see how different body parts feel, but it’s best to only do it in private.”

Fortunately, parents became aware of this content, and the school subsequently removed the video. **It took the work of vigilant parents to remove a video that is entirely inappropriate for 6-year-olds who should be learning how to read, not how to masturbate.**

A school in Washington state also **exposed** first graders to sexual content by reading the book “I Am Jazz,” which promotes transgenderism. In California, third graders had to complete an assignment that **referenced** “experimenting with gender presentation” and the “gender spectrum.”

**By directly targeting children, corporations, media, and schools are seeking to normalize sexual content that is inappropriate and confusing for young audiences. In many instances, the content could be considered pornographic material, and some have described the process of normalizing as the first step in grooming children for sexual acts.**

**Beth Bukoski**, an associate professor at the University of Texas’ College of Education, revealed what is going on when she **said**:

I think parents don't always give credit to their kids. Because kids can hold and understand a lot more than we think they can ... I think it has to **start at a young age. That's how you normalize it.** Normalizing that LGBTQ+ identities exist, have always existed, and are, in fact, quite normal.

What Bukoski fails to take into account is the **vast body of research that details the harm of exposing children to sexual content at too young of an age.** In contrast to what the [UN Children's Fund](#) may want parents to believe, **early exposure to pornography is linked to poor "mental health, life satisfaction, sexual behaviour and attitudes, and pornography viewing patterns in adulthood."**

This means that even if children may not fully understand what they are seeing and hearing, they are **influenced by those messages and may begin to act on them.**

Policies like the [Equality Act](#) and Fairness for All, which **enshrine radical gender ideology in civil rights law**, would only lead to the **increased sexualization and harm of young children.** The Equality Act would especially open the door for a mandate to include sexual orientation and gender identity ideology in [school curricula](#), while **not allowing states or parents to opt out of this kind of curricula.**

And while Fairness for All is a [well-intended](#) compromise solution [**that's what its dressed up as**], it too would **leave children vulnerable to gender ideology.**

This is why parents and lawmakers have signed "[The Promise to America's Children](#)," a commitment to **oppose legislation that harms children** and to protect their minds, bodies, and relationships with their parents. **It's disgusting it has come to that.** Stopping the Equality Act and any policy that includes radical gender ideology in law will help protect children from the harms of premature exposure to sexual content.

Ultimately, **parents** are the ones best suited to determine the right timing to tell their children about sensitive sexual issues, not a cereal company or kindergarten teacher. **On National Children's Day, and every day, parents must commit to their children's welfare by becoming aware of what their children are watching and reading and stay informed on what schools are teaching.**

Only by doing this can parents safeguard their children from the aggressive push to expose kids to sexual content, advancing from all fronts.”

And have a read of this [6 reasons Christians don't support 'pride' - Christian Concern](#) I quote:

“The issues of ‘gay pride’ and the LGBT ‘agenda’ have featured a lot in the news recently, whether through ITV ‘exposés’ on ‘conversion therapy’, the silencing of an ex-gay X Factor contestant, or news of parents fighting against schools promoting LGBT. But all of these stories have created a mixed response from Christians; confusion still reigns around how Christians should respond to ‘gay rights’ and ‘gay pride’.

And when people such as **Vicky Beeching** proclaim that God ‘accepts you as you are’, the Church of England appears to affirm transgender ideologies, and the gospel to simply ‘love your neighbour as they are’ is being preached, it’s understandable that people assume the Bible must support the cause of LGBT. So why do so many Christians seem to oppose it?

Here, we present six reasons that clarify why ‘pride’ and an LGBT lifestyle are unbiblical. Amid all the confusion, the Church must stand clear on these issues. **The Church is run by the masonic mafia who are instigating the NWO.**

No doubt some will have stopped reading already, calling the article hateful, homophobic, or anti-Christian. But it is not out of judgmentalism, bigotry, hatred or homophobia that we write this; rather, it is out of love – love for God and for his word, love for the Church, love for the nation, and most especially out of love for those who are struggling with homosexual attractions.

