Like everyone else you were born into bondage.
Into a prison that you cannot taste or see or touch.
A prison for your mind... I'm trying to free your mind...But I can only show you the door.
You're the one that has to walk through it."

WE ARE ALL SLAVES.

THE MATRIX IS THE MASONIC MATRIX.

If you are a real freedom fighter you will join forces with the genuine Truth soldiers and will help expose and defeat the enemy agents i.e. the shills, trolls, fake victims and fake armchair detectives.

A genuine warrior against the NWO knows that this is a race against time and knows the stakes couldn't be higher. The genuine Truth soldier is only concerned with 100% Truth and will do everything in his/her power to seek it and to expose it. Half-Truthers are the opposite of truth and are MORE DANGEROUS THAN THE MAINSTREAM MEDIA [and that's saying something!]

The **enemy agents** are known by a variety of names, such as: NWO gatekeepers, shills, controlled opposition agents, COINTELPRO agents, dis-info agents, double-agents, moles, stooges, plants, state agent Smiths, LARPers, trolls, fake victims, fake armchair sleuths, mainstream media. All of these charlatans try to distract, derail, and disable genuine freedom fighters. For more on this see LYING FOR A LIVING. See also Bill Cooper explaining THE HEGELIAN DIALECTIC and its use in controlling modern society.

Every enemy agent is a freemason or is *beholden to freemasonry* or some other secret society. For ease of reference the masons can be referred to as the funny handshake brigade [or more appropriately the dirty brigade or masonic mafia.] More on this in SECRET SOCIETIES.

We have what is strangely known as a 'Truth Movement' in the so-called Alternative Media. It was started by and is controlled by the

Freemasons. So the people in this 'Truth Movement' are shills i.e. they are the opposite of truth; they are the liars and deceivers. [David Icke, Alex Jones, Ian R Crane, Brian Gerrish …. See here for more.] There are a staggering number of lower profile agents including many who operate as fake victims and fake armchair detectives and numerous trolls. Many of these enemy agents work anonymously. All of them are on the Illuminati payroll and their job is to fool us into thinking that they are on our side, fighting our cause. The reality is that they are only *pretending* to do what we real resisters of the NWO are actually doing. Consequently, they buy time for their Masonic masters, so that the NWO slaughter agenda can trundle on unhindered. The only thing that stands in its way is Truth.

Mel Ve calls these people the mockingbirds. It turns out however that she's been doing some mocking of her own. That came as a big shock and disappointment to me as I had so much respect for her due to her work helping the Hollie Hoax camp expose the truth about the Hollie Greig farce. I also admired her for her seemingly good work exposing the controlled opposition. I now realise however that her efforts in that area have been rather half-hearted. That's because she is just another traitorous, scum-of-the-earth shill who has also been very cleverly pulling the wool over our eyes. Click on MEL VE - FREEDOM CENTRAL for more.

The evil people who rule over us are terrified of independent, intelligent, knowledgeable, fearless, genuine Truth soldiers because the **TRUTH WILL SET HUMANITY FREE**.

It is ludicrous to suggest we need a 'Truth movement' or an 'alternative media'. All we need to do is remove the obstacles which prevent Truth seeing the light of day. The task of the genuine Truth warrior then is to expose the gatekeepers. Once these wretched creatures are dealt with, the Global Establishment corruption will be exposed and can then be addressed. It will naturally follow on and it will be an easier battle. The toughest battle is against the gatekeepers. They are a most formidable force; their soldiers the most powerful. They have to be. They appear in a variety of forms and there are a staggering number of them [and growing.] However, they can and will be beaten because Satan's army [despite its size] is weaker than God's. It is done with the only weapon we have – the Truth weapon. The problem is it takes courage. Then again, it takes courage to fight on the front line of a battlefield. This is no different. We are at war, whether we like it or not. It is time to choose a side – truth or lies and apathy. We need to 'man up' and get active.

One way of exposing the gatekeepers is to pay attention to the people who promote unsubstantiated stories. When fabricated stories like the Hollie Greig one dominate the blogosphere [and it is just one of *numerous* fabricated stories] the voices of people like me, who have verifiable proof of Establishment corruption, are drowned out. The only way to win is by publicising plain facts which can be backed up by verifiable proof. All we need is a few brave souls to speak out and inspire others.

Ironically it is the NWO gatekeepers [the people 'in the know'] who are bringing us the all-important NWO truth; however, since they also feed us a load of dirty disinformation they are easily discredited – mocked and dismissed as conspiracy ***theorists*** – thus *the mainstream media* is more believable and therefore the NWO slavery take-over continues, with the paedophiles and their enablers remaining in positions of power.

The other concern about unsubstantiated stories is that they always contain defamatory statements against prominent people in society. That could provide the perfect excuse for our ruling overlords to bring in new laws to **curb free speech** on the internet.

The purpose of the HG story and other CSA hoaxes is to detract from and undermine genuine cases of child abuse by paedophiles in high places. There are now so many fake CSA [child sex abuse] and SRA [satanic ritual abuse] stories muddying the waters that all allegations of child abuse by high-up paedo rings get thrown into doubt and we remain in the dark as to the real truth about SRA, elite paedophilia, global child trafficking and cover-up.

Now that there is so much disinformation in cyberspace and so many hoaxes flooding the internet being presented as fact and because *genuine* victims of powerful elite paedophile rings are discouraged from speaking out one way or the other or are manipulated and discredited or silenced some other way by the evil NWO shills they continue to be robbed of justice and the true scale of abuse by nonces and their enablers in powerful positions remains hidden. Remember the NWO plan is to have elite paedophile rings in government and positions of authority. Fabricated stories are thwarting the efforts of genuine freedom fighters. They buy the evil men who rule over us more time to continue with their evil deeds and their evil plans for us.

When stories are without substance or when only partially true they become counter-productive. People who promote these stories and fake victims such as Nigel Cooper, Vicky Haigh, Norman Scarth, Maurice Kirk, Caul Grant, Chris Spivey … are **doing so much damage to TRUTH, JUSTICE AND LIBERTY.**

The sheer magnitude and complex web of deceit surrounding the people who protect and enable 'VIP' paedophiles is mind boggling. Freemasons, for God's sake, grow a backbone and listen to your conscience; just leave the fraternity and expose the corruption and wrongdoings. You all have loved ones and many of you have children. Do it for them. Think about it, your silence makes you a *protector of paedophiles and a NWO enabler*.

People, I am, just like you, on life's road of discovery. I don't have all the answers, I'm just asking the questions and connecting some dots and I'd like some help! And I am just as scared as you are. It is not fun being on the front line, but we have no choice. Beware the people who hide behind anonymity. If you are a genuine Truth soldier you are not afraid to reveal your identity. I have a question for those who operate anonymously – *who are you trying to hide your identity from*? The only people at risk are those who become ***a real threat*** *to the people in power*; take, for example, Bill Cooper. If you are such a person the only people who will attack you, and who can do you serious harm [and get away with it] are the ***freemasons*** [or their stooges], and they know who you are anyway. So, my message to all those who *say that fear prevents them revealing their identity* **– *get off the battleground***; you are no use to anyone.

One very good way of tackling the gatekeepers is to *block* the people who comment *anonymously* on articles or videos*.* ***Whoever operates anonymously is a deceiver***. Make no mistake. And do not believe those who give excuses for hiding their identity; such people cannot be trusted; kick them off the battlefield as they too are a hindrance. This is not a game. And even if the comments are supportive and the commenters are *seemingly* on your side, trust me, if they hide behind anonymity, they are ***not*** genuine – get rid of them; they are toxic. Only informed, motivated, courageous and honest people can stop the NWO.

I believe eventually these psychopaths in power and their psychopathic underlings will eventually self-destruct. I think if we stand up to them and never give up, no matter what missiles they fire at us, they will

eventually give up the ghost. My ex did. He eventually succumbed to the bottle and was found dead – alone and in squalor. This was on April 3rd, 2014, 15 ½ years after I'd left him. It is my intention that all those in the so-called 'family justice system' who gave him free rein to abuse his children, either directly or indirectly through their silence shall self-destruct too … or shall be brought to justice. The same goes for all those who abuse children or who assist child abusers; and that includes ALL NWO COINTELPRO agents; all of whom are paedophile enablers. I just have to trust in God to show me the way. He hasn't let me down yet.

Before going any further please note, the masons are keeping a close eye on **everything** I publish. This is evident just by the speed in which they delete a number of videos/blogs/articles which I comment on. Unbelievably just as quickly as I put a link to something, the freemasons delete said reference. Take a look at the **Anna Raccoon** site, for example, not long after I published my pdf on her [see ANNA RACCOON] all of a sudden her site was 'down for maintenance'. When the site came back online, I found that at least one of her articles had disappeared! And guess what; it just so happened to be **the first one** that I dissect. This one http://annaraccoon.com/2014/06/08/a-matter-of-f-a-c-t-part-3/. And it happens to be one that I go over with a fine-tooth comb; in fact I dedicate nearly 13 pages to it! Jeesh the lengths these bastards go to in their desperate attempts to conceal the truth knows no bounds. I even have the masons writing to me to let me know that some of my links have been replaced with a '404' error message! In fact I got such a message not long before I did another site update [March 2017]; and on a swift check of the Raccoon site I find all of it has now been deleted!

Another example of the pathetic, lying masons exercising caution and covering their tracks is vis-à-vis their '**Jimmysllama**' blog. Since my attack [see JIMMYSLLAMA] on the cowardly scumbag[s] who hide behind the Jimmyshillama persona [also in March 2017] I notice articles that I comment on have now *disappeared*!

Just so's you know the freemasons are getting a bit pissed off with me now and are upping the war. Mahatma Gandhi: "First they ignore you, then they ridicule you, then they fight you, and then you win." I've gone through the stages of being ignored and ridiculed; now they're really on the warpath. The latest warning came in a threat of legal action from JANETTE SCHARENBORG [see DMCA notices] and in a legal threat from **Fiona Scott Johnston**. Fiona contacted me on 18th March

2017, 15 months after my FIONA OF THE FORGED LETTER pdf was published, wishing to avail herself of a right of reply. I quote her email entitled "Many thanks for the best laugh in ages":
"I feel that I and other girls who were abused by Jimmy Savile should thank you for the lighthearted 'plug' you attributed to myself. Just so you have a few facts.

1. I have never spoken to any journalist, especially one from the Sunday Mail.

2. If I was going to forge anything it would be £20 notes.

3. Strange how they did not even have a photograph of me (except taken from the T.V. And they failed to print any letter…both myself and my solicitors have asked for a copy of 'The Fake Letter' yet nothing to date has turned up.

4. I DO NOT KNOW, I AM NOT NOR DO I HAVE ANY DESIRE TO BE A FREEMASON.

5 If you want anymore information try asking, not speculating.

6. You have given old Duncroft Girls, and a few others including my whole family the best laugh ever, we printed out your 'report' framed it and hung it in our loo, our friends love our sense of humour, our solicitors however are eager to see an apology, as am I…..no proof you see, presents a problem and as I have not ever claimed a penny in compensation, had accounts hacked and faked I am in awe of your abilities with a crystal ball." Ha ha; she should be in awe of GOD. I'm just a servant. What does she want an apology for; an attempt to expose the truth?

So her solicitor has asked for a copy of the 'forged letter', hmm I'd sure like to see a copy of that solicitor's letter! I'd also like to see proof of "accounts hacked and faked". Course it wouldn't surprise Meirion Jones, Liz MacKean and Hannah Livingston that Fiona Johnston is calling them liars.

Listen up Fiona, I do not fear Satan's servants; I fear only God. You should too. You had better understand that you will NOT be laughing when the **day of judgment** comes, because when that happens NO-ONE can help you – no solicitor, no judge, no mason … Only **God** can bring us salvation.

"And do not fear those who kill the body but cannot kill the soul. Rather **fear him who can destroy both soul and body in hell**." Matthew 10:28

"This is good, and it is pleasing in the sight of God our Saviour, who **desires all people to be saved and to come to the knowledge of the truth**." 1 Timothy 2:3-4

Judgment day is real "But concerning that day and hour no one knows, not even the angels of heaven, nor the Son, but the Father only." Matthew 24:36

"Therefore keep watch, because you do not know on what day your Lord will come. But understand this: If the owner of the house had known at what time of night the thief was coming, he would have kept watch and would not have let his house be broken into. So you also must be ready, because the Son of Man will come at an hour **when you do not expect him**.

We are now nearing the foretold end of the present system of things, when **God will destroy all elements of corrupt human society and remove the wicked**. Survivors of this system's end are "the living" who will be judged." Revelation 7:9-14; 19:11-16

"And someone said to him, 'Lord, will those who are saved be few?' And he said to them, 'Strive to enter through the narrow door. For **many, I tell you, will seek to enter and will not be able**.' When once the master of the house has risen and shut the door, and you begin to stand outside and to knock at the door, saying, 'Lord, open to us,' then he will answer you, 'I do not know where you come from.' Then you will begin to say, 'We ate and drank in your presence, and you taught in our streets.' But he will say, 'I tell you, I do not know where you come from. **Depart from me, all you workers of evil**!'" Luke 13:23-30

"**To do righteousness and justice is more acceptable to the Lord** than sacrifice." Proverbs 21:1-3

"Those who choose to rebel against God will be **permanently destroyed**, as will Satan and the demons." Revelation 20:7-9.

“Therefore the wicked will not stand in the judgment, nor sinners in the congregation of the righteous; for the Lord knows the way of the righteous, but the way of the wicked will perish.” Psalm 1:5-6

“And this is the judgment: the light has come into the world, and people loved the darkness rather than the light because **their works were evil**. For everyone who does wicked things hates the light and does not come to the light, **lest his works should be exposed**. But **whoever does what is true comes to the light, so that it may be clearly seen that his works have been carried out in God**.” John 3:19-21

“Therefore do not pronounce judgment before the time, before the Lord comes, who will **bring to light the things now hidden in darkness and will disclose the purposes of the heart**. Then each one will receive his commendation from God.” 1 Corinthians 4:5

“Beloved, never avenge yourselves, but leave it to the wrath of God, for it is written, ‘**Vengeance is mine, I will repay’**, says the Lord.” Romans 12:19

“On that day when, according to my gospel, **God judges the secrets of men** by Christ Jesus.” Romans 2:16

“Then Jesus told his disciples, ‘**If anyone would come after me, let him deny himself and take up his cross and follow me**. For whoever would save his life will lose it, but **whoever loses his life for my sake will find it**. **For what will it profit a man if he gains the whole world and forfeits his soul**? Or what shall a man give in return for his soul? For the Son of Man is going to come with his angels in the glory of his Father, and then he will repay each person according to what he has done.’” Matthew 16:24-27

“This is evidence of the righteous judgment of God, that **you may be considered worthy of the kingdom of God, for which you are also suffering**— since indeed **God considers it just to repay with affliction those who afflict you**, and to grant relief to you who are afflicted as well as to us, when the Lord Jesus is revealed from heaven with his mighty angels in flaming fire, **inflicting vengeance on those who do not know God and on those who do not obey the gospel of our Lord Jesus**. **They will suffer the punishment of eternal destruction**, away from the presence of the Lord and from the glory of his might …” 2 Thessalonians 1:5-10

“But before all this they will lay their hands on you and **persecute you**, delivering you up to the synagogues and prisons, and you will be brought before kings and governors **for my name’s sake**.” Luke 21:12

“Then you will be handed over to be **persecuted** and put to death, and you will be hated by all nations because of me. At that time **many will turn away from the faith and will betray and hate each other**, and many false prophets will appear and **deceive many people**. Because of the increase of wickedness, the love of most will grow cold, but **the one who stands firm to the end will be saved**. And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.” Matthew 24:9-14

“Then **the Lord knows how to rescue the godly from trials**, and to keep the unrighteous under punishment until the day of judgment.” 2 Peter 2:9

“**He that overcometh, shall inherit all things:** God revealed this to John almost sixteen hundred years since; and how long it shall be before this glorious time shall come, God alone knows: the most of this time hath been, and will be, a time of fighting with the world, the flesh, and the devil; but **whoever he be that shall fight this good fight, and come out of it a conqueror, shall inherit all the joys and happiness of heaven**.” Revelation 21:7

*“But the **fearful, and unbelieving**, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and **all liars**, **shall have their part in the lake which burneth with fire and brimstone**: which is the second death.*

And all liars; and all such as **are liars with their tongues, speaking what they know to be false; or liars in practice, that is, hypocrites, seeming to be what they are not**.” Revelation 21:8

“And in those days people will seek death and will not find it. They will long to die, but death will flee from them.” Revelation 9:6

“For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil.” 2 Corinthians 5:10

So, Fiona, will you save yourself or will you burn in hell? Fiona answered that question in March 2020 when the UK had **just gone into total lockdown when all the corona madness started.** She has *chosen to burn in hell*. Take a look here Fiona Scott Johnson's email to me on 25th March 2020.

Please note, on 27th November 2020 Fiona emailed me again – threatening to sue me. This is what she says under the subject heading "You said sue me if I am wrong":

"Dear Sharon,

I do not wish to cause you upset, however after notifying you that NO ONE I KNOW IS A FREEMASON, I am shocked to find your little literary ramblings, all 17 pages, still available online.

I appreciate what an institutionalised life can do to a person however nearly 10 years after the exposure documentary I am still trolled and the subject of negative posts. Having discussed this matter with Charlotte, who attended Duncroft School {not an approved school as claimed by many check, all approved schools abolished in 1969), she was also in the exposure programme and has close contacts with many others. We discussed your writings with Max Owen, a solicitor who has put us in contact with a prosecuting QC. We therefore are asking you to remove your writings before January 1st 2021, or you will be sued for defamation of character. I have chosen the date, the lawyers suggested 14 days. So failure to act will result in substantial defamation of character proceedings at the RCJ, London. We will also be seeking back our expenses as well as a settlement. So please delete your ramblings.

Yours,
Dr Fiona Scott Johnston-Jones. MRCGS, Ph.D. Lady Freeman of London, …..etc…etc

Sent from my iPad using Siri."

Bring it on bitch. LOL. Fiona must be feeling pretty desperate – first she emails me to thank me "for the best laugh in ages", then she sends another email – not to tell me I have defamed her, far from it, it was to tell me that I'm wrong about her, that I was "let down by a lack of bibliography" but nonetheless she still admires me and is impressed with my research! So how does it suddenly become defamation?

It is now January 2025 and I'm still waiting for her solicitor's letter! I told you Fiona I'm willing to do whatever it takes to protect free speech, even if that ultimately means I must die for it. That message also goes to someone who tells me her name is **Jennie Tilley**. This person emailed me on January 16th 2025 wanting a right of reply. Under the subject heading 'You owe me an apology', this is what 'Jennie' writes: "All these years later I wanted to say, I am still not a Jimmy Jones sock puppet. Folk like you silenced me, an abuse victim, with a police investigation that involve the Kent, Scottish and South African police and ended with the suicide of the perpetrator in 2010! I haven't forgotten you and what you did to me. How can I? It is still on your blog. God will lead me into what actions are necessary. I hope you find God to. Until then, you and I have an issue that needs putting to bed. This is the email I began Twitter account with. I still have it all these years later, do you know why that is? Because I am not Jimmy Jones. I am Jennie Tilley. Amend the error of your way where it comes to my name, please. Thank you. Jennie Tilley. PS if you had ever asked Sonia Poulson [it wouldn't surprise me if 'Jennie' is Sonia Poulson] she would have confirmed that I was not a sock account as I rang her to expose myself to shut your nonsense down the lives you have effected with your make believe is undeniable. You horrible woman!" And: "I forgot to enlighten you of which account you accused and claimed to know as fact was Royden Jones. But it never was. It would be me, jenniejenjen, Jennie Tilley to those in the know. But you? You may call me Mrs Tilley, as I would prefer no familiarity between you and I. Amend your public records, a lawyer will be the next contact between either of us. Thanks." LOFL stating facts and truth and giving an opinion, especially when it concerns an *anonymous* person ISN'T slander.