It is our hope and prayer that the Church would stand clear in the truth **[that’ll never happen]** so that it is better equipped to love and help those struggling with homosexuality.

1. ‘Gay pride’ conflicts with God’s view of marriage and sexuality. Celebrating the practice of different sexualities and encouraging same-sex attractions and unions are in **direct conflict with God’s intended purpose for marriage and sexuality as revealed in the Bible.** When asked about marriage and divorce, Jesus answered, *“But from the beginning of creation, “God made them male and female.” “Therefore a*

*man shall leave his father and mother and hold fast to his wife, and the two shall become one flesh.” So they are no longer two but one flesh. What therefore God has joined together, let not man separate’.*” (Mark 10:6-9. See also Matthew 19:3-12)

As the Son of God, it stands to reason that Jesus would know God’s intended purpose for marriage and sexuality. Many Christian supporters of LGBT issues claim that Jesus never spoke about homosexuality and is therefore neutral on the topic. However, if we take the above passages, we can see that this is not true. Jesus could have allowed for a wider interpretation of marriage, allowing that of homosexual partnerships, but he didn’t.

Homosexual practice is not unique to our generation; it existed long before Jesus was on earth. But from the beginning (Genesis 2:24), marriage has been clearly set out as something between a man and a woman, and a sexual union is to be enjoyed within those bounds. Further to laying out God’s intended plan and purpose for marriage and sexuality, the Bible also lays out what God did not intend for marriage and sexuality. In Leviticus 18:22, the Lord speaks to the Israelites (through Moses), saying, *“You shall not lie with a male as with a woman; it is an abomination.”*

And, in the New Testament, Paul states in Romans, *“Therefore God gave them up in the lusts of their hearts to impurity, to the dishonouring of their bodies among themselves, because they exchanged the truth about God for a lie ... For this reason God gave them up to dishonourable passions. For their women exchanged natural relations for those that are contrary to nature; and the men likewise gave up natural relations with women and were consumed with passion for one another, men committing shameless acts with men and receiving in themselves the due penalty for their error.”* (Romans 1:24-27)

Throughout the Bible, we see the same, consistent sexual ethic being upheld: sexual union should only take place between a husband and wife – not between two people of the same sex.

2. ‘Gay pride’ conflicts with 2000 years of the Church’s teaching on marriage and sexuality.

It has only been in recent years that parts of the Church have turned upside down (roughly) 2000 years of teaching on marriage and sexuality. In fact, the Church of England’s ‘progressing understanding’ of gender

and sexuality goes against the very preface that they still use in marriage ceremonies today: *“Marriage is a gift of God in creation through which husband and wife may know the grace of God. It is given that as man and woman grow together in love and trust, they shall be united with one another in heart, body and mind as Christ is united with his bride, the Church.*”

*“The gift of marriage brings husband and wife together in the delight and tenderness of sexual union and joyful commitment to the end of their lives. It is given as the foundation of family life in which children are [born and] nurtured and in which each member of the family, in good times and in bad, may find strength, companionship and comfort, and grow to maturity in love.”*

This preface upholds and recognises the teaching of the Bible. To start changing the Church’s teaching and understanding of marriage and sexuality in support of ‘gay pride’ and ‘LGBT values’ is **to go against the very biblical foundation that the Church has stood on for 2000 years.**

Changing the Church’s teaching on marriage and sexuality is **something that should worry us – especially if what is being taught is false.**

Contributing to false teaching opens the door for people with same-sex attraction to fall into sin by exchanging the true and complementary nature of marriage and sexuality for an unnatural expression of sexual intimacy between people of the same sex. In so doing, we also open the way for God’s judgement on the Church.