Incidentally, in 2019 I found another of Satan's little helpers contaminating my messaging services. **Duncan Sims** [ICENI RISING - DUNCAN SIMS] Face Book messaged me on 21/3/19 to let me know he's getting his knickers in a twist. I quote [complete with grammatical errors]:
"you really have some issues Miss Kilby.

Sorry Zaki … whoever you are?… who's the one using pseudonyms? I'm a Freemason, and a shill [laughing faces], bless you, you should have done your research much better than that dear, You will look the fool, not I, so please leave it all in place. It's quite amusing. Sorry to bother you again Miss holmes, I can't help but notice you didn't even do any research, you just bleat out your opinion, let me guess …

No … it'll keep … speak soon.

Just to give you a little snippet, so others will soon see how pathetic your hit piece is I may have wordpress take it down due to defamation and breach of their guidelines, but not just yet, here is my High Sheriff contact from 2015 which you say I didn't do, Some have said your sayanim, others that your'e 77th Brigade, I don't, I think you mean well, you're just a tad naïve, Now I really will leave you be … and forgive me for the block but I am a Free man, and have no time to debate with the likes of you."

Bless him, he tells me to leave my 'entertainment' in place, then tells me that he wants WordPress to take it down. Way to go, Duncan.

And since he questions why I blog behind two names, Kilby was my name when I first started my site, hence it is the site domain name. I remarried, hence the name Zaki.

Duncan has, of course, just sent me more proof [if that were needed] that he is a shill. He has also kindly let me know that the truth that I publish is really starting to bother the big boys.

Right, on to my **War on Shills**. I started by declaring war on **Sabine McNeill** who runs the 'Victims Unite' website. Click on SABINE MCNEILL for the sequence of events which brought me to my conclusion that she is a shill.

This is what **Charlie Foulkes** has to say about Sabine. She has also met Hollie Greig and her mum and has this to say. Please note, Charlie claims to be a victim of Lewisham council. She lies about that. She befriended me, talking the right talk, but later revealed her true colours. She's just the same as all the other fake victims – **pure poison**. Click on CHARLIE FOULKES for more.

See here for more of the truth about Sabine. See also Sabine McNeill troll.

In my post on 'When is website Mis – or Dis-information?' on Sabine's V/U I made reference to **Butlincat** [John Graham]. He has since revealed that he too is a gatekeeper. Click on BUTLINCAT.

After discovering Sabine is an enemy solder, I long suspected that the 'case' of **Maurice Kirk** is not as it seems. Whilst doing some digging on

him it soon became apparent that he too is working for the enemy. Heroic resistor of the NWO he most certainly is NOT. Slimy little shite he most certainly IS. The fact that he is a close friend of **Norman Scarth**, is only publicised on well-known shill sites and is very 'in' with the McKenzie team, including being a McKenzie friend himself for the **Musas**, tells me everything I need to know. Click on MAURICE KIRK for the proof that he is just another traitorous NWO gatekeeper.

Kirk and Butlincat are bosom pals and both are gunning for war, yet neither have any justification for their behaviour. Both these men and another morally depraved masonic lackey [and mini version of Kirk] CAUL SILFORD GRANT [see our email exchange] all speak pseudo legalese and they all address authority figures, via letter and in person [for as long as they are allowed to] in an insulting and confrontational manner. They behave no differently than the agents provocateurs you see at legit protest marches. This is another giveaway sign that someone is not kosher. All shills/trolls/fake victims are dangerous subversive agitators. They send out subliminal messages to genuine victims and supporters. They want us all to fire off 'angry' letters as the aim is to have us all viewed as anarchists; that way we can collectively be treated with contempt by the more level-headed wider public, and thus dismissed. The genuine freedom fighter knows that violence, whether physical or in the form of verbal aggression is never the answer. It is a sure-fire way to get us ignored. The shills know that. The only way we are going to be heard and taken seriously, and thus win this war is when we calmly and politely present facts which can be backed up with evidence. The shills know it too.

In connection with Kirk are another three men who deserve a mention – **Patrick Cullinane**, **Dafydd Morgan** and **Meirion Bowen**. These three are prominent movers and shakers within the McKenzie monkey set up and are therefore tainted by association. Cullinane and Morgan are thoroughly exposed in my PATRICK CULLINANE, JOHN PATERSON AND GORDON BOWDEN pdf.

Butlincat is a reporter for Before it's news. We might be wise looking upon a lot of these stories and the 'victims' referred to with a healthy dose of scepticism! It is worth noting that Butlincat also promotes the **Lou Collins** radio show. She is closely associated with Brian Gerrish and Mike Robinson and her high profile guests are:- Ian Puddick, Roger Hayes, Bill Maloney, Robert Green, Michael Doherty, Patrick Henningsen, Ian R Crane and others. Read what the

Hoax group say about Lou here. These names, as well as Farrell, Belinda McKenzie, Sabine McNeill … regularly crop up on each other's websites and Edge Media TV. Birds of a feather flock together … What is blindingly obvious is that ALL these people are high profile within the 'A/M' 'Truth Movement'; many of them have a connection with each other and ALL have a connection with the HG story, either directly with the HDJ campaign or by being a vehement supporter/promoter of it. I wrote to **Ian Puddick** and **Michael Doherty**. I have not yet had a reply from Doherty; Puddick did eventually reply – on 7/5/2015, over two years later [wonder why it took so long!]

As for **Maureen Spalek**, that case is also looking very suspect. Her story is covered by Drockton only [and repeated by other shills and well-meaning, but duped individuals.] There is no evidence that her story is true, just a 'publicity fund' donate button for … the Hollie Greig and Maureen Spalek cases! I wrote to her [twice] but heard nothing from her. As for Puddick, he garners publicity from **Sonia Poulton** on the 'Not The People's Voice' TV and Radio station [see more on Sonia in my JANETTE SCHARENBORG pdf.] You can read the emails referred to in my BUTLINCAT pdf.

Some people try to defend Sabine, pointing out, for example, that she helped them or gave them publicity. Sure she did and that's how she gets away with the con. She's also a very good actress and very clever. You have to see beyond the facade and ask yourself why she and other 'truthers' vehemently support a story which is so without foundation as the HG one. And why they refuse to engage in a 'War on Shills'.

And what of our fearless freedom fighter, WW2 hero and elderly intelligent eccentric Norman Scarth, does he take on the shills such as McNeill and McKenzie? Hell no. Just like his long-term friend Maurice Kirk he's *in league with them*. He's just another pretender – a cowardly, traitorous servant of Satan.

Far from being the quintessential, lovable eccentrics, stalwartly exposing 'HM' corruption, as we are led to believe, Scarth and Kirk are in fact very dangerous movers and shakers in the 'truther' community and are a serious drain on the public purse. Click on NORMAN SCARTH for more on my old friend.

On 11th March 2013 I wrote to a number of people in the 'alternative media' asking for help exposing the shills in connection with the Hollie

Greig story. I did not bother to contact the people who are already widely known as shills. My findings have revealed that anyone who tries to steer you away from the Hollie Greig can of worms or does not want to get to the truth of the matter or [worse] supports and promotes the HG story is a controlled opposition snake. There are a staggering number of them. These scumbags are only *pretending* to be warriors against the NWO; they are in fact *absolute traitors to truth and to humanity*. These bastards are ***the real enemy***.

The following rats are the ones I corresponded with.

First up, **Richard D Hall** of Richplanet TV. He has me reaching for his bullshit buzzer! I'm sure that you too will be hitting it when you have had a read of my RICHARD D HALL AND ANDREW JOHNSON pdf.

Richy of Lawful Rebellion [which is endorsed by UK column and BCG and has close ties to TPUC] was at *first* happy to engage in a dialogue. Click on RICHY OF LAWFUL REBELLION for more.

TPUC did not respond to my emails.

Roger Hayes of the British Constitution Group replied to my second email. He wanted a private meeting to discuss it! See our email exchange in my TPUC AND ROGER HAYES pdf.

Brian Gerrish. The kingpin of psy-ops; disinfo agent extraordinaire. This guy stoops to new lows. He is breathtakingly arrogant and slippery. It greatly saddens me to know that men like Brian Gerrish and all his non-truther comrades exist among us. I can't imagine how great it must sadden God. I will expose this man and all the rest of these degenerates while there is breath in my body. I am calling them out for what they are:- Snakes. Liars. Deceivers.

I had not written to BG; he contacted me to assert his right of reply, which is published in full in our email exchanges. Click on BRIAN GERRISH.

Gerrish ends his email with a PS, "You might like to watch the interview I did yesterday with Nigel Cooper on stolen children and child abuse. We are getting steadily closer to the scale of this and those really responsible." I wrote to **Nigel Cooper** on 6th February 2014. 20 mins or so later he replied! Not surprisingly his response was a typical Masonic 2-fingered salute! As referred to in my mail, his story is a good example

of how the controlled opposition undermine us genuine Truth soldiers. Nigel Cooper comes across as a delusional rambling sensationalist lunatic, such that he will not be taken seriously by the 'level-headed' mainstream media viewing wider public that we seek to inform. His use of slang and inflammatory language in his **storytelling** is designed to appeal to the hate filled bile and mob mentality 'conspiracy nutters' and can safely be contained in 'conspiraworld' such that the wider public will never be aware of the extent that the State fails children. We know that children are removed from good parents due to corrupt practices or on the flimsiest of reasons, and that children are often placed with a bad parent rather than the good one, also that the State do not step in to rescue the children who are genuinely being abused. However the full truth is never going to be widely known whilst we have a situation where the true stories which are backed up by verifiable evidence are not broadcast and the 'far out' unsubstantiated stories are published widely.

On the surface Nigel Cooper appears to be helping us lift the lid on the corruption within the family 'justice' system; after all he is only saying what a lot of us are. Cooper, fellow fakes and all their heavy weight promoters in the 'A/M' *appear* to be on the right side. But don't be fooled. Look a little deeper and understand that *unsubstantiated* stories are counterproductive. This gang are making a mockery of all *genuine* victims of the State and any genuine freedom fighter. They are paid to try and shut us up one way or the other or manipulate and control us in some way. These vile enemy agents are secretly furthering the NWO agenda and they'll try to destroy anyone or at least hamper the efforts of anyone who stands in their way.

However don't despair, full truth is seeping out and the cracks are appearing in Satan's armoury; it is only a matter of time when the evil one WILL be destroyed. One thing I told NC is that I'm happy I can sleep soundly at night, safe in the knowledge I have no reason to fear anyone and will never have to face anyone baying for blood when the full awakening occurs. Oh I can't wait for the day when Brian Gerrish, Nigel Cooper and all the NWO gatekeepers get their smug smiles wiped off their faces. Wouldn't want to be in their shoes when the baying mob hit the warpath. That day is not far away. All the NWO gatekeepers get their protection from their pyramid of secret societies. What they don't realise is that those pyramid structures are all built on shaky ground; on Satan's sand bed of lies. Click on NIGEL COOPER for a critical analysis of the Nigel Cooper story and our exchange of emails.

Chris Spivey. This guy is pure genius. He has me laughing my pants off with his effing and blinding. He's a great entertainer. But sadly, that's all he is. Heroic resister of the NWO he's most certainly not. After my 3rd email to him he replied. Click on CHRIS SPIVEY.

As for Spivey's 'illegal arrest' on 30th July 2014, this is just an attempt by 'TPTB' to convince Joe Public that the hapless Spiv is the real deal. For my take on it click on Spivey's arrest 30th July 2014. See the reaction to the video of Tom Cahill's narration of Spivey's "arrest" debunkathon in the comments section [also republished here THE COMMENTS WHICH WERE UNDER TOM CAHILL'S VIDEO RE MY SPIV 'ILLEGAL ARREST' DEBUNKATHON - SEPT 2014 as comments get deleted/pushed off the page by trolls.] See also Tom's video and the comments underneath re Spiv's second 'illegal' arrest [6th October 2014.] They are also republished here THE COMMENTS UNDERNEATH TOM CAHILL'S VIDEO ON SPIV'S SECOND 'ILLEGAL' ARREST. [Before reading those comments take a look at My response to Spiv's 3rd July 2015 article.] Here is an UPDATE ON SPIVEY'S 'ILLEGAL' ARRESTS JULY 2015 - NOVEMBER 2015. Please also read my DIGGING INTO JIMMY'S SOCKS pdf [scroll down to p29 for the section on **Jimmy Jones**] and my EMAIL TO JJ RE HIS SOCKS. I sent that email at around 10pm on 1/12/15. Three hours later he replied! Why should I be surprised at such a speedy response; it's a typical shill trait. It is confirmation that 'Jane' is his sock and that he should remain in the hall of shame. You can read our email exchanges in my JIMMY JONES pdf.

Please note I did hold **Tom Cahill** in high esteem for the brilliant work he was doing exposing the COINTELPROs. Sadly however all that changed when he revealed to me that he too has sold out as he will only expose *some* of them. Anyone who knowingly protects a shill with their silence is serving the dark side. Take a look at our December 2015 exchange of views under his video on Spiv's second 'illegal' arrest. I've copy/pasted it in case it disappears off the page. See TOM CAHILL.

As said in my pdf on TOM PRIDE Tom Cahill is now neutralised. That will not change unless he convincingly exposes the shills – Jimmy Jones, KFM, Kollestrom, Richard D Hall, Mark Windows … Half-hearted freedom fighters are only *playing* at being soldiers and are no threat to the 'PTB'. I had wondered if Tom was a *knowing* NWO gatekeeper or just being incredibly naive. I don't believe it's the latter. But even if it was, it still makes him a gatekeeper as he's no use to anyone but the

‘PTB’ [they don’t care whether they have paid employees furthering their NWO or useful idiots.]

Let’s just remind ourselves of Some tell-tale signs that a website is a shill site. Tom is guilty of all the following points:
1]They want to discuss things in private, and usually over the phone.

2]They don’t answer questions, instead they do plenty of obfuscating.

3]They’ll expose some agents; but not all. Any agents that they’re not allowed to expose will be done in a half-hearted unconvincing way; if at all.

4]They want to expose the ‘big’ fish, whilst refusing to expose the ‘small’ fry i.e. the people who protect those big fish. That makes them complicit in crimes against children.

5]They procrastinate.

6]They never deal with ‘out of the Masonic matrix’ issues; everything must be kept ‘in the box’ at all times.

7]They never expose the fact that it is freemasonry that is the evil force which keeps us all imprisoned.

This is how I became suspicious of Tom. In his email to me on 6th December ’15 he says:
“I know Nick a bit. I have met him a few times. He’s a disinfo, but I’m not sure he knows that he’s being used. The more time that goes by hasn’t changed this as he seems to be incapable of doing things that are in *his* own best interests, and this is the effect he brings to others. If you have anything specific that you can nail him on I’d be interested as he’s been off with me for some time, and come to think of it, a lot of these people give themselves away when they do that as there’s no other really obvious indicator. It’s almost like they think I know something that I don’t. Do tell me your thoughts though.”

I told Tom that I believed **Nick Kollerstrom** was being ‘off’ because he knew Tom was genuine. I also quoted what I’d written about Kollerstrom on my W-O-S [see just below.] I warned him to beware **KFM** and quoted from my ‘Digging into Jimmy’s socks’ pdf:
“Looks like Jimmy is in cahoots with KFM. I’m going to have to look into them now too. A quick nosey at their site and I find a Donate

button. That's worrying. On their 'Groups' page I find links a plenty to shill sites – The Outlaw, The Peoples United Community, David Icke, Freeman on the land, Land of the Free, Get out of debt free … On their 'Videos' page are links to lots of shills: Michael Tsarion, Red Ice Radio, Kevin Annett, Andrew Johnson, Neil Sanders, Michael Tellinger, Richard D Hall, Mark Windows, Jeff Rense, Jordan Maxwell, Guy Taylor …

Here https://www.youtube.com/watch?t=63&v=CGWkuyc3MpM we see Deborah Williams hobnobbing with Nick Kollerstrom; the same Nick that supports Sir Spivey https://www.youtube.com/watch?v=CG2zhELwA8k, the same Spiv that Deborah says is 'dodgy': "Experience has taught me to watch out for people who have dodgy connections and as I have stated in this blog, Danielle also has connections to the UK Column, Lou Collins, Bill Maloney and Chris
Spivey." http://kentfreedommovement.com/profiles/blogs/omg.

Have a look at this page
too http://kentfreedommovement.com/profiles/blog/show?id=5237500%3ABl ogPost%3A62109&page=12 whereby we find Sheena Williams getting publicity – saying her four grandchildren were forcibly adopted. They don't provide the evidence for that of course. The links provided are to the HGJ fraudsters
http://www.youtube.com/watch?v=vC06YQ12dMg and other shill sites – UK Column, TPUC, 'Name & Shame social workers' blog …

Also on the same page we find publicity for F4J. More on them on my 'Zoompad' pdf. Looks like the KFM are another bunch of piss-taking disinfo mongers. Just the fact that they have Jimmy Jones on board seriously discredits them. It's funny that he became a KFM member in December 2014, just when Tom Cahill was doing some serious damage to Danielle La Verite and a host of other degenerate filth. Of course the masons were never going to allow Tom to continue the momentum he had going with his excellent work exposing Team Spiv. Not only did they need Jimmy, they got KFM on board too, to help curb it. Nuff said about KFM for now."

Please now read my pdf entitled TOM CAHILL.

A swift update: It is evident that Tom has no intention of doing a video exposing Jimmy Jones, as he said he would during our Dec 2015 conversation. Instead he posted the following comment on 5/1/2016: "Jimmy asked me what I thought about you doing a 'proper job on him'? I told him I didn't know what he meant as you hadn't. He sent me

some totally inconsequential stuff about how he was being attacked for exposing child abuse related things, but it wasn't anything of substance and I agree with you he never actually has done this, so it doesn't make sense. I'm not saying he's a cointel or not. If he is one he's not doing a good job of it, or, maybe he's doing a good job doing nothing and getting paid. The problem being is despite his dramaticism, no one's done anything to him that he can prove, and he's done nothing to anyone else which I've found evidence to indicate as being likely, so like I say, I read over what you read, and I didn't see anything in there that was remotely convincing let alone by way of conformation; AND, moreover, if he's not doing anything, what's your interest in him?" To which I replied: "Tom, that comment you just posted is more jaw-dropping than your others. You have completely discredited yourself. You are a pathetic, cowardly, despicable traitor. Shame on you. All I can say is God help you when the mass populace realise that you too are massively assisting the NWO slavery agenda. Seriously, Tom, do yourself a favour, take down all your videos and go into hiding. No-one is going to listen to you anymore. Everyone knows that you've joined the pretend brigade; you will be forever known as a pro-paedophile, traitorous, cowardly subversive. I honestly don't know how you can live with yourself.