The Lord spoke through Jeremiah to the people of Israel, saying: *“Do not listen to the words of the prophets who prophesy to you, filling you with vain hopes. They speak visions **of their own minds, not from the mouth of the Lord.** They say continually to those who despise the word of the Lord, ‘It shall be well with you’; and to everyone who stubbornly follows his own heart, they say, ‘No disaster shall come upon you’.”* (Jeremiah 23:16-17)

Paul spoke to Timothy, warning that: *“...the time is coming when people will **not endure sound teaching**, but having itching ears they will **accumulate for themselves teachers to suit their own passions.**”* (2 Timothy 4:3)

The push for the acceptance of alternative sexualities in the Church follows these patterns. Church attendance in the UK is already at an all-time low; could this be because God has removed his blessing? If the Church doesn't act now, are we at risk of dying out? **The answer is not to bow to the unbiblical wishes of the State; it is to hold unequivocally to the truth of God's word.**

3. 'Gay pride' celebrates **what we know isn't good or helpful**. When we partake in 'pride' events and celebrate 'LGBT values', we are doing a **great injustice to our brothers and sisters in Christ who experience same-sex attraction, because we are leading them to believe that God gives his blessing to same-sex sexual intimacy and encouraging them to act on attractions that God has identified as sinful and forbidden**. Even when churches support and encourage 'gay pride' saying they uphold values such as 'tolerance' and 'equality', they are really **celebrating 'values' that go against God's word**.

The Bible unites people of all different backgrounds and situations around their shared faith in Christ – *“Here there is not Greek and Jew, circumcised and uncircumcised, barbarian, Scythian, slave, free; but Christ is all, and in all. Put on then, as God's chosen ones, holy and beloved, compassionate hearts, kindness, humility, meekness, and patience, bearing with one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive.”* (Colossians 3:11-13, emphasis added) – but the principle aim of 'gay pride' is to **promote and celebrate a sexual agenda which goes against biblical values**. When churches support 'pride', they **open their doors to sexual temptation**, and (intentionally or not) **unhelpfully encourage people to act in a way that is contrary to God's word**.

As Jesus said to his disciples in Luke 17:1-2, *“Temptations to sin are sure to come, but woe to the one **through** whom they come! It would be better for him if a millstone were hung around his neck and he were cast into the sea **than that he should cause one of these little ones to sin.**”*

4. 'Gay pride' conflicts with our true identity in Christ. 'Gay pride' is all about celebrating one's sexual identity, 'accepting who you are' and 'being true to yourself'. If we truly accepted who we are, we would realise that we are **all sinful beings**, created in God's image, who **all fall short of the glory of God** (Romans 3:23).

However, just because we were born into sin does not mean that that is who we were created to be, nor that we should therefore embrace it and act upon it. Thankfully, when we give our lives to Christ, our primary identity is in him, not in ourselves. In fact, once we are united with Christ, we leave behind our old selves (2 Corinthians 5:17). As Andrea Williams states in her article on the Church of England endorsing transgender ideology: *“the gospel brings a message of hope and transformation. Not only are we created in His image, in Him we are transformed and changed even more into His likeness. God doesn’t leave us where we are, He makes us more like Him. God wants to free people to be the person they were created to be, bringing their gender [and sexuality] in line with their biological sex”*.

Similarly, writing about the ITV ‘exposés’, Rev. David Robertson argues that this ‘pride’ ideology urges people to find satisfaction in something other than Christ. In fact, this new gender and sexuality theology redefines truth. Referencing Jayne Ozanne’s new book, *Just Love*, he writes: *“The truth will set us free. Jesus is the truth. But for Jayne the truth is the ‘truth’ about ourselves [ie. our sexual identity], not the truth of Christ.”*

People need to understand that their identity and value is not found in their sexual orientation, but rather in their relationship with God, in and through Christ Jesus: the one in whose image we were created, the one who died for us, offering himself as an atonement for our sins.

5. ‘Pride’ is overly sexualised. In many of the ‘gay pride’ parades across the country, footage can be seen of people promoting sexual acts, showing nudity, flaunting outlandish dress and behaviour. While this is not true of all homosexual people, it does appear to be a common and frequent part of ‘pride’.