I'll quote Timothy 4:2 for you again – *Those who depart from the truth speak lies in hypocrisy*."

Let's just remind ourselves we are at war, whether we want to be or not. The war being waged is an information war. The people we're dealing with are **merciless, conscienceless, destructive scum**. This is not a mere game, nor an online hobby, nor a form of titillating 'alternative' gossipy entertainment. It is not for the faint-hearted or the naive; it is a serious challenge of powerful, wealthy figures. They will go to any lengths, stoop to any depths, to protect themselves. And they have an unconscionable number of unconscionable stooges doing their bidding. The internet affords great freedom of speech, but also gives a wider scope to those who wish to suppress it, manipulate, and discredit information presented and those who present it. This sort of activity has long been the preserve of the security services and their deniable, out-sourced private agencies; all of which are now completely controlled by freemasonry. Genuine researchers and presenters of 'dangerous' truth need to be on constant guard for personal attacks, threats, disruption through sophisticated trolling techniques such as 'snowing' and 'intoxication', and to be aware that all their communications can and will be monitored by the Masonic controllers.

"If the freedom of speech is taken away then dumb and silent we may be led, like sheep to the slaughter." George Washington.

Another individual I don't trust is one NIGEL BECKWITH.

One DARREN LAVERTY, another seemingly supportive individual, also showed up in my inbox, saying simply "Wow. Just Wow" about my blog. [This was around the same time as Beckwith.] I didn't get into dialogue with him. I knew that one day I'd be exposing him instead. Around 18 months later – March 2015 I set about the task. Read up on his fellow Spiveyite super trolls too – **JIMMY JONES** [scroll down to page 29 of DIGGING INTO JIMMY'S SOCKS], GOJAM**,** ADEYBOB, SHEVATWO BURTON, ZOOMPAD, JANETTE SCHARENBORG, WILL BLACK, TOM PRIDE, ANNA RACCOON.

As for **Adeybob**, he sent me an email on 18th February 2016, with the subject heading "I'd like to clear it up". He says:
"I just read your pdf about me. You got me wrong, and **I am giving you one chance to take it down**. You haven't just got me, and many others, wrong, but you have also made me feel sick to my stomach with the things you said about me. Why didn't you even bother to talk to me before you said such outrageous and hurtful things?" He's giving me a chance, is he? OR what, Adey? Are you going to pay me a hostile visit? Or are you going to send your henchmen to do your dirty work? Perhaps the police should make their enquiries with you should any harm come my way.

If the truth makes him feel sick to his stomach, well, that's his problem, not mine. Frankly paedophilia makes me sick to the stomach, as does anyone who protects paedophiles – like him.

If he doesn't like what I write, he doesn't have to read it. He hasn't said where I got him wrong – or where I got anyone else wrong. Notice incidentally he doesn't give me the names of those 'others'!

He's free to blog whatever he wants, and he's free to troll wherever he likes. He can address any inaccuracies on his own site or elsewhere. I've given him his right of reply on mine. I've been more than fair. And I'll say the same to any of the 'others' who voice a protest.

Update: It seems I've struck a nerve. Desperate **Adrian McCormack** is now threatening me with the police!!! Adey gets attacked … with the truth, and what does he do? He runs to the police for protection, of course. Ha ha, warra wimp. This is what he sent me on 5th August 2016 under the subject heading "Why?" [my comments, are in red]:
"Why are you attacking me.. **changing my words** [I don't] .. **insulting me.. calling me a liar**? I do. If one iota of your vehement words about me were true, I would **hang my head in shame**. That would be impossible for you since you – like all trolls – have no conscience. But excuse me while I don't, you bloody loony. As it is, just about everyone who reads your violence is **likely to think very ill of me** [good, that's the idea] were they to depend on your twisted view. Not my view; just the truth. WHY? What kicks do you get out of it? You call me evil..? YOU are evil.. you who call me evil – how dare you, you jaded hypocrite. I challenge you to **back up what you have said about me** [I have done – in detail; all on the pdf] ..because I am sick and bloody tired of **jokers** like you. You're the joker. Nasty little people who write nasty lies about people

– I CHALLENGE you to find anywhere where I have attacked someone in the way you seem to revel in doing. I'm fucked off with the lot of you sicko's. I'm leaving your sick twisted evil **for the police to sort out**. Cos telling the truth is a criminal offence. I mean it, Barbera. My name is Sharon. You and your sick little games with your sick little friends have pushed me too far. This SHIT IS going to end."

I'll ask him a question – why does Adeybo**bully** feel the need to threaten me? I don't threaten him.

Another Spivey suck up evil subversive who also wanted to give me more proof [as if that was ever needed] of whose side he's really on is **Robert Chewter**. This is the clown who says: "It would be interesting if you could convince the Racoon gang that Webster was the liar we know him to be as to the Racoony loonies Webster is regarded as some sort of legend and folk hero and to have that creep debunked would show them up a lot." [See p 16 of my pdf on the Lavatory.] I had replied: "That's easily done. Get to it Chewie, ya lyin little creep. I've done all the leg work for you – all you have to do is break ranks with your pal Daz and all the other slimy sewer rat Establishment stooges, and endorse my PDFs on 'ANNA RACCOON' …" Did he endorse my work? Hell no. Instead he sent me this email on 29th February 2016:
"INTERESTING ABOUT GOJAM BUT … YOU WERE DOING OK BUT YOU BLEW IT…

1 CHRIS FAY IS NOT A SHILL
2 CHRIS SPIVEY WE BUSTED A PAEDO RING
3 BARBARA RICHARDS IS NOT A FAKE
4 MAYBE YOU ARE BC YOU SEE YOU ARE EXPOSING CORRUPTION IN COLWYN BAY.
HMM IF SO THEN THERE IS A HUGE OMMISSION IN YOUR RESEARCH
WHY IS THAT?
NOW EXPOSE ME AND GIMME A LAUGH"

Not long after he must've discovered that I'd already exposed him, cos he's really spitting feathers now. On 17th and 18th March 2016 he sent me a flurry of emails, calling me an idiot, dense, thick … and then he asks for an apology. Ha ha. Get lost Chewie.

It seems I'm starting to rattle a few cages now. Another of Satan's little helpers, who goes by the name '**Delta Papa** perks.darren@gmail.com' sent me this **threatening** email [on 10th September 2016]:
"Sharon
Your recent written nonsense of Ben at HPANWO is not only slanderous [how can nonsense be slander? And if I write nonsense, why do you go to the trouble to write to me? In any case truth isn't slander] but you have now have mine and my colleagues attention. What this prick **Darren Perks** [if that's even his real name] means is that he and his **freemasonic mates** do not like me very much. Listen up Perky, I'm well aware that I'm pissing the masons off. Why don't you do yourself a favour, grow a spine and dump your scumbag colleagues.

Word of advice, stop now while you have chance, because if not you are opening yourself up to a few things that will make your life very difficult. My life's already very difficult. That's the price you pay for serving God. You can do what you want; I don't fear Satan's servants; I fear only God. You should too. Trust me, you do not want to feel his wrath. Why do you threaten me? Why do you fear those who speak the truth and who take a stance against paedophiles and freemasons? Are you a paedophile? I've got some words of advice for you, stop being a **weak cowardly NWO gatekeeper**, and start supporting those who stand up for what's right. If you don't, you will be rotting in hell forever. And it is forever.

I'm not going to go into detail about what I know do [what you know do? Ha ha, mate, you're lost. You don't even know what you know/do] but my group and our affiliates are everywhere. Satan's Masonic army may be big, but it's no match for God's servants. Balls in your court. Why don't you grow some balls, tell your mates down at the lodge to 'do one', and join GOD's army. Go on; **stand alone**; I dare you.

Regards."

I've got another message for Perky and his gang of thugs in suits, who **hide behind anonymity** whilst dishing out threats [wow, what brave men they are, picking on a middle-aged lady], don't be so smug as to think that your identity will always be protected. My readers and I may not know who you are, but our **Lord and master knows each and every one of you**. It is written in **Matthew 10:26:** "But don't be afraid of those who threaten you. For the time is coming when everything that is covered will be revealed, and all that is secret will be made known to all."

INTERNATIONAL MEN'S ORGANISATION **–** Have a read of their response to my mass mail out, and my reply [which was ignored.]

TONY GOSLING – This ex-BBC reporter says he too is "concerned about the case". Liar: no he isn't.

And look who Gosling interviews on 2/11/15 – **Cheryl Gormless**, er **Corless** https://www.youtube.com/watch?v=gZzUSJx9qks. This bint just chats bullshit and buzzwords. Just listening to Gosling taking her seriously is cringe worthy. At least his other guests – although truly evil – are of high intelligence. Not only has he lost all credibility giving her any airtime, but he's also made himself look like a complete and utter nincompoop too. More on Corless in my 'Digging into Jimmy's socks' pdf.

Online Publishing Company – **Caroline Bayford** replied that Giovanni had forwarded my email to her, that Online Publishing "are not afraid to expose the truth" and that she would get back to me. She didn't To all the people who didn't reply, I sent a follow up email on **March 28th, 2013**.

The reply I received from holocaust denier **Nick Kollerstrom** is: "ta for sharing your endeavour, but ToT is NOT involved in paedophilia and I have no wish to make any judgements on the subject. We all have our specialist area where we can comment meaningfully, NK." COP

OUT! This is the NK who is closely associated with Chris Spivey, Tony Farrell, Belinda McKenzie and David Shayler. They All enjoy TV coverage. He is also a regular on Richard D Hall's Richplanet series. The internet is awash with coverage of NK the 'Conspiraloon 9/11 – 7/7 Truther' and there are questions as to whether he is a disinfo agent for the 7/7 terrorist attacks.

It is clear that the so-called alternative media is saturated with shills and spooks of one type or another. Daniel J Towsey explains the extremely effective way the psy-oppers keep real truth-seekers/tellers under control in his article, "Beware of Internet Reverse Psychology Operations". Please note unfortunately **Towsey** is *also* shilling for the Illuminati. See THE BOSTON BOMBING PSY-OP – a closer look at the work of the COINTELPRO.

The reply I received from TOM PRIDE of Pride's Purge needs framing. He writes: "What's the NWO?" **Tom Pride** won't be taking the piss when his identity is known and an angry mob armed with torches and pitchforks are at his door baying for blood.

Others I sent a follow up email to [but who did not reply] are:-
Bill Maloney of http://pieandmashfilms.com/. Nuff said about Bill Baloney already.

http://cremationofcare.com/. [My first email was sent, but delivery of my follow-up email failed.] This site is hosted by the infowarsnetwork and there are links to a lot of shill sites.

http://vigilantcitizen.com/. This is what Chaukee says about VC.

http://www.freedomrebels.co.uk/. Lots of links to shill sites.

http://paradigmshift.tv/. Lots of links to shill sites.

http://www.zengardner.com/. Lots of links to shill sites.

John Ward, publisher of The Slog was on the panel of the 15th January 2013 House of Commons meeting of *slimeballs*. And here he is keeping company with the stinky turds – Sabine and her MP pals, Belinda and VICKY HAIGH. Nuff said.

Not one of my 'Hollie' correspondents was interested in uncovering the truth of the HG story. If they were not shills they too would want to

know *why* this unsubstantiated story was deliberately spread far and wide on the internet [and kept in our collective consciousness.] And of course if they were genuine Truth soldiers they would be as keen as me to expose the shills.

Despite all the shilly dirty trickery the dominoes *are* falling and it is only a matter of time when all of these slick pretenders are exposed for the lying, treacherous creatures that they are. The shills are slowly sinking in a sea of sludge.

It is no surprise that shills never let on that Freemasonry is the sinister force working in the background in all spheres of power in every society and is the reason corruption is so rampant and rife throughout the world. I have heard people say that not all freemasons are bad. That's like saying half-truthers are not bad. Look, there are no half-measures. You are either on the side of Satan [evil] or of God [goodness]. Freemasonry is an inherently evil secret organisation. If it was not, there would be no secrets, it would be 100% open and transparent to the public. End of. If you are a mason, you are supporting the evil which originates from the higher echelons and filters down. The foot soldier masons prop up the pyramid structure. All freemasons are NWO gatekeepers. These are the Judases we need to expose.

See Zen's brilliant analysis of the part-truthers here. See also his blog The Hidden Hand of Controlled Opposition. Please note **Zen** is another toy soldier as he is also a part-truther. If he was genuine he would not be linking to shill sites, he'd be exposing said shills! He'd also be exposing the HG story as a hoax [he ignored the emails I sent him in this regard!] One might ask why would an enemy agent raise awareness of the very team [the *pretend* opposition network] in which s/he belongs? Here is the extremely effective **psychological operations** at work. This is how these psy-oppers fool us into believing they're the real deal. Remember the real battle is for our minds. These agents are brilliant psy-warriors. They have an amazing amount of 'head-fuck' tactics – they go to great lengths to appear genuine, even writing phoney letters to a range of authority figures … And have you noticed how many of them talk about God? In layman's language these double agents are constantly thinking up ways to fool us, confuse us, get us off the scent, muddy the waters and then muddy them some more … so that we give up and go back to sleep. It really is no wonder we've been kept in the dark for so long. But take heart we are starting to see the light – unpleasant truth is emerging, it turns out Zen was the leader

of a notorious kiddy fiddling and torture outfit – the Family or Children of God.

There are so many pretend Truthers, fake online sleuths and fake victims out there, and new ones *popping up all the time*. The rabbit hole does run deep. It is very difficult to know who can be trusted. This is where the Big Gun shills have got it sewed up. Most people trust that the high profile 'Truthers' in the so-called Alternative Media don't lie and wouldn't lie about individual 'victim' cases. Most people assume these 'Truthers' have the evidence that a case is genuine. But a can of worms has now opened with the Hollie Greig saga. So what or who else are they lying about? I think it would be wise to question *all* 'victim' stories if that 'victim' gets lots of publicity/representation from a known shill and especially if that 'victim' works closely with a known shill. See WHY THE HOLLIE GREIG STORY MAY HOLD THE KEY TO REVEALING THE SHILLS for more on the fakes and their purpose.

I used to think that *at least* half the contributors' 'cases as stories' on V/U were genuine. Now I'm not so sure. Have a read of my PHIL THOMPSON AND PETER OAKES pdf for more on that.

"The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing." Albert Einstein.

The **Vicky Haigh** story is further confirmation [if it were needed] that Sabine, Belinda, J Hemming, Butlincat and Ian Josephs are SHILLS.

We'd do well to also question the sincerity of **Maggie Tuttle** [of the charity 'Children Screaming to be Heard'] since she is closely associated with Sabine, Belinda and V/U, is promoted by UK Column and appears on videos made by Eddythecat7 and the 'Truth and Hope' charity shills. [T & H support the Hollie Greig saga and are sponsors for the controlled opposition 'UK End Child Abuse' rallies. They also support VH and have links to Sabine, J Hemming, B Gerrish… and of course they do lots of fundraising and have a donate button. Nuff said.]

Note Maggie Tuttle contacted me on 11th December 2013. Click on MAGGIE TUTTLE for our email exchange.

Her friend ANDY PEACHER also emailed me. See also my PATRICK CULLINANE, JOHN PATERSON AND GORDON BOWDEN pdf for more on **Andy Peacher**.

Maggie let me know that YANNIS EMMANOUEL of 'Family Justice Exposed' is an enemy soldier too.

Now onto someone else who I used to hold in high esteem, as I thought she too was a genuine freedom fighter. Sadly she isn't. YOLANDE LINDRIDGE is just another pretender and, as it turns out, another of **Yannis Emmanouel**'s friends.

Please note on 25th November 2020 **Yolande Lindridge** felt the need to email me and get something off her chest. She wanted to tell me that I'm evil for publishing her emails. This is what she says under the subject heading "Sharon Kilby – betrayer of children":
"How do you live with yourself knowing how many children have suffered because of you?

You are probably one of the most evil women I have ever met because you know what you are doing to fuck up children. I doubt that either Dr Shuan Russell or Josie Russell will smack you in the mouth as you deserve for your evil. I lost my Emily via the Chillenden Murder cover-up, there will come a time when any child who knows you will see you as a 100% protector of evil.

How do you feel Sharon in your role to help 4 million + children suffer avoidably? How do your children see you as a role model?

I stupidly trusted you & children suffered avoidably because you are a con artist."

Perhaps she is a little unhappy that the people of Maidstone don't have much faith in her Your Councillors – Maidstone Borough Council. Here she is doing her presentation in Maidstone https://www.youtube.com/watch?v=g7MX5HjGIvw&feature=emb_title.

Maggie Tuttle says she has lost one of her own [her grandson] through foul play within the family court system. She could be lying about that. Read my MAGGIE TUTTLE pdf for more. There is certainly no evidence to back up her story which is told by her good pal Sabine, linked here. According to Sabine Maggie is being "gagged from talking to her MP" and "gagged by the court". Well, if what you say is the truth you cannot be gagged. So there's a lie for starters. Sure the Masonic powers will try and put the frighteners on you to get you to STFU, but there are ways around that; see SHARON KILBY'S STORY. Similarly, Yannis says his daughter is in foster care. But he doesn't show any

evidence of the corruption within the authorities/courts that led to her being fostered, if indeed she *is* being fostered, as there is no evidence for that either. He just makes vague statements like: "A criminal judge force them 3 times to remove my child to teach me a lesson." Similarly PHIL THOMPSON does not show any evidence of skulduggery within the family courts that led to his three great grandchildren being "forcibly adopted", if indeed they were.

Another so-called freedom fighter who I used to hold in high regard is **Ann Mallaby.** We became acquainted back in the 'VOMIT' days and for years I believed she was the real deal as she played her part as Norman's staunchest supporter during his years in prison so well. Little did I know then that those two scumbags were deceiving me. I wrote to her on 11th September 2014, but – not surprisingly – got no response. You can read that email in my NORMAN SCARTH pdf.

Jeesh, when I think about it now if I had never confronted Sabine and exposed her as a shill which led me on a journey of exposing as many shills as I could, I might still to this day have been under the impression that piss-taking, time-wasting bastards like Ann Mallaby and Norman Scarth were genuine! Boy, am I glad I didn't keep quiet.

As for KELLIE COTTAM, she also availed herself of her right of reply after becoming aware that she too gets a mention on my site. This is her email to me on April 6th 2016:
"I have seen a blog you have written on me and I have to say… Dame girl… Before you write things up, try getting in contact with the person first and speak to them for the truth, and more so before you call any child a mistake…

You could of really helped being your in the area my children where taken… But dame… With blogs like that, no wonder families like us struggle to be heard.

If you actually want the truth, try speaking to me first, and not associating me with people who I don't even know…

Thank you."