By contrast, the Bible speaks of modesty and encourages us not to cause others to stumble into sin (Matthew 18:6-9). In Corinthians, Paul says, *“Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body.”*

Christians are called to draw attention to God with their bodies, not their sexuality. As we have already seen, the Bible speaks of sex within the bounds of marriage between a man and a woman. Anything that

promotes sex outside of this is **wholly unbiblical, thus for Christians to support 'pride' in this way is wholly unbiblical.** In 1 John 2:16, it states: *"For all that is in the world—the desires of the flesh and the desires of the eyes and pride of life—is not from the Father but is from the world."*

This becomes **even more of an issue when we promote these ideas and images to young children.** But this is **already taking place in schools across the country.** Books such as *This Day In June* for 10-11 year-olds are full of drawings of 'gay pride' parades, **normalising children to an overtly sexual 'celebration' of unbiblical 'values'.**

The sooner we open the door to **unhelpful sexual temptation, the quicker people are to walk through.**

**6. The Bible teaches 'humility' over 'pride'.** A year after the Stonewall riots, a committee was formed to commemorate them; it would be L. Craig Schoonmaker who would suggest 'Gay Pride' as a name for the group. Speaking in an interview in 2015, he argued that, *"anyone can have pride in themselves"*. Asked if the word 'pride' was still necessary, he said: *"Oh, definitely. Absolutely. It works internally, and it makes people more self-assertive. That's what really is going to make the change in people's lives."*

The Bible teaches that **real change and transformation is only possible through Jesus Christ.** As we have already seen, **our identity is found in him.**

The focus on 'self' is not what the Bible teaches, either: **the primary command** (Matthew 22:37-40) is to *"love the Lord your God with all your heart and with all your soul and with all your mind"* – it is not to love ourselves first and foremost. The second commandment is to *"love your neighbour as yourself"*.

**Humility is central to the gospel;** self-assertion is not, pride is not. Jesus expressed deep humility by exchanging 'the joy of heaven for the anguish of a cross' – and he calls us to the same humility by finding our identity in him – **trusting in his righteousness,** not our own.

What is the solution?

Our prayer is that LGBT 'affirming' churches in the UK would rethink and change their current position regarding 'pride' and LGBT issues, that

**Christians across the nation would be united in a biblical view of marriage and sexuality.** We long to see all people welcomed into churches, and more people come to accept Jesus as their Lord and Saviour, being transformed more and more into his likeness.” **All churches are under the control of the freemasons and will never change. The change will come from *genuine* Christians.**

**Alice Bailey** said when you are changing a nation, don't bother with the old people, they are too stuck in the old traditions, they will not change, but **GO FOR THE CHILDREN.**

Finally, to add insult to injury, we British taxpayers are forking out millions to “improve the lives of Lesbian, Gay, Bisexual and Transgender People”. The government's [LGBT Action Plan](#) which includes **over 70 commitments, including appointing a national adviser to reduce inequality for LGBT people** will be published alongside the results of the **largest [national survey of LGBT people](#) ever undertaken.** The then Prime Minister **Theresa May** said she is “proud that **the UK is a world leader in advancing LGBT rights**”. Minister for Women and Equalities **Penny Mordaunt** said: “Everyone in this country should feel safe and happy to be who they are, and to love who they love, without judgement or fear.” She is “**incredibly proud of the UK's global leadership on LGBT equality and the fact that this is the largest survey of its kind**”. She adds: “This government has done much to promote a diverse, tolerant society and supporting lesbian, gay, bisexual and transgender people – but it is clear we have more to do.” **Ruth Hunt**, Chief Executive of Stonewall, said: “These findings reflect what many LGBT people already know, that there's **still a long way to go until we reach full equality.**”

We're told the action plan **has an international element to help defend the rights of LGBT people globally.** The UK continues to be **recognised as one of the best countries in Europe for LGBT rights** by the International Lesbian, Gay Bisexual, Trans and Intersex Association (ILGA) Europe, and the action plan will further cement that reputation. The government has promised to deliver an international conference with governments and civil society groups **focusing on how to progress LGBT equality, and to provide funding to promote LGBT equality worldwide.** [New government action plan pledges to improve the lives of LGBT people - GOV.UK \(www.gov.uk\)](#)