Fake victim stories serve the NWO agenda well. According to Gerrish [and he would know]: "There are high level paedophile and abuse rings which are setting government policy aside from stealing, trafficking and abusing children. One state policy is to take children from the good

parent and give them to the abusive parent. This is achieved with bent police, courts and SS. Another policy is to lock protective parents up in mental institutions or prisons if they try and protect their children. Another policy is to refuse to investigate the abuse so as to claim there was no abuse." Similarly, John Hemming says Phil's great grandkids have been "removed from the family by arbitrary state action in order to satisfy government targets". And this is what Sabine says. The problem is, these gatekeepers are presenting a distortion of the truth [see my PHIL THOMPSON pdf] and the fantastic stories [see my MAGGIE TUTTLE pdf] that they broadcast widely [of demonic child snatching social workers etc] are just **not true**. So the message and the *genuine* victims are unheard. How is Joe Public going to believe we genuine victims of the State when we try to warn people about widespread corruption in the courts and authorities and the NWO plan? Many turn around and sneer that "you can't take the lizard man Icke" seriously and those who do bother to do some research are more likely to believe the establishment/mainstream media line that there is no evidence of systemic corruption or a Masonic engineered/facilitated NWO agenda, that there are only crazy conspiracy theorists and growing numbers of irresponsible fucknuts getting rich spouting off about the NWO to their brainwashed and gullible followers.

As said, we have a massive army of 'truthers', unfortunately it is led by liars and its soldiers are predominantly liars! I actually think we should call the 'truth movement' what it is – the awakening. The problem we have is that, due to the successful influence of the NWO gatekeepers, most people are not fully awake. Some people point out that fake stories are no big deal, pointing out that they "highlight the corruption and cover up within the authorities, politicians and judicial system". Well, that's only true **if the stories are true!** As I said to Maggie Tuttle, we 'Truthers' have to have the **evidence** of corruption. We have to be whiter than white and make sure we have our facts correct; otherwise we all become a collective laughing stock and **can then be ignored**. I also told her that when a fabricated story like the HG one hits the blogosphere and is not dealt with, the integrity of every single person who is trying to expose Establishment corruption comes into question. That cannot be allowed. I for one will not allow people like Gerrish, Sabine, Belinda … to tarnish my reputation in this way. All fake stories have to be challenged by us genuine Truth soldiers; who else is going to do it? Whoever stays silent on this issue is a traitor to the truth. There is another way of looking at it, perhaps some people stay silent due to cowardice; well, if that's the case such people should stop pretending to be anti-NWO warriors and go back to

sleep with the rest of the sheople. Whatever way you look at it, there will only be a full awakening, and with that **God's New World** when the **genuine truthers take on the fake truthers**.

Of course, it's not nice challenging your fellow so-called truthers; and, yes, you've got to be brave. But the way I see it I'm fucked anyway [we all are eventually.] So, it's all or nothing now. Genuine victims know that there is no redress, nothing that can help them, as every body of authority/sphere of power on earth is now corrupted by freemasonry. So, the logic is we're already living in hell, why prolong the suffering? Might as well attempt a spirited fight back. Let's face it, if it is fear that puts you off fighting the real fight, then you are living a miserable existence in fear until you are forced to face the hell that is coming to all of us, by which time it will be too late to fight anyway. I also happen to believe that there is a hell in the afterlife and that if you serve Satan whilst alive on earth, you will surely be serving him for an eternity when you're dead. And make no mistake, cowards are Satan's servants. At least I can be happy that I went down fighting.

The funny thing is, since I've adopted this attitude, I've grown stronger, and I find it easier to push away those doubts [whispered to me by you know who] that do pop into my head. My daughter Melissa is the only one in my family that I can talk to about spiritual matters. Because of her suffering she has figured out so much for herself from a very young age. Stuff she has come out with over the years has really surprised me. She understands that people who do God's work are hated on earth. She knows we live in a cursed age, with rampant deception, sin and injustice. She knows that Satan is Prince of this world, that he hates us here, that we disturb him. She also knows that the enemy cannot harm God's troops. She told me that she has known God since she was about four years old. She tells me life is a test and we have to experience certain things to prepare us for what we are here to do.

We often talk about and read SPIRITUAL MESSAGES together, such as: This life is not home. We are strangers in the world, merely passing through this life. Persecution delivers to the trusting and faithful believer such special and great rewards that we should thank God that we have been counted worthy to suffer for Him. Jesus taught the road to life is "hard" and only a "few" will find it. And: Jesus said: "Men's hearts failing them for fear." Satan beats up the sheep. Most people are destroyed for lack of knowledge because they reject knowledge. Those who live well now are on their way to the lake of fire where they will be tormented forever. Weak men don't realise that they are used of Satan to fight

against God's kingdom. Hear their pain. We must love them [the greedy and corrupt, the world leaders, the big business directors and the men who are bound by the oath of their secret societies.] We must love them enough to stand against their blindness, their Satanic deception and their malice towards us for teaching truth. And when they persecute us [as they surely will] we must love them enough to forgive them. Evangelize the sinners. Jesus is the only way to salvation. Freemasons claim to know God, yet they walk in darkness. God is light. He does not lie. He is not mocked. He knows and sees everything. Don't underestimate the power of the Holy Spirit.

It has taken me a long time to realise that it is no accident that we are here, and I now understand that when we put our faith completely in God, he guides us, protects us and gives us the tools we need to do his work. When we wholeheartedly trust in God, we are spiritually guided to find the answers, to share knowledge and help others. God reveals the answers when, and only when, we are ready to learn. Trust me. It's true. Life is like a game of chess. God tells us what specific chess moves need to be made along with when those chess moves need to be made. Also, understand that God does not test us beyond our ability to endure. He knows our capabilities and our limits. We know God through our consciences. Listen to your conscience and you listen to God. It is so comforting to know that God who is in us is greater than those who are in the world. Also, that the court which has the ultimate and greatest power in the world is the 'People's Court' and Satan's followers will awake to shame and everlasting contempt. His wrath comes on those who are disobedient. All liars, cowards, vile folk … will be in the fiery lake of burning sulphur.

Folks, think about it, for every person who challenges Establishment corruption with evidence, one step is taken closer to our collective freedom. For every person who challenges a NWO gatekeeper, we all take another giant step towards freedom. Sure, the enemy agents far outweigh us in number; but we have the power of God. Please read the link to the spiritual messages. They are absolutely true. Here's a couple more: You don't have to be afraid of the unknown. It is unknown only to you. God is well aware of where you are and of every step he is asking you to take. And: Take courage my friends! Stand up and fight. We have no need to be afraid. We are not alone! God has us covered. He has everything under control. It doesn't matter how things look in the natural. Don't let them fool you! Hold your heads up high! Keep the faith! Every child of God has been given a promise of victory over the evil one.

Corrupt men created religions that suppressed spiritual knowledge that will set humanity free from its mental and emotional prisons. **Peace is a spiritual problem, not a political one**.

'Digger' is right when he says: "You want freedom? Then seek the strength, courage, wisdom from within. Deep within we all know what we need to do to bring about freedom for ALL." And: "**Just you** – You don't need any middlemen. Gurus, masters, special classes, holy shrines, places of worship, priests, mullas or rabbis. You're on your own with this one." http://diggerfortruth.wordpress.com/2012/05/08/knickers-in-a-twist/. And also: "Hundreds of shills are just containment nets for the mass awakening. Distract ~ defuse ~ divide."

DIGGER does some sterling work exposing 'controlled opposition', and so doesn't present as an obvious shill himself. However, after becoming aware that he too only exposes the ones he's *allowed* to, I did some digging for truth on him, and it soon became clear that he too is a dirty disinfo agent.

See here for a truly uplifting beautiful song – 'Judy Jacobs – Days of Elijah (No God Like Jehovah)'. Here are the lyrics.

As for 'brother' **Clinton** of the '**Sword of the Valiant**' http://www.swordofthevaliant.com/index.html, he is just another nasty piece of work, total fraud, doing his bit to further the NWO slavery agenda. After watching a few of his videos, I was at first impressed, and actually felt he was one of those rare breeds whose word you could trust and who was *genuinely serving God* and doing his bit to awaken the populace. Far from it. First of all he advocates the strawman https://www.youtube.com/watch?v=ME7K6P7hlko 'legal fiction' scam. When I asked him if it was necessary to have a birth certificate to enable him to get a passport to enable him to flee to Costa Rica because it is "too late for America", he didn't answer.

The brother preaches that CPS, assisted by "armed thug" police are going into people's houses and "snatching" kids https://www.youtube.com/watch?v=4t78F3Myp1A. When I asked him to provide the evidence whereby *just one person* had suffered this unjust State "child snatching" policy, he couldn't; he simply ignored my request.

He encourages couples who are remarried [and divorced from their spouses] to separate as they are committing adultery and it is "required

by God, in order for them and their children to be saved" https://www.youtube.com/watch?v=kum8axle6gM. This is despite the fact that the hypocrite leans on his own understanding of the bible – which *he tells us not to do* – and justifies his own second marriage by saying that *God told him* he was free to remarry because the woman he had married the first time was already married, that he believed she had been free to marry him because she had told him that her husband was also already married when she married him! When I asked him why he didn't wait for her to get a divorce first, he didn't answer. I'd sure like to hear his first wife's side of it! Not surprisingly he stifles free speech on that video and all his other more contentious videos.

He tells blatant lies, for example that if you give birth in a hospital your baby will be whisked away from you to unknown parts of the hospital and pumped with different kinds of medicines and vaccines – he says your baby is taken to a **secret** part of the hospital where you can't get to and **vaccinated with several different vaccines** as soon as it is born. Furthermore, just like all fakes, he happily 'exposes' the **already widely exposed** Alex Jones, yet when I inquired why he doesn't expose the ones who *aren't* – yet – being exposed as COINTELPRO agents, he refused to answer, thus protecting them with his silence. So much for his contribution towards helping God defeat evil.

Rather than answering my *perfectly valid questions* this charlatan [just like all the snakes who get called out] turns nasty, resorts to more lies, and goes on the attack. This is his last email to me:
"I have been more than polite and patient with you. And still you continue to carry on a discussion that I have told you I will not engage you in; and write me with false accusations [if they're false, why didn't he prove me wrong?], foolishness [how is trying to determine the truth foolish?], pridefulness [legitimate questions and asking for evidence is being proud?!] and profanity… I think he is the one being profane … and proud, and foolish and full of falsehoods … I have told you that I am here for you if you wish to learn of God's word [what an arrogant little man] and be saved. I told him God decides who is to be saved, not him. It is apparent that that is not the case. So, kindly stop writing me. I am going to filter your emails to my trash folder from this point forward. I rarely have to do that, and I am sorry that you have driven me to it. But I have work to do [yeah evil work], and you have been very rude, disrespectful, ungodly, and bothersome [that is another blatant lie; and if I bother him, good; it means I'm doing my job well] and I do not engage such. I have much work to do, and many children to attend to. I implore

everyone to keep their kids well away from this trickster. You are welcome and encouraged to learn from the materials that I have made available online… but I will not be communicating with you personally again; unless the Lord grants you repentance, and I may be used of him to teach you of the doctrine of Christ."

Just from the above points it is perfectly clear this brother is absolutely NOT on God's side; he is a false prophet, actively assisting the NWO plan. More confirmation of that is in him making a point of telling us that the NWO WILL happen … for it is written in the bible … and who are we to question the will of God. This teaches us to just accept what is coming. The likes of Clinton are telling us there is nothing we can do about it anyway, so we might as well not even try; the best we can do for ourselves is to make sure we are 'saved' so that we do not end up in hell.

Finally Clinton denies emphatically asking for donations, whilst at the same time presenting a PayPal donate button on his site.

Eric Jon Phelps is another false prophet. Without even reading what this 'brother' is spouting on his website http://vaticanassassins.org/ I can tell you he is disinfo just by the fact he is a '**White Separatist** American **Freeman**'; and proud to announce it too. Take a look at his book 'Vatican Assassins' http://hoxtonpark.adventist.org.au/uploaded_assets/434028.

Course the fact racist Phelps associates with shills, rather than exposing them, is another nail in his credibility coffin. Here he is with Kevin Annett being interviewed by Mel Ve https://www.youtube.com/watch?v=cG5G-8hNm4Q. Here he is at the 2nd and the 8th 'Conspiracy Conferences' whereby he hobnobbed with the likes of Ted Gunderson, Anthony J Hilder, Jim Marrs, Jim Fetzer, Jordan Maxwell … http://www.conspiracycon.com/audiotapes.htmlhttp://web.archive.org/web/20020811075039/http://conspiracycon.com/speakers.html.

The fact he asks for money is a massive red flag. Just look what he charges for his wares; and notice the massive DONATE button on his site.

Chris Lucas does a good *exposé on Phelps and his associates* https://www.youtube.com/watch?v=65B440OwXOg.

Fellow 'brother' WALTER VEITH http://walterveith.com/ who promotes Eric Phelps http://amazingdiscoveries.org/links is just another false prophet. Course the fact Veith is an '**Amazing Discoveries**' 'partner' tells you all you need to know about AD.

Kevin Annett is undoubtedly another scum shill. He stands accused of seriously undermining the cause of Canada's Indian Residential School survivors. Heather Martin says, "his purpose is to discredit anyone who earnestly tries to hold pedophile priests and governments accountable for their actions. I think that he shames First Nations activists so that their voices can no longer be heard. I think that he serves darker forces while claiming to be the light. His connection to Webre concerns me as does his connection with Phelps. And what I know to be true is that anyone who alligns themselves with Annett either becomes part of his con or gets destroyed [and usually the latter happens eventually anyways]." Tara Froman describes exactly how well the shills serve their masters when she says, "Kevin Annett's half-facts, lies, inaccuracies and slanders **muddle the issue**. The churches and government must rejoice that the Natives have to deal with his 'help' as it is more of a hindrance." Listen to Prof Jim Craven here. Also, see Another case of Indigenous People denouncing Kevin Annett and Kevin Annett must be stopped and conscious living.

If it walks like a duck and quacks like a duck, it's probably a duck!

As for Toos Nijenhuis a so-called survivor of child torture, satanic ritual abuse involving royalty and senior clerics, we'd be wise to question the veracity of her story, since it is brought to us by Kevin Annett and publicised on sites such as 'Before it's news', 'The tap Blog' and 'Aangirfan'. All these sites support the HG BS story and all have links to each other and other shill sites.

As for **Dave Knight** of The Duck Shoot http://theduckshoot.com/, he is just another bullshitting shill. Anyone who defends Spivey has already shown his hand. But read on if you want more. It was this post on Sabine's V/U http://victims-unite.net/our-cases-as-stories/violent-physical-attacks/ms-charlie-seven-no-28/ that I accidentally stumbled upon that caught my eye. I then had a nosey at Dave's site expecting to see a write up where he exposes the Charles 'sandwich short of a picnic' Seven and also Sabine. But there was no such thing. Worse, Dave has links to 'Justice for Hollie Greig', Bill Baloney, Spivey, Puddick, Sonia Poulton … and posts written by Maggie Tuttle. WTF??? [Oh and he

also has a donate button! And, surprise surprise, he isn't exposing any shills!!!]

And what of **CROSSMAN** [**Andy Sinclair**] (1) crossman – YouTube? Is he genuine or is he just another pretend NWO warrior? Take a look at the end of my BRIAN HARVEY pdf

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear. The traitor is the plague." ~ Marcus Tullius Cicero.

Those traitors are the ones speeding up internet censorship. See the comments such as those regarding the **Ben** Fake-**Fellows** allegations: "My greatest concern is the effect an error, as great as that made by many relating to Lord McAlpine, might have on **freedom of speech on the internet** and the consequences for victims. Naturally I feel very sorry for Ken Clarke whose name has been traduced but people who will **suffer the most will be the genuine victims of child abuse** as such a high profile error once it has become public, as I feel certain it will, **will only serve to increase skepticism about future allegations, especially those made against VIPs."** And: "As long as they have a few of the **main heads – Icke, Maloney, UK Column, Spivey etc then they are bound to get the idea out there that this accusation is true,** even though it is completely unsubstantiated. Now, **they have the perfect excuse to limit what can and can't be said on the net –** after all these 'damaging accusations' Ken can bring in new legislation to monitor and regulate twitter, facebook, blogs." And: "Seeing how they operate, I have totally lost respect for Mr Fellows. **He is doing a lot of harm to the cause of the very people he is meant to be representing – victims of paedophiles."** And: "Some people can be very plausible. Mix up the truth with untruths to make the untruths stick. Add some subconscious emotional blackmail [if I doubt him, I'm a callous person!] and it's a winner. Anyone following up a gut instinct of something not being right

with this guy's demeanour [smiling/laughing/courting attention about a subject which abuse victims find difficult to discuss] and checking some facts will see the inconsistencies in this story. **It's a pity that this issue has suffered this distraction. We already know that the [real] victims have a hard enough time being listened to and believed** without interference from attention-seekers."

The traitors have created an Ickie warned 'problem reaction solution' situation [Icke being the biggest traitor of all] where laws will be **demanded** to deal with trolls; and thus an end to free speech on the internet.

Something to think about: You first need to decide which side you're on. If it's the Satanists' side, go to Hell. If you're on God's side, well done, that takes courage. Now show it i.e **do your bit**; anything; be creative; do SOMETHING to raise awareness and help stop the NWO. Jesus **did not call spectators**, he called disciples. You don't have to be a leader to achieve results, although so much the better if you are. You may become one in due course; no-one knows where their path will lead. Start small, be brave and be YOURSELF. Do not worry what others may think of you. Be proud of who you are and the **power you hold within**.

"The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly; who errs and comes short again and again; because there is not effort without error and shortcomings; but who does actually strive to do the deed; who knows the great enthusiasm, the great devotion, who spends himself in a worthy cause, who at the best knows in the end the triumph of high achievement and who at the worst, if he fails, at least he fails while daring greatly. So that his place shall never be with those cold and timid souls who know neither victory nor defeat." ~ Thodore Roosevelt.

"He who does not bellow the Truth when he knows the Truth, makes himself the accomplice of liars and forgers." ~ Charles Peguy "The Honest People" *Basic Verities* (1943)

Finally, a message to all you people who serve the Masonic powers [or any secret society], don't be under any illusion that you will be protected forever; whatever you've been promised for your services, you are being deceived – you are listening to Satan, the

master of lies; trust me, when your work is done the evil one will turn on you too. Your only protection is in God.

Psalm 91 – God's Presence Means Physical Protection.

"Living under God's shadow is the most protected place in the universe. It takes faith though to stay there, and faith comes only from His word. Here in Psalm 91, God's salvation is likened to bodily protection. Actively live in Him and He will actively live over you. Build this belief into your heart and enjoy this protection in your life. Believe for your whole household.

You who live in the shelter of the Most High, who spend your nights in the shadow of the Almighty, who say to the LORD, "My refuge! My fortress! My God, in whom I trust!" – He will rescue you from the trap of the hunter, and from the plague of disease. He will cover you with His pinions, and under His wings you will find refuge; His truth is a shield and a protection.

You will not fear the terrors of night, or the arrow that flies by day, or the sickness that roams in the dark, or even the destruction that lays waste at noon. A thousand may fall at your side, ten thousand at your right hand, but it won't come near you. Only keep your eyes open, and you will see how the wicked are punished. For you have made the LORD, the Most High, who is my refuge, your dwelling place. No disaster will happen to you, no calamity will come near your house; for He will order His angels to care for you and guard you wherever you go. They will carry you in their hands, so that you won't trip on a stone. You will tread down lions and snakes, young lions and serpents you will trample underfoot.

"Because he loves Me, I will rescue him; because he knows My Name, I will protect him. He will call upon Me, and I will answer him. I will be with him when he is in trouble. I will rescue him and bring him honor. I will satisfy him with long life and show him My salvation."" https://www.hopefaithprayer.com/psalm-91-gods-presence-is-protection/.
